DG RTN ASHOK KANTOOR

**DECLARES 100% DIGITALISATION OF RI DISTRICT 3011
ON THE FIRST DAY OF THE ROTARY YEAR 2022-23**

MESSAGE

Rtn. JENNIFER JONES

President 2022-23
Rotary International

Every month since I joined Rotary, I've looked forward to reading this magazine, especially the opening essay from our Rotary president. I'll admit that as much as I appreciate a digital copy, I still revel in the tactile sensation of sitting down and leafing through the glossy pages. They are a treasure trove of photos and memorable stories about our great organization – the one we all know and love. I have learned so much over the years about service projects and lives that each of you have transformed.

As a communications professional, I have longed for the day that our stories were a regular part of mainstream media and that our flagship magazine might populate doctor's offices, coffee shops, or anywhere else people sit, wait, and browse. It's great that Rotary members are better informed about all we do, and wouldn't it be that much better if more people knew our stories.

All this was top of mind as I thought about our plans for promoting Rotary worldwide in the upcoming year. Over the next 12 months, we are going to shine a light on projects that put Rotary service on display to the world, and we are going to do it strategically. Nick and I will focus on some of the highest impact, sustainable, and scalable Rotary projects from our areas of focus in what we call the Imagine Impact Tour.

We are inviting top-tier journalists, thought leaders, and influencers to use their channels to help us raise awareness by reaching people who want to serve but have not yet realized they can do it through Rotary.

But there was another important issue to consider – our carbon footprint. I take seriously Rotary's emerging leadership position on environmental issues. The example set by our members during the pandemic is fundamental to how we carve out our future.

That means we will harness digital technology to tell these stories – we will be tweeting, posting, and “going live” to anyone who will listen. We must consider our environment, and part of that means not always traveling but continuing to connect in meaningful ways as we have for the past two years.

Of course, we are social people, and we still need to be together. We simply need to be more mindful of our decisions and think about how we get together just a little bit differently. For example, if we travel to visit a project, we will plan successive visits in neighboring areas.

So, what are your stories and who can help tell them? I hope you might consider your own Imagine Impact efforts – your story might be something you can promote just as easily on social media or during a Zoom call. Think about ways to showcase notable projects in your Clubs and districts.

We all feel the impact that Rotary service and values have on us. Now it's our opportunity to share that feeling with others.

MESSAGE

Rtn. ASHOK KANTOOR

District Governor 2022-23

RI District 3011

My Dear Fellow Rotarians,

I am absolutely delighted to convey my very first message on GML in the Rotary Year 2022-23. However, this will be a regular feature over the next one year and together we will ensure that we follow a collective vision to make our District the best in the world of Rotary.

We started the new Rotary Year with a bang !! We have proudly created history by being the first District in India to announce our commitment to 100% Digitalisation. While this was the need of the hour when we are dealing with a High-Tech Global World it also shows our commitment to conserving and protecting our environment and reducing our carbon-footprint in every aspect of our lives. We went a step forward in our endeavour and planted trees and I had the additional pleasure of personally being at some Tree Plantation Events organised by Clubs on the very first day of the year and I am proud to declare that several thousand trees were planted across the District on this very day. I was also at some WinS projects in Delhi on the first day. The project was implemented across Government Schools in Delhi/NCR through which 14 Clubs of Delhi and 3 Zones of Faridabad of the District installed 17 handwash stations on the 1st of July. I also had the opportunity to be present at a project initiated by Rotary Club of Midwest on the 1st of July where the members had launched an awareness programme to ban single use plastics and distributed Eco-Kits with cloth bags to everyone in the vicinity. What made it more significant was that we launched it on the day when the Government of India announced a ban on using plastic bags. What will definitely remain etched in our memories and stay with us for posterity is the Skill-Development Centre that has been established by Rotary Club of Delhi South East. We have provided the premises for the Club to run the Centre through which we will improve the lives of many thousands of underprivileged and unemployed persons who will be taught relevant skills and will also be assisted in finding suitable jobs at leading Fashion Houses and Garment Export Companies. I would like to thank each one of you for making the first day of the year so memorable !

The theme for the current year is 'Imagine Rotary' which gives us the freedom to imagine our own vision for the year and to soar to unfathomable heights to achieve our objectives. Now is the moment for Rotary to demonstrate the positive role it plays daily to enhance lives across society and communities. We will work across the spectrum and all departments on the ongoing workstreams you have all helped us refine always, specifically around implementing projects that serve humanity, and will continue to build more exciting, bigger and challenging projects in the future. RIP Rtn Jennifer Jones has very rightly said "You don't imagine yesterday. You imagine tomorrow" and that is the direction we have to take ---imagine the possibilities in making changes that can help us transform the world.

The World has changed in the Post-Pandemic era and while the virus continues unabated albeit in a lesser virulent form we have to think of ways to keep people safe and healthy. The need is to 'adapt and retool' as suggested by the Rotary International President. We will use the opportunity to use our 100% Digitalised Platforms effectively and increase our outreach to help more communities. We also need to engage every member, all our Rotaracters and Interacters all through the year to make Rotary more efficient and more exciting. Our Members are our best and most invaluable resource and we have to retain every one of them for their advice and tangible and intangible contributions. Let us think out of the box and imagine Rotary in different and more appealing ways. There is so much to be done out there for people who are not as fortunate as we are. Let us get together and make this year the most memorable one in the history of RI District 3011. I look forward to serving humanity with you !

Yours sincerely
Rtn Ashok Kantoor
District Governor RI District 3011

From the First Lady....

Dear Rotarians and Partners,

At the outset I would like to thank you for the warmth and love accorded to us on the 1st of July at the installation of DG Rtn Ashok Kantoor. We were overwhelmed with the applause, the cheering and the fanfare with which we were welcomed into a new Rotary Year. What I particularly liked about the month of July is that it seems to have started with better weather. The long awaited monsoon finally arrived and the pleasant breeze seemed to add on to the magic of the month.

The month of July was dedicated to the Environment and this is an issue that has been close to my heart. I was positively impacted by a quote I read a long time ago "the true meaning of life is to plant trees under whose shade you do not expect to sit". We have to carry on relentlessly and selflessly in our endeavour to protect the environment; it is one of the primary reasons why the District Governor has declared a 100% Digitalisation of RI District 3011.

R.I. President Rtn Jennifer Jones's visit to our District was the highlight of the month. She sets a brilliant example for everyone to follow. An accomplished and qualified woman of substance, a caring Partner and an exceedingly successful Rotarian who occupies the topmost and most powerful post in the world of Rotary, she has struck an incredible balance through which every positive attribute in a human being can be utilised for the betterment of humanity. I must admit that while I admire all the qualities she possesses I am also a fan of the way she carried herself gracefully, beautifully and with dignity in the traditional outfits she was attired in all through her visit.

I am sure there will be more excitement in all the future months and I look forward to sharing this journey with you.

With Best Regards
Yours Sincerely
R'Ann Alka Kantoor

JOURNEY SO FAR

THE JOURNEY THAT COMMENCED LAST YEAR

The next few pages will take you through brief glimpses of all the events that were an integral part of the planning and decision making process. DG (2022-23) Rtn Ashok Kantoor, First Lady R'Ann Alka Kantoor and the District Team comprising of the District Secretaries planned each event meticulously. While we will present photos of most events we will try to cover useful information on District Training Assembly

RU BA RU-- EK MULAQAT

The event was at the Crown Plaza in Gurgaon on the 17 September 2021. It was an informal meeting between the DG (2022-23) Rtn Asok Kantoor, his Think Tank Group and the Assistant Governors for the Rotary Year 2022- 23

ADISHTHAN PEM 1

The Event was held over two days -- 7 and 8 November 2022, at the Le Meridien. This was the first time when Presidents Elect and their Partners, Assistant Governors and their Partners and the District Think Tank Group and Partners were introduced to everyone officially.

DG (2022-23) Rtn Ashok Kantoor and the District Secretaries Group organised a PEM 3 to remember. It was an informal event and more like an outdoor picnic on the sprawling lawns of the Delhi Cymkhana. It was held on 18 December when the weather was cool and conducive for the entire incoming District Team, Presidents, Council of Governors and all guests invited from RI District 3012 to mingle with each other and strengthen bonds of camaraderie through fellowship.

JINGLE & MINGLE PEM 3

MAHABS 2021 THE ROTARY INSTITUTE

The Institute is an open forum at which past, current and incoming Leaders and Rotarians from all across the country can voice their suggestions. It is also an opportunity for everyone to interact, discuss each other's vision and plan to work together. This year it was held in the month of December in Mahabalipuram

Journey to Jaipur

The large group of motivated Presidents Elect, their Partners and other Delegates commenced their journey to Jaipur in buses that were organised by the District Team. Each bus had an in charge who organised games and entertainment for the group. DG (2022-23) Rtn Ashok Kantoor and incoming First Lady Alka Kantoor made it a point to be on every bus for a brief period and participated in the entertainment all along.

A grand welcome was organised by the Hotel and the District Management Team to welcome all the delegates to the rhythm of 'dhol's' and the sound of bugles.

UDBODHAN PETS 2022-23 DAY 1

Udbodhan

The Lucky Draws were announced before the start of the ceremonies. Incoming District Trainer PDG Rtn Damanjit Singh spoke about the world being in a precarious situation currently and how Rotarians must involve themselves in good work to resolve all issues.

DG (2022-23) Rtn Ashok Kantoor made a motivational speech and encouraged the incoming Presidents to do their best to make the Rotary Year 2022-23 the best in RI District 3011. He also played a very well structured AV on the Rotary Theme that was announced earlier by RIPE Rtn Jennifer Jones and explained his vision for the incoming Rotary Year.

RID Rtn Mahesh Kotbagi was outstanding in his very interesting and emotive speech. His powerful and meaningful speech literally woke up the entire group of Rotarians who were really tired after a long day of travel and excitement. He infused a lot of energy in his delivery and ensured that everyone heard every word of his remarkable speech.

My Style My Way

The event in the evening was appropriately titled 'My Style My Way' and the participating Rotarians used every bit of their creative imagination to enact individuals, concepts, themes and even current ideologies.

UDBODHAN PETS 2022-23 DAY 2

The day started with the Lucky Draw and soulful numbers sung by R'Ann Niti Jain who was par excellence in her mellifluous renditions. It was the most appropriate start to a power-packed day full of training and activities for the Presidents Elect and their partners.

Breakaway Sessions

They were very well organized and every batch of Presidents, who kept moving in rotation from one session to the other, found them very useful and motivational. It is these sessions that are going to make a difference in implementing the best possible strategies for effective and meaningful projects. The Faculty were very experienced and senior Past District Governors who conducted a very productive training session for a group of very enthusiastic Presidents Elect.

Partners Session

The morning was filled with activities for the partners too. They were having a fabulous time at a meticulously planned event and were being told the importance of being a partner and the role they had to play in making their Rotary Year successful. The Chief Guest at the event was Rtn Dr Amita Kotbagi and she spoke about the important role of R'Anns in every aspect of a Rotary Club.

Aisa Desh Hai Mera

The performances by every Club on this evening is something that even words may fall short of describing. They were par excellence! The costumes, the research carried out about every state of India, the myriad colours and the creative concepts were enough to capture the essence of this year's special team of Presidents Elect and Assistant Governors. The performances were flawless and very interesting and kept the audience mesmerized through the evening.

RID Rtn A.S. Venkatesh who was the Chief Guest on the third day being the concluding session added to the excitement, enthusiasm and energy of PETS. A wonderful Orator, he had everyone spellbound with his speech. The Graduation Certificates were awarded to the Presidents Elect and finally the PETS ended with group photographs. It was, indeed, a special privilege this year for having been able to add to the magic of Udbodhan with the presence of RID Rtn Mahesh Kotbagi and RID Rtn A.S. Venkatesh.

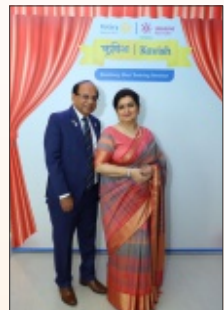

The event was on the 24th of April. After a motivating address by the District Trainer PDG Rtn Damanjit Singh, DG Rtn Ashok Kantoor addressed the District Team and AGs present and reiterated the goals and structure of the District. He also explained the significance of the Theme of the year Imagine Rotary. The teams were then divided into 3 groups and were trained by the faculty that comprised of the very experienced and knowledgeable Past District Governors

ABHIGYAN DTTS & AGTS

KAVISH SETS

The event was held on 7 May. A Club Secretary has a significant role to play in a Rotary Year especially when it comes to keeping members updated about Club events and updating all the relevant Club reports. The Secretaries Elect undergo a training every Rotary Year and this year was no different. They were trained by our very experienced Past District Governors on relevant topics.

The District Training Assembly 2022 -- 23, aptly christened "UTKRISHT " was held on Saturday 28th May, 2022 at the Taj Palace Hotel, New Delhi.

The event had a large record breaking attendance because it was the first in-person event after 3 years. DGE Rtn Ashok Kantoor in his opening remarks mentioned that DTA is the last of Training Seminars for imparting necessary and appropriate training to make the Leaders fully conversant and to enable everyone to take up various assignments and discharge them efficiently.

The event started with the motivational speakers and after the break-away sessions the group of incoming leaders were trained by experienced faculty comprising of the Past District Governors.

DG (2022-23) Rtn Ashok Kantoor addressed the gathering on Goals and Themes and reiterated that with training imparted by such learned faculty our Goals for Rotary Year 2022--23 should become definitely achievable.

He showed an AV of RIP Rtn Jennifer Jones unveiling the Theme for the year, and said I want to make these Dreams into reality. The Rotary Theme for the Year 2022--23 is "IMAGINE ROTARY ". Imagine the World that deserves our best, where everyone is happy and where each needy hand is offered plenty of healing . He added that our Membership Goal is 20% Membership growth. We will start new Clubs in unrepresented areas. Our biggest strength is Diversity. We must accept Diversity in our Clubs. Diversity, Equity and Inclusivity (DEI) are key elements for Membership growth. He said we have tied up with Government for providing space for undertaking mega service projects. We must support the Environment by Tree plantation in millions. He said the District has been offered a land to convert it into a forest and the project is already underway in planning stage. He urged

UTKRISHT DISTRICT TRAINING ASSEMBLY

everyone to imagine Rotary and dream big for their projects.

Dr. Gopika Kumar , the Motivational Speaker talking on Public Speaking in her own inimitable style said that we must change Public Speaking to Spotlight Speaking. She motivated everyone on being a good Speaker and a role model.

The break-away sessions were held in 6 different Halls for various incoming officers and Committee Chairs and were addressed by different faculty on various topics, including a Partner's Session in Mumtaz Hall called RAABTA in which the Faculty was R'Ann Alka Kantoor.

In his concluding remarks DG (2022-23) Rtn Ashok Kantoor said that a Think Tank group of 10 members was formed two years ago to do the planning for Rotary Year 2022-23. The group was further expanded to District Secretaries group of 12 experienced Past Presidents. For administrative convenience the District is divided into 3 Sub Districts. Sub District - 1 is comprising of Clubs in Delhi and Gurgaon, Sub District - 2 is of Clubs in Delhi and Rohtak area and Sub District - 3 is of Clubs in Faridabad, Palwal, Rewari & Narnaul area. He spoke about the Hand Book of Resources for Presidents Elect that was released at PETS in Jaipur, the District Dues which were to be at the same level as in the current year. He complimented the entire team for a successful and great event with an overwhelmingly large participation.

Congratulations!

DISTRICT EVENTS

DG (2022-23) Rtn Ashok Kantoor welcomed everyone present and said the Grants Seminar is a very important and integral part of a Rotary Year and is meant to provide necessary information about Grant funds and also CSR funds. The program has been designed to provide information on various topics by various eminent speakers who are all very experienced and learned Past District Governors.

He also said that signing of the Grants MoU is mandatory to be eligible for TRF Grants and that it was very important that MoU must be submitted 23rd June.

Rtn Vinit Vidyarthi, DGSC 22--23, welcomed everyone.

PDG Rtn Deepak Talwar, DRFC 2022--25 talking on the purpose of this Seminar said we want to bring life in Rotary's vision. To do this, everyone has to do lot of Community Service Projects for which funds are required and the District and RI provide the funds through Grants. Once you have the idea of getting a Grant, you are also motivated to contribute and give to TRF. At this Seminar, you will have the experience of getting the Grant funds and also be motivated to contribute to TRF, he added.

IPDG Rtn Sanjiv Rai Mehra, District Advisor TRF talking about Experience of Grant Management and Contributions to TRF during Covid Times said there are 4 funds to which one can contribute to TRF - the Annual Fund, the Polio Fund, the Endowment Fund and the Named Designated Fund. You have to motivate and inspire your Club members to donate to TRF. Create challenges for them to donate while celebrating occasions like Birthday, Wedding Anniversary or any happy occasion. Donate while remembering some one as a memorial to some one close to you.

For availing a Global Grant from TRF, Community needs must be assessed first.

You should do projects which help create image of Rotary, he said. He also added that you should try to ensure that each and every member of your Club contributes towards TRF. Donate every year under EREY--Every Rotarian Every Year scheme of R I. Inspire Members to achieve their nearest recognition level of PHF or Major Donor.

Chief Guest, PRID Rtn Dr. BHARAT PANDYA, TRF Trustee 2022--26 in his key note address said the primary purpose of this Seminar is to learn how to get Grants from TRF. He said he was very happy that over 70 people are present in this Grants Seminar. He said that in 2021--22, Rotary not only achieved the TRF goal but exceeded same because of the commitment of Rotarians to TRF.

In 2021--22, we had sanctioned more than 2,000 Global Grants from TRF. India is number one country to get maximum Global Grants from TRF. Global Grants are carried out in total transparent manner and perfect

DISTRICT GRANTS MANAGEMENT SEMINAR

stewardship. We have to handle TRF funds with immense care and caution. Timely reporting is very important and essential. We can create an impact on the community with our Community Service Projects. Let us make our world better and bolder.

Mr. Roy John from RISAO talking on Planning and Implementing a Grant said all members must register themselves on Rotary.org. There are two types of Grants -- District Grants and Global Grants. Last date for application for District Grants is 15th May 2023 and last date for reporting for completed projects is 31st March 2023. For Global Grants, Community assessment is necessary and most important. All documents have to be uploaded before submitting Report. Timely reporting is very important and essentially necessary.

Ms. Reeti Bora Mondal from RISAO talked about India CSR Funds and said under Section 135 and Schedule VII of Company Act 2013, Corporates are required to spend 2% of their profits on Community Service Projects.

Rotary started getting funds from Corporates for Community Service Projects from October 2016 in some small quantities and from October 2021 in bigger quantities for larger sustainable projects.

Lots of Corporates now want to partner with NGOs for implementing service projects to spend their CSR funds. Rotary is a preferable partner for Corporates for spending their CSR funds for doing humanitarian service projects.

We have done this year various humanitarian service projects worth over \$ 2.1 million with CSR funds, through a wide range of humanitarian service activities implemented by various Rotary Clubs.

Mr Roy John from RISAO informed about Global Grants funding and how to fill the Global Grant application form. Minimum contribution from International Partner should be 15% of the total funding of the project and the project must be of a minimum value of \$ 30,000.

Both these presentations from RISAO by Roy John and Reeti Bora Mondal are available with DGE Rtn Ashok Kantoor and can be had with a request in writing.

EMGA PDG Rtn Deepak Gupta spoke on the Endowment and Major Gifts and said RI District 3011 has a remarkable position in giving to TRF Endowment Fund.

Endowment Fund is a fund where money is set aside and invested to earn revenue for funding more activities of charitable nature. Contributions to Endowment Fund are

invested professionally and earnings are spent on community service projects. Endowment Fund can be a named fund and funds are kept in perpetuity. Endowment Fund can be created with a minimum contribution of \$ 25,000 to TRF and can be paid in 2 or 3 instalments. Your District 3011 has the great potential to create many more Endowment Funds.

He added that RI District 3011 should be the first District to make a Rotarians Promise Club and each Member should contribute \$ 1000 and create an Endowment Fund in the name of the Club.

PDG Rtn T. N. (Raju) Subramanian, RRFC talking on Stewardship said Clubs in RI District 3011 do many Global Grants projects and the District knows what Stewardship is. Stewardship is vigilance to spending money with utmost care and transparency without any mismanagement. We have to spend the funds properly because of the trust imposed on us by the Foundation. The funds needs to be safeguarded. We must retain the reputation and image of Rotary.

Projects being implemented should be sustainable. We

should pass the Four Way Test in our Stewardship in Global Grant projects. The Global Grant project is the project of a Club and as such involvement of whole Club members is a part of good Stewardship and is helpful in protecting the integrity of the Club. Good communication with International partners and community is essential part of stewardship.

The importance of Community assessment can never be under estimated. Regular visit after implementation of the project ensures success of the project.

DG (2022-23) Rtn Ashok Kantoor in his concluding remarks said this was a highly successful, enriching and informative Seminar. We had very inspiring and motivational addresses and encouraging presentations from various eminent speakers. He urged all those Club Presidents who have not yet submitted the Grants MoU to please send same immediately.

PP Rtn Vinit Vidyarthi, DGSC thanking everyone said he was grateful to everyone for their presence and also thanked to DG (2022-23) Rtn Ashok Kantoor for organising this informative Seminar.

REPORT ON CANCER FOUNDATION AGM

The AGM of The Cancer Foundation was held on Tuesday 26th July 2022 at PHD House, New Delhi.

After normal business of confirmation of last year's AGM, adoption of Secretary General's Report, adoption of Accounts and appointment of Auditors was transacted, the new President of The Cancer Foundation was

elected. Outgoing President of The Cancer Foundation formally installed the New President of The Cancer Foundation, Rtn Lalit Khanna from District 3012 & Rtn Ashok Kantoor from District 3011 as Executive Vice President for the year 2022--23 and handed over the reigns by exchanging their seats.

All the Nominations received were found valid and as per the convention and practice in the past, both the Governors of RI District 3011 and RI District 3012 were authorised to select elected and coopted Members on the Executive Committee of The Cancer Foundation for the Year 2022--23 out of the valid Nominations received and declare the names as soon as possible. Rtn Ajay Narain, Secretary General of The Cancer Foundation highlighted the achievements of TCF during 2021-22

INTER DISTRICT - INTERNATIONAL EVENTS

RIP RTN JENNIFER JONES VISITS INDIA

RIP Rtn Jennifer Jones's visit to India will surely be etched in our memories for a very long time. First Lady Alka Kantoor and DG Rtn Ashok Kantoor welcomed them in the Delhi and National Capital Region along with District Governors of other adjoining Districts on the 29th of July at the Hotel 'Andaz'. It was a resplendent ceremony with the RIP attired in a beautiful 'Lehenga' and her Partner in a 'Sherwani'. The District Governors had the opportunity to showcase their Districts through a 3 minute presentation and to felicitate the RIP in their own style. The RIP, in turn, expressed her gratitude and reiterated her expectations of supporting the theme -- Imagine Rotary, through innovative, imaginative and meaningful service projects that will make a significant difference to the communities around us.

LAKSHYA 20 July 2022 to 22 July 2022

Lakshya 2022 was The Goals Setting Seminar for District Governors and District Governors Elect for Zones 4, 5, 6 and 7. It was held in the city of Pune at JW Marriot Hotel. The highlight of this event was RIP Rtn Jennifer Jones's motivational presence. She is a true leader in every sense of the word and she inspired all the future leaders with her stimulating speech and her warm interactions with everyone.

ROTARY SKILL DEVELOPMENT CENTRE

ROTARY CLUB OF DELHI SOUTH EAST PROUDLY LAUNCHES A SKILL DEVELOPMENT CENTRE ON THE FIRST DAY OF THE ROTARY YEAR 2022-23

The 1st of July 2022 was an eventful day indeed with Rotary Club of Delhi South East inaugurating a Skill Development Centre. The honours were done by DG Rtn Ashok Kantoor who said that the centre aligned with Rotary's vision of alleviating the the struggles faced by underprivileged and unemployed persons who would not have had the opportunity of getting a formal education. The Centre would empowering them with skills that will help them obtain employment and lead a comfortable life. The recently inaugurated "Rotary Skill Development Centre" is located in Malviya Nagar and it is designed to offer new opportunities to our young girls.

The portfolio of short, skill oriented courses includes Fashion Training, Beauty care, Computer Training, Fabrication and Mehndi Art. The Centre can train 80 persons under various verticals at any given time and the intention is to train 500 persons by the end of the year. The numbers will increase once people in the vicinity are aware of its presence. The Club's role does not end with just rendering training but also goes onward to generating suitable employment through their own existing resources within and also through a wider Rotary and Corporate Network.

Alli Worthington very rightly said " Only the people who take learning, growth and skill development into their own hand will be tomorrow's leaders ". It is the need of the hour and aligns with the vision of the Government to equip every individual with skills that can help them lead a comfortable existence. To quote unquote our Hon'ble Prime Minister Shri Narendra Modi "The more we give importance to Skill Development, the more competent will be our youth ".

SKILL DEVELOPMENT CENTRE -VILLAGE KAURALI NEAR FARIDABAD

ROTARY CLUB OF FARIDABAD PROUDLY LAUNCHES A SKILL DEVELOPMENT CENTRE ON THE FIRST DAY OF THE ROTARY YEAR 2022-23

A new skill development center was inaugurated by DG Ashok Kantoor on 3rd July at Village Kaurali near Faridabad. The Project was conceptualized by the Club President Rtn. Lilly Dhall to empower the women of the near by villages. This project will benefit village girls to acquire skills in stitching, embroidery, and jute bag making. The project was done with the help of Singer and championed by Rtn Mohinder Sethi. 25 machines have been installed and this will train 200 girls in a year with 2 shifts working for a course duration of 6 months.

**RID 3011 launched awareness campaign on 1st July
" SAY NO TO SINGLE USE PLASTIC ITEMS"
with Rotary Club of Delhi Midwest as lead Club.**

On July 1, 2022, in line with the Govt. Of India's initiative of banning Single Use Plastic, Rotary Club of Delhi Midwest launched its campaign "Finding Solutions for Single Use Plastic" at Safdarjang Enclave Market. All members of the Club took a pledge to stop using single use plastic at their personal, official and Rotary meetings. The Club also launched the Midwest Eco-kit comprising a steel sipper bottle, 2 Cloth Bags and a pledge to Stop using Single Use Plastic.

The Road Not Taken
Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves, no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.

— Robert Frost

SHRADHANJALI

(30.05.1940 - 23.07.2022)

SHRI SURESH JAIN AKS Chair Circle

PDG Rtn Suresh Jain was a stalwart Rotarian, a generous and large-hearted human being and a person who had dedicated his vision in the last few years of his inspirational life to the betterment of humanity. Often referred to as 'Bhishm Pitamaha' by Rotarians across the District and beyond, the name seemed most appropriate because he was the caretaker and upholder of the fundamental values of Rotary.

His journey with Rotary started a few decades ago and he was the President of the Rotary Club of South East in the 1990s. He was the best President in that year because of his innovative ideas and his perseverance to attain the most challenging goal. In the year 2001- 2002, he was District Governor of RI District 3010. During his year as DG he introduced the post of Assistant Governor and he was also a trendsetter in the concept of installing the Presidents of all the Clubs along with the DG and at the same venue.

He was a visionary and a forward thinking person who was passionate about implementing his own unique vision of Rotary. It was this determination and his undaunted efforts that resulted in the creation of The Rotary Habitat Centre and The Rotary Diabetes Centre. The world of Rotary has immortalised him through these two permanent projects that are evidence of his unending desire to serve humanity and the mammoth contribution he has made to sustain that vision.

He was the pioneer of:

the Rotary Blood Bank, Rotary Diabetes Centre, Rotary Habitat Centre,

His list of contributions does not end here. His benevolence was extended to the 'The Rotary Foundation' where he contributed more than US \$ 500,000/-.

He was personally involved in every fundamental aspect of the Rotary Diabetes Centre, Vasant Kunj, which was built in memory of his late wife Mrs Usha Jain. He wanted to create Diabetes-Awareness all across the underprivileged segments in Delhi/ NCR and set up Diagnostic-Camps at remote locations to expand the outreach of the centre. He was successful in this noble and selfless vision that he managed to achieve through various Global Grants he initiated

While he participated in several Rotary International events over the decades there was one in particular that he had fond memories of. It was the year when he was invited to a District Conference in one of the Districts in Australia as 'Rotary International President Representative'.

As an individual and as a visionary Rotarian Sureshji's name will remain etched in Gold in the highest echelons of the world of Rotary.
