Bipin Chachan
District Governor

Governor's Message

The Magic of Rotary continues...

“रोटरी परिवार का संगठित प्रयास-अंतिम 3.5 महीनों का लक्ष्य”

प्रिय रोटरी परिवार,

2 मार्च 2005 को हमने सफलतापूर्वक रोटेरियन मुकेश तनेजा को DGND (District Governor Nominee Designate) के रूप में चुना। डिस्ट्रिक्ट की ओर से उन्हें हार्दिक बधाई! उनका अनुभव और नेतृत्व निश्चित रूप से डिस्ट्रिक्ट 320 को नई ऊंचाइयों तक ले जाएगा।

The Magic of Rotary Year - अब आखिरी 3.5 महीने बाकी!

8.5 महीने पूरे हो चुके हैं और अब सिर्फ 3.5 महीने शेष हैं। यह समय हमें उन क्षेत्रों पर ध्यान का है, जहां हम अभी पीछे हैं। मैं सभी क्लब लीडर्स से आग्रह करता हूँ कि हमारे लक्ष्य पूरे करने के लिए अंतिम समय में पूरी ताकत झोंक दें।

Membership Growth - 10% वृद्धि का लक्ष्य पूरा करें!

- ⚡ सदस्यता रोटरी की रीढ़ है, और हमने कम से कम 10% की न्यूनतम वृद्धि का लक्ष्य रखा है।
- ⚡ जो क्लब इस लक्ष्य से पीछे हैं, उनसे अनुरोध है कि ** इस दिशा में सक्रिय रूप से कार्य करें।

🔊 नए सदस्यों को जोड़ने के लिए अब भी समय है - Let's make it happen!

Service Projects - District Projects में सक्रिय भागीदारी करें!

- Artificial Limb, Cervical Cancer Vaccination, और अन्य District Projects में जिन क्लब्स ने अभी तक भाग नहीं लिया है, उनसे अनुरोध है कि इस दिशा में कदम बढ़ाएं।
- Global Grant Projects के लिए 31 मार्च 2025 तक आवेदन करें। GG Projects के माध्यम से हमारे डिस्ट्रिक्ट को और मजबूत बनाएं।

The Rotary Foundation - एक नया रिकॉर्ड बनाना है!

- 1 मार्च 2025 को, हमने \$3,00,000 का आंकड़ा पार कर लिया - यह पिछले 10 वर्षों में हमारा सर्वश्रेष्ठ प्रदर्शन है!
- लेकिन The Magic of Rotary Year में हमें एक नया रिकॉर्ड बनाना है!
- \$100/capita पूरा करने वाले क्लब को RI से EREY Club Banner मिलेगा।
- इस साल PHF सिर्फ \$250 में बन रहा है - इसमें इस वर्ष का दिया हुआ योगदान भी एडजस्ट होगा।
- जितने अधिक सदस्य PHF बनेंगे, उतना ही हमारा डिस्ट्रिक्ट मजबूत होगा!

Special Appeals - District Team और Doctors Fund

District Team Members - मैं आप सभी से अनुरोध करता हूँ कि \$1000 देकर District Team Endowment Fund का हिस्सा बनें। डिस्ट्रिक्ट के सभी डॉक्टर्स - मैं आपसे अपील करता हूँ कि District Doctors Fund में अपना योगदान दें।

Holi और Ramzan की शुभकामनाएं।

मार्च रंगों और आस्था का महीना है। होली के पावन अवसर पर मैं आप सभी को रंगों से भरे उत्सव की शुभकामनाएं देता हूँ। Ramzan के इस पवित्र महीने में हमें त्याग, सेवा और सद्भावना के मूल्यों को अपनाना चाहिए।

Let's celebrate the spirit of Rotary and make these last 3.5 months truly magical!

आपकी साथी,

रोटेरियन बिपिन चाचान

डिस्ट्रिक्ट गवर्नर 2024-25

द मैजिक ऑफ रोटरी

EDITORIAL

सेवा के रंग समर्पण की रोशनी और बदलाव की उड़ान।

प्रिय रोटरी परिवार,

रंगों के उत्सव होली की रंगीन स्मृतियों के साथ, मैं आप सभी का हार्दिक अभिनंदन करती हूँ। सबसे पहले, मैं उन सभी क्लबों को बधाई देना चाहूँगी, जिन्होंने इस वर्ष अब तक अद्भुत कार्य किए हैं। आपके समर्पण और सेवा की भावना ने हमारे जिले को गौरवान्वित किया है। आपकी प्रेरणादायक पहलें समाज में सकारात्मक बदलाव ला रही हैं।

होली के उल्लासमय माहौल में यह गवर्नर मासिक पत्रिका (GML) थोड़ी विलंब से आ रही है, जिसके लिए हम क्षमाप्रार्थी हैं। हमें विश्वास है कि आप सभी ने यह त्योहार अपने प्रियजनों के साथ हर्षोल्लास से मनाया होगा। अब हम आगामी चैत्र नवरात्रि की ओर बढ़ रहे हैं, जो शक्ति, भक्ति और सकारात्मकता का प्रतीक है। इस शुभ अवसर पर मैं आप सभी को शुभकामनाएँ देती हूँ।

रोटरी इंटरनेशनल के मार्च और अप्रैल महीने के लिए रोटरी थीम की बात करें तो:

- मार्च - "Water, Sanitation, and Hygiene Month" : इस माह के अंतर्गत हमें स्वच्छ जल, स्वच्छता और स्वास्थ्य से जुड़े कार्यक्रमों पर ध्यान देना चाहिए। जल संरक्षण और स्वच्छता जागरूकता हमारी प्राथमिकता होनी चाहिए।
- अप्रैल - "Environmental Month" : पर्यावरण संरक्षण हमारे भविष्य की जिम्मेदारी है। वृक्षारोपण, प्लास्टिक मुक्त समाज और ऊर्जा संरक्षण जैसे प्रयासों से हम धरती को हरा-भरा बनाए रख सकते हैं।

हमारा जिला गवर्नर रोटेरियन बिपिन चाचन और पूरी GML टीम इस मासिक पत्रिका के सफल प्रकाशन में महत्वपूर्ण भूमिका निभा रहे हैं। उनके मार्गदर्शन और सहयोग के लिए मैं अपनी गहरी कृतज्ञता व्यक्त करती हूँ। यह उनका नेतृत्व ही है, जिससे हमारा जिला नई ऊँचाइयों को छू रहा है।

आइए, हम सभी मिलकर रोटरी के जादू को और अधिक प्रभावी बनाएं और सेवा कार्यों को नई ऊँचाइयों तक पहुँचाएं।

रोटरी के इस सुंदर सफर में आप सभी का साथ यूँ ही बना रहे।

रोटरी सेवा के साथ,

Veena Jain

RI PRESIDENT'S MESSAGE

Stephanie A. Urchick

March 2025

"The Magic of Clean Water: Transforming Lives Through Rotary's Commitment"

March is here, and for Rotary International, that means celebrating Water, Sanitation, and Hygiene Month — a time to shine a spotlight on one of the most transformative areas of our work.

This month is an opportunity to reflect on The Magic of Rotary and the profound impact we create when we come together with determination and purpose.

Years ago, I experienced this magic firsthand in the Dominican Republic. When a group of members helped people install water filters, three children watched with amazement as dirty water entered one end of a filter and clean water emerged from the other. When we paused the demonstration, one child tugged at my sleeve and pleaded, "Show me the magic again."

To them, it felt magical. It was also the result of countless hours of effort — planning, transporting, and installing the filters — alongside local partners who were dedicated to making clean water accessible. In that moment, I realized that what seemed like a small act could change residents' lives. That is The Magic of Rotary.

This story is a testament to the incredible potential of our global family to create change. Water projects exemplify our reach, our partnerships, and our unwavering commitment to improving lives. Consider Rotary's work with USAID. That partnership has enabled us to work with communities and governments to improve access to sustainable water and sanitation services for thousands of people in the Dominican Republic, Ghana, the Philippines, and Uganda.

Partnerships remind us that Rotary's impact is amplified when we work together. Through our strategic alliance with the United Nations Environment Programme, we're advancing the Community Action for Fresh Water initiative. This program equips Rotary members with the tools and resources to protect, restore, and sustain freshwater ecosystems.

When we make use of Rotary grants and advocate for clean water in our communities, we create a ripple effect that extends far beyond individual projects.

As we embrace the spirit of the month, I encourage every Rotary member to seek out new partnerships. Collaboration multiplies our efforts and helps us reach more people in need.

Whether it's joining forces with local organizations, forming alliances with international agencies, or mobilizing your community, every step we take together brings us closer to a world where everyone has access to clean water and safe sanitation.

The Magic of Rotary shines brightest when we work in harmony with others to create lasting good. Together, we can turn dreams into realities that transform lives and communities. The result may feel like magic at times, but we know it's from the power of our collective commitment and compassion. Let's harness this magic to make a difference this month and beyond.

District Tuberculosis Seminar “India Sans TB”

Jamshedpur, February 23, 2025 | Host : Rotary Club of Jamshedpur East

The Rotary Club of Jamshedpur East successfully hosted the District 3250 Seminar on Tuberculosis Awareness and Prevention – “India Sans TB”, marking a significant step toward a TB-free India. This was the club's first district seminar, attended by Rotarians and dignitaries from 20 Rotary Clubs across District 3250.

The event was graced by Chief Guest PDG Dr. Balkrishna Inamdar, District Governor 2024-25 Rtn.

Bipin Chachan, First Lady Rtn. Shilpi Chachan, and several Past District Governors, Regional Directors, Assistant Governors, Club Presidents, Secretaries, and Rotarians.

Held at Hotel Alcor, Jamshedpur, the seminar brought together 120 Rotarians, medical professionals, and health advocates for insightful discussions on TB prevention, treatment, and public health strategies.

Key Highlights

- Welcome & Inaugural Address by Rtn. Subhrajit Basu (Club President) and District Co-Chair on TB Awareness, Rtn. Dr. Tamal Deb.
- **Keynote Insights:**
 - o DG Rtn. Bipin Chachan shared his vision for a TB-free District 3250.
 - o PDG Dr. Balkrishna Inamdar highlighted Rotary's role in TB eradication.
 - o Experts including Dr. Narayan Mishra, Dr. Anup Gupta, and Dr. Shahin Razi provided valuable insights on MDR-TB, economic impact, and community-driven prevention strategies.

- A compelling skit, "Return from Doom", showcased the impact of TB and the importance of early diagnosis.

Fellowship & World Rotary Day Celebration

- Rotary Foundation recognitions were presented, followed by a vote of thanks by Rtn. Maneesh Jain.
- The seminar concluded with a fellowship lunch, fostering deeper discussions.
- To commemorate World Rotary Day (Feb 23), all Rotary Clubs of Jamshedpur participated in a symbolic cake-cutting ceremony, reaffirming their commitment to service.

CLUBS IN ACTION

Weaving Magic Locally

AMRAPALI MUZAFFARPUR

A cancer awareness program was held at Grand View Prep School, Bhagwanpur, where Dr. Shobhana Chandra emphasized cancer prevention through healthy lifestyle choices, yoga, and a nutritious diet. A joint awareness rally, organized by Rotary Clubs, the Lions Club, Inner Wheel, and the Indian Dental Association, took place in Muzaffarpur, spreading awareness through slogans and banners. BP Indraprastha International School hosted a cancer awareness session where experts educated students on the dangers of tobacco and alcohol while promoting exercise and healthy eating. On February 23, the Rotary Club of Amrapali celebrated 120 years of Rotary by organizing a blood donation camp at The Bodhi Tree Global School, benefiting the blood bank of Shri Krishna Medical College Hospital.

BEGUSARAI

A blood donation camp was organized, and an emergency medicine kit was distributed to members to raise awareness about life-saving medicines that can be used before medical help arrives.

BETTIAH CENTRAL

Biscuits and sweets were distributed among deprived children at Banvashi Kalyan Ashram. At the bank of Barwat Math, 84 mango trees were planted with the support of villagers. A cataract surgery was performed on a poor patient. For the second time, 144 woollen caps were distributed to students of the adopted school under the Chanpatiya block. Additionally, the third dose of the cervical cancer vaccine was administered to four girls at Dr. Suresh Prasad's clinic.

BHAGALPUR

Free health camps were organized, including a skin disease test and detection camp at Shankar's Clinic, a mouth and oral cancer detection camp at Dr. Sanatan's Clinic, and a bone mineral density test at Dr. Amitabh's Clinic.

BOKARO STEEL CITY

The Saraswati Puja celebrations began with sacred rituals, prayers, and Bhog Prasad distribution. The Rotary Club of Bokaro Steel City organized a medical camp, providing check-ups, vaccinations, and supplements to 215 underprivileged children. During a community visit, snacks and sweets were shared, with Past President Rotarian Ashok Taneja sponsoring the breakfast, reinforcing the club's commitment to service.

BUXAR

Rotary Buxar organized an Artificial Limb Camp at the Red Cross Society Campus, Buxar, from February 4th to 6th, 2025, with support from Mahavir Seva Sadan, Kolkata. In celebration of its 120th anniversary, the club also hosted a blood donation camp at the Red Cross Blood Bank, Sadar Hospital. Additionally, on the occasion of Mahashivratri, snacks and water were distributed at Thatheri Bazar, Buxar.

**CHANAKYA**

The Rotary Club of Chanakya organized a Health Camp & "Know Your Numbers" Camp on February 1st at SK Puri Park and again on February 13th at Echo Park, offering free health checkups, including blood tests. Club members donated 39 units of blood for pediatric cancer patients at Mahavir Cancer Sansthan, Patna. A fibroscan test camp was also conducted to assess liver health at no cost. A free cervical cancer vaccination program was held at Mahavir Cancer Sansthan for the daughters of 4th-grade staff and village girls aged 9 to 15, alongside fruit and eatable distribution. Additionally, 150 poor people were served breakfast. A hepatitis screening and vaccination program was also conducted to promote community health.

**CHANAKYA PRIDE**

Four dustbins were distributed to Kanya Madhya Vidyalaya to promote cleanliness and educate children on proper waste disposal. The dustbins, bearing the club's name, reinforced the importance of maintaining a clean school environment.

**CHAS**

Rotary Chas, under the Annapurna Project, provided food to 50 children of Sahyog Village near Chas Jail. The club organized the Know Your Numbers health camp at Amrit Park, offering free checkups for blood pressure, blood sugar, weight, and height, benefiting 24 individuals. Rtn Dr. Shrawan provided medical advice, and Rtn Dr. Suman chaired the initiative. Additionally, on February 17th, Rotary Chas installed bird nests at Jaivik Udyan, Bokaro, creating a safe haven for birds.

**DHANBAD**

A team of 23 international Rotary members participated in the National Immunization Initiative, with a press conference held to raise polio awareness. A polio immunization drive was conducted with 23 NID team members from various countries, joined by DG Bipin Chahchan. Rotary Club of Chennai Meraki's three-member team, on a 6,360 km rally across 15 states, planted trees at Jeevan Jyoti School and held a press conference on tree plantation awareness. At Kashitand Village School, 95 students received free eye checkups, and refreshments were distributed. A blood donation camp at Naya Bazaar, Dhanbad, collected 50 units in collaboration with SNMMCH Dhanbad under a global grant project. Additionally, sports equipment, including footballs, badminton rackets, shuttle corks, and skipping ropes, was donated to Kashitand Village School.

DHANBAD CENTRAL

Rotary Club Dhanbad Central organized a cricket tournament to promote sports awareness and a 'Know Your Numbers' medical camp for community health. DG Bipin Chachan visited the club and Ramasharam, discussing Rotary initiatives. Lunch was provided to the inmates of Ramasharam.

**DHANBAD MIDTOWN**

A yoga session was organized at DIT College under the leadership of Rtn. Rashmi Bharty, a yoga professional with over 15 years of experience, aligning with the club's goal of spreading yoga awareness in schools and community centers. The Rotary Dialysis Centre successfully conducted 60 dialysis sessions, benefiting nine individuals. Skill development classes trained 22 girls in stitching and mehendi designing. The Saheli Centre I in Wasseyapur conducted English speaking and writing classes for 15 underprivileged girls, while the Saheli Centre II in Nirsa ran computer classes for 47 girls and provided stitching training to 24 young students at the Kids Education Centre.

**GIRIDIH COUPLE**

Rotary Giridih attended the Ekal Vidyalaya Cultural Event and was invited to support their future activities.

**GIRIDIH GREATER**

A dental health check-up camp was conducted at Rajkiyakrit Madhya Vidyalaya, Chaitadih, Giridih, where 230 students underwent dental checkups and received appropriate guidance. Additionally, an Ortho & Eye Check-Up Camp was organized at Snehadeep Old Age Home, Giridih, in collaboration with Dr. Prabhat Kumar (Ophthalmologist) and Dr. Srawan Kumar (Orthopedic), benefiting 24 senior citizens with medical screenings, medicines, and opticals.

**GIRIDIH**

American doctors travelled to provide life-changing surgeries over six days and conducted screenings at a Missionary School and Hospital for a Plastic Surgery Camp. Their efforts in improving children's vision brought remarkable changes to their lives. Recognizing the importance of clear visibility, Rotary took steps to enhance people's quality of life. Additionally, physiotherapy provided crucial support to patients with mobility issues, demonstrating the impact of experienced therapists and well-equipped centres.

**HAZARIBAGH JAGRITI**

Multiple cataract surgeries were conducted at Rohini Devi Rotary Netralaya Hazaribagh, benefiting several individuals on the 4th, 11th, 18th, and 25th. A health check-up camp was organized at Vinoba Bhave University during the Eastern Zone Inter-University Kho Kho Tournament for Girls, where BP, sugar, height, and weight of 150 students were checked. From February 12th to 14th, an Artificial Limb Camp was successfully held by Rotary Clubs of Koderma and Hazaribagh Jagriti, in collaboration with Mahavir Seva Sadan, Kolkata, providing LN4 screening to around 60 individuals.

JAMSHEDPUR EAST

RC Jamshedpur East with SDDS celebrated Saraswati Puja and organized a four-day Sign Language Training program. The institution also participated in HAUSALA-25 and conducted a medical camp at Galudih. A Rotary Day Press Conference and Car Rally were held, followed by press coverage of the India Sans TB District Seminar. As part of the RCJE Fighting TB initiative, 10 nutritional packets were distributed to TB patients. Additionally, SDDS students engaged in a yoga session at Tata Cummins.

**JAMSHEDPUR FEMINA**

RCJ Femina organized various initiatives, including a Cervical Cancer prevention and screening camp on World Cancer Day, where over 50 women attended an informative session on HPV vaccination and the benefits of Pap tests. A Mega Eye Screening and free cataract operation camp was also conducted, screening 120 individuals and providing surgeries for 41 underprivileged people, along with essential post-operative care. Food and toys were distributed to underprivileged children at Palna Ghar. Additionally, a blood donation camp was held in collaboration with the Red Cross Society, collecting 89 units. To empower women, RCJ Femina launched a vocational training centre for individuals

aged 18 and above, offering skill development courses twice a week, with 25 women enrolled in the first batch, aiming to help them secure employment in reputed parlours.

**JAMSHEDPUR GREEN**

The Rotary Club of Jamshedpur Green held a Mega Health Check-up Camp at S.S. High School, Patamda, benefiting 75 patients, with eight diagnosed for cataract surgery. They inaugurated a Vocational Training Centre at Mango and hosted a press conference for Rotary Day. A Car & Bike Rally was organized with a Polio theme, flagged off by DG Bipin Chachan. A club member also attended a Rotary meeting in Scarborough, where RI President Elect Mário César Martins de Camargo shared his vision for Rotary's growth.

**JAMSHEDPUR**

The Rotary Club of Jamshedpur, in collaboration with Shirdi Sai Charitable Trust, provided hot nutritious meals to over 935 residents across multiple village clusters. The RCJ Eye-Diagnostic Van conducted free check-ups for students at various locations, detecting refraction errors in some. A pacemaker was provided to Mr. Biswas. To mark the 120th anniversary of Rotary Day, a grand car and bike rally was held, promoting Rotary's seven focus areas. The Rotary Saheli Centre continued its vocational training for women, while computer training was provided to 28 students monthly. Regular medical camps treated patients, including TB cases, and a shelter was provided for 225 cancer patients. The Bhelaipahari clinic supported mothers and children with food supplements and medical aid.

JAMSHEDPUR MID TOWN

The club provided freshly cooked meals to patient attendants at MGM Government Hospital, benefiting 300-350 people regularly. Under the "Waves of Change" project, they rehabilitated a sexually abused student by offering two years of sponsorship, including food, lodging, and counselling. They donated 10 cycles and t-shirts to meritorious girl students of Sidhu Kanu School, addressing transportation issues. Career counselling sessions and library donations were conducted at multiple schools. Weekly river cleaning drives were organized at Gandhi Ghat and Domuhani Ghat. Additionally, they conducted free eye cataract surgeries, health check-ups, and mental health counselling for underprivileged students. A new Interact Club, CPS WARRIORS, was also chartered. The club further contributed by distributing study kits, books, and school supplies to students in need.

**JAMSHEDPUR STEEL CITY**

RC Jamshedpur Steel City has been providing meals to 300-350 patient attendants at MGM Hospital for five years. The club organized a blood donation camp, a fundraising cyclothon raising ₹1,50,000 for cancer patients, and a Rotary Marathon promoting health. Their commitment was further highlighted through a CPR training workshop, a joint car rally, and a press conference with Rotary clubs of Jamshedpur and Chaibasa. An exclusive interview with District Governor Bipin Chachan on All India Radio showcased Rotary's contributions, truly reflecting the "Magic of Rotary."

**JAMSHEDPUR WEST**

The Anaemia Testing & Awareness Project empowered communities with screenings, awareness, and treatment. The club also organized cervical cancer awareness sessions and HPV vaccinations, ensuring early detection and prevention. On Roti Day, in collaboration with Rotaract Club of Karim City College, nutritious meals were provided to the underprivileged. Educational efforts included establishing learning centres in cyclone-affected and remote villages, supporting Palna Ghar for daily wage workers' children, and operating schools for slum toddlers. Additionally, anaemia screenings were conducted for students to ensure their well-being.

**KODERMA**

The Rotary Clubs of Koderma and Hazaribagh Jagriti, in collaboration with Mahavir Seva Sadan, Kolkata, organized a free assessment and distribution camp for artificial limbs, callipers, and prosthetic hands from February 12-14, 2025, at Rotary Bhawan, Jhuri Telaiya, Jharkhand. A total of 64 patients were registered, and assistive devices were provided, including 35 artificial limbs, 12 callipers, and 17 prosthetic hands, ensuring improved mobility and support for the beneficiaries.

MADHUBANI MILLENNIUM

The "Rotary Pustak" program supported government schools from classes 1 to 8 by providing essential learning resources. Additionally, slippers were distributed at Anganwadi Centre No. 220 in Rahika Block, Madhubani, Bihar, ensuring comfort and support for young children.

**MANPUR**

Essential food items, including snacks, wheat flour, potatoes, rice, and chocolates, were distributed at Chakand Blind School and rural areas. Additionally, Sticks were provided to visually impaired students at the school.

**MUZAFFARPUR**

Dr. Reyaz Ahmad, Senior Director of Hematology & Bone Marrow Transplantation at Max Hospital, Saket, New Delhi, conducted a seminar and valuable insights on blood cancer and bone marrow transplantation.

**NALANDA**

Rotary Club Nalanda organized a free mega health check-up and PPH camp at Uprawa village. Additionally, on the eve of Rotary International Day, the club installed a Rotary wheel near Shishu Arogya Sadan in Biharsharif and renovated an oxygen bank, which was inaugurated by MP Nalanda Sri Kausalendra Kumar.

**NARKATIAGANJ**

The Rotary Club and its Rotaract Club, honoured the 40 CRPF soldiers martyred in the Pulwama attack by lighting candles and observing a minute's silence at the Martyrs Memorial on their sixth death anniversary.

**PATALIPUTRA**

Rotary Patliputra actively supports healthcare, education, and social welfare. Club organized the Saevus Eco Achievers Quiz, where DPS Patna won, and a health camp benefiting 100 individuals. The club runs two Mukti Rathis in Patna, ensuring dignified last journeys. Rotary Mahavir Blood Bank issued 258 units in January 2025, while the Eye Hospital conducted 800 OPDs and 10 cataract surgeries in February. Additionally, six dialysis machines at Mahavir Rotary Aarogya Asptal facilitate 280 monthly dialysis sessions for the underprivileged.

**PATNA ARYANS**

Free martial arts training is provided to young girls to develop self-defense skills and enhance mental toughness.

**PATNA CITY SAMRAT**

Woollen clothes and spectacles were distributed to operated patients. On World Cancer Day, Rotary Patna City Samrat organized an awareness program on female hygiene and cervical cancer at Sarvodaya Infant Academy, featuring a talk by Rtn. Dr. Shilpi Golwara. Road safety awareness was promoted through the distribution of free helmets at Jesus and Mary Academy. A pledge camp for organ and eye donation was conducted in association with the Red Cross Society and Patliputra Parishad. The club collaborated with Patna Municipal Corporation Ward 67 to clean the area and raise awareness about seasonal diseases. Cataract surgeries were performed, and spectacles were provided to underprivileged patients. The 120th Rotary Day and Paul Harris's birthday were celebrated with extensive media coverage. Additionally, a talk on environmental conservation was organized to highlight Rotary's initiatives.

PATNA KANKARBAGH

The Rotary Club of Patna Kankarbagh marked Rotary's 120th anniversary with impactful service initiatives. Under the Annapurna Project, a special meal distribution was organized for visually impaired girls at Antarjyoti Balika Vidyalaya. A free health check-up camp at Lohianagar Park provided essential medical tests and medicines, benefiting morning walkers, young individuals, and senior citizens. Additionally, an "Old & Unused Clothes Distribution Drive" near Dr. Shrawan Kumar's Clinic distributed over 500 clothes to 300 beneficiaries.

PATNA MIDTOWN

Rotary Patna Midtown marked World Cancer Day with a Mega Free Cancer Screening Campaign at Savera Cancer Hospital, emphasizing early detection. NCC cadets engaged in cancer prevention and oral hygiene sessions, while fruit distribution brought comfort to patients. Screening camps extended care to underserved areas. A Nukkad Natak on road safety raised awareness, and Project Mukti Rath continued supporting accident victims. The club also contributed to the Pancham Dham Mahamritunjay Yagya, offering spiritual solace. Intellectual discussions at Hotel Savera covered vision restoration, the Union Budget, Rotary's public image, and dental care awareness.

PATNA MILLENNIUM

Rotary Club of Patna Millennium successfully facilitated 12 and 17 cataract surgeries at Pragy Netralaya, Hajipur, restoring vision and hope to many. Under the "Ujjawal Abhiyaan," the club adopted Balwa village in Vaishali, offering free eye check-ups, health camps, cancer treatment support, congenital heart disease care, and women empowerment programs like stitching training and a sanitary pad bank. Community development efforts included well renovation and essential services. Additionally, the club donated stretchers and wheelchairs to the Railway Hospital in Karbighiya. Spiritual outreach continued with Bhagwat Bhandaras at Hajipur Sadar Hospital.

PATNA WEST

The Rotary Club of Patna West organized a daily free meal distribution drive in Patna's slum areas, providing nutritious food to 100–150 underprivileged individuals each day.

**RAMGARH**

Rotary Ramgarh distributed water bottles, tea, and juice to 5,000 people during a religious procession, with support from a local sponsor. A free eye camp was also organized, where 45 patients were examined, and 22 received successful cataract surgeries. Blankets and spectacles were distributed, and appreciation was extended to the medical team for their support.

**RANCHI**

The Rotary Club of Ranchi organized a screening camp for children with congenital heart disease, ensuring free treatment for those in need. A blood donation drive was held, collecting 40 units, and food packets were distributed. To mark 120 years of Rotary, the club gained media coverage, highlighting its humanitarian efforts. Annapurna Day was celebrated by serving meals to 60 children and their guardians. Additionally, a free health camp provided essential check-ups for 86 individuals, reaffirming Rotary's commitment to healthcare and community service.

**TATHAGAT**

The club organized a mega marathon promoting the message "Say No to Drugs," where participants received certificates, T-shirts, and awards. A medical camp in Karara provided essential healthcare services and medicines to locals, while another camp at a police academy in Rajgir assisted trainees. Additionally, a seminar and awareness campaign educated youth on the dangers of drug abuse, with strong media support amplifying the message.

**VIKRAMSHILA PINK**

Best wishes were conveyed for the 14th Foundation Day of Prabhat Khabar and Mahashivratri 2025. A "Know Your Numbers" camp at Sandish Compound, Bhagalpur, provided health check-ups for 90 morning walkers, testing their sugar, BP, and weight.

Overview of Rotary International Major Programs

"Rotary's Roadmap to Lasting Change: Rotary Vision Statement"

"Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."

This vision reflects Rotary's commitment to service, leadership, and humanitarian impact through collective action.

Rotary's Action Plan to Achieve the Vision

Rotary International has developed a strategic action plan with four key priorities to ensure that the vision becomes a reality. These priorities help strengthen Rotary's global network and maximize its impact.

1. Increase Our Impact

Rotary aims to make a measurable and sustainable difference in communities worldwide.

Key Strategies:

Expand efforts in Rotary's Seven Areas of Focus (e.g., disease prevention, water sanitation, and peace building).

Support large-scale, high-impact service projects.

Strengthen partnerships with organizations like WHO, UNICEF, and local governments.

Increase financial contributions and effective use of Rotary Foundation grants.

Promote data-driven decision-making to measure the success of projects.

2. Expand Our Reach

Rotary seeks to grow its membership and increase diversity, ensuring a wider network of individuals committed to service.

Key Strategies:

Attract new members by making Rotary more accessible (e.g., flexible meeting formats, virtual clubs).

Strengthen youth and family engagement through Rotaract, Interact, and Rotary Youth Exchange.

Establish new Rotary clubs, Rotaract clubs, and Rotary Community Corps (RCCs) in underserved regions.

Improve engagement with alumni from Rotary

programs (e.g., Peace Fellows, RYLA graduates).

Utilize digital tools and social media to reach broader audiences.

3. Enhance Participant Engagement

Rotary focuses on ensuring that members and partners feel valued, inspired, and actively involved.

Key Strategies:

Improve member induction, orientation, and engagement to retain new members.

Provide leadership training and mentorship opportunities.

Encourage involvement in Rotary Fellowships and Rotary Action Groups based on interests and expertise.

Promote hands-on service opportunities to increase personal fulfillment.

Recognize and celebrate contributions of members and volunteers.

4. Increase Our Ability to Adapt

Rotary seeks to remain relevant, innovative, and resilient in a rapidly changing world.

Key Strategies:

Foster an inclusive and flexible approach to membership and leadership structures.

Embrace new technologies to improve communication, meetings, and service projects.

Support innovative fundraising methods to sustain Rotary's humanitarian efforts.

Encourage clubs to experiment with new models for engagement and service.

Continuously evaluate and refine Rotary programs based on feedback and global trends.

Conclusion

Rotary's Action Plan provides a roadmap for achieving its vision by increasing its impact, growing its reach, enhancing member engagement, and ensuring adaptability. Through these strategies, Rotary continues to create lasting change in communities worldwide.

Magical Projects of the Month

“चिमटी पहाड़ी का पुनर्जागरण”

RC Jamshedpur West

रोटरी क्लब ऑफ जमशेदपुर वेस्ट ने चिमटी पहाड़ी गांव के 185 निवासियों के जीवन स्तर को सुधारने की जिम्मेदारी ली है। यह गांव पहाड़िया जनजाति का निवास स्थल है, जो धीरे-धीरे विलुप्ति की ओर बढ़ रही है क्योंकि वे मुख्यधारा की समाज से कटे हुए हैं। यह जनजाति दलमा पहाड़ियों की तराई में घने जंगलों के बीच बसी हुई है।

जब रोटरी क्लब के सदस्य पहली बार गांव पहुंचे, तो ग्रामीण डरकर जंगल की ओर भाग गए। निरीक्षण के दौरान पाया गया कि इस गांव तक पहुँचने के लिए कोई सड़क नहीं थी, पीने के पानी की सुविधा उपलब्ध नहीं थी, कृषि का कोई साधन नहीं था, और न ही शिक्षा व स्वास्थ्य सेवाओं की कोई व्यवस्था थी। क्लब ने सबसे पहले जल संकट को हल करने पर ध्यान केंद्रित किया— जिसमें पीने के पानी की सुविधा और कृषि के लिए जल उपलब्ध कराना प्राथमिकता रही।

गांव के पास से बहने वाली एक छोटी सी धारा थी, जो केवल बारिश के मौसम में जल से भरती थी, लेकिन वर्षा समाप्त होते ही पानी बहकर निकल जाता था। जल प्रबंधन विशेषज्ञों की मदद से तीन चेक डैम और एक जल संग्रहण तालाब बनाने का निर्णय लिया जाता था। जल प्रबंधन विशेषज्ञों की मदद से तीन चेक डैम और एक जल संग्रहण तालाब बनाने का निर्णय लिया गया ताकि पानी को रोका और संचित किया जा सके। सही जल के संरक्षण के लिए 100 फीट X 100 फीट का तालाब खुदवाया गया। रोटरी क्लब ने अपने सहयोगियों की मदद से लगभग रु5 लाख की राशि जुटाई और इस योजना को पूरा किया। अब इस जल प्रबंधन प्रणाली के कारण गांव में कृषि के लिए पानी उपलब्ध है।

गांव के निवासियों ने अपनी जमीन को साफ कर पहली बार खेती शुरू की। पानी को खेतों तक पहुँचाने के लिए पोर्टेबल पंप सेट और पाइपों का उपयोग किया जा रहा है। अब ग्रामीण अपनी भूमि पर सब्जियां उगा रहे हैं।

पीने के पानी की समस्या को हल करने के लिए दो बोरवेल खोदे गए। सौर पैनल और सबमर्सिबल पंप की सहायता से अब ग्रामीणों को स्वच्छ पेयजल उपलब्ध कराया जा रहा है। भविष्य में और अधिक बोरवेल स्थापित करने की योजना बनाई जा रही है।

शिक्षा की दिशा में कदम बढ़ाते हुए, क्लब ने एक आंशिक रूप से शिक्षित लड़की, पिकी की मदद से एक अस्थायी स्कूल की शुरुआत की। इसके अलावा, एक गैर-सरकारी संगठन (एनजीओ) की सहायता से सभी बच्चों के लिए मध्याह्न भोजन (मिड-डे मील) की व्यवस्था की गई। गांव में वस्त्रों की भारी कमी को देखते हुए, क्लब ने सभी छात्रों और उनके परिवारों को आवश्यक कपड़े उपलब्ध कराए। वर्तमान में, एक कॉपोरेट संस्था की मदद से गांव में एक पक्का स्कूल बनाया जा रहा है, जिसमें शौचालयों की सुविधा होगी। रोटरी क्लब इस स्कूल में एक भंडारण कक्ष और एक रसोईघर भी जोड़ रहा है ताकि बच्चों को प्रतिदिन पौष्टिक भोजन प्रदान किया जा सके।

अब अगला लक्ष्य गांव में स्वच्छता, आजीविका और स्वास्थ्य सेवाओं को उपलब्ध कराना है, जिससे चिमटी पहाड़ी के निवासियों को आत्मनिर्भर और सम्मानजनक जीवन जीने में मदद मिल सके।

रोटरी क्लब ऑफ जमशेदपुर वेस्ट का यह प्रयास चिमटी पहाड़ी गांव के लिए एक नई आशा लेकर आया है। यह सिर्फ एक शुरुआत है, क्लब का लक्ष्य इस गांव को आत्मनिर्भर और खुशहाल बनाने के लिए लगातार कार्य करते रहना है।

Magical Projects of the Month

Cyclothon

RC Jamshedpur Steel City

Cyclothon 2.0 – Pedalling for a Cause on World Cancer Day

On February 8th, 2025, the streets of Jamshedpur came alive as cyclists united for Cyclothon 2.0 – Cycle for a Cause, an initiative by the Rotary Club of Jamshedpur Steel City to raise funds for cancer patients on World Cancer Day.

More than just a ride, this event symbolized hope, resilience, and community spirit. Cyclists of all ages pedalled across 5 km, 10 km, and 21 km routes, turning their passion into

purpose. Hydration stations, enthusiastic volunteers, and the shared commitment to making a difference fuelled their journey.

A key highlight was honouring Ironman 70.3 Goa finishers and the remarkable Special Olympics Bharat athletes, proving that true strength lies in perseverance. Their achievements inspired everyone to push beyond

limits, both on and off the track.

The impact was profound—₹1,50,000 was handed over to support cancer treatment, while an additional ₹53,000 was raised for club activities. Participants received medals, certificates, and a well-deserved South Indian breakfast, but the real reward was knowing they had contributed to saving lives.

Cyclothon 2.0 was more than a fundraiser—it was a movement. It showcased the power of collective action, reminding us that every effort counts. As wheels spun and hearts united, the message was clear: Together, we can ride towards a healthier, more compassionate world.

“नशा मुक्त युवा-एक संकल्प, एक कदम स्वस्थ भविष्य की ओर”

23 फरवरी को, रोटरी इंटरनेशनल फाउंडेशन डे के अवसर पर, रोटरी क्लब तथागत द्वारा एक भव्य मैराथन “ड्रग मुक्त युवा” आयोजित की गई। इस आयोजन का उद्देश्य युवाओं में बढ़ती नशे की लत और उसके दुष्प्रभावों के प्रति जागरूकता फैलाना था, ताकि वे एक स्वस्थ और उज्ज्वल भविष्य की ओर अग्रसर हो सकें।

इस प्रेरणादायक दौड़ में 450 से अधिक युवाओं ने उत्साहपूर्वक भाग लिया, जिनमें लड़के और लड़कियां दोनों शामिल थे। 5 किलोमीटर की इस मैराथन के दौरान, प्रतिभागियों में जोश और ऊर्जा देखते ही बनती थी। हर एक कदम इस संकल्प को और मजबूत कर रहा था कि युवाओं को नशे की बुरी लत से दूर रखना ही समाज के उज्ज्वल भविष्य की कुंजी है।

मैराथन के समापन के बाद, एक विशेष संगोष्ठी (सेमिनार) का आयोजन किया गया, जिसमें प्रसिद्ध डॉक्टरों और विशेषज्ञों ने नशे के दुष्प्रभावों, इसके स्वास्थ्य पर पड़ने वाले नकारात्मक प्रभावों और इससे बचने के उपायों पर विस्तार से चर्चा की। उन्होंने युवाओं को प्रेरित किया कि वे अपने सपनों को साकार करने के लिए एक स्वस्थ जीवनशैली अपनाएं और नशे से दूर रहें।

इस कार्यक्रम को और यादगार बनाने के लिए, मैराथन के विजेताओं को ट्रॉफी और नकद पुरस्कार देकर सम्मानित किया गया, जबकि सभी प्रतिभागियों को प्रशस्ति पत्र प्रदान किए गए, जिससे उनमें आत्मविश्वास और सकारात्मकता का संचार हुआ।

यह मैराथन सिर्फ एक दौड़ नहीं, बल्कि एक सामाजिक आंदोलन थी, जिसने यह संदेश दिया कि यदि युवा नशे से मुक्त होंगे, तो देश का भविष्य और भी उज्ज्वल होगा।

Plastic Surgery

RC Giridih

Rotary Giridih's Flagship Project: Transforming Lives with Plastic Surgery

In an extraordinary act of service, Rotary Club of Giridih organized a life-changing plastic surgery camp, bringing together 23 expert doctors from the University of Virginia, USA, to perform 130 reconstructive surgeries for underprivileged patients. The surgeries targeted conditions such as cleft lips, cleft palates, burn scars, and deformed fingers, giving a new lease on life to those who had been living with physical and social challenges.

This mega medical mission, valued at ₹14 lakh, was executed with meticulous planning, international collaboration, and dedicated efforts of Rotarians, doctors, and volunteers. The project saw the gracious presence of Rotary District Governor Rtn. Bipin Chachan, who visited Giridih to witness the impact and encourage the team.

”ज्ञान, प्रतिस्पर्धा और पर्यावरण संरक्षण का संगम“

रोटरी पाटलिपुत्र द्वारा SAEVUS वाइल्डलाइफ क्विज 2025 : एक शानदार आयोजन

रोटरी पाटलिपुत्र, जो शिक्षा और समाजसेवा के क्षेत्र में अग्रणी है, ने 9 फरवरी 2024 को बिहार चैंबर ऑफ कॉमर्स, पटना में SAEVUS वाइल्डलाइफ क्विज 2025 का सफल आयोजन किया। यह प्रतिष्ठित क्विज, जो बीते पाँच वर्षों में रोटरी पाटलिपुत्र की सिग्नेचर इवेंट बन चुकी है, हर साल बच्चों में पर्यावरण और वन्यजीवन के प्रति जागरूकता बढ़ाने का कार्य कर रही है।

इस वर्ष के आयोजन में पटना के 18 शीर्ष स्कूलों से कक्षा 5, 6 और 7 के 54 छात्र-छात्राओं ने भाग लिया। प्रारंभिक चरण में 25 प्रश्नों की स्क्रीनिंग राउंड के बाद, 6 सर्वश्रेष्ठ स्कूलों ने फाइनल में अपनी जगह बनाई।

इस बार की क्विज मास्टर, महाराष्ट्र से आई सुश्री राधिका प नाभन ने अपनी पहली ही प्रस्तुति में बच्चों को रोचक अंदाज़ में क्विज के नियमों से अवगत कराया। बज़र राउंड, रैपिड फायर और ऑडियो-विजुअल राउंड्स ने प्रतियोगिता को अत्यधिक रोमांचक बना दिया।

पर्यावरण, वन्यजीवन, फोटोग्राफी और संरक्षण जैसे विविध विषयों पर आधारित प्रश्नों ने बच्चों की जिज्ञासा को नए आयाम दिए। अंतिम दौर तक प्रतियोगिता बेहद रोमांचक रही, और कड़ी प्रतिस्पर्धा के बाद विजेताओं की घोषणा हुई। विजेता टीम - DPS पटना, द्वितीय स्थान - डॉन बॉस्को अकादमी, तृतीय स्थान -सेंट करेन स्कूल

विजेता प्रतिभागियों और उनके मार्गदर्शकों को भारतीय वन सेवा के अधिकारी एवं बिहार सरकार के पारिस्थितिकी एवं पर्यावरण निदेशक, श्री अभय कुमार द्वारा सम्मानित किया गया।

रोटरी पाटलिपुत्र का यह आयोजन हर साल नई ऊंचाइयों को छू रहा है और छात्रों के ज्ञान एवं उत्साह को नई दिशा दे रहा है। यह सिर्फ एक क्विज नहीं, बल्कि प्रकृति और पर्यावरण के प्रति नई सोच की शुरुआत है!

आशा के नए कदम : कृत्रिम अंग वितरण शिविर

Report by PP Rtn. Vikash Sharma, Chairman, Artifical Limb & LN4 Project

फरवरी 2025 में रोटरी डिस्ट्रिक्ट 3250 के तहत महावीर सेवा सदन, कोलकाता के सहयोग के सहयोग से चार कृत्रिम अंग वितरण शिविरों का सफल आयोजन किया गया। यह शिविर चार विभिन्न शहरों-बक्सर, दरभंगा, कोडरमा और नवादा में आयोजित किए गए, जहाँ सैकड़ों जरूरतमंदों को नई उम्मीद और आत्मनिर्भरता की राह दिखाई गई।

इस मानवीय पहल में रोटरी क्लब बक्सर, रोटरी क्लब दरभंगा मिडटाउन, रोटरी क्लब कोडरमा, रोटरी क्लब हजारीबाग जागृति और रोटरी क्लब नवादा ने सक्रिय भूमिका निभाई। प्रत्येक शिविर में लाभार्थियों की सुविधा का विशेष ध्यान रखा गया, जिससे वे आत्मसम्मान और संतोष के साथ कृत्रिम अंग प्राप्त कर सकें।

दरभंगा शिविर के दौरान रोटरी क्लब दरभंगा मिडटाउन ने ऐसे लाभार्थियों की पहचान की, जिन्हें LN4 कृत्रिम हाथों की आवश्यकता थी, जिससे भविष्य में और अधिक लोगों को सहायता मिल सके।

शिविरों में लाभान्वित लोगों की संख्या

शहर	आयोजक रोटरी क्लब	लाभार्थियों की संख्या
बक्सर	रोटरी क्लब बक्सर	96
दरभंगा	रोटरी क्लब दरभंगा मिडटाउन	83
कोडरमा	रोटरी क्लब कोडरमा एवं रोटरी क्लब हजारीबाग जागृति	64
नवादा	रोटरी क्लब नवादा	74
कुल		317

जब इन मरीजों ने पहली बार कृत्रिम अंग लगाए और सहारे के बिना खड़े हुए, तो उनकी आँखों में आँसू थे- यह आँसू दर्द के नहीं, बल्कि खुशी और कृतज्ञता के थे। कुछ लोग पहली बार अपने बच्चों के साथ खेलते दिखे, तो कुछ ने सपने संजोए कि वे अब फिर से काम करके अपने परिवार का सहारा बनेंगे।

यह अभिमान केवल कृत्रिम अंग वितरण तक सीमित नहीं था, बल्कि 317 जरूरतमंदों को नया जीवन, आत्मनिर्भरता और आत्मविश्वास प्रदान करने की एक प्रेरणादायक पहल थी। रोटरी डिस्ट्रिक्ट 3250 के इस प्रयास ने साबित किया कि सच्ची सेवा केवल सहायता देने में नहीं, बल्कि जीवन में नया प्रकाश लाने में है।

PROJECT DONE BY MAGIC OF ROTARY GRANT

Distribution of Cycles

RC Jamshedpur Mid Town

A Step Towards Empowerment: Rotary's Gift to Meritorious Girls of Sidhu-Kanu School

The lack of proper transportation often becomes a major obstacle in the academic journey of students, especially for girls from remote villages and tribal areas. Irregular attendance leads to poor academic performance and ultimately deprives these students of better opportunities in life.

To address this issue, Rotary Club of Jamshedpur Midtown took a significant step by donating 10 bicycles and T-shirts to 10 meritorious girl students of Sidhu-Kanu School. This initiative will not only ease their daily commute but also boost their confidence and open doors to a brighter future.

The bicycles were donated under the Magic of Rotary Grant, while the T-shirts were generously contributed by a club member. The distribution was carried out by Rotary leaders and members, who also delivered motivational messages, encouraging the students to stay committed to their education and work towards a better future.

The event was graced by distinguished guests, including representatives from Rotary and the school administration. Their presence and encouragement added to the significance of the occasion.

This initiative is not just about distributing bicycles; it is a commitment to ensuring that every girl gets the opportunity to receive an education, become independent, and claim her rightful place in society. With this noble contribution, Rotary Club of Jamshedpur Midtown has truly paved the way for a brighter future for these young girls.

March

Rotary's Water, Sanitation & Hygiene (WASH) Month

Access to clean water, proper sanitation, and hygiene is a fundamental human right, yet millions lack these essentials. Every March, Rotary International highlights its commitment to WASH, ensuring healthier lives and stronger communities.

Why WASH Matters

Contaminated water causes deadly diseases like cholera and typhoid.

Poor sanitation pollutes water sources, endangering public health.

Hygiene education, like handwashing, prevents infections and saves lives.

Rotary's Impact

- Building Wells & Water Systems – Providing safe drinking water.
- Improving Sanitation Facilities – Constructing toilets and sewage systems.
- Hygiene Education – Promoting handwashing and clean water storage.
- Sustainability Focus – Training locals to maintain projects long-term.

How You Can Help

- Volunteer for WASH projects.
- Donate to fund clean water initiatives.
- Advocate for policies supporting water and sanitation access.

Rotary's dedication to WASH transforms lives—because clean water changes everything

April

Rotary's Environment Month - A Commitment to a Greener Future

April is designated as Rotary's Environment Month, emphasizing the importance of environmental sustainability and conservation. As one of Rotary International's focus areas, protecting the planet is vital for ensuring a healthier future for all. This month, Rotary clubs worldwide engage in activities that promote ecological balance and combat climate change.

Rotary's Environmental Initiatives

Rotary clubs actively work on:

Tree Plantation Drives – Increasing green cover and improving air quality.

Water Conservation – Rainwater harvesting, clean water projects, and wastewater management.

Plastic-Free Campaigns – Promoting recycling, reducing single-use plastics, and waste management programs.

Renewable Energy Adoption – Encouraging solar, wind, and other sustainable energy solutions.

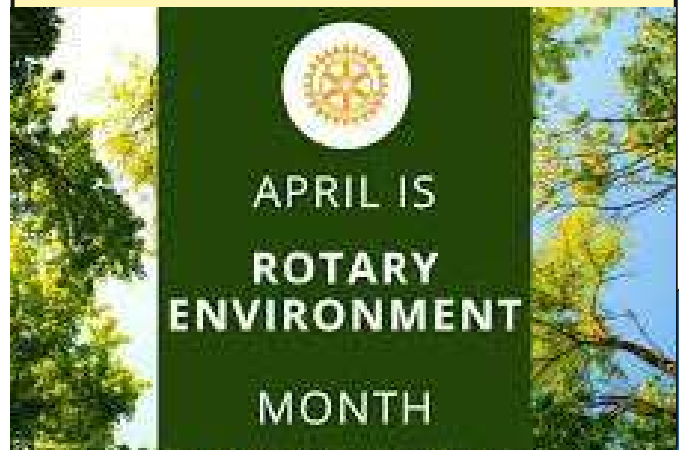

Biodiversity Conservation – Protecting wildlife, restoring natural habitats, and promoting sustainable farming.

Impactful Rotary Projects

Many Rotary districts globally have launched sustainable environmental projects. Initiatives such as the Rotary Vriksh Sanjivani Drive, mangrove restoration, and clean-up campaigns in rivers and oceans highlight Rotary's commitment to a greener planet.

By celebrating Rotary Environment Month, clubs and individuals are inspired to take action for a cleaner, greener, and more sustainable future.

Together, we protect our planet for generations to come!

Rotary Wheels of Care

Mobile Vans Transforming Healthcare and Literacy through Global Grant Projects

Rotary International's commitment to serving humanity has led to the development of innovative solutions to address pressing community needs. One such initiative is the deployment of mobile vans, which are bringing healthcare and literacy services to the doorstep of marginalized communities through Rotary's Global Grant projects.

Healthcare on Wheels:

Rotary's mobile health vans, funded through Global Grant projects, are equipped to provide specialized medical services, including:

Eye Care: Mobile eye clinic vans equipped with state-of-the-art equipment, providing comprehensive eye exams, cataract surgeries at base hospital, and distributing glasses.

Heart Health: Mobile cardiac care vans offering ECG, echocardiogram, and blood pressure testing, enabling early detection and treatment of heart diseases, CPR training etc.

Blood Donation: Mobile blood collection vans facilitating blood donation camps, helping to bridge the blood shortage gap.

Cancer Detecting Van: Equipped with mammography and ultrasound machines, facilitating early cancer detection.

Dental Care: Mobile dental clinics providing oral health education, dental check-ups, fillings, and extractions.

Blood Collection Van: Mobile Collecting blood donations from rural and urban areas, helping to bridge the blood shortage gap.

Literacy on Wheels:

Rotary's mobile literacy vans, funded through Global Grant projects, are designed to promote education and skill development, featuring:

Library on Wheels: Mobile libraries equipped with books, e-readers, and educational resources, promoting reading habits and literacy among children and adults.

Skill Training on Wheels: Mobile skill training vans equipped with audio-visual digital content and hands on training material/equipment, offering vocational training, computer education, and life skills development, empowering individuals to become self-sufficient.

Global Grant Impact: Rotary's Global Grant projects have enabled the deployment of mobile vans in various parts of the world, reaching marginalized communities and providing them with access to quality healthcare and literacy services. These projects have not only improved health outcomes and literacy rates but also promoted community engagement, social cohesion, and economic empowerment.

Rotary's mobile van initiatives, funded through Global Grant projects, are a testament to the organization's commitment to serving humanity. By providing accessible, equitable, and quality healthcare and literacy services, Rotary is making a tangible difference in the lives of thousands of people around the world.

Tips for crafting winning global grant proposals:

- The community assessment & sustainability of a global grant project is paramount. Please do ask these questions while planning for a Van project: Who will pay the monthly Diesel cost? Monthly van staff salaries? Who will pay the van registration, annual insurance and maintenance cost etc.?

- Training should be an integral part of the project, including health talks in villages. Mobile Van can also carry audio-visual equipment for training.
- The battery-inverter for 220V power supply for precision instruments must be of sine wave type and not the normal square wave type.
- One additional one ton AC may be fitted inside, which will be 220V cable powered remotely, so that the van engine need not be kept running for aircon.
- All precision instruments fitted, must be mounted on cushioning pads to absorb vibrations. Equipment to be parked to position and Velcro-strapped when Van is moving. Driver training is also essential to go slow on road bumps.
- Roof top flat solar panels may be considered for inverter power and touching two areas of focus in the project.

Rotary Public Image Initiative thru Global Grant: A global grant project on Mobile Van, must be a Public Image Initiative in the best possible way.

Rotary placard in reception area of base hospital, Big Rotary logo on both sides of Van, Rotary logo on each equipment inside van, Rotary t-shirts for clinic van staff, Rotary club logo on spectacles cases, Rotary logo on big storage box for spectacles, Rotary banner on Eye camp site in villages, annual appreciation certificate to support staff.
