LEGAL AID SEMINAR

" Legal aid... is fundamental to giving everybody in this country access to justice."

MESSAGE

Rtn. JENNIFER JONES

President 2022-23
Rotary International

While sitting with a group of Rotary leaders outside of Lusaka, Zambia, I ask a question: “How many of you have ever had malaria?” Every hand in the room goes up. They even begin to tell me about the first, second, or third time they experienced the disease, one of the main causes of death and sickness in many developing countries.

They are fortunate. They have access to medical treatment and lifesaving medicines. For the people of rural Zambia, their story is very different.

On a wooden bench in a small village, I sit with Timothy and his young son Nathan. With a camera crew capturing our conversation, he tells me of the time Nathan showed signs of malaria. He brought the boy to the nearby home of a community health worker, where Nathan quickly received medicines that in all likelihood saved his life.

Calmly, Timothy tells me about his other son's bout with the disease a few years earlier. He had to race that son to a medical clinic more than 5 miles away. Riding a bike and carrying his child on his back, he tells me, he could feel his son's legs turn cold and then his little body go limp. As he finally entered the clinic, he screamed for help, but it was too late. The camera stops rolling, and we sit in silence. He begins to weep, and I hold him tightly. “I lost my son, I lost my son,” he says.

This story is all too familiar for the families we meet over the next few days. And yet there is hope. Partners for a Malaria-Free Zambia is Rotary's first Programs of Scale grant recipient, and it is saving lives. Across two provinces of Zambia, 2,500 volunteer health workers have been selected by their communities. They are trained to bring medical care closer to those who need it, and they are able to diagnose and treat malaria and other ailments. Rotary partnerships create lasting change.

Rtn. ASHOK KANTOOR

District Governor 2022-23

RI District 3011

Dear Presidents and Team Members,

Wish you a Very Happy New Year !

At the outset, I would like to pay my respects to Late Rtn V.N.Mittal President of Rotary Govinda, who passed away on the 5th of January. It was indeed a tragic way to start the new year and our hearts go out to the bereft family. Alka and I offer our consistent support to them should they need it at any time and we will pray to the almighty to give them the strength and fortitude to bear this untimely and irreplaceable loss.

who January was a month full of productive activity and significant achievements. For the first time ever R.I. District 3011 organised a 'Legal Aid Seminar—Expanding Horizons' to make Rotarians aware of the legal aid available to people who are from the underprivileged strata and to let them know how they can benefit from it. We are grateful to District Chair – Legal Committee Justice Jayant Nath Former Judge Delhi High court for organising this landmark event which will help several people obtain legal aid when required. Supreme Court Judge Justice Sanjay Kishan Kaul made an impactful speech and gave us a splendid overview of the legal systems and how they function. We also had Senior Advocate and Member of Parliament Vivek Tankha explaining the different ways in which Rotarians could help the poor and needy get legal advice and help. I would like to thank everyone who was involved in the delivery of this event and this is another example of the team coming together and putting the weaker sections of society at the centre of everything we do.

I am happy to announce that in keeping with our motto of 'ambition delivered today' we have also taken the initiative to set up a Rotary Skin Bank at the AIIMS Burns & Plastic Surgery Department. This will be the first time that R.I. District 3011 will be venturing into this area and we are sure that this landmark project will succeed in making life more beautiful for people who feel constrained and distressed because of disfigurement that is inflicted on them as a result of burn and other injuries.

The clubs of the District have also undertaken mammoth projects and we are moving towards record breaking figures in blood donation and in ambitious, innovative and sustainable ventures like providing electrically enabled artificial limbs to the needy, being a 'nikshaymitra' to TB patients and providing them succour in the form of food, nutrition and medicines or following up on the recharging of borewells initiative along with other innovative projects, the clubs have been a step ahead in implementing their strategic plans.

Our plans are under way for a fantastic District Conference. We have planned several exciting and informative events for everyone and we look forward to interacting with each one of you on those days.

Warm Regards
Yours Sincerely

Rtn Ashok Kantoor
District Governor R.I. District 3011

From the First Lady....

Dear Presidents and Partners,

At the outset allow me to wish each one of you a Very Happy And Prosperous New Year !

It has indeed been a very cold winter this year and the temperatures dipped to levels that we haven't experienced for a few decades. I am sure 'Lori' was special for many this year because we could celebrate it with more gusto than ever. It was heart-warming to see Rotarians and Partners get into action to alleviate the sufferings of the poor and protect them from the vagaries of weather. Whether, it was blankets/jerseys/socks distribution or giving them nourishing food to keep them healthy, Rotarians were happy to share their warmth and comfort with the underprivileged. We have our own burdens but we try to ease the load that other fellow humans carry. A simple smile or words of encouragement has the power to change a life for the better. All we need is a true desire to help people in distress and the will to follow it through. I am reminded at this time of a quote by Margaret Mead – "Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed. It is the only thing that ever was."

We should also take a moment to remember a member of our extended family, Rtn V.N Mittal, whom we lost in the month of January. DG Rtn Ashok and I extend our condolences to his family and we pray that the almighty gives them enough strength to bear the irreplaceable loss. We offer them our help and support at every juncture in life and he will always be remembered as an integral part of our Rotary family.

We are looking forward to many more activities over the next few months. I am excited about the District Conference as I am sure all of you are. It will give us an opportunity to interact and enjoy every moment that we spend together. These are times that make our journey in Rotary so special and I really feel grateful that as a Partner I am able to contribute and support all the good work that we undertake as Rotarians in our own small ways.

I look forward to seeing you soon this month and let's spend the next few months in serving humanity to the best of our ability.

Warm Regards
Yours Sincerely

Alka Kantoor
First Lady R.I. District 3011

DISTRICT EVENT

LEGAL AID SEMINAR

At the first of its kind event in R.I. District 3011, DG Rtn Ashok Kantoor welcomed the Chief Guest of the evening, Supreme Court Judge Justice Sanjay Kishan Kaul and Guest of Honour, PDG Rtn Vivek Tankha, Member of Parliament.

The MoC welcomed all the distinguished guests and galaxy of luminaries present from the Legal fraternity. PP Rtn Asha Sharma in her welcome address said Rotary has decided to take up the cause of providing Legal Aid and Legal Services to the poor and people from EWS sections of Society and that is the relevance of the very important seminar.

DG Rtn Ashok Kantoor in his opening remarks welcoming everyone present and briefed the Legal fraternity and non Rotarians about the phenomenal activities Rotary undertakes in almost every avenue of service. He said Rotarians have taught more than 1500 Peace Warriors to prevent conflicts and resolve issues peacefully. Rotarians take on many charities for the welfare of humanity. There is a Legal Aid Cell in all Courts and DG requested the Legal luminaries to suggest a way forward to see how Rotary can work together towards providing Legal Aid and Justice to poor people.

District Chair Legal Committee Rtn Jayant Nath (Retd) Justice of Delhi High Court said he is actively involved in Rotary's various social activities. Rotary was founded by Paul Harris who was a Lawyer by profession way back in 1905. Women became members of Rotary as a result of Supreme Court judgement in USA in 1987. R.I. District 3011 wants to have a collaboration and partnership with Legal Aid Cell and Legal services wing of Lawyers fraternity to provide legal Aid to poor people.

PDG & Member of Parliament Rtn Vivek Tankha, the Guest of Honour at the event, said that he is a compulsive worker and he likes to take challenges. He said that during Covid times with the cooperation of Rotarians and particularly from R.I. District 3011, we were able to arrange Oxygen Concentrators within 5 days when there was shortage of oxygen. During this year's recent chilling winter with biting cold, Rotarians were able to provide blankets, heaters and mattresses to shelter homes for the poor homeless people within two to three days - thanks again to Rotarians of R.I.

District 3011 and District Governor Rtn Ashok Kantoor for the immediate response.

There is a Parliamentary Committee on Legal Aid and he suggested that Rotary should try to collaborate, associate and partner with this Committee to seek guidance for providing Legal Aid and Legal services to the poor and destitute people and women who are hesitant to go to Courts. Rotary can be a supplement to what services Legal Authorities Cells are providing. Rotary has a very large number of Lawyers as its members. He added that Rotarians are a force in itself. They should take this as an opportunity to create innovative ideas and evolve mechanism for joining hand with NALSA and SALSA to alleviate the sufferings of poor people.

Hon'ble Justice Sanjay Kishan Kaul, Chief Guest of the evening in his inspiring and motivational address said Courts are an institution and so is Rotary an organisation providing services for welfare of communities. Peace is a methodology to determine camaraderie and fellow feeling. Peace is a common concept for both Courts and Rotary. The access to Justice is a greatest challenge for the poor people from EWS sections. It's very difficult to resolve disputes between people from the marginalised underprivileged sections of Society. He added that they have a very large number of cases pending in Courts. Cost of litigation is quite expensive and keeps on going up. Poor people can't afford such high legal costs. Legal Aid authorities are there in Courts but poor people are hesitant in going to them believing high cost of litigation which they can't afford. Rotarians have to create awareness about their legal rights. Rotary can help in creating awareness about legal rights of people. There are a very huge number of prisoners languishing in jails for many years and they can not fight for their rights because they are not aware of their legal rights. Everyone has to put their heads together to find out some methodology for early resolving of disputes. Some part of the punishment has already been undergone by the undertrials while languishing in jails. On grounds of good behaviour their cases should be considered under plea bargaining. In USA they have a system of plea bargaining resolution of disputes through settlement. In California 97 to 98 % cases are settled and solved without going to Courts under plea bargaining system.

However in India 99 % cases go to trial. Unless some methodology is developed to resolve disputes, the cases will go on increasing. Reformation of huge number of undertrials in the prisons is most important and all stakeholders should work in that direction. Rotary should help improve such a situation by providing Legal Aid services. The prosecution and defense should have equal opportunities. Idea is to find a solution to resolve the issue. Disputes arise because of family members ego. No body wants to go to Courts voluntarily. Going to Courts is the last resort.

Innovations are required to find solutions for settlement of cases. Rotary is able to deal with people because they have an access due to its vast outreach through numerous service activities. Mediation is one of the best ways for finding amicable solutions. He said the government has already opened Legal Aid Centres in educational institutions and even in Churches at some places to assist people getting advice and guidance for resolving disputes. Rotarians can help in providing assistance in finding alternate Justice solutions for the good of Society and specially poor marginalised and underprivileged people.

After this was open house question-answer panel discussion moderated by Rtn Jayant Nath at which

questions from the audience were satisfactorily answered by the eminent dignitaries on the Panel.

DG Rtn Ashok Kantoor in his concluding remarks said that we have learnt so much about Legal Aid, most of which we were not aware of earlier. Alternate disputes redressal mechanism should be developed to help maximum people. We will take up the cause of providing Legal Aid further and ensure that each Club has a Legal Aid Committee under the District Leadership.

Mementos were presented to Justice Sanjay Kishan Kaul and PDG Rtn Vivek Tankha in gratitude. Presence of Justice Amit Bansal of Delhi High Court was recognised and a bouquet was presented to him. DG Rtn Ashok Kantoor recognised host Rotary Club Presidents with a Memento for organising this Legal Aid Seminar.

District Secretary Rtn Sanjiv Jawahar proposing Vote of Thanks expressed gratitude to the Chief Guest and Keynote Speaker Justice Sanjay Kishan Kaul and Guest of Honour PDG Rtn Vivek Tankha for their highly informative and educative addresses. He also thanked everyone for their presence in such large numbers.

DISTRICT EVENT

CURTAIN RAISER FOR THE DISTRICT CONFERENCE 2023 --- ADHIVESHAN

The Curtain Raiser meeting for District Conference and Golf Tournament was held on Wednesday 18th January 2023 at PHD House, New Delhi.

After the National Anthem, MoC Rtn Mohit Luthra welcomed all present at the Curtain Raiser which, he said, is the biggest event of the District and invited DG Rtn Ashok Kantoor to unveil the theme of District Conference.

DG Rtn Ashok Kantoor in his opening remarks said today is the day we were all waiting for since long. We started our journey in November 2021 with PEM--1. All our events held so far have been very successful and now we are going to hold the greatest event of the year, the District Conference -- "ADHIVESHAN" which is the name given to the District Conference.

R I President Jennifer Jones is the first Lady World President of Rotary International in the 118 years history of Rotary. She is motivating and inspiring all of us with her theme "IMAGINE ROTARY". PDG Rtn Robert Hall will be the R I President's Representative at our Conference. He is specifically coming only for the event. He lands in Delhi on the morning of the 10th of February. On the evening of the 10th he will have a meeting with the Council of Governors and then he will be the RIP's Representative on the 11th and 12th of February at the District Conference "ADHIVESHAN". On 13th he will visit the District's Service projects and will leave on night of the 13th. He is coming to India with his gracious Spouse Charlene.

Rtn Navdeep Chawla, Conference Chairman sharing his views about the Conference said everyone of the Conference Organising Team is very passionately involved in the successful implementation of plans for the Conference. The Conference is a wonderful platform for Clubs to showcase their projects. All the clubs across the District are doing meaningful and excellent projects and they must be showcased with pride. He requested all Club Presidents present at the Curtain Raiser to ensure maximum participation of Club members at the Conference. He promised everyone that they would enjoy listening to eminent speakers and every event of the conference. He said he was also very passionate about Golf and was excited that a Golf Tournament was being held on 3rd February. He said the District Conference was a time

to interact and make more friends and that our sociable Rotarians will enjoy the Conference and meet and interact with fellow Rotarians, people from other walks of life and the interesting speakers.

Rtn Anil Aggarwal, Conference Co-chair, said he joined Rotary 5 years ago and he was thoroughly enjoying every moment ever since. He said he had made a lot of new friends because of these positive interactions. He added that the committee had finalised a number of eminent speakers for the Conference and they are as follows :

1. Mr R S Sharma, former Chief of Telecom. A 1978 batch IAS Officer, he was responsible for introducing the world's largest and widely used Co-Win app.

There will also be an Exhibition showcasing selected best Projects done by various Clubs -- Rotary, Rotaract and Interact. Rtn Pran Mehta is incharge of the Exhibition. The Golf Tournament is on the 3rd of February and is being organised by Rotary Club of Delhi Cama Place.

Rtn Vinay Aggarwal, incharge of Golf Tournament informed that the Golf Tournament will be held at DDA Qutab Golf Course on Friday 3rd February in the morning at 7.00 a.m. There are lots of prizes for the winners. The tournament will end around 12.30 pm followed by Lunch and prize distribution.

DG Rtn Ashok Kantoor in his concluding remarks said we still have 24 days to go for the Conference to start on 11th February. The speakers that were mentioned by Rtn Anil Aggarwal, have all confirmed their participation. Some more speakers are likely to be added to the list. We have increased the registration charges only by just Rs 500 from what was charged in previous years. The charges for Conference Delegates include Conference Kit, Lunch, Hi Tea, Drinks and Dinner on 11th and

Breakfast, Lunch and High Tea on 12th February .There are Awards and Recognitions for Clubs registering maximum number of Delegates for the Conference.

DG Rtn Ashok Kantoor also announced that on the day of the Curtain Raiser, R.I. District 3011 and AIIMS had come to an understanding for establishment of a Skin Bank in Northern India in collaboration with the Burns and Skin Bank at AIIMS, New Delhi complex. This is the first Skin Bank in Northern India. The announcement was greeted with loud applause and cheers.

Thereafter DG introduced the District Conference Organising Team members, The District Leadership Team and District Secretaries who have all been working very hard and burning the mid night oil for the success of the District Conference and profusely thanked each one of them for their stupendous hard work during the past few weeks to present a memorable Conference. DG urged everyone present and said that everyone was looking forward to a large participation at the Conference and also at the Golf Tournament.

The meeting was declared adjourned by DG and everyone was invited to enjoy the Drinks and Dinner.

R.I. DISTRICT 3011 PAYS THEIR RESPECTS TO LATE RTN V.N.MITTAL

Late President(Rotary Club of Govinda) Rtn V.N.Mittal devoted himself to serving the community after retiring from active corporate life in 2014. From helping young business entrepreneurs setting up their industry, to social. service with non-profit organisations, to being one of the most active Founder members of the Rotary Club of Govinda, Shri V.N.Mittal, has made a phenomenal contribution to humanitarian causes. He was snatched away by the cruel hands of destiny on the 5th of January 2023 at a time when he was the President of Rotary Club of Govinda. He has already done a tremendous amount of work and aspired to do a lot more which will be used by the members as a legacy and an example to follow.

He is survived by his wife, Mrs Veena Mittal, who is an immensely qualified person herself and has stood rock solid by his side for 43 years. They also have a son, Kshitiz and a daughter, Kshipra, Both of who are married and settled in the USA.

DG Rtn Ashok Kantoor and all members of R.I. District 3011 offer their condolences on his untimely demise and also assure the family that we will extend our unconditional support to them at all times.

DISTRICT EVENT

District Clubfoot Awareness Seminar

Sir Gangaram Hospital, Sunday, 29th January

The Seminar started with Welcome addresses by Rtn. Prof. Dr. Manish Dhawan, Clubfoot Chair, Rotary Club of Delhi South and Rtn. Amarnath Goyal, District Clubfoot Chair who started the first clinic at Safdarjung Hospital sponsored by RC Delhi South.

District Governor Ashok Kantoor delivered a highly inspiring talk and asked Rotary Clubs to do new projects, and start more Clubfoot Clinics to cover the children in spread-out locations of Delhi and beyond. In response, 3 offers poured in for additional clinics:

- A regular clubfoot Clinic at Sir Gangaram Hospital,
- An offer by Rtn. Rajesh Gupta for RC Delhi Rajdhani Club to start a clinic at Agrasen Hospital.
- Another clinic at Dr BR Ambedkar Hospital in the process of being started - by RC Delhi West, DG's home Club. We requested the DG to get it expedited, and
- RC Delhi Panchshila Parkis also planning to start a clinic.

PDG Raman Bhatia, District Advisor, Clubfoot Elimination Project spoke about how with the help of repeated Global Grants from TRF the RC of Delhi Midtown is helping run 5 clinics in the District at AIIMS, Kalawati Saran, CNBC, St. Stephens and Badshah Khan, Fbd with active involvement of RC's of Rajdhani, New Delhi and Faridabad NIT. He further added that the

program is now spreading pan India through Rotary Clubs, with support from CURE India. Our District is leading this initiative.

Ashok Kantoor and Dr. Ajay Swarup, Chairman, Sir Ganga Ram Hospital also released an Information Booklet in English and Hindi, written by the Seminar faculty and aimed at parents of Clubfoot-affected children. The faculty included Dr. Mathew Varghese, Dr. Manish Dhawan, Dr. Vikas Gupta, Dr. Atul Vaish and Mr. Santosh George of CURE India. The seminar ended with a live demonstration of the Ponseti method of treatment, showing the way the plaster cast is done for Clubfoot-affected children.

The seminar was attended by a large number of Rotarians and Club Presidents from 10 Rotary Clubs, Past District Governors Vinay Bhatia and Sanjiv Rai Mehra and District Secretary, Mukesh Kohli. The participants included a large no. of parents of Clubfoot-affected children and Counsellors from CURE India.

At the seminar, we also presented a 12-year old girl, Shweta who was born with Clubfoot and was operated upon by Vikas Gupta at the Safdarjung Clinic. She has recovered so well that she is now playing Lawn Tennis at the National level, with her Tennis coaching fee of Rs. 3 lakhs p.a. having been waived, thanks to one of our Rotarians' efforts.

Congratulations!

IMPORTANT DISTRICT AND CLUB PROJECTS ADVOCACY SEMINAR ON LYMPHEDEMA

The 18th of January started well with a seminar on Lymphedema first. Lymphedema is swelling in an arm or leg caused by a lymphatic system blockage. The condition is caused by a blockage in the lymphatic system, part of the immune and circulatory systems. Lymphoedema is most commonly caused by lymph node removal or damage due to cancer treatment. While the seminar was useful for all present another significant development was of the understanding between R.I. District 3011 and AIIMS to start Skin Centre.

The event started with a seminar on Lymphedema by Masters that was organised at CSOI on 26th January. It was a joint initiative between the Department of Surgical Disciplines, AIIMS, LERN, RCD Rajdhani & RCF Elite.

Top Global Doctors -- Prof Szuba from Poland and Dr Pinar Broman from Turkey were Keynote Speakers. Doctors from AIIMS also delved on the issue at length. Dr Gogia from LERN gave a PPT on the subject. RID 3011 DG Rtn Ashok Kantoor was the Chief Guest who delivered a very impactful speech on giving a new lease of life to people who

IMPORTANT DISTRICT AND CLUB PROJECTS ELECTRICALLY ENABLED ARTIFICIAL LIMBS DONATION

" When things go wrong as they sometimes will. When the road you are trudging seems all uphill. When morale is low and gloom is high. And you want to smile but have to sigh. When the loss of a limb is worrying you too much. Just pray to the almighty for a humane touch.

Life is strange with its twists and turns. As everyone of us sometimes learns. And many of us decide to quit. Just when we could have waited for the good Samaritan a bit. So please don't give up on a life full of fun. For somewhere there is a human who, someday, will make you run ".

In Jan'23, President's Rtn Arun Gupta and First Lady Beena Gupta and Members of the Rotary Club of South East completed a very meaningful and useful project at the Gurdwara in Greater Kailash-2. They helped the under privileged differently abled and handicapped people by fitting electrically enabled artificial limbs and hands on 27 persons who were in need . This project was also graced by DG Rtn Ashok Kantoor who interacted with some of the beneficiaries. The limbs will support the physically handicapped with more activities similar to motor control because of the electrical provisions in the limbs. Definitely a landmark project in the area of artificial limbs donation

REJUVENATION OF A POND

" Across the subcontinent our rivers are depleting at a dramatic pace. If all of us dont do our bit now we are heading for disaster " --- Sadguru

On the 13th of January 2023, Rotary Club Gurgaon organised a Bhumi Pujan of Project PUSHKAR --- for the rejuvenation of the pond at Sham Baba Mandir, Dhankot village, Gurugram with CSR support from Johnson Controls India Pvt Ltd (JCIPL). The event was graced by Rotary District Governor 3011 DG Rtn Ashok Kantoor, Mr Arun Awasthy VP & MD JCIPL, PDG Dr Sushil Khurana, Rotary Club of Gurgaon President Rtn Brigadier V.K. Chopra, PDG Rtn Vinay Bhatia, District Secretaries --Rtn J.P. Malhotra, Rtn Amit Joneja, Rtn Sanjeev Jawahar, Rtn Neeraj Bhutani, AG Rtn Manoj Gupta, Members of Sham Baba Mandir Trust, senior leadership team of JCIPL, PHDRDF and last but not the least members of Rotary Club Gurgaon in great Strength.

HOW TO KEEP. POND WATER CLEAR

1. Understand that a little bit of algae or discoloration is normal.
 2. Use beneficial bacteria to starve single-cell algae that turns water green.
 3. Add a wide variety of aquatic plants to starve string algae.
 4. Add a larger biofilter.
- Don't overfeed your fish.
Don't overcrowd your fish.

IMPORTANT DISTRICT AND CLUB PROJECTS REJUVENATION OF BOREWELLS

A very important and absolutely necessary project is being undertaken by the Rotary Club of Faridabad Elite in Collaboration with Awaaz Foundation. A press conference was held at the Gymkhana Club in Faridabad where Guest of Honour DG Rtn Ashok Kantoor and Chief Guest Deputy Chief Minister Shri Dushyant Chautala made impactful speeches. The Deputy Chief Minister Shri Dushyant Chautala said that the ground water had receded in many parts of Haryana because of which the borewells across the state had no water in them. It is the need of the hour to rejuvenate these borewells and use natural means to fill them with water again. The Government has already set aside a budget of 1100 crores and there is work being carried on a mammoth scale. He said it was heartening to see Rotary and Awaaz coming together to rejuvenate 100 borewells.

DG Rtn Ashok Kantoor said that conservation of water was a vision of R.I. District 3011 this year and one of the main focus areas towards which the entire District machinery was moving in a sustained way. From sensitising young students about the use of aerators to recharging borewells conserving this very important resource was at the heart of all the activities. The ultimate aim was to ensure that no borewell was left unattended across Faridabad and other areas of Haryana.

The event was attended by dignitaries like PDG Rtn Vinay Bhatia, District Secretaries -- Rtn J.P. Malhotra, Rtn Amit Joneja, Rtn Neeraj Bhutani, AG Rtn Manoj Gupta, FIA head Narendra Agarwal, Nalin Hudda from Awaaz Foundation, President of Rotary Club of Faridabad Elite Rtn Nitin Kapoor, JJP District Head Rajesh Bhatia and Anil Khutela

IMPORTANT DISTRICT AND CLUB PROJECTS DISTRIBUTION OF CLOTH BAGS

Now more than ever, our planet needs us to step up and take action towards cleaning up many of the messes we have made through irresponsibility. Whether it be from oil spills, air pollution, plastics, or toxic chemicals leaking into our water, there is still a lot that must be done to bring our ecosystem back into balance. Environmental justice for one and all should be our core mission.

Cloth bags carrying the branding of the Rotary Club of Midwest are available for borrowing at the Vikalp Stall in DLF Mall, Saket. Till date RCD Midwest under the dynamic leadership of President Rtn Samrat Yadav, has sponsored 14,000 cloth bags. The statistics around this project are exemplary and none of the bags have been returned so far.

Taking a very conservative estimate that 1 cloth bag saved 5 polythene bags, till date we have saved atleast 70,000 polythene bags from being distributed.

This amazing and useful project is a contribution to Rotary's 7th Focus Area, viz. Environment. Proud to declare that none of the bags distributed so far have been returned and are obviously in full use.

MEGA PAINTING COMPETITION

"There's nothing more pure than an innocent child's smile. It's just so radiant with unadulterated happiness."

Rotary Club of South West, in their pursuit of bringing happiness to the world, organised an on the spot 'Mega Painting Competition' in Collaboration with ARSD College. It was a treat to see over a 1000 children participating in the event. The happy smiles on the faces of the children reminded everyone that if all of us started appreciating little joys in life and were as optimistic in our thought processes as children are then the world would definitely be a better place to live in.

DG Rtn Ashok Kantoor was the Chief Guest at the event and it was a wonderful moment for the little participants when he stopped to appreciate the children's creativity. The event is in keeping with Rtn Jennifer Jones theme for the year ---'Imagine' and nothing can teach us better than the imagination of these little children who express everything with honesty.

ROTARY BLOOD BANK CHARITABLE TRUST FARIDABAD

More than a hundred Rotarians of Faridabad consisting of 32 clubs have formed a Rotary Blood Bank Charitable Trust Faridabad, mainly with objective of serving society by providing blood to the needy with a motto "NOBODY SHOULD DIE FOR WANT OF BLOOD". The Blood Bank are conducting voluntary blood donation camps in various institutions, associations and corporates around Faridabad, Delhi, Noida and Gurugram and collecting phenomenal amount of precious blood for people in need. This blood bank was established in 2017. It has been progressing steadily and they are now collecting & dispersing around 1500-2000 units per month which is very commendable.

The blood bank provides blood free of cost to poor patients, to Thalassemic patients and Sri Sathya Sai Sanjeevani Charitable Hospitals, Palwal who in turn are conducting free surgical heart surgeries on children and offer them free residential facilities along with their guardians.

The Blood Bank is looking after the needs of around 187 Thalassemic kids registered with them and they get free blood transfusions & medicines at the Rotary Thalassemia Centre. The establishment is equipped state of the art facilities and has separate Transfusion Rooms, Play Room, Refreshment Room & Waiting Lounge. They also provide Blood to BK Hospital(Civil Hospital) at camps organised specifically for them. The donations received by the Charitable Trust are all voluntary and they don't ask for any replacement. Almost 40-50% of blood is given free of cost to different patients and at very nominal costs for others.
