ROTARY FOUNDATION EVENT

*"We make a living by what we get.
We make a life by what we give"*

MESSAGE

Rtn. JENNIFER JONES

President 2022-23
Rotary International

While sitting with a group of Rotary leaders outside of Lusaka, Zambia, I ask a question: “How many of you have ever had malaria?” Every hand in the room goes up. They even begin to tell me about the first, second, or third time they experienced the disease, one of the main causes of death and sickness in many developing countries.

They are fortunate. They have access to medical treatment and lifesaving medicines. For the people of rural Zambia, their story is very different.

On a wooden bench in a small village, I sit with Timothy and his young son Nathan. With a camera crew capturing our conversation, he tells me of the time Nathan showed signs of malaria. He brought the boy to the nearby home of a community health worker, where Nathan quickly received medicines that in all likelihood saved his life.

Calmly, Timothy tells me about his other son’s bout with the disease a few years earlier. He had to race that son to a medical clinic more than 5 miles away. Riding a bike and carrying his child on his back, he tells me, he could feel his son’s legs turn cold and then his little body go limp. As he finally entered the clinic, he screamed for help, but it was too late. The camera stops rolling, and we sit in silence. He begins to weep, and I hold him tightly. “I lost my son, I lost my son,” he says.

This story is all too familiar for the families we meet over the next few days. And yet there is hope. Partners for a Malaria-Free Zambia is Rotary’s first Programs of Scale grant recipient, and it is saving lives. Across two provinces of Zambia, 2,500 volunteer health workers have been selected by their communities. They are trained to bring medical care closer to those who need it, and they are able to diagnose and treat malaria and other ailments. Rotary partnerships create lasting change.

MESSAGE

Rtn. ASHOK KANTOOR

District Governor 2022-23

RI District 3011

Dear Presidents and Team Members,

Every month in Rotary has been a different experience and each of them has only strengthened our resolve to do more relevant and focused humanitarian service. It is the satisfaction and a sense of pride that one feels that transcends every other emotion and that in itself is our gratification. As Rotarians you have demonstrated ambition and an uncompromising approach to developing solutions to the challenges you face while committing yourself to service projects. This year has seen you involved in work to address health inequalities, develop the cultural offer and enhance the way of life for the communities around us and making significant donations to ensure sustainability of the projects. You have done it all unflinchingly and with utmost dedication. As we reach the half year mark of the current Rotary Year I will urge you all to move towards your targets and goals and fulfil them to the best of your ability.

We also had participated in the Rotary Leadership Institute this month and it was even more enjoyable because there were several leaders at different levels including the District Secretaries who also made their presence felt. The purpose of the Institute is to implement a leadership development programme for potential leaders and it is important for Rotarians to be exposed to the great scope of Rotary around the world and to get to know more about the leadership skills that are necessary to move Rotary forward. The goal of the Institute is for future leaders of this wonderful organisation to retain the enthusiasm for Rotary by learning more about potential of the organisation outside the Club and District levels. The event this year achieved its goal because many Rotarians from our District have returned feeling motivated and enlightened about the strength of Rotary and we are sure they will make able leaders in the future.

The Rotary Foundation Dinner was another feather in the cap for this illustrious District because we have achieved a record high in commitments to The Rotary Foundation. While the list of the AKS Members at different levels has increased we also have a long list of Major Donors who have made a commitment to reach greater heights as far as their donations are concerned. We have given details of all our benevolent donors in the pages inside and we urge more Rotarians to add their name on to the list over the next few months. The motto of The Rotary Foundation is "Service Above Self" and "One Profits Most Who Serves Best" and this the decree we must follow in our lives and as Rotarians.

As we come to the end of a successful six months in Rotary Service in the year 2022-23, I would like to wish all of you a Merry Christmas and a Very Happy New Year. May this Christmas bring with it only positivity and the resolve to serve and may the new year make you more prosperous so that you are able to look after the needs of the 'not-so-fortunate' around the world more than ever before.

With warm regards and best wishes

Rtn Ashok Kantoor

District Governor R.I. District 3011

From the First Lady....

Dear Presidents and Partners,

It is always a pleasure to connect with you every month and to share my best Rotary experiences. I am learning and imbibing more knowledge about this wonderful organisation each month and my respect for Rotarians has grown manifold when I see the humungous amount of work being done all across the globe to alleviate the pain and poverty of the needy.

The festivities started in the month of October and they continue with Christmas and the New Year. What added colour to the celebrations was our participation at the Rotary International Institute in Vishakhapatnam. It was a Multi-District Event which was a very vibrant and well organised event. We had some useful interactions with Leaders from other Districts. I think leadership development events help in enhancing our efforts and we see an improvement in every area of our dedicated work year after year.

It is wonderful to see you continue to transform lives and go above and beyond and to add meaningful projects that make a significant difference to the communities around us. I have requested Partners in the past to contact me if you are also interested in supporting Rotary in your own way and my offer to give any advice stands firm today as well. Christmas is the time for bonhomie and good cheer and it is wonderful to see Members and Partners sharing their happiness with underprivileged children. No project is small or insignificant if it brings a smile on the faces of people who receive your benevolence and that is the spirit with which we should carry on with our commendable efforts.

Wishing you a Happy Christmas and a Happy New Year

Warm Regards

Alka Kantoor

First Lady R.I. District 3011

DISTRICT EVENT

THE ROTARY FOUNDATION EVENT

The Rotary Foundation was founded more than a 100 years ago and has transformed gifts of more Than \$4 billion into life changing and sustainable service projects that help the communities around us and across the world. The Rotary Foundation helps Rotary members to advance world understanding, good will, and peace by improving health, providing quality education, improving the environment and alleviating poverty. TRF is the backbone of the charitable work Rotarians undertake across the globe and contributions and donations to the fund will help several people lead better lives in some corner of the world. Our gratification is the smiles of happiness that we see on the faces of the people whose lives we touch or the happiness and sense of pride we derive from the stories we read about Rotary's humanitarian projects in other parts of the world.

The Rotary Foundation Event was held on the 16th of December at the Shangri-La Eros in Delhi and the Chief Guest at the event was PRID Rtn Dr. Bharat Pandya. The event was full of many pleasant surprises and it was encouraging to see the list of generous donors increasing manifold in the current year. The highlights of the contributions are as follows (The names of the donors are on the list that is being shared on the pages after this):

- 4 new AKS Members
- 1 AKS Member moving to Chair Circle
- 1 AKS Member moving to Foundation Circle
- DG Rtn Ashok Kantoor and District Secretaries Endowment Fund of \$25,000
- 58 Major Donors (New or moving to next level)
- 27 Clubs of the District committing to 100% PHF Club.

There was a buzz of speculation and a feeling of excitement even before the announcements were made. President of Rotary Club of Delhi Regency Next Rtn Sagar Suri welcomed everyone present at this important event. DG Rtn Ashok Kantoor shared his own motivational stories on the "The Joy of Giving & Feeling the Recognition". DG spoke about his own experience and that moment in time when he felt the joy of giving to someone in need and how it motivated him to be more benevolent and donate generously to TRF. When we give to TRF we help in supporting service projects that work towards eradicating polio, promoting peace and improving developing

communities.

This was followed by an address by ARRFC PDG Rtn Vinay Bhatia, who spoke about how important it was to strengthen the clubs and promote the annual fund to enhance their commitment to humanitarian service and to the Foundation. Incoming RRFC PDG Rtn Dr. N. Subramanian used his brilliant oratorical skills to reiterate the need to make generous donations to support The Rotary Foundation and how it had transformed the lives of millions of people across the world since 1928. TRF has had a mammoth role to play in disease prevention and cure and it would not have been possible to eradicate polio without the funds that had been received through the Foundation over the years. TRF Endowment and Major Gifts Advisor (EMGA) PDG Rtn Deepak Gupta spoke about the different ways in which Rotarians could donate and create endowment funds under various categories and how Major Gifts Strategies can be made to receive donations of more than \$10,000. He was extremely happy that DG Rtn Ashok Kantoor and the District Secretaries had created history by making an endowment fund of \$25,000 jointly.

Last but not the least was PRID and TRF Trustee Rtn Dr. Bharat Pandya, who spoke eloquently in his inimitable style and cited many examples of TRF making a huge contribution in changing lives for the better. He also commended R.I. District 3011 for the commendable level of commitment we have shown over the years when it comes to donating to TRF. He felicitated DG Rtn Ashok Kantoor and First Lady Alka Kantoor for leading by example and committing to attain Major Donor Level 2 in the current year. This was followed by Recognition and Felicitations of all the Arch Klumph Society Members, all levels of Major Donors and the clubs that had committed to 100% PHF Membership. In his closing remarks, DG Rtn Ashok Kantoor congratulated all the Members who had made a commitment to achieve greater levels of donation to the Foundation and urged all other Members to increase their benevolence. He also thanked Rotary Club of Delhi Regency Next, especially President Rtn Sagar Suri, for organizing a splendid evening. Gratitude was expressed by PDG Rtn Sanjiv Rai Mehra and the meeting was adjourned.

MULTI - DISTRICT EVENT

VISAKHA VISTA THE ROTARY INSTITUTE 2022

The Rotary Institute is a multi-district event which focuses on the grassroots leadership development program and it is organised into regional divisions across the world. The Institute seeks to provide quality education in Rotary knowledge and leadership skills to Rotarians interested in developing their Rotary participation and to those identified by Rotary clubs as having potential in club leadership.

In the current year, the Institute was held in Visakhapatnam, between the 8th and 11th of December. The event that was across 4 days had some very interesting and informative plenary sessions with some of the most knowledgeable and accomplished people from across different areas of experience. This was interspersed with the signing of significant MOU with:

1. Gift of Life-MOU with Sri Sathya Sai Sanjeevani Hospital to provide life saving heart surgeries for children from economically challenged segments of society.
2. Rotary India Literacy Mission & Byju's E-Learning App by RI President (2021-22) Rtn Shekhar Mehta and PRID Rtn Kamal Sanghvi.

3. RILM & Saakshar Bharat Gayatri Parivar

While the days were full of learning and acquiring knowledge in almost every important and relevant area with distinguished speakers who have already made their mark in their own areas of experience, the evenings were full of fun, fellowship and camaraderie. A lot of entertainment and exciting events were organised for the all the Rotarians present. Fellowship is an important part of Rotary and it is meant to strengthen our bonds of friendship so that we are able to work unitedly and as a team towards a common goal.

RI District 3011 made their presence felt with many more participants being added this year. While DG Rtn Ashok Kantoor and First Lady Alka Kantoor along with several Past District Governors exemplified involved participation, District Secretaries Rtn Rakesh Talwar and Sangeeta Talwar, Rtn Anil Kakar and Rtn Binita Kakar, Rtn Dinesh Jain and Niti Jain were also present at the event. They participated in the 'Run to Read' event which was a 10 km marathon starting from the 'Kalimatha Mandir' on the beach and ending at the same point. Niti Jain also sang the invocation song at the 'Women in Rotary' session.

IMPORTANT PROJECT

'MAIN BHI JAL RAKSHAK' CAMPAIGN

Rotary Club of Panchshila Park

Zone: 5

AG : Rtn Neeru Bansal.

President: Rtn Arun Kapoor

On 17th September, a Memorandum of Understanding (MoU) was exchanged between Rtn. Ashok Kantoor, District Governor, Dist. 3011, Air Cmde. Rabindra Merani, Chairman, Sri Sri Rural Dev. Program Trust and Mr. Vinay Gupta, Vice Chairman, Water Management & Plumbing Skill Council (WMPSC) & President, RC Delhi Cama in the presence of the Hon'ble Minister of Education & Skills, Shri Dharmendra Pradhan.

This MoU was for the "Main Bhi Jal Rakshak" campaign through which 7500 students from 75 Interact and other schools across the country would be trained on Basic Water Conservation methods. This collaboration also aims to save approx. 1000 crores litres of water every year through advocacy, training and installation of aerators and low flow fixtures.

On 5th December, Rtn. Ashok Kantoor, District Governor, Distt. 3011 launched the "Main Bhi Jal Rakshak" campaign at Rotary Club of Delhi Panchshila Park's Interact School New Green Fields School, Saket. (NGFS)

At the outset, Rtn. Arun Kapoor, President, Rotary Club of Delhi Panchshila Park administered a Pledge, to all the students and Rotarians present, to be "Jal Rakshaks" and conserve water for the benefit of mankind.

Speaking on the occasion, Mr. Vinay Gupta, Vice Chairman, WMPSC, stressed on the importance of conserving water and that use of aerators and low flow fixtures in domestic households were the need of the hour.

Addressing the gathering, Rtn. Ashok Kantoor, District Governor, 3011, complimented RCD Panchshila Park and its Interact school, New Green Fields for organising the launch of the Jal Rakshak initiative in District 3011, as Water Conservation was a major focus of Rotary. He also said that NGFS was a privileged school, as after the launch of this initiative, they will be the pioneer batch of Jal Rakshaks to be leaders in propagating water conservation. They should vigorously sustain this campaign; the same way Delhi students had campaigned against fire crackers. Stressing upon the use of aerators, he said that these small gadgets can be instrumental in reduction of 50% water usage on a daily basis.

Ms. Rinki Mahto, a skilled plumber of the WMPSC and who represented India at the International Skills Olympics made the first batch of 100 "Jal Rakshak" students aware of basic water conservation methods.

She also trained the students in the installation of aerators through live demonstrations on the school water taps. Subsequently, each student was given 2 aerators for use at home and to also submit a video of the installation to the school. (Till date, a majority of the "Jal Rakshak" students had submitted videos of their home installations.)

At the end of the programme, the participating students were given Jal Rakshak Mantri certificates.

Along with DG, Sanjeev Jawahar, District Secretary and Rakesh Kumar, District Interact Advisor attended from the District.

RCDPP was represented by Rtns. Arun Kapoor, President; Nisha Kapoor, Literacy Chair; Kamal Mangla, President-Elect; Gen. Y K Kapoor, Club Mentor; Apurv Relan, IPP and Tejinder Josen, Member.

RCD Cama Place was represented by Rtns. Vinay Gupta, President; Pradeep Jain, PE and Vinay Mittal, Secretary

ROTARY INTERNATIONAL

Rotary creates environments of peace

Peace and Conflict Prevention/Resolution.
Disease Prevention and Treatment.
Water and Sanitation.
Maternal and Child Health.
Basic Education and Literacy.
Economic and Community Development.
The Environment.

Our endeavour is to share information about each of the Focus Areas in each publication and the current one will cover 'Peace and Conflict Resolution'

As a humanitarian organization, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect.

By carrying out service projects and supporting peace fellowships and scholarships, Rotarians take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Our commitment to peace building today answers new challenges: how we can make the greatest possible impact and how we can achieve our vision of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peace building, and finding more ways for people to get involved.

Rotary has Four Roles to play in Promoting Peace

- **Practitioners:** Our work fighting disease, providing clean water and sanitation, improving the health of mothers and children, supporting education, and growing local economies directly builds the optimal conditions for peaceful societies.
- **Educators:** Our Rotary Peace Centers have trained over 1,300 peace fellows to become effective catalysts for peace through careers in government, education, and international organizations.
- **Mediator:** Our members have negotiated humanitarian ceasefires in areas of conflict to allow polio vaccinators to reach children who are at risk.
- **Advocates:** Our members have an integral role as respected, impartial participants during peace processes and post-conflict reconstruction. We focus on creating communities and convening groups that are connected, inclusive, and resilient

The Rotarian Action Group for Peace gives Rotary members resources and support to advance peace efforts and turn ambitious ideas into life-changing realities.

Each year, Rotary awards up to 130 fully funded fellowships for dedicated leaders from around the world to study at one of our Peace Centers.

Through academic training, practice, and global networking opportunities, the Rotary Peace Centers program develops the capacity of peace and development professionals to become effective catalysts for peace. The fellowships cover tuition and fees, room and board, round-trip transportation, and internship and field-study expenses.

Since the program began in 2002, the Rotary Peace Centers have trained more than 1,500 fellows who now work in over 115 countries. Many serve as leaders in governments, NGOs, education, and research institutions, peacekeeping and law enforcement agencies, and international organizations like the United Nations and the World Bank.

The Rotary Peace Fellowship is designed for leaders with work experience in peace and development. Our fellows are committed to community and international service and the pursuit of peace. Each year, The Rotary Foundation awards up to 50 fellowships for master's degrees and 80 for certificate studies at premier universities.

You can be one of the Peace and Development Professional by choosing any one of the following courses

Master's Degree Programs

Accepted candidates study peace and development issues with research-informed teaching and a diverse student body. The programs last 15 to 24 months and include a two- to three-month field study, which participants design themselves.

Professional Development Certificate Program

During the one-year blended learning program, experienced peace and development professionals with diverse backgrounds gain practical skills to promote peace within their communities and across the globe. Fellows complete field studies, and they also design and carry out a social change initiative. This program is intended for working professionals. Fellows earn a post-graduate diploma upon completion of the program.

Each Rotarian can direct their annual fund to Peace & Conflict Resolution also, which is an area of focus.

Congratulations!

- b. Rotary Mobile Path Lab**

Rotary Blood Centre Gurugram

Rotary Blood Centre Gurugram is the biggest standalone ISO – 9001:2015 Certified Blood Centre at Gurugram. It has been operational since May - 2017. It provides 24X7 Blood related services to more than 400 Medical Establishments in Gurugram and Neighboring areas.

It is constantly engaged in spreading awareness regarding Voluntary Non-remunerated Blood Donation through Blood Donation Camps at various rural and urban locations including Governmental, Non-Governmental, Private as well as Social Organizations. The Camps are conducted inside the Blood Centre Blood Collection Bus and Halls.

The Blood Centre is well equipped with all the modern Medical Equipment as per International Standards so that safe quality Blood can be provided to all.

Blood is collected, tested, separated into multiple components, stored at required temperatures, cross-matched and issued for needy patients 24x7. Every Blood Unit is tested multiple times so that no disease is transmitted through Blood Transfusion especially HIV, Hepatitis-B, Hepatitis-C, Malaria, Syphilis, Polycythemia Vera etc. Every Blood Unit is cross matched with the patient's blood before issuance so that it does not cause any transfusion reaction in the patient.

If any diseases are detected while testing the donated blood, the donor is counseled by the Blood Centre Counselor and referred to Civil Hospital Gurugram for further perusal.

Blood is issued absolutely free-of-cost to the following categories of patients:-

- 1. BPL**
- 2. Thalassemia**
- 3. Hemophilia, Hemochromatosis and other Blood Dyscrasias**
- 4. All those who cannot afford due to any reason whatsoever**

Services during Covid-19 Pandemic

During the Covid-19 Pandemic, Rotary Blood Centre Gurugram remained open throughout the crisis providing its services 24X7. Moreover it was decided by Gurugram Administration that Rotary Blood Centre Gurugram would be the Mother Plasma Bank for harvesting and issuing Life Saving Covid-Plasma for the whole Gurugram District. About 1500 Covid Plasma Units were issued during this period which was the largest number of Covid Plasma units issued by any standalone Blood Centre in India.

Rotary Thalassemia Centre Gurugram

Rotary Thalassemia Centre was launched on 1st Dec, 2019 to provide absolutely Free-of-Cost Blood Components, Blood Transfusion, Super-Specialist Consultation, Medical Investigation and Medicines for Thalassemia Patients whose only lifeline is regular Blood Transfusion.

It is a fully air-conditioned ISO – 9001:2015 Certified Centre well-equipped with all the latest equipment.
