Governor's Monthly Letter

**BICYCLE DISTRIBUTION PROJECT TO
EMPOWER THE GIRL CHILD**

by Rotary Clubs of Faridabad on 3 September 2022

MESSAGE

Rtn. JENNIFER JONES

President 2022-23
Rotary International

Recently, Nick and I spent time in Guatemala, where we met wonderful fellow Rotary members and families who unofficially adopted me as “Tía Jennifer.” On the third day, after visiting Patzún in the mountainous western highlands, we set out for Lake Atitlán, which we needed to reach by nightfall. If we took a back road we could get there faster. Locals told us it had just been repaved and assured us, “You’ll have no problem.”

At first, it was a breeze. We wound through misty-green coffee and corn fields covering the hillside like a patchwork quilt. But at a river crossing, we found a bridge washed away. The only way to continue would be to ford the river in our small bus. There were a few tense moments, but we decided to give it a try and, thankfully, we made it across safely.

This adventure reminds me of two important truths in Rotary. One, we rely on local, on-the-ground expertise to do what we do best. And two, sometimes you have to take uncomfortable chances to reach important goals.

Every day, I am honored to learn from our Rotary family. Every lesson is an opportunity to grow, and each story adds a chapter to our collective Imagine Rotary year.

“ To all the little girls who are watching, never doubt that you are valuable and powerful and deserving of every chance and opportunity in the world to pursue and achieve your own dreams.”

– Hillary Clinton

MESSAGE

Rtn. ASHOK KANTOOR
District Governor 2022-23
RI District 3011

Dear Presidents and Team,

The month of September held more promises for the future and had several exciting projects and events that were noteworthy. First and foremost, I must congratulate each one of you for the irrepressible enthusiasm with which each one of you motivated your clubs to participate in the Polio SNID on 18 September. The photos and descriptions that came forth from every club was a narrative of our own commitment to eradicate the dreadful disease from the face of the earth. Thanks to the restrictions imposed because of the outbreak of the pandemic our Polio Warriors could not continue with their fight for a little over two years and the disease reared its ugly head once again our neighbouring country and in many other places across the world. We had successfully brought the numbers down to a single digit until 2018 but in 2022 the number of wild polio cases is 27 with 2 in Afghanistan, 19 in Pakistan and 6 in Mozambique. We will have to double our efforts aggressively this year to control the rising number of polio cases like we did in the past. We reaffirm our commitment once again with our World Polio Celebrations on 2nd October, the birthday of Mahatma Gandhi. Along with Polio we are also organising Leprosy Cycle Rally to work towards Gandhiji's dream of a Leprosy Free India.

In the very first week of the month the clubs in Faridabad launched a mega project together. They distributed 120 bicycles and 5000 sanitary pads to underprivileged women to ensure a safe, hygienic and protected environment for them in which they feel more empowered and economically independent. It is a very noble project with a focused and benevolent intent and I felt truly privileged to be a part of this mammoth project. We serve a dual purpose by making women more self-reliant and comfortable ; they will, firstly, be able to support their families better and give their children good education and, secondly, financial independence will also give them the dignity and self-confidence to be able to live through life with their heads held high.

TRF is a fundamental and integral part of our organisation and the contributions we make to the Foundation benefit several hundreds of thousands of people living in the developing countries. It helps to alleviate pain and suffering of many who live in abject poverty and supports many others to fight hunger and disease. Events like to Major Donor Dinner are meant to remind us of the commitment we made when we joined the glorious ranks of this wonderful organisation. We encourage you to be a part of this event each year and make generous contributions to TRF because every level of your donor status will ensure that your name remains immortalised and etched forever in the portals of Rotary and this is exactly the sort of legacy we want to leave behind for our future generations ---the legacy of generosity, compassion and perseverance.

Wish you a Very Happy Dussehra and a Happy Diwali !! Enjoy a safe festival and do remember that somewhere in your areas there are hundreds of underprivileged children and people who would also like to celebrate with you.

With Best Regards

Yours Sincerely

Rtn Ashok Kantoor

District Governor R.I District 3011

From the First Lady....

Dear Presidents, Team and Partners,

The month of September brought in some rain, better weather and respite from the heat. From all the action on Rotary groups I can see that it has also motivated you to do more meaningful projects and to reiterate our commitment to eradicate Polio. It has been a fulfilling and rewarding month for all of us but we also know that this is just the beginning. We have a long way to go in our endeavour to serve humanity but we can do it together and achieve all our objectives with ease and happiness.

The festival season has already begun in September and the month ahead is also going to be full of joyous celebrations and fun-filled events. DG Rtn Ashok Kantoor and I are looking forward to being a part of all festivities because we truly believe that celebrating together will strengthen the bond of fellowship and camaraderie and help us work together to pursue higher levels of achievement in fulfilling our goals.

Polio has been at the centre focus of all projects in the past month and it will have more significance in the month to come also. While the DG has already covered most of what we want to say about our joint efforts to help humanity I would only like to add that as mothers and grandparents our main objective in life is to give our little ones a safe and healthy life. Our protective instincts are at work all that time to keep them away from every possible disease or deprivation. Imagine the sufferings of people who cannot afford to give this comfort to their own children. Don't we have a moral duty to ensure that every child stays free of hunger and disease and has the right to basic education and literacy? Our ultimate objective must be to build a strong and self-reliant future generation for the country and humanity. I would like to end with a quote by Greta Zwaan ---" There is tomorrow, there is life, the sun will rise again. And though it all seems hopeless now, there is relief from pain"

Wish all of you a Happy Dussehra and Happy Diwali !!

With Warm Regards

Your Sincerely

Alka Kantoor

First Lady R.I. District 3011

Congratulations!

Rotary Club of Gurgaon Greens on their Charter !!

The club has a distinct entity because of eight committed Rotaractors including two past DRRs from Kolkata who relocated to Gurgaon and formed a Rotary club together

District News and Events

**Women Empowerment Mega Project –A Joint Effort Of Rotary Clubs of Faridabad–
Distribution of 120 Bicycles/5000 Sanitary Napkins/500 Cloth Bags.**

The 7th of September 2022 will be a memorable one for all Rotary clubs of Faridabad RID 3011 when 10 clubs Presidents under the dynamic leadership of District Governor Rtn. Ashok Kantoor organised a Mega Project of Distribution of 120 Bicycles and 5000 Sanitary Napkins in 500 Cloth Bags to girls studying at Government Schools of Faridabad in the presence of Hon'ble Deputy. Commissioner Faridabad Mr. Vikram Singh IAS, ADC Ms. Aparajita Varun IAS, CTM Mr. Naseeb Kumar HCS and Ms. Muneesh Choudhary District Education officer.

As desired by DG Ashok Kantoor, RID3011, the beneficiary girls were 10th/11th class Toppers from poor families, from more than 50 Government Schools spread across Faridabad, who were selected for the project by District Administration.

In a jam packed HSVP Auditorium, PP Rtn. J P Malhotra District Secretary Service Projects welcomed all the distinguished guests and District officers, Rotarians from various Clubs, Presidents of 10 Doner Clubs and gave a brief overview of the programme. Presidents of Donor Rotary Clubs of Faridabad presented Bouquets to dignitaries. District Governor Rtn Ashok Kantoor in his address to participants said that Rotary, a 117 years old organization, believes in service to humanity. We have around 122 Clubs with 4600 Plus Rotarians, he said, who are ever and always willing to serve the society, be it Blood Donation, Cancer Detection and awareness, Dental/Eye/Medical Checkup, Tree Plantation, Rejuvenation of Ponds, Rain Water Harvest using discarded Borewells, in addition to regular charity

projects under taken by the clubs such as Food/Literacy/Hand Washing/Hygiene and Sanitation and Adoption of schools with the object of overall improvement in study environments. The cycle project is a humanitarian project to empower the girl child and give them means of sustenance and comfort.

The Cycles were donated by members of clubs under the leadership of their Presidents -- Rtn Pallavi Aggarwal from Rotary Club of Faridabad Arth, Rtn Kulbir Singh from Rotary Club of Faridabad East, Rtn Manuj Madaan from Rotary Club from Faridabad Greater, Rtn Lov Vij from Rotary Club of Faridabad Sanskriti, Rtn Vijay R Raghavan from Rotary Club of Faridabad Mid Town, Rtn Sunil Khanduja from Rotary Club of Faridabad NIT, Rtn Lilly Dhall from Rotary Club of Faridabad, Rtn Deepak Yadav from Rotary Club of Faridabad Industrial Town, Rtn Manoj Kumar Gulati from Rotary Club of Faridabad Sanskar, Rtn Anubhav Maheshwari from Rotary Club of Faridabad Grace in addition to Cycles By DLF Industries Association.

The Project 5000 Sanitary Pads and 500 Cloth Bags was supported by Rotary Club of Faridabad Mid Town and its President Vijay Raghavan got a special applause by the audience.

Deputy Commissioner Mr Vikram Singh IAS was very happy and impressed to see the participation and enthusiasm of our Rotarians. He appreciated the good work being done by Rotary in Faridabad and elsewhere. Provision of Bicycles and Sanitary Napkins will enhance

women's empowerment, enable students to come to school saving time and the students can devote more time to studies. DC Vikram Singh assured all possible support and in principle agreed to DG Rtn Ashok Kantoor's request for allotment of BK Chowk for putting Rotary Wheel to enhance Public Image, A of land about 2 acres for creating an urban forest, work on Rain Water Harvesting using discarded Borewell and Rejuvenation of Water Bodies.

ADC Aparajita Varun IAS was quite appreciative and acknowledged the excellent and exemplary work done by Rotarians in the Service of Society in all ways as may be needed.

PP J P Malhotra thanked Sh. Naseeb Kumar CTM HCS for his fullest support in this Megaproject of Distribution of 120 Cycles/5000 Sanitary Napkins in 500 Cloth bags- Say no to Single use plastic. The presence of large number of Rotarians/Non Rotarians, school children and their parents made the event great and successful.

Dc Sh. Vikram Singh interacted with the girls who spoke from the podium and expressed their gratitude and

happiness to have been given a Bicycle by Rotary Clubs of Faridabad which shall enable them to commute to school in time. The girls on being asked expressed their future plans to become IPS and IAS officers, CA Professionals, Doctors and Engineers etc. They also said they aspired to be Rotarians and serve humanity once they settled into their chosen field of work.

While the girls expressed their future plans to become IPS and IAS officers, CA Professionals, Doctors etc, they also aspired to become Rotarians to serve humanity once they settled into their chosen field of service.

The 3 hour distribution was attended by more than 60 Rotarians of Faridabad and Delhi led by DG Rtn Ashok Kantoor and his Team of District Secretary PP J P Malhotra, PP Amit Joneja, PP Neeraj Bhutani, PP AG Deepak Prasad who proposed a vote of thanks to Presidents of all 10 Donor Clubs, PP Rtn. HL Bhutani, PP Tarun Gupta, PP Nagpal, PP Manohar Puniani, Teachers of schools, Parents of some of girls, Members of media and many others.

ROTARACT DISTRICT TRAINING ASSEMBLY

"Aspire your visions and your dreams as they are the children of your soul, the blueprints of your ultimate achievements."

Rotaract District Training Assembly was conducted on 10th September 2022 and the event was graced by the presence of several dignitaries. The assembly was conducted seamlessly with about 300+ participants. The interactive sessions and training helped the Rotaractors gain more knowledge and also understand in detail about their roles and responsibilities.

The assembly had an embellished spark with the presence of the Chief Guest District Governor Rtn Ashok Kantoor, PDG Rtn Sanjiv Rai Mehra, District Interact Chair, Rtn Yuvnashv Sood, New Generation Chair Rtn. Prateek Jain, DRCC Rtn. Anil Sachdev, Rotaract Interact Advisor Rtn Rakesh Kumar, and several more experienced and stalwart Rotarians.

6 Hours of Training with 8 Trainers for all Board of Directors positions at their respective club level was the need of the hour and there was a feeling of fulfillment and achievement among the Trainers and the Trainees!

PP Rtn. Mohit Anand Bhatia, PP Rtn. Kishan Goenka, PDRR Rtn Rtr PHF Anmol Chawla and PDRR Rtn Rtr PHF Sarthak Bansal, DRR Rtn Rtr PHF Ankit Singh, DRS Rtr Lakshay Vasudev, DRRR Rtr. Kanishk Khurana, District Advisor Rtr. Ekta Goel, DJS Rtr. Mahima were among the experienced and absolutely brilliant Trainers of the day.

Presidents, Vice Presidents, Secretaries, Joint Secretaries, Aid to Presidents, Sergeant At Arms, Treasurers, Public Relations Officers, Club, Professional, Vocational, International, Community, Literary, and Gender Development services Directors, Editors, Multi Media Directors, Sponsorship Heads, Photographers, Cinematographers and more were amongst the privileged categories who were trained on this day.

The training sessions were followed by a lunch and post lunch a mega Team Building Activity was conducted by Rtn. Rashmi Sinha!

Thereafter, the graduation ceremony of all the clubs took place where they were certified for completing the training. A memento was presented to the club with maximum participation.

After the adjournment of the session, a fellowship took place which strengthened the bonds of camaraderie among Rotaractors who came together to be a part of this grand assembly.

Hereby, Rotaract District Organization 3011 proudly shares that "ELEVATION 2.0 ~ Rotaract District Training Assembly" was a huge success !!

Congratulations!

CONGRATULATIONS CLUBS, PRESIDENTS AND DISTRICT TEAM FOR A RECORD BLOOD COLLECTION IN 3 MONTHS !

ROTARY BLOOD BANK, NEW DELHI --- 1656 UNITS

ROTARY BLOOD BANK FARIDABAD ---4949 UNITS

ROTARY BLOOD CENTRE GURGAON ---5190 UNITS

Congratulations!

CONGRATULATIONS CLUBS, PRESIDENTS AND WINS TEAM --RI DISTRICT 3011 ON MOVING RAPIDLY TOWARDS YOUR TARGET OF 100 WASH STATIONS ACROSS DELHI/ NCR ! THE TEAM HAS COMPLETED 42 WASH STATIONS IN 3 MONTHS.

The Rotary Club will do the work,
because business people are busy.
But the impact and the value of
this will be to the business.

Dan Abrams

FELICITATING BIKERS FOR THEIR NOBLE MISSION

Honoring Rotary Ride For Unity Bikers At The Installation Of Rotary Club Of Gurgaon Cosmopolitan

First Lady R'Ann Alka Kantoor DG Rtn Ashok Kantoor, President Rtn Abhishek Aneja and members of the club felicitated a group of Rotarians who were a part of the IFMR team and were on a Rotary Unity Ride For Heart covering a 2800 kms bike ride from Bangalore to Wagah / Attari Border in Amritsar to raise funds for Pediatric Heart Surgeries.

The International Fellowship of Motorcycling Rotarians (IFMR) is the fellowship group of Rotarians who share the common interest of motorcycling. They are one of the largest of the 100+ Rotary Fellowships with around 2800 members in 30 different countries. Every year IFMR takes up a cause to serve the society. During 2020-21 21 riders from IFMR India participated in the Combat Covid Ride; they visited 9 Rotary districts over 18 days and raised about US\$15,000 directly. They were instrumental in raising an additional US\$40,000 during their ride in the other Rotary districts, inspiring Rotarians to join the fight against Covid19.

In 2022, they have taken up the cause to raise funds for Paediatric Heart Surgeries in India, called the "Unity Ride" and their endeavour is to spread awareness, inspire contributions and spread message of unity. The heart surgeries will be conducted through Rotary's Needy Heart Foundation. Unity Ride for 2022 is a 2,800 kms Motorcycle Ride from Bangalore to Attari (Wagah) Border from 11th to 22nd September 2022.

Riders will meet Rotarians and Press at major cities on the way to make an appeal for contributions/commitments for Paediatric Heart Surgeries. Rtn Arun Belur from Rotary Club of Bangalore Belur, President IFMR and Rtn Prashant Mishra from Rotary Club of Bangalore Junction, Secretary IFMR are leaders of this group of riders on a mission.

• IFMR was chartered in 1992. There is a Chapter in 30 countries with more than 2600 Bikers.

Honouring 75 Bike Riders Promoting Health And Fitness

District Secretary Rtn Anil kakar, President Rtn Raju Agarwal (Delhi Janak) President Rtn Harvinder Singh(Okhla City) & President Rtn Sunil Dey (Delhi Resources) exchanged flags with Rotarians participating in the Bike rally- "75 Riders" In an effort to promote health and fitness, 75 bikers (Rotarians & non Rotarians) will flag off a bike rally with an appropriate motto "Fit India". They will ride across all the states & international borders in 75 days commemorating the 75th year of Independence. Out of 75 bike riders, 13 are women. Kudos to their strong determination & courage !! It was a proud moment for R.I. District 3011 to exchange flags with the Rotarians participating in the rally

RI DISTRICT 3011 COMPLETES RECORD NUMBER OF COMPLETELY PAPERLESS AND FULLY DIGITAL-- 65 GOV(S) IN 3 MONTHS

THE CANCER FOUNDATION (TCF)

KNOW THE HISTORY & THE CURRENT ACTIVITIES

THE HISTORY

Till 1971, Delhi, or for that matter North India, did not have any proper facility for treatment of the dreaded disease Cancer. Dr. Karan Singh, the then Health Minister of India, invited Rotarians to establish a facility in the campus of All India Institute of Medical Sciences (AIIMS), that would bring treatment, relief and respite to patients suffering from this disease. Thus, in order to alleviate the suffering of unfortunate Cancer patients in the Northern Region of the country, the then District Governor Late Rtn Vidya Sagar Ahuja (father of PDC Rtn Hemant Ahuja)and Rotary stalwarts of that time, founded The Cancer Foundation in 1971.

Philanthropic Rotarians, members of Inner Wheel, R'Anns, Rotaractors & Interactors united in an unprecedented fund raising drive and collected a staggering amount of over Rs. 50 Lakhs and in 1975, as a result of the collaborative efforts of TCF and the Central Government, Institute Rotary Cancer Hospital (IRCH) was formally inaugurated. IRCH was managed and financed by AIIMS, and The Foundation played only a supportive role since its inception.

The Cancer Hospital started with a two floor building, 35 beds, in addition to the OPD. It provided Radiotherapy & Chemotherapy treatment. It used the Surgical facilities of AIIMS.

Since then, it has been converted into a 200 bed facility spread over 7 floors.

Over these more than last 40 years, Dr B R Ambedkar Institute Rotary Cancer Hospital, as the Institute is known today, has emerged as a premier Cancer Institute of the country. It is one of the few centres in the country to have established Hematopoietic Stem Cell Bone Marrow transplant programme. Stem Cell transplant programme has also been extended to treat Myocardial Ischemia. Best of Radio diagnostic and Radiotherapy machines, including state of art Linear accelerator, Brachytherapy, Stereotactic Radiotherapy and Intensity Modulated Radiotherapy are available at this centre. Vacuum assisted advanced Mammography unit, first of its kind in India, has made Stereotactic Breast biopsy possible. Prostate Cancer can be diagnosed at an early stage with help of Tran rectal Sextant biopsy. Radio frequency ablation of Liver Cancer has also been initiated.

In 200-2001, this Institute was recognised as the Regional Cancer Treatment & Research Centre.

The Cancer Foundation took upon itself the responsibility to provide free medicines to the needy poor, and also, providing funds for research and purchase of sophisticated medical equipment.

During the last few years there has been a huge advancement in medical science all over the world.

Research and new technologies have made detection, diagnosis and treatment of Cancer affordable, to a large extent. Cancer has become curable. The catch however is 'Awareness & Early Detection'. Accordingly, The Cancer Foundation has also taken some radical and progressive decisions.

- In the recent past we have given over Rs 30 lacs for Research for Gall Bladder Carcinoma.
- We have made sincere efforts to educate & motivate Rotarians about the benefits of Awareness & Early Detection. We got full support from the faculty of IRCH for these programs. During the last 4-5 years we have supported about 100 camps organized by various Rotary Clubs and spent over Rs 20 lacs through our reimbursement scheme.
- To spread awareness among the public at large, we have been distributing thousands of Leaflets / handouts, in English & Hindi, covering our 4 Focus Areas, namely Breast, Cervix, Throat and Prostate Cancer at IRCH and through Rotary Clubs. Posters in English & Hindi have also been distributed.
- Cervical Cancer Vaccination programme has become our Flag Ship project. We have already given over 3000 vaccinations at an approximate cost of Rs 60 lacs. This programme has been implemented through and with the support of Rotary Clubs and Inner Wheel

THE CURRENT ACTIVITIES

There is an on-going scheme of TCF under which Reimbursement is given to Clubs in District 3011 & 3012, as a support, for organising Cancer Awareness & Screening / Detection Camps, to spread the message 'Rotary Fights Cancer'. Our objective is that Clubs should expose target audience to Awareness on causes of Cancer, understanding of high risk group, and, early Detection.

1. **Upto Rs. 5,000 for every Awareness camp**
2. **Upto Rs. 20,000 for holding Screening / Detection camps, with participation of a minimum of 20 patients**

Clubs can do both these activities together and receive reimbursement of upto Rs. 25,000.00.

It is extremely important that your promotional literature like banners, leaflets and/or press release should clearly mention that the programme is being

'UNDER AN INITIATIVE & SUPPORT OF THE CANCER FOUNDATION'

We have created a standard format of the Backdrop and Standee.

Further please note –

1. Clubs desirous of applying for these reimbursements should take prior approval, via e-mail, from the Secretary General of TCF, by providing details of the planned activity.

A copy of this mail should also be sent, for information, to the President or Executive Vice President, as the case may be and the DG.

2. The organising Clubs should book the Mammography Van themselves by paying its charges. Currently, there are 2 vans available in District 3011
 - a. Rotary Club of Gurgaon – contact person PP Dr Pushpa Sethi, 9810015259
 - b. Rotary Club of Faridabad Midtown, the van being managed by FIA Charitable Society – contact persons Ms Kanak Priya 7290034818 & Ms Monika 9899843478

There is 1 van available in District 3012

- c. Sharda Hospital – contact person Ms. Kalpana Chaudhary, 9354936713
3. After organising the camp, the Club should send, by email, a short report about the activities, copy of the registration sheet showing the names and details of the beneficiaries, 3-4 action photographs of the camp in which the Backdrop or Standee used are prominently displayed, and, copies of the bills/proof of actual expenses.
4. Reimbursement, capped at actual spending or the above mentioned limits, whichever is lower, shall be made in favour of your Club within a week of receipt of all documents by the Secretary General.
5. In case the backdrop or standee are not displayed at the Camp, no reimbursement shall be given.
6. There is no restriction on the number of Camps a Club wants to organise in a year.

It is the endeavour of TCF to accommodate all such requests. However, the Foundation reserves its right to decline approval for any request, if it feels appropriate.

This is a great initiative to promote the cause of The Cancer Foundation. You are requested to make best use of this opportunity by participating in this noble cause. By taking this programme to the masses, you would definitely be benefitting a large section of the society. A brief note on the Purpose of Awareness Camp and Tests to be conducted is given below:

PURPOSE OF AWARENESS/ SCREENING CAMPS

The purpose is to create awareness about Cancers like Cervical & Breast Cancer in women and Prostate & Oral cancer in men. These are curable if detected early. Screening means to do a general health check-up, with few specific tests for screening if predisposed to any Cancer. This indicates that the person needs to go to a specialist for further consultation.

For Screening Camps

General check-up for both Men and Women :

- Weight and height
- Blood Pressure
- Hemoglobin
- CBC
- Blood glucose random

Specific Tests for : Women

- Breast examination
- Pelvic examination
- PaP Smear
- Mammography

Men

- Physical examination
- PSA (for Prostate)

CERVICAL CANCER VACCINATION

Cervical Cancer is a Cancer of the mouth of the Cervix. It could happen to any sexually active woman, young or old. It is caused by infection with a virus called Human Papilloma Virus or HPV. It has no symptoms in its early stages and hence prevention and early detection against Cervical Cancer is very important. HPV Vaccine is the most effective way of preventing Cervical Cancer. HPV Vaccine can be given to any female between the ages of 9 to 45 years. It is best to be given as early as possible.

Understanding the importance of the above mentioned information, TCF decided to take up this mission in an aggressive manner. Our best target is the girls studying in Schools which have our Interact Clubs. Girls in the age bracket of 9 to 15 years have to be administered 2 doses and above 16 years, 3 doses.

Rotary Clubs should contact their Interact Clubs or even any Private, Public, Municipal, Government School. Lady Principals & Lady Teachers are normally aware about Cervical Cancer. If need be, you can take the help of any doctor in your Club or amongst you friends, who can explain about this subject. After you have convinced them about the importance of Vaccination, if necessary, arrange an Awareness talk for the parents. After you feel that they are in agreement with what we want to do,

1. organize a Vaccination Camp on a suitable date
2. inform us about the number of children who would be vaccinated
3. it is essential that a Paediatrician be present while the Camp is in progress

To make it possible for our Rotary Clubs to take up this cause, The Cancer Foundation has a scheme to assist the Clubs.

50% of the cost of the vaccine shall be borne by TCF and 50% shall be given by the Clubs as donation to The Cancer Foundation. Currently, the cost of one dose of the Vaccine is Rs. 2800.00

After you send your contribution, we shall make the payment to the Distributor of the Vaccine and the required quantity shall be delivered by the Distributor, at your desired address.

Recently, there is news that an Indian company has developed this Vaccine and they shall, in the near future,

after obtaining all approvals, be marketing it at about 1/5th or 1/6th of the price at which the imported vaccine is available. As and when this materializes, it shall prove to be a big boon to the efforts of The Cancer Foundation.

VERY, VERY IMPORTANT

The Cancer Foundation has been able to do yeomen service to the suffering humanity, in one form or the other, because philanthropic Donors have always contributed wholeheartedly to the Foundation, either by becoming a member or by making generous donations.

Rotarians, R'Anns, Rotaractors can become Life Member of TCF by making a one-time payment of Rs. 21,000.00.

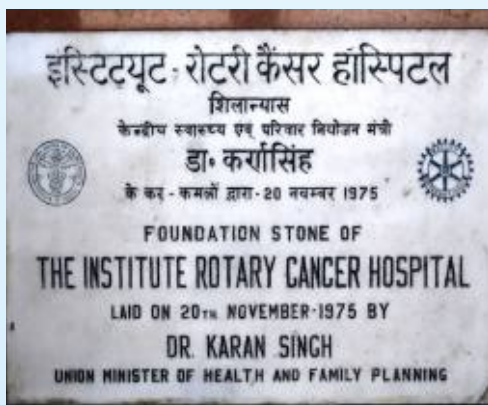

We also appeal to you and through you to members of your Club, your friends and the supporters of the various causes of TCF, to donate generously to the Foundation.

For your convenience, given below is the LINK for becoming a member and also for making a donation.

<https://forms.gle/78Kv3gYbvdzGZ4jU7>

I am confident that the above information would have cleared most of your queries and/or doubts. In case you still need a clarification please feel free to contact Rtn Ajay Narain Secretary General The Cancer Foundation at ajay.narain@yahoo.com, 9811033228.

Looking forward to serving the community together.

A FEW FASCINATING FACTS ABOUT DR SARVEPALLI RADHAKRISHNAN

**"Knowledge gives
us power,
love gives
us the fullness"**

-Sarvepalli Radhakrishnan

1. Knighthood

His contribution towards the field of education earned Dr. Radhakrishnan several awards, including the Bharat Ratna. He even received the Knighthood from the British emperor King George V in 1931 for his excellence in teaching. Three decades later, Dr. Radhakrishnan was even honored with an 'Order of Merit' by the royal folks of Britain.

2. Templeton Prize

In 1975, towards the end of his life, Radhakrishnan was felicitated with a 'Templeton Prize' by the well-known 'Templeton Foundation'. However, the generous scholar donated the entire amount earned through the Templeton Prize to the 'Oxford University'.

3. A Sweet Tribute By His Students

After a teaching stint at Mysore University, Dr. Radhakrishnan was moving to Calcutta on his next assignment. His beloved students bid him farewell by transporting Dr. Radhakrishnan in a flower carriage to the railway station. This carriage was propelled by these students who physically pulled it till its destination.

4. Philosophy

Dr. Radhakrishnan had penned various books on philosophy and even taught the subject at the Madras University. He is known as one of the best philosophers India has produced till date and was well-known even overseas. Famous British Philosopher and historian Bertrand Russell had once said that Radhakrishnan being appointed as the President of India would be the 'Greatest honor to philosophy'.

5. Benaras Hindu University

This eminent teacher was appointed as the Vice Chancellor of 'Benaras Hindu University' in 1939, when the nation was still under British rule. The British Governor of the region back then, Sir Maurice Hallet, wanted to turn the University campus into a war hospital, which was the latter's way of responding to the 'Quit India Movement' started by Mahatma Gandhi. Dr. Radhakrishnan strongly opposed this politically motivated thought of Hallet, as a result of which financial support to the university was stalled. Dr. Radhakrishnan personally approached philanthropists and thinkers across the country to raise funds, in a bid to keep the university functioning.
