Rotary District Cricket Tournament

"Teamwork is the ability to work together toward a common vision.
The ability to direct individual accomplishments toward organizational objectives.
It is the fuel that allows common people to attain uncommon results."

MESSAGE

Rtn. JENNIFER JONES

President 2022-23
Rotary International

While sitting with a group of Rotary leaders outside of Lusaka, Zambia, I ask a question: "How many of you have ever had malaria?" Every hand in the room goes up. They even begin to tell me about the first, second, or third time they experienced the disease, one of the main causes of death and sickness in many developing countries.

They are fortunate. They have access to medical treatment and lifesaving medicines. For the people of rural Zambia, their story is very different.

On a wooden bench in a small village, I sit with Timothy and his young son Nathan. With a camera crew capturing our conversation, he tells me of the time Nathan showed signs of malaria. He brought the boy to the nearby home of a community health worker, where Nathan quickly received medicines that in all likelihood saved his life.

Calmly, Timothy tells me about his other son's bout with the disease a few years earlier. He had to race that son to a medical clinic more than 5 miles away. Riding a bike and carrying his child on his back, he tells me, he could feel his son's legs turn cold and then his little body go limp. As he finally entered the clinic, he screamed for help, but it was too late. The camera stops rolling, and we sit in silence. He begins to weep, and I hold him tightly. "I lost my son, I lost my son," he says.

This story is all too familiar for the families we meet over the next few days. And yet there is hope. Partners for a Malaria-Free Zambia is Rotary's first Programs of Scale grant recipient, and it is saving lives. Across two provinces of Zambia, 2,500 volunteer health workers have been selected by their communities. They are trained to bring medical care closer to those who need it, and they are able to diagnose and treat malaria and other ailments. Rotary partnerships create lasting change.

Rtn. ASHOK KANTOOR

District Governor 2022-23

RI District 3011

Dear Presidents and Team,

We have had a busy start to the Year at R.I. District 3011 and this was followed by a very successful Conference in the month of February and we are grateful for all of your support in helping us achieve this. The month of March also started with an exciting Cricket Tournament which set the tone for teamwork and several meaningful projects.

We have a number of exciting updates about many important projects that we want to make you aware of. One of the most important ones is our commitment to fight cancer and to help people in getting timely treatment for the dreaded disease. In keeping with our resolution this year to ensure early detection and diagnosis, R.I. District 3011 handed over a Battery Operated, 8 Seater Van to IRCH, AIIMS Delhi. The Van will help in providing much needed relief in transportation for patients who have to travel a very long distance to reach the relevant OP. The facility will help facilitate improved collaboration with our Health Partners- AIIMS and will further enhance the mammoth work already being done at IRCH. We are grateful to Rotary Club of Delhi Regency Next and the Cancer Foundation for their dedicated efforts.

Our crusade to save the Environment and to prevent and treat Leprosy also continues and one of the big projects completed in this area was by Rotary Club of Delhi South by inaugurating an On Grid Solar Power Plant and distributing Tricycles, MCR Footwear and other Appliances to Leprosy Patients.

R.I. District 3011 also gave Vocational Service Awards to a small number of exceptional individuals in recognition of their outstanding contributions in their particular fields, or for their service and impact in our region and communities. They were given awards after a rigorous selection process that ensures our recipients share and embody our Rotary values. We had the pleasure of awarding individuals in many different fields, including academia, medicine, entertainment, judiciary, IT and the public and charitable sectors.

It has been yet another very satisfying month and we continued with our sustained efforts in all the areas that we had committed ourselves to, at the start of the Year. Thank you for participating in the Annual Fund Challenge and contributing towards a Fund that saves millions of lives across the world. We will continue with our commendable efforts and carry on Serving Humanity to the best of our ability.

With Warm Regards
Yours Sincerely

Rtn Ashok Kantoor
District Governor 2022-23

From the First Lady

Dear Presidents and Partners,

I am sure you had a wonderful Holi celebration with your family and friends. The colours of holi did seem to brighten up our spirits and enthusiasm more than ever because this year there was no fear of Covid lurking at the back of our mind. However, the dreaded disease is making an appearance again and I wish you all good health and safe times in the months ahead.

The cricket match was a fun event and we enjoyed every moment of the camaraderie and bonhomie. The spirit of teamwork and bonding underpinned our efforts to bring everyone together and work towards a common goal. I think any form of sport helps to rejuvenate our senses and helps us in overall well-being. The fun-filled event definitely was an excellent example of fellowship that is so essential in Rotary. I would like to coin my own phrase here -"A team that plays together, works successfully together".

The month of March has certainly brought a lot of good tidings with it. The good weather lasted until the end of the month, the flowers were in full bloom and the energy to do good in the world continued unabated. It was my privilege to celebrate the 'Vibrant Colour of Womanhood' on International Women's Day and to feel the power of women and the exemplary journey each one undertakes in life. I was also following up on some of the projects that had been done and was fascinated by the support extended by the Partners in all projects. Your support exemplifies Rotary's commitment to serving humanity in the best way possible and our endeavour, together, is reaching new areas and motivate a diverse demographic of Rotarian Partners to work with as much zeal. It is to a large extent like mirroring the success of our Rotarian Partners and this combined effort will have a better and more far-reaching impact than ever.

It was enjoyable interacting with you in person at the District Events this month and I personally enjoy reaching out to you through the pages of the GML every month. I look forward to our next meeting now and until then I sign off with

Warm regards
Your Sincerely

Alka Kantoor

VOCATIONAL SERVICE AWARDS

The District Vocational Service Awards Function was held on Wednesday, 29th of March, 2023 at PHD House, New Delhi. The event was sponsored by three Rotary Clubs-Rotary Club of Faridabad Cosmopolitan, Rotary Club of Delhi Panchshila Park and Rotary Club of Delhi Central plus two individuals - PP Rtn Jagdish Sahdev and PP Rtn Prem Singhania.

Hon'ble Justice Mr Uday Umesh Lalit, Former Chief Justice of India was the Chief Guest at this prestigious Award giving event. The Jury to select the Awardees was headed by District Chair Vocational Service PP Rtn Ravi Bhatia along with members from District Team Vocational Service.

DG Rtn Ashok Kantoor called the Vocational Service Awards meeting to order. After National Anthem, Lighting of ceremonial auspicious Lamp followed by Invocation of Ganesh Vandana, District Secretary and MoC for the event Rtn Sanjeev Jawahar acknowledged the presence of Past District Governors and also of the Special Guests -the Awardees.

DG Rtn Ashok Kantoor in his opening address welcomed each and everyone present at the Awards ceremony and said Vocational Service is one of the most important of the Rotary's Five Service Avenues. He said R.I. District 3011 was recognising the most outstanding people in their own fields who have excelled meritoriously in their vocations and professions and they would have received numerous awards and recognitions already and over the years. Three of the Awardees are recipients of the prestigious Padma Shri.

The Vocational Team Jury has put in stupendous efforts in selecting the Six Awardees after meticulously scrutinising the list out of a large number of Nominations received from Club Presidents and other members of our District. He said he himself had endorsed the decision of the Jury and approved the names of the Six Awardees selected by the Jury of Vocational Service Team Members.

PP Rtn Ravi Bhatia, District Chair Vocational Service and Chair of the Jury said Vocational Service is one of the pillars of Rotary. The motto of Rotary is: "Service above Self". We Rotarians are doing so many community service projects for the good of humanity, especially underprivileged people from economically weaker sections of Society. Today we are giving Vocational Service Awards to eminent people who have excelled in their vocations and professions. Rotary follows very strict regulations and rigorous criteria in selecting the Awardees for this prestigious Rotary Vocational Service Award. After very careful consideration the Six Awardees were selected and

approved by DG Rtn Ashok Kantoor.

The Awards Ceremony began with fanfare. Each Awardee was honoured and recognised with presentation of a Shawl, a Memento and a Citation.

The first Awardee was Mr Divya Prakash of Donate An Hour NGO. He is a technologist turned educator. He is the founder of Donate An Hour-aka DoAR, an initiative to encourage people to donate their time in teaching children. DoAR is now one of the largest volunteer based NGO in NCR promoting children's education.

The Citation was read by PP Rtn Ajay Joneja of Rotary Club of Faridabad Cosmopolitan.,

In his acceptance speech, Mr Divya Prakash said his aim is to improve the education levels of children to make them better human beings. He profusely thanked Rotary for bestowing him with this prestigious Vocational Service Award.

The next Awardee was Mrs Kusum Duggal. She is the Vice Chancellor of Cyber Law University, an internationally known online University which is specifically dedicated to the study of Cyber Laws and related legal issues. She had also served Delhi Public Schools Society in the past in various different capacities.

The Citation was read by Rtn Arun Kapoor, President Rotary Club of Delhi Panchshila Park.

In the acceptance speech, Mrs Kusum Duggal thanked everyone and said that she was connected with Rotary for more than 30 years. As Principal of Delhi Public School, they had the Rotary's Interact Club at the School and they organised many activities with Rotary Clubs for students of the school. She said she was connected with students now for more than 60 years. Cyber Law University has now risen to a high esteem with more than 30,000 students. She said they are still going strong in Cyber security and Cyber Law. People have to be made aware of Cyber law remedies and Cyber crimes which are spreading like wild fires. She also expressed her gratitude to Rotary for the prestigious Vocational Service Award.

The next Awardee was Mr Arvind Bali who is the current CEO of Telecom Sector Skill Council (TSSC). He is an accomplished business leader with over 35 years of expertise in managing various business streams with globally recognised outcomes. He also acts as a part of advisory boards in consulting promoters and their organisations in Telecom, IT, and Security & Surveillance.

VOCATIONAL SERVICE AWARDS

The Citation was read by PP Rtn Jagdish Sahdev.

In his acceptance speech Mr Arvind Bali said over 10 lakh youth have been skilled in the telecom sector in the past few years. In 2008, they started Interacting and training in telecom. In 2014 Skill India Mission was launched. The organisation are doing a lot of skill development training work. He said they train 1,00,000 youths every year. These are underprivileged people. They provide the training and skill them through CSR funds provided by Corporates who also give employment opportunities.

The next Awardee was Padma Shri Dr Randeep Guleria, who is a renowned Indian Pulmonologist and is the former Director of All India Institute of Medical Sciences (AIIMS), New Delhi and is credited with the establishment of India's first Centre for Pulmonary Medicines and Sleep Disorders at AIIMS, New Delhi. He was honoured by the Government of India in 2015 with Padma Shri Award, the fourth highest Indian Civilian Award. He single handedly handled the Covid situation very successfully. His exemplary services during Covid Pandemic times have been highly appreciated and profusely acknowledged & applauded.

Rtn Sanjay Aggarwal, President of Rotary Club of Delhi Central read the Citation.

In his acceptance speech, Dr Randeep Guleria said health is very important. There is a necessity to have healthy individuals and also a healthy nation. Earlier the importance of health was under played. Today preventive health is more important than curative health. Since the year 2000, during the last 23 years we have had so many outbreaks of different types of virus in different parts of India. This is because people travel frequently as travel has become very common and one is suspected to be carrying the virus while travelling. As such we have to be very very careful and cautious about our health, he said.

The next Awardee was Padma Shri Mr Muzaffar Ali, who is a renowned film maker, a fashion designer of repute, a poet, an artist, a cultural revivalist and a social worker. He is a popular actor, film Director and also a music Director, truly a multifaceted personality. He is well known and remembered for his direction in the film Umrao Jaan (1981). He was awarded the Yash Bharti award in 1994, Padma Shri in 2005 and the Rajiv Gandhi Rashtriya Sadbhavna Award in 2014. He has been recognised with many awards and the list goes on.

The Citation was read by PP Rtn Prem Singhanian.

In his acceptance speech the Internationally acclaimed celebrity, Mr Muzaffar Ali said it is a very proud moment to be awarded by Rotary with this prestigious Vocational Service Award. Films are a medium to connect with people and to understand them for progressing forward.

The last Awardee was Padma Shri Mrs Malini Awasthi. She is a renowned Indian folk singer. She sings in Bhojpuri, Awadhi and Hindi. She also presents Thumri and Kajri. The Government of India awarded her the Civilian honour of Padma Shri in 2016. She is also known for her contribution in Bhojpuri music thru' folk songs.

Mrs Malini Awasthi could not come to receive the Award in person, but joined the Award ceremony online through Zoom platform.

The Citation was read by PP Rtn Prem Vohra.

The Citation Award, Memento and Shawl was received on her behalf by her son, Mr Aditya Awasthi.

Accepting the Award, Mrs Malini Awasthi joined the meeting on Zoom platform and said our Culture was getting back stage and becoming obsolete. She thought we could revive our cultural heritage through folk music and songs with children and young students of BHU and JNU. She said that she was just only a medium to continue to keep the rich cultural heritage of India alive through social media through these folk songs. She said she can also see India beyond songs and folk traditions. She thanked Rotary for bestowing her with this prestigious Vocational Service Award.

PP Rtn Rakesh Malhotra introduced the Chief Guest of the evening, Hon'ble Justice Mr Uday Umesh Lalit, Former Chief Justice of India.

In his inspiring and motivational address, Chief Guest, Hon'ble Justice Lalit said all the Awardees have excelled in their respective fields. He conveyed his heartiest Congratulations to each one of them. He said you should not only excel in your vocations but should also extend an helping hand to people to achieve excellence in what they do. Rotary should acknowledge and nurture that talent of providing excellence amongst people.

Justice Lalit thanked Rotary for inviting him and making him a part of this Awards ceremony.

DG Rtn Ashok Kantoor felicitated Chief Guest, Hon'ble Justice Uday Umesh Lalit with a Shawl and a Memento.

Rotarians from Lithuania hosted by three Clubs under Rotary Exchange Program

On 28 March, a group of Rotarians from Rotary District 1462 from Lithuania arrived in New Delhi as part of a Rotary Exchange Program organised by the India-Lithuania Inter-Country Committee of Rotary International. The program was chalked out to provide them with a cultural immersion experience, allowing them to learn about Indian culture and to showcase various service projects undertaken by Rotary Clubs, under R.I. District 3011, to serve society. The delegation was led by PDG Rtn Jouzas Sarkus and assisted by President Rtn Robert Joudka from Rotary Club of Vilnius.

The delegation was hosted by Rotarians from Rotary Club of Delhi Akash Megapolis, Rotary Club of Delhi Manthan and Rotary Club of Delhi. The following Rotarians from these Clubs hosted the Lithuanian Rotarians at their home :-

- | | |
|--|--|
| - Rtn Narinder Lamba, Assistant Governor, Zone-6 (22-23) | - Rtn Rajesh Mittal, |
| - Rtn Samar Gupta | - Rtn Sandeep Dewan, President RCD Akash Megapolis |
| - Rtn Anchal | - Rtn Vivek Sardana |

The delegation was welcomed at the airport by the program coordinator Rtn Vikram Sahny, President of India Lithuania Inter Country committee and other co-hosts, who provided them with a brief orientation session and introduced them to the local culture. The guests were briefed about the ongoing Navratri pooja being observed by the Indian society.

The Rotarians from Lithuania were given the opportunity to visit the Rotary Public School at Gurgaon, organised by Rotary Club of Gurgaon. The highlights of the visit to the Rotary School was how Rotarians at District 3011 are working towards empowering children in the local communities. The Rotarians from Lithuania were able to witness the efforts made by Rotary School in providing education to the underprivileged sections of society.

On the evening of the 28th Her Excellency Ms Diana Mickeviciene, the ambassador of Lithuania to India, who herself is multilingual and is fluent in Hindi and Sanskrit, invited the Lithuanian and Indian Rotarians at the Embassy of Lithuania in India. She appreciated the exchange program and cooperation between the Rotarians of two countries. She encouraged the delegates to cooperate and to promote culture and business. She offered every possible help to further these objectives.

At Rotary Blood Bank Tughlakabad, they were welcomed by Mr Deewan and Dr Anju Verma who took them all around the facilities at the Blood Bank and gave a brief introduction of the services being rendered at the Blood Bank. The delegation took keen interest in services being offered in supporting healthcare to the underprivileged sections of society.

Rotary Club of Delhi Central extended a warm welcome to the delegation at its Rotary Divyang Kendra at Karkardooma where they were shown around the facility and learn about the process to manufacture the artificial limbs and how they were being fixed on many disabled recipients at the Divyang Kendra. The visit was followed by an official meeting organised by RCD Central in honour of the delegation. Visiting Rotarians were offered Indian food from Delhi-6 which was enjoyed by all.

During their stay, the Rotarians from Lithuania visited various cultural and historical sites in the city, such as the Qutub Minar, India Gate, Red Fort, and a rikshaw ride at Chandni Chowk. The delegation took keen interest while visiting Akshardham Temple. At all these places besides the hosts, the group was accompanied by a guide who provided them with detailed information on the significance of each location.

The Rotarians from Lithuania also had the chance to experience the local cuisine, which was quite different from what they were used to. They were introduced to various traditional dishes and were able to enjoy the flavours and aromas of Indian spices.

To give a warm send off to the delegation all the host clubs hosted a joint meeting on the evening of the 30th of March where Rotary Club of Akash Megapolis signed a cooperation MOU with Rotary Club of Vilnius. All the three host Clubs, RCD Akash Magapolis, RCD Manthan and RC Delhi exchanged their flags with Rotary Club of Vilnius. Visiting Rotarians expressed their experience during their 3 days visit to New Delhi. While extending thanks to the hosts, the visiting Rotarians extended their invitation to host them at Vilnius at their earliest.

It was a moment of joy and satisfaction for the hosts when the members of delegation expressed that their visit to New Delhi was a memorable experience for them, and how they were able to gain a better understanding of the Rotary services being undertaken in India and the Indian culture and society. The program provided them with an opportunity to learn, share, and grow, and they hope to maintain the connections made during their stay in India.

Overall, the program was an enriching experience for the visiting Rotarians, who were able to gain a better understanding of the Indian culture and society. They were able to appreciate the diversity and the rich history of the country and were able to make connections with local Rotarians, which they hope to maintain in the future.

The program also highlighted the importance of such cultural exchange programs, which can help bridge the gap between different cultures and promote better understanding and tolerance. The Rotarians from Lithuania hope to share their experiences with their families and friends and encourage others to participate in such programs.

CERVICAL CANCER VACCINATION CAMP

Rotary Club of Delhi Indraprastha Okhla

Zone : 14.

AG: Rtn Sandeep Pal Mandal.

President: Rtn Vandana Bhalla

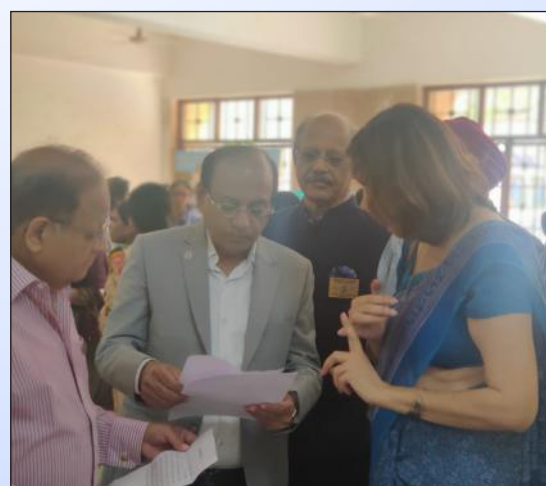

The Club held the first Cervical Cancer Vaccination Camp of District 3011, for Rotary year 22-23, on 17 March 2023. The Pioneer project was a grand success and it received an overwhelming response from the parents and the children. Over a 100 girls between the ages of 9 to 14 years got their first dose of vaccine. The beneficiaries were children Special needs and underprivileged students of Balwantray Mehta School. Active cooperation and coordination with school authorities and Interactors ensured a smooth and flawless execution of the entire process. This vaccine is effective for prevention and ensures saving the lives of young girls, against the deadly cancer disease.

The Cancer Foundation Secretary General Rtn. Ajay Narain gave his full cooperation for the camp. BLK- Max Hospital provided the medical support wholeheartedly and the entire vaccination process was carried out by their doctors, nurses and paramedical staff. The occasion was graced by Chief Guest Rtn DG Ashok Kantoor who inaugurated the camp and went around to see for himself the various facilities provided at the venue. At an interaction with Club members and school authorities he encouraged everyone to hold many more such camps at a District level and also promised full cooperation from RI District 3011 to all the Clubs for this social cause in the future.

President Rtn Vandana Bhalla and her entire Club team were lauded for their efforts and hard work. Rtn Ajay Narain presented her the Pin of The Cancer Foundation. He also announced her appointment as the Brand Ambassador for the Cervical Cancer Vaccination programme.

Rtn Vandana Bhalla will come forward to assist any club that might want to initiate the program and organise a cervical cancer camp.

IMPORTANT DISTRICT AND CLUB PROJECTS

INAUGURATION OF A 30KW SOLAR POWER PLANT

Rotary Club of Delhi South

Zone: 3.

President: Rtn Lalit Sawhney

Solar power plant uses sunlight to get energy. As the sunlight is ample and renewable, one can use it to power up home and business premises and it minimizes your energy consumption significantly. That means you can power up your home in an emergency without relying on your electric grid. You can use renewable energy to generate electricity. The generated electricity can be used for cooling, heating, and many other purposes.

You can use this clean alternative without causing any water and air pollution. You will not contribute to global warming as well. The key benefit of a solar plant is that it will minimize your energy consumption and it will save you a lot on your energy consumption.

In keeping with our commitment to protect the environment, the members of Delhi South had a grand inauguration of a 30 KW On Grid Solar Power Plant. They combined this noble project with the distribution of tricycles and special shoes to handicapped Leprosy patients at the Mother Teresa Leprosy Home, Tahirpur as a part of our Leprosy Control Project. The plant was inaugurated by the Chief Guest Mr Manoj Tiwari, MP and DG Rtn Ashok Kantoor. R.I.DISTRICT 3011 HANDS OVER BATTERY OPERATED VAN TO IRCH- AIIMS

"Medicine aims to prevent disease plus prolong life; the idea of medicine is to eliminate the need of a physician." – William Mayo.

As requested by the Head of IRCH, AIIMS, New Delhi and NCI, AIIMS, Jhajjar, a battery operated eight seater Van was handed over by R.I District 3011 on 20th March to IRCH, AIIMS, New Delhi with the help and support of Dr Ahmed, who coordinated the handing over event in the absence of IRCH Chief Dr Sushma Bhatnagar who was away to NCI, Jhajjar. The handing over ceremony was done by DG Rtn Ashok Kantoor at IRCH, AIIMS, New Delhi in the presence of some of the Executive Committee Members of The Cancer Foundation. Funds amounting to 50% of the costs for the battery operated van have been magnanimously contributed by **Rotary Club of Delhi Regency Next** and balance 50% has been provided by The Cancer Foundation (TCF).

While handing over the keys of the Van to Dr Ahmed of IRCH, DG Rtn Ashok Kantoor said that this Van will help in providing much needed relief towards transportation of the patients and will help them to travel the long. Distance from the entry Gate of NCI to various OPD Departments. The distance to OPD at hospitals is not easy to access by very ill patients. DG also thanked **RCD Regency Next** for their generous contribution towards this van and handed over the Cheque on behalf of RCD Regency Next to Rtn Ajay Narain, Secretary General of The Cancer Foundation. Present on the occasion at the handing over ceremony from R.I District 3011 were :

1. DG Rtn Ashok Kantoor
2. Rtn Ajay Narain
3. Rtn Subhash Khanna
4. Rtn Aroon Roongta
5. Rtn Arun Rekha Gogia

IMPORTANT DISTRICT AND CLUB PROJECTS

REFURBISHMENT OF A SCHOOL FOR THE UNDERPRIVILEGED

Rotary Club of Delhi South East
Zone: 6

AG: Rtn N.K.Lamba.
President: Rtn Arun Gupta

Nearly 800 students from the nearby slum area are getting free education at Quetta D.A.V School Nizamuddin, New Delhi. However the school has limited resources and are unable to provide hygienic toilets, hand wash stations, mid day meal area and proper access to exit and entry to the school because the road is broken. The school facade is in a poor state with a leaking roof that allows the water to seep into classrooms. When members of the club visited an adjoining school for an investiture ceremony the Principal took the team to see this school which is in a deplorable state. A club member, Rtn Ajay Gupta, kindly agreed to use his company's CSR funds for whatever was required to be done at the school and the members started the work on the premises. It was indeed a gratifying moment to see the smiles on the students' faces when the members visited the school on 18 March and DG Rtn Ashok Kantoor to inaugurate the toilet block with sturdy and High quality fittings, the wash stations with very durable Jaguar fittings, a proper mid day meal area and newly cemented roads around the entrance and exit areas. This was all a part of phase 1 of the project. The members also installed 2 drums for collecting plastic waste to make students aware of the need to protect the environment. The plastic collected in the drums will be sold to a scrapdealer every month and the money collected will be awarded to 10 Plastic Heroes every month.

The members also planted 100 trees at the school. The students were given 100 bags to collect plastic bottles and bring them to the school for recycling. The overall expenditure on this project was Rs 55 Lakhs to Rs 60 Lakhs

IMPORTANT DISTRICT AND CLUB PROJECTS

ROTARY CLUB OF CENTRAL YOUTH SHAKTI - PRAGYAM SCHOOL PROJECT, AN EFFORT TOWARDS EDUCATING NEEDY

Our club has a vision to provide education to needy kids, who could not afford the primary education and in this vision collaborated with Pragyam Pathshala, Faridabad. When we began with this school in around April 2022, there were less than 90 students in the school. With almost a year of work in the school, the number of students has grown to 140.

Students were sitting on the floor without proper electricity arrangements in sweltering heat in summer, lack of books, bags etc, we realized their immediate need and provided -

1. Benches with Rotary club branding
2. Ceiling Fans
3. School bags
4. Books
5. Inverter & battery

In addition to all the above they have given the school a full functional computer for them to learn basic computer education.

The club has opened **Rotary Central Youth Shakti Kitchen** to provide nutritious, hygienic and tasty daily lunch meals to all school students. This has been going successfully with the phenomenal efforts and contribution of all club members. Some club members have gone an extra mile in donating utensils, rice, wheat and other cooking materials to the school.

The club has also tied up with Rotary action groups to conduct health check-up camps - Dental check-up and eye check-up camp. More than 100 students were tested, and spectacles were given to the needy students.

The club celebrates all national events like Republic day and Independence day with the school students. They also celebrate festivals like Christmas, Baisakhi, many birthdays and anniversaries in the school. Students are so excited and elated to enjoy savouries and gifts which members bring to them on these occasions.

The club's next target is to help construct the first floor of the school, for which the work has already started and is in full swing. In all, the club has spent around **5 lacs INR** in contributions that have been made to the school, but more than this, it is countless hours put in by the members which brings a smile to the face of not only the school students, but also the teachers. It is this smile and happiness that we see on every student's face that motivates teachers and us and makes us believe that we are heading in the right direction.
