## THE DISTRICT CONFERENCE 2022-23

*"Productivity is never an accident. It is always the result of a commitment to excellence, intelligent planning, and focused effort."*  
-Paul J. Meyer

# MESSAGE

**Rtn. JENNIFER JONES**

President 2022-23  
Rotary International

While sitting with a group of Rotary leaders outside of Lusaka, Zambia, I ask a question: "How many of you have ever had malaria?" Every hand in the room goes up. They even begin to tell me about the first, second, or third time they experienced the disease, one of the main causes of death and sickness in many developing countries.

They are fortunate. They have access to medical treatment and lifesaving medicines. For the people of rural Zambia, their story is very different.

On a wooden bench in a small village, I sit with Timothy and his young son Nathan. With a camera crew capturing our conversation, he tells me of the time Nathan showed signs of malaria. He brought the boy to the nearby home of a community health worker, where Nathan quickly received medicines that in all likelihood saved his life.

Calmly, Timothy tells me about his other son's bout with the disease a few years earlier. He had to race that son to a medical clinic more than 5 miles away. Riding a bike and carrying his child on his back, he tells me, he could feel his son's legs turn cold and then his little body go limp. As he finally entered the clinic, he screamed for help, but it was too late. The camera stops rolling, and we sit in silence. He begins to weep, and I hold him tightly. "I lost my son, I lost my son," he says.

This story is all too familiar for the families we meet over the next few days. And yet there is hope. Partners for a Malaria-Free Zambia is Rotary's first Programs of Scale grant recipient, and it is saving lives. Across two provinces of Zambia, 2,500 volunteer health workers have been selected by their communities. They are trained to bring medical care closer to those who need it, and they are able to diagnose and treat malaria and other ailments. Rotary partnerships create lasting change.

# MESSAGE

**Rtn. ASHOK KANTOOR**

District Governor 2022-23

RI District 3011

Dear Presidents and Team,

I think the month that just galloped past was by far one of the best that we have had in this year. The District Conference was one of the most exciting and enjoyable events of the year. It was evidence of our outstanding management and operational skills, leadership, vision and strategic insights that were in play during the entire duration of the magnificent event. I thank each one of you for the exemplary support rendered into making this the biggest success. Needless to say that the RIP Representative PRID Rtn Robert Hall and his Partner Charlene Hall were very impressed with your commitment to the mission of transforming lives and economies and they were very happy with tremendous amount of work being done at every level of the District. **PRID Rtn Robert Hall said that he had been to 12 District Conferences as R.I. Representative and this was, by far, the best one he had ever had the privilege to attend.** For me, personally, this was one of the biggest goals achieved in my life so far and I am very, very proud of the entire District machinery that helped us in the entire process.

Our motto is be the change and our endeavour is to support a wide range of local community service projects in our area of operations and sometimes beyond. It is truly commendable to see many clubs gearing up to support the relief work being undertaken to help the earthquake victims in Turkey and contributing towards their rehabilitation. This is what Rotarians so ----provide relief to mankind in every part of the world and alleviate their sufferings in every possible way !! The projects undertaken by all the clubs in the month of February despite the fact that there were many other events that needed their time is also a commendable achievement. We are happy to see that the aerator project in support of water conservation and sensitizing several thousand students all across schools in Delhi-NCR, the hand wash stations that have been set up in schools, revival of defunct borewells, support to healthcare projects like cancer awareness, support rendered to 'viklans' and several others, are all underway and will see fruition before the end of the Rotary Year. Rotary is all about continuity and sustenance so what has been initiated in the current year can also be followed every year to ensure growth and development.

We look forward to many other events and meaningful projects over the next few months. Until then stay well and stay safe.

With warm regards  
Yours Sincerely

**Rtn Ashok Kantoor**  
(District Governor -2022-23)

## From the First Lady .....

Dear Presidents and Partners,

What a month it has been !! So invigorating and so full of electric energy ! I have always participated in the District Conference year after year and been involved in different levels of activities. However, this time it was a completely different and every hour became an memorable experience. While each one of you contributed to its success in different ways and we must thank you for it, a special thanks is in order for all those who worked tirelessly from the moment it was conceptualized and then quietly went about their work for over a month relentlessly. The Speakers were of the highest level possible and each interaction gave us more insight into the lives of these very famous people who have created a niche for themselves in our society and across the world. I also enjoyed my time with Charlene Hall and PRID Rtn Robert Hall. They are a wonderful couple and one could see from their dedicated involvement at all points that they were true Rotarians. They appreciated everything the District was doing and their keen eyes did not miss anything at all. I must add that Charlene is one of the most incredible human beings I have ever come across. She is knowledgeable, witty, compassionate, intelligent and a wonderful human being !

I know there are going to be many more projects and many more fun times also over the next few months and I am really looking forward to events that open our mind and hearts to a world that needs us. March is the month when International Womens Day is celebrated and today I feel proud that I am a part of an organization in which women play a strong role. They are able to work at unfathomable and sometimes unattainable levels because they are made of steely resilience, grit and ambition but at the same time they are compassionate, warm and multifaceted. Nothing is a challenge for women in the world of Rotary and we are proud of them !

With warm regards  
Yours Sincerely

**Alka Kantoor**  
First Lady R.I.District 3011

## DISTRICT GOLF TOURNAMENT

District Golf Tournament 2023 was held in the pristine settings of Qutub Golf Course, New Delhi on Friday 3rd of February 2023. The event was organised & hosted by Rotary Club of Delhi Cama Place. Event Chair Rtn. Vinay Aggarwal and Co-Chair Rtn. Dinesh Jain lent full support to DG. Rtn. Ashok Kantoor in memorable organisation of the Tournament.

136 participants players turned up to beat the Friday morning chill. Registrations were followed by a healthy breakfast, which provided an excellent fellowship opportunity. Goodie bags were given to the participants, including golf balls. The event was well supported by various Corporate houses including Landmark, Priya Gold, Sotheby's & Fiem Industries. The Organising Club also uses the event as a fund raiser to support some of their charitable projects.

District Governor, Rtn. Ashok Kantoor welcomed the players, which was an amalgamation of Rotarians, guests & sponsors. Event Manager read out the rules. Thereafter, DG hit the inaugural shot.

The excellent round of Golf, was well captured by the photographer. Announcement of spot winners generated additional interest amongst the participants. On course service of beverages and snacks provided additional opportunity for the players to bond.

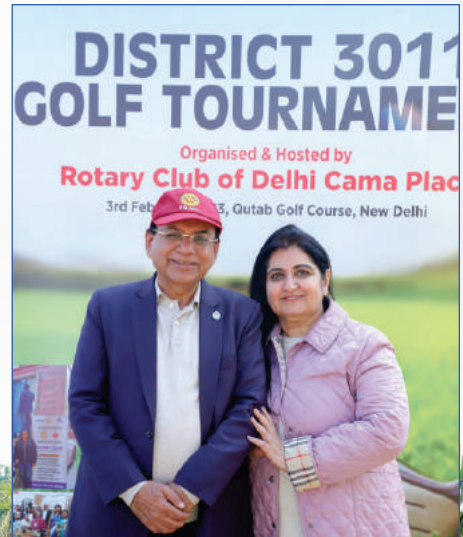

Everybody was keenly looking forward to the prize distribution ceremony. DG, First lady Alka Kantoor, Organising Team, sponsors and distinguished guests gave away the prizes to following winners:

**BLS Closest to the Pin :** Sajan Kumar Jain  
**Country Inn Straight :** Rahul Gupta  
**VDole Home's Hit the Rotary Wheel :** Atul Raheja  
**Longest Drive :** Sandeep Dewan  
**Sotheby's Crooked Line :** Amrit Singh Chopra  
**Winner Senior Category :** S Madhavan  
**Winner Ladies :** Fakhriya Abdullah  
**Runners Up Nett :** Sumit Verma  
**Winner Nett :** Dalbir Gulati  
**Runner Up Gross :** Shiv Bhatnagar  
**Winner Gross :** Kuldeep Berry

During Vote of Thanks, DG welcomed everybody to the District Conference to be held on 11<sup>th</sup> & 12<sup>th</sup> February. Drinks, snacks & lunch on a winter afternoon with Qutub Minar in the back ground, provided a perfect culmination of a very well organised District Golf Tournament.

## DISTRICT EVENT

### District Conference 2022-23 "ADHIVESHAN" Day-1

District Conference 2022-23, aptly christened "ADHIVESHAN" was held on 11th and 12th February, 2023 at Leela Ambience Hotel, Gurugram.

The program on the First Day, 11th February started with a ceremonial welcome for the R.I. Representative PRID Rtn Robert Hall and Charlene Hall with a school band welcoming them grandly and with fanfare. Thereafter, they inaugurated the Project Display which was greatly appreciated by Rtn Robert Hall. The programme inside the main hall started with the First Lucky Draw of the morning and lucky winners were awarded their prizes.

DG Rtn Ashok Kantoor welcoming everyone present, called District Conference ADHIVESHAN to order. After National Anthems of USA and India, Lighting of ceremonial auspicious Lamp and Invocation of Ganesh Vandana, DG Ashok Kantoor welcomed the Chief Guest and dignitaries starting with R I President's Representative to the Conference - PRID Rtn Robert Hall and his gracious Spouse Lady Charlene Hall who had especially come from USA for our Conference. There after other Distinguished Dignitaries were welcomed by DG Ashok Kantoor and Alka Kantoor. The welcome of dignitaries was followed by the mesmerising dance performances by Troupe from Sarvam Shakti, a NGO of underprivileged children. The children also performed yoga activities to the delight of the entire audience.

Rtn Anil Aggarwal, Conference Co-chair, welcomed everyone to the Conference and said DG Rtn Ashok Kantoor has given Conference, ADHIVESHAN, a true meaning of "IMAGINE ROTARY". He said we have arranged many eminent speakers at this Conference who will be talking on various interesting and important topics. We also have a spiritual Leader to address the delegates and in the evening we have a gala entertainment programme by the First Indian Idol Mr Abhijeet Sawant.

DG Rtn Ashok Kantoor in his opening remarks welcoming everyone present at the Conference said Robert and Charlene have come to Delhi only for this Conference. They came yesterday and will leave on Monday. After 118 years, Rtn Jennifer Jones is the first Lady World President of Rotary International. She is motivating and inspiring us to do big successful service projects. Today we have a registration of many delegates for this conference. We have to think and dream big and Imagine something new. The Presidents'

Hand Book was released at PEM--1. R.I. District 3011 is becoming increasingly digital. All the GoVs are paperless. We are working in all the 7 Focus areas of Rotary, he said - under Environment, the District has done major tree plantation drives. Under Literacy the District has adopted more than 100 Municipal Schools and have installed more than 60 Hand Washing Stations in Schools under WASH and WINS program. Cancer Awareness Rally was organised all over Delhi. On 2nd October A massive Cycle Rally was organised for End Polio Now and End and Control Leprosy. Revival and rejuvenating of Water Bodies and defunct Borewells is under way in the NCR region. Several thousand students are being sensitised about how to save Water under Mai Bhi Jal Rakshak program. The District are starting the first Skin Bank in North India in partnership with AIIMS at AIIMS complex. We have added so far, in the first 7 months since 1st July 2022, 347 new members in R.I. District 3011. We have already formed 4 new Clubs and 6 are in the pipeline. We have added 4 new AKS Members, 58 Major Donors and 27 Clubs have committed to become 100% PHF Clubs.

Chief Guest, R I President's Representative, PRID Rtn Robert Hall said " I have never been welcomed like you have welcomed us today. I am reminded of my earlier trip to U P for the Polio NID when we had come to India last time for administration of Polio Drops to children on your Polio NID in 2007 and visited Moradabad in U P. We had great time in 2007 visiting India for giving Polio drops."

R I President Jennifer Jones, he said, is doing a great job this year. The Theme of this year is IMAGINE ROTARY. Imagination is more important to know what Rotary can do. He said Rotarians can partner with others for working for the welfare and wellbeing of people and the community. There are lots of ways we can do various service projects for society. Under Health care you can give Wheel Chairs to handicapped people. You can provide play grounds for children. Ensure the World become 100% Polio Free under End Polio Now initiative. Increase Rotary Membership. Younger members want a mentor. Listen to your members and tell them that you care for them. Get them involved in projects. Polio is now in only Pakistan and Afghanistan. Polio Plus Society is helping to End Polio Now and it is all possible because of Rotary. He also thanked District Secretary Rtn Dinesh Jain who was his Aide during his entire visit and his lovely wife Niti Jain for looking after him and Charlene so well and taking good care of them all through.

Lady Charlene Hall addressing the gathering thanked everyone for the very warm welcome extended to them ever since they landed in Delhi. Polio is on way out, she said. Public Health is a top priority. She talked about Dementia and problems faced in her own family. Her Sister and Brother are both facing dementia problems. Rotary Action Groups people help people suffering with Dementia. She thanked everyone for giving her the time to speak and share her views and wished everyone to enjoy the Convention.

Plenary Session 1 started with a Panel discussion on Digital Transformation in India and Leveraging of emerging technologies of 5G moderated by Rtn Umang Das. The Panelists included Mr Akhil Gupta and Mr Pankaj Mohindroo.

Mr Akhil Gupta said the telecom journey started in India in 1994 when the first call was made by Spice from Calcutta. The charges for a call have come down from Rs 16 per call in 1994 to 0.60 paise per call now. Today the telecom industry is a Rs 25 lakh crore investment industry. We already have 1 billion mobile subscribers in India. Today Bharti Airtel and Jio are expanding. Telecom Industry is the backbone for industrial development.

Mr Pankaj Mohindroo said 5G is a game changer. It provides quality of service. India is becoming a massive exporter of Mobile phones. In January, last month export of mobile phones from India was \$1.5million. This year our total exports of Mobile phones is expected to be more than \$ 9 million.

Transformation from 2G to 5G quickly changed many standards. 5G is going to be a break through with very high speed. 5G phones are available in the price range starting at Rs 10,000 and going upto Rs 1 lakh or even more. Semi Conductor manufacturing is very important for digital transformation. Skilling is very important since capabilities of skills in setting up digital transformation is required. Rotary can help in creating skilled work force for Semi Conductor manufacturing industry, which is a new area and highly challenging.

Thereafter a MoU was signed between Rotary District 3011 and the Telecom Skill Council of India (TSCI) for providing Skill Development Training.

## DISTRICT EVENT

### PLENARY SESSION 2

After the Lunch Break, Plenary Session 2 started with the second Lucky Draw.

PP Rtn Ruchi Rai introduced the Speaker of the second session, Swami Prakashananda, Head of Chinmaya Mission, New Delhi.

Swami Prakashananda addressing the gathering said he would like to share some thoughts from vedic sculptures like Shrimad Bhagwat Geeta. Lord Sri Krishna tells Arjuna that his state of mind is confused because of lack of clarity about vision of life. The mind which is divine, clear and purified makes our actions and thoughts pure and self centered. He said that Rotarians, similarly, create peace and happiness in the life of others. Human life exists for a very special purpose. Certain intellect is given to each human being and that should be used constructively.

Next speaker was Mr Satish Kaushik who said Rotarians are known for their tremendous social activities all over the world especially for the welfare and well-being of mankind. He said he was born in Karol Bagh in Nai Wali Gali. He said he was a dreamer and God helps only those who help themselves. He joined the entertainment industry. Bombay film industry is a glamour business. He went to Bombay in 1979 and faced lots of struggle. He was confident that I will make it one day. He finally got a job to work with Shekhar Kapoor as his Assistant for Rs 500. He said his ancestral village is in Haryana and he has adopted his village. He said he wants to do something to make the life of his village people better the way Rotarians do and involve himself in welfare activities for the wellbeing of underprivileged people and making the country proud.

The next Panel discussion was on Living with Covid, moderated by Rtn Anil Aggarwal with Panelists Mr Anil Rajput of ITC and Dr B K Rao of Sir Ganga Ram Hospital. Mr Anil Rajput said Covid hit us all silently and suddenly. First case of Covid in India appeared in January 2020. On 9th March, he said, he was hosting a Party at his house and some people were hesitant in joining. Suddenly the PM announced that there will be a 24 hours lockdown which continued for a long time after. Many people were asked to work from home and people had to learn new techniques to get connected virtually which changed the lives of everyone concerned and changed the work culture. There were major challenges and issues for Health care workers and they came with various initiatives to deal with this gigantic Covid problem.

Dr B K Rao said Covid was not just a Pandemic but a huge challenge and a severe calamity. Rotarians opened their hearts and their purses to help and rendered assistance to affected people. Everybody has a duty to look around and help the people around them for their wellbeing. India made a Vaccine with great speed because of our Scientists and political leadership. People have learnt many lessons from Covid and are now fully prepared to face such challenges. Covid is still there. It has not gone he said. Precaution is the best word. Protect yourself against the Virus. Use Masks, Wash Hands, use Sanitizers, keep safe distance and behave sensibly.

This was followed by Tea Break

After the Tea Break the session was a conversation between District Secretary Meets Rtn Mohit Luthra and Mr Deep Kalra Founder and CMD of Make my Trip.com Limited. Rtn Mohit Luthra welcomed and introduced Mr Deep Kalra. Mr Kalra said after MBA he did some odd jobs and even joined a Bank. He gave up the Bank job to become an entrepreneur in a Bowling Alley business but didn't succeed. Then he joined GE Business Development to grow their business in 1998. The Internet came in 1999 and this was a game changer. People were making air travel bookings Delhi-Bangkok/Pukhet online. I learned a lot at GE about air travel online booking and that's how I started MakemyTrip.com. You have to have confidence in yourself. Two of the employees joined me who later on became co-founders. 2001 to 2005 was a initial start up time with slow progress. Something magical happened in 2005 when low cost air carriers came to India like Spice jet and Go Air etc. We grew exponentially from 2005 to 2010 and it was a turning point for us. Every customer should be your Brand Ambassador. Now I am partial Executive and semi retired but still have a long way to go.

After this there was Electors meeting for voting in the morning at which elections process was explained to the Electors by the Officers of the Ballotting Committee.

In the evening Mr Abhijeet Sawant regaled the audience with rendition of his melodious songs from Bollywood films.

Members were seen shaking their feet and dancing and enjoying the gala entertainment.

## DISTRICT EVENT

### District Conference 2022-23 "ADHIVESHAN " Day-2

Day 2 of the Conference started with morning Breakfast and Balloting by Electors for Election of DG for the Rotary Year 2025 - 26 and CoL Representative from our District 3011.

The proceedings of Day 2 of the Conference also started with Lucky Draw prior to the commencement of Plenary Sessions.

First Lucky Draw of Day 2 was conducted and Lucky winners were awarded their prizes.

DG Rtn Ashok Kantoor called the second day of District Conference ADHIVESHAN to order followed by National Anthems of USA and India.

Plenary Session V started with DG Ashok Kantoor who in his opening remarks said it has been a very nice experience at this Conference and I hope you all had a wonderful time yesterday. The programs and Speakers invited by the organising team members were exemplary and you all enjoyed listening to them. One should be a dreamer and have conviction to achieve their goals.

Today we have Hon'ble Union Minister Dr Jitendra Singh, Mr Rajat Sharma, Mr Gaurav Gupta, Fashion Designer, and Neha Dhupia, Bollywood Actress. The election results will be announced in the evening after counting of votes. Wish you all the very best and enjoy your second day of the Conference, ADHIVESHAN.

A Kaleidoscope presentation was made of the journey so far from PEM-1 onwards till date which was enjoyed and appreciated and applauded by all.

An AV on Literacy activities was also screened for the information of delegates present at the Conference.

AV presentation on forthcoming R I Convention at Melbourne, Australia was also shown to the audience. It was informed that 22 Rotarians from our District 3011 have already registered for the Melbourne Convention.

The Chief Guest of the morning, Hon'ble Dr Jitendra Singh was welcomed with floral bouquets by RIPR Rtn Robert Hall and DG Rtn Ashok Kantoor. Hon'ble Minister was accompanied by Mr Amish Devgun, a media celebrity.

Mr. Amish Devgun said Rotary is an organisation which is working towards improving the social welfare and well-being of mankind.

Shri Jitendra Singh said it is a pleasure for me to be here

this morning with Rotarians who are serving millions of people around the globe with their multifarious service activities. The Minister thanked Rotary for making him a part of this two day Conference. He said Rotary is binding the entire world together. Rotary encompasses everything and promotes oneness. We have no shortage of talent. The Space Department was opened to Private Sector. We had the talents waiting to perform. The Government unlocked the Space Development. It is a citizen centric approach adopted by the Government. This helped in winning the trust of the people. Political Culture has been changed in the current regime. This is the ideal model of governance which India has been waiting for past 75 years.

Rotary has helped a great deal in the health care sector. Rotary has set up Eye Care Centres, Cancer Centres, Dialysis Centres etc at places where Government couldn't start these facilities. Space has become a source for generation of finances. Ocean -- Marine Deep Sea Mission, we have lot of wealth in sea bed. There is plenty of wealth in the Himalayas. There are plenty of newly created initiatives for livelihood for start ups. We have the potential to grow. This is the time for India to grow worldwide. We are on the right track. During Covid we not only saved our own people but also people from other parts of the world. We made the Vaccine in less than 2 years and exported same. We used our own resources and India became a bright spot after Covid Pandemic. Post Covid India earned respect and global recognition as a strong world leader.

The next speaker after the Minister was Mr Gaurav Gupta, Fashion Designer and fashion Icon of International repute. Mr Gaurav Gupta has been recognised for creating and designing attires for world famous celebrities. Last year he was recognised for his creations for the Best dressed Actor at the Oscar Awards ceremony. He is the first to have created Sari Gown dresses. He promotes banning of single use plastics. He uses Jacket Covers made from recycled plastic materials. He urged that Rotary should become a Think Tank for promoting the banning of single use plastic and said his art inspires him to work. There is so much more than can happen in fashion designing. According to him - Fashion is happiness and Fashion is confidence. Women are supporting Women in fashion. Generations are growing and developing culturally. Gaurav Gupta has two stores in Delhi -- one in the Emporio Mall and the other in Mehrauli and is planning to open a store in Mumbai very shortly. Gaurav has worked with great Bollywood Actress like Aishwarya Rai, Deepika Poddukone, Priyanka Chopra Jonas etc. Besides being a Fashion Designer, Gaurav also makes great sculptures.

Incidentally, Gaurav is son of Rtn Arun Gupta, President of Rotary Club of Delhi South East.

DGE Rtn Jeetender Gupta speaking on Relevance of Cohesiveness in Continuity in Rotary said best example of Cohesiveness is in a sports team and it's the team work we appreciate ; togetherness and cohesiveness are both important for continuity. Communication is also very important for cohesiveness. 'ME' should be changed to 'WE'. We should build trust and mutual respect for cohesiveness. Ego is a virus and infectious. Ego should be changed to Ugo. U and go and this will help in bringing cohesiveness. We should have cohesiveness to manage conflicts. We need to have consensus in electing District Governor, rather than have elections.

DGN Rtn Mahesh Trikha talking on the subject Better World through Rotary said Rotary has been doing something or the other for making the world better. The Rotary Theme for 2022-23 is Imagine Rotary and for the year 2023-24 is Create Hope In The World and possibly in the year 2024-25, the Theme may be Work for Rotary. Polio is an example of our commitment. Thanks to our relentless endeavours India is Polio free today. Now we are working towards eradicating illiteracy and make India fully literate. Peace building is another major important focus area of Rotary and we are trying to resolve conflicts to bring peace in the world. Let us learn to live Rotary and make the world even better.

## DISTRICT EVENT

### Post Lunch Session

After the Lunch Break the concluding session started with Lucky Draw and winners were awarded their prizes.

Rtn. Mohit Anand Bhatia was honoured and recognised with the Rotary Award for Public Image. DG Rtn Ashok Kantoor presented to Rtn Mohit Anand Bhatia the Award of Excellence for enhancing Public Image of Rotary during the year 2021-22 in RI District 3011 of Rotary International Zone 4.

PDG Rtn Dr N. Subramanian addressing the delegates on End Polio Now said each one of us is proud of Rotary's work to make India Polio free. More than 19 million children have been saved from being paralysed because of Polio. Polio cases worldwide have come down to 99.9% . Polio cases are now only in our neighbouring two countries Pakistan and Afghanistan. The battle is not over yet. India became Polio free because of cooperation and coordinated efforts of Rotary, Government and Bill and Melinda Gates Foundation. Number of Polio cases are coming down globally. We need to raise \$ 50 million towards continuing our efforts towards Global Polio eradication initiatives for a Polio Free World. We all must contribute to Polio Plus Fund of TRF. Every Rotarian must contribute some amount to Polio Fund even if it is as little as \$10 each member.

Mr Rajat Sharma of Aap ki Adalat fame was the next speaker. Speaking at Rotary ki Adalat, Mr Rajat Sharma said I have no time management. I just flow with the time. Over last 30 years I have learnt a lot from my TV shows Aap ki Adalat. The media today is doing much more than what we do. He said -- I always tell the youth to be grateful and help people who are not happy and need assistance. Rotary's mantras are-humility, gratitude, helping the needy, hearing, caring and sharing. Rotary's motto is Service above Self. Serving the marginalised underprivileged people from economically weaker sections of Society. Rotary is already doing a great service for welfare and wellbeing of Society. The major project of Rotary is to make world Polio free. He congratulated everyone and said he invited Mr Shah Rukh Khan for his show Aap ki Adalat in 1993, 30 years ago, and today he has become a super star. We should always dream big. We have to be disciplined in life. My diet is controlled and I do exercise regularly and also drink lot of Water. Shah Rukh Khan, Salman Khan, Dilip Kumar have all appeared on my show.

Ms. Neha Dhupia, Bollywood Actress was the last celebrity speaker of the Conference. She thanked

everyone for the warm welcome and said I am excited to be here at your Conference. I am an independent and confident woman. I am a Delhi Girl. I was educated at Jesus and Mary College and I did History (Hons) from Delhi University. After graduation I moved to Bombay. I am still living in trial and error period even after being in the industry for 22 years. I had won the Miss India contest when I was only 21 years. It was also a trial and error story at that time. The Miss India contest was in Hyderabad. Winning the Miss India crown was a great privilege and after that I got some offers from Bollywood for acting in films. I have worked in 57 films so far. Today I have a family with two kids and they take a lot of my time. Everyone in the audience felt that Neha is a brave woman. She is original, natural and likeable. She loves sports and she also loves competition. She doesn't like overseas destinations for vacations. She said that we have plenty of beautiful places in India and she prefers to travel in the country. She is a feminist and says we should do the right work do wherever your conscience is clear. You have to give yourself 100% to your work to be successful.

She is very philanthropic and does lots of Charitable projects. She was thanked profoundly for especially coming over for the Conference.

RI President's Representative, PRID Rtn Robert Hall giving his impressions of the Conference said I deeply appreciate the tremendous work that your team has done for the programs of this wonderful Conference which has been an unbelievable experience and a terrific success. We should always be humble and grateful to people who work for us. We should take care of them and people from their families and thank them for the good work they do for us. We should recognise people who work for us and pat their backs.

We should listen to our Club members and try to accomplish our goals. We should continue our efforts towards Global Polio eradication to End Polio and make the world Polio free.

DG Rtn Ashok Kantoor and First Lady Alka Kantoor presented Mementos and Gifts to PRID Rtn Robert Hall and his gracious Spouse Lady Charlene Hall and in reciprocation PRID Rtn Robert Hall and Lady Charlene presented a gift to DG Rtn Ashok Kantoor and First Lady Alka Kantoor.

Conference Resolutions were moved by PDG Rtn Asoke K Ghosh which were approved and adopted unanimously.

In his concluding remarks DG Rtn Ashok Kantoor said this was a very exhaustive and comprehensive Conference and thanked everyone for making this District Conference a great success.

Clubs with highest registrations in various different categories were recognised by DG Ashok Kantoor. RC Delhi West, Governor's Home Club and RCD Regency Next were recognised for 100% registration, RC Delhi Rajdhani as Star Club for maximum registrations and several other clubs for their support. DG also recognised Assistant Governors for maximum registrations from their zones, District Secretaries Team, Assistant Governors Team and Balloting Committee members for their support and cooperation.

Announcing the results of elections, DG declared that for Council On Legislation, PDG Rtn Vinay Bhatia was declared elected as the Representative from R.I. District 3011 and Rtn Dr Ravi Gugnani of Rotary Club of Rohtak has been elected as the District Governor of R I District 3011 for the year 2025--26 with overwhelming majority.

Both PDG Rtn Vinay Bhatia and Rtn Dr Ravi Gugnani were greeted and congratulated with loud applause.

The District Conference Adhiveshan was thereafter declared adjourned by DG Rtn Ashok Kantoor.

## R.I REPRESENTATIVE RTN ROBERT HALL VISITS PERMANENT PROJECTS OF R.I.DISTRICT 3011 VISIT TO NDMC PALIKA DISPENSARY

PRID Rtn Robert Hall and Charlene Hall were at NDMC Palika Dispensary to administer Polio Drops to little children on the morning of the 13th of February. The event was also graced by Dr Ankita Chakravarty IAS who also administered Polio drops to the Children. Present on the occasion were DG Rtn ASHOK KANTOOR, Alka Kantoor, Rtn Dinesh Jain, PDG Rtn Dr N Subramanian, Rtn Tridibeb Basu, and members from Rotary Club of New Delhi -- Rtns. Surendra Singh, Pran Mehta, Umang Das, Vimal Gupta, and Narender Kumar Gupta. PRID Rtn Robert Hall and Charlene Hall had an informative interaction with the Doctors about Polio eradication efforts and presented Mementos and Certificates of Appreciation to the Doctors and Para Medical staff in appreciation for making India Polio free.

## STOP PRESS

Actor, Director, Producer, Comedian and Scriptwriter Mr Satish Kaushik passed away on the 9th of March. R.I. District 3011 extends their deepest condolences to the family. May his pious soul rest in peace.

## R.I. REPRESENTATIVE RTN ROBERT HALL VISITS PERMANENT PROJECTS OF R.I. DISTRICT 3011 VISIT TO ROTARY BLOOD CENTRE, NEW DELHI

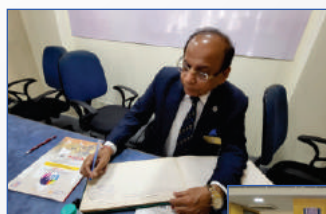

Rotary Blood Bank New Delhi welcomed R.I. Representative PRID Rtn Robert Hall and his Partner Charlene Hall on the 13th of February. DG Rtn Ashok Kantoor was proud to show them the phenomenal work being done at the Blood Bank. The honourable guests were elated to see the functioning of the self-sustaining Rotary Blood Bank which is a legacy of R.I. District 3011.

## R.I. REPRESENTATIVE RTN ROBERT HALL VISITS PERMANENT PROJECTS OF R.I. DISTRICT 3011 VISIT TO ROTARY DIVYANG KENDRA A PROJECT OF ROTARY CLUB OF DELHI CENTRAL

R.I. Representative PRID Rtn Robert Hall and Partner Charlene Hall visited one of the District's long sustaining projects, Rotary Divyang Kendra, which was established by the Rotary Club of Delhi Central. PRID Rtn Robert Hall, our Chief Guest at the event and DG Rtn Ashok Kantoor, Guest of Honour, were at the handing over ceremony of neomotion bikes. Charlene Hall, First Lady Alka Kantoor and the dignitaries also distributed artificial limbs to the underprivileged and physically disabled and also nutritious food packets to the families of TB patients who cannot afford to buy the food items that are so essential for those afflicted with TB.

PRID Rtn Robert Hall and Partner Charlene Hall went for a tour around the Centre and were very interested in knowing what the centre actually did to help the needy. They were impressed with the numbers and statistics produced by the staff and the outstanding work that is being done by Rotarians of the club who support the Kendra.

## IMPORTANT DISTRICT AND CLUB PROJECTS

### WATER AWARENESS DAY IN 50 SCHOOLS

WATER is one of the most important elements in nature for the survival of living species yet we take it for granted.

Every time we open a tap and water flows out - we feel happy & complacent. Little do we realize the tremendous scarcity of potable water that we are going to face in the future. We know that 71% of earth's surface is water & it is called the 'Blue Planet' -yet only 0.3 % is useable for humans. Every day- almost everywhere – we see water being wasted. We continue to wash our driveways and cars, leave our tanks to overflow, allow them to flow at full pressure while brushing & bathing ; our lawns, gardens and farm lands are flooded with water when the need is only for a fraction of it.

The situation is deteriorating rapidly so just imagine the day – when we are all faced with 'water rationing' & directed to manage with only 2 buckets per family per day. That is the point at which we will probably understand what a precious commodity water is.. For the past few decades - alarm bells have been ringing . Per capita availability of water is coming down drastically - especially in India .Everyone talks about most parts of India going dry within the next few years

Awareness for water conservation, efficient utilisation & management has to be created at individual , community, society & the national level. Students being the future of the country it is important for them to understand the precariousness of the situation in the future .

Keeping the above in mind, a large scale Water Conservation Awareness Day was celebrated in 50 schools simultaneously in R.I. District 3011.

The range of programmes conducted in the schools included

- Painting competition
- Skits
- Articles/ essays
- Save Water badge design competition
- Innovative projects/ models on water conservation
- Awareness sessions/ documentaries on significance of water
- Rainwater harvesting, Check Dams, Drip irrigation etc
- Student volunteers as 'jal rakshaks'
- Posters for distribution in communities & markets

The enthusiasm of students was amazing and the seriousness with which they participated was inspiring . The District team led by DG Rtn Ashok Kantoor was present at the Apeejay School, Sheikh Sarai where Essay writing, painting competition, Nukkad Natak, Chat show, Water song, Jal rakshak enrolment were all happening. It was the first time ever in the District that a programme on this large scale was conducted where over 25000 students participated simultaneously & it was indeed extremely impactful

The Awareness programme will definitely be scaled up in the future.

## IMPORTANT DISTRICT AND CLUB PROJECTS

### MEGA HEALTH CAMP WITH A DIFFERENCE

#### Zone 12.

AG : Rtn Arun Roongta  
Rotary Club of Delhi South West.  
President: Rtn Vikas Dhingra  
Rotary Club of Delhi Cosmopolitant Greater  
President: Rtn Jaspal Chadha  
Rotary Club of Delhi Okhla City.  
President: Rtn Harvinder Singh  
Rotary Club of Delhi Ridge.  
President: Rtn Anil Kumar Marya  
Rotary Club of Delhi Govinda.  
President: Rotary Club of Delhi Resources.  
President Rtn Sunil Kumar Dey

The Members of Zone 12, Organised a Mega Health Camp at Lodi Colony Police Station On the occasion of Police Week.

Multiple Medical facilities were organised for the Police Personnel, 110 of whom used them. SHO, Sandeep Mandal was felicitated by DG Rtn Ashok Kantoor, who was the Chief Guest along with First lady, Alka Kantoor.

On this Occasion SHO Shri Mandal and DG Rtn Ashok Kantoor addressed the Police Force and motivated them to look after themselves so that they are able to look after others better

## IMPORTANT DISTRICT AND CLUB PROJECTS

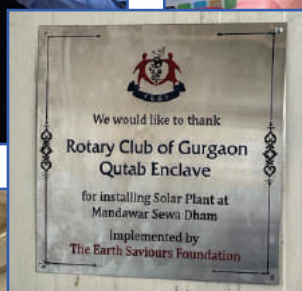

### SOLAR PLANTS AT EARTH SAVIOURS FOUNDATION

**Rotary Club of Gurgaon Qutab Enclave**

**Zone 8**

**AG: Rtn Sarvesh Dutt.**

**President : Rtn Arti Agarwal**

DG Rtn Ashok Kantoor inaugurated the club's flagship project - 40KW solar plants installed at Earth Saviour's Foundation, Mandawar facility. This was a CSR funded project of approx Rs 25 Lakhs which will impact lives of a large number of inmates living there. Also it aligns with the green and clean energy mantra helping reduce the Carbon footprint. AG Rtn Sarvesh Dutt, District Secretary Rtn Sanjeev Jawahar and Rtn Sanjeev Sawhney also graced the occasion. DG Rtn Ashok Kantoor was very very appreciative of the project and lauded the presence of the club's members in large numbers. Each solar plant that has been installed will power one double storey shelter home completely (lights, fans, power points, medical equipment) housing around 100-125 people. Two plants will impact almost 220-250 lives directly. The solar plants will help save electricity cost, Diesel generator cost and reduce carbon footprint on the planet.

## IMPORTANT DISTRICT AND CLUB PROJECTS

### ROTARY- ROTARACT DEBATE COMPETITION

Rotary Club of Delhi South

Zone 3

President: Rtn Lalit Sawhney

The flagship event of the club, the annual Rotary-Rotaract Debate 2023 was held at India International Centre, Max Mueller Marg, New Delhi on 19 Feb 2023. The debate returned to its physical format after a two year hiatus and was a resounding success. The club had participation from 10 premier colleges from NCR and an excellent panel of jury and moderators. This year's event was also unique and it was RCDS's signature style of celebrating Azadi ka Amrit Mahotsav by trying to explore ideas of an issue, which is currently troubling our nation's growth.

The event was split into two rounds. Round 1 was a round table conference on a topic commemorating the 75th year of independence **"Revamping the Reservation system for an inclusive growth"**. This was a new format of debate as panelists put forth their views and answered questions from other panelists making the event live and exciting. New perspectives were discovered including on revamping - not only the policy - but its implementation as well. Our Chair for the event Rtn Kriti Makhija was splendid as usual as she moderated the session with trademark excellence ably supported by Co-Chair Rtr. Yash Goyal. The jury of our very own Rtn Rotary Kirit Javali and former BVN Interact teacher Mrs Sumana Ganguly had a tough job on hand as they zeroed down on the winners, Simar Aneja (Gargi College) and runners up Shivansh Singh (Dayal Singh College). District Rotaract Chair Rtn Anil Sachdeva was spell bound by the high level of energy and debate quality and the manner in which it was conducted. Round 2 was the conventional oxford style debate and was centered on the Topic **"United Nations has diminished its relevance"** - a topic which resonated with the Rotary theme of the month - Conflict and Peace Resolution. The topics are relevant and can have varied points of view. The participants evidenced unmatched maturity and perception levels and it was indeed a pleasure to listen to each one of them as they argued their points.

## BLOOD DONATION CAMPS

Rotary Club of Faridabad Aravalli
