My Dear Incredibles,

As we connect again after a month, I have been overwhelmed with the Incredible work being done throughout the District. Seema and I are truly overwhelmed with the volume of activities and involvement of Rotarians with zeal & enthusiasm in all those activities across the District.

Our first TRF seminar was a huge success – thanks to the untiring efforts of TRF Team & District Events Team. Presence and recognition of our large hearted Rotarians who walked the extra mile and donated generously for the Rotary Foundation added more colours to this seminar. TRF Trustee Chair PRIP Barry Rassin was truly delighted and impressed with the performance of our TRF Team and having an opportunity to hear him was truly amazing & enriching experience. This is just the beginning and we will have to step up our efforts to add more and more people to our TRF movement. Please organise speaker meetings at Club level on TRF, its efforts and outreach for the benefits of community world over.

The festival season has already started with Ganapati Bappa blessings. Many clubs took up projects to ensure that the less privileged may also enjoy the festival in the same way that we Rotarians will. We had the privilege to attend few Aarti and seek blessings of Lord Ganesha. We also attended Visarjan

proceedings. Navaratri festival will start soon and many Clubs across the District will be venturing into Dandia fellowships. Our Incredible Club Service 1 team had organised District Dandia on Thursday, 12th October. It was a true happiness for us to meet again and enjoy the fellowship.

October is Community Economic Development Month when we renew our commitment to helping the local economy to grow and celebrate success of that journey. Let us direct our efforts towards uplifting the quality of living for the people who are deprived of the basic amenities and work together towards making positive changes in their lives. They deserve better education, better livelihood, better healthcare and improved living standards and Rotarians have the power to facilitate these changes. I know that every Club is working towards betterment of the community. The District team is together with you in all your efforts. Please feel free to contact them whenever you need and support Or assistance and they will be happy to help.

The OCVs have started well, and I look forward to meet you all once again. Understanding strengths and weaknesses of every Club and motivating them towards excellence is the mantra of this year and I look forward to working closely with you all and helping you to reach the heights you deserve.

With all the festivals lined up - Navratri, Dussehra and then Diwali, we wish you all happiness, good health and prosperity. Wishing you all Happy Navaratri, may Goddess Durga shower you with her blessings.

Let there be Cheer, contentment, excitement, hope and Mirth forever.

Together we can, Together we will, Together Again !

Yours in Rotary,
Rtn Arun Bhargava

जीवन और आशा दोनों ही एक-दूसरे के पूरक हैं। सकारात्मक दृष्टिकोण हमारे जीवन को खुशियों से भर देता है जबकि नकारात्मक-निराशा से। निराशा हमारे जीवन को दीमक की तरह चाट जाती है। कोशिश से आशा को बल मिलता है और यह दोनों हमारे अंदर एक अटल विश्वास पैदा करते हैं- जिसे आधार बनाकर हम हर कठिनाइयों पर विजय प्राप्त कर लेते हैं। बच्चन जी ने ठीक ही लिखा है, "कोशिश करने वालों की हार नहीं होती।

दूसरों के लिए किया गया कार्य उपकार कहा जाता है। इस जगत में सभी लोग अपना-अपना ही सुख चाहते हैं। इस

जगत में ऐसे भी व्यक्ति हैं जो लाभ-हानि से परे होकर दूसरों का कल्याण करते हैं। यही परोपकार है। परोपकार दैवभाव है। इस भाव के उदय से समाज और देश की प्रगति होती है। इस जीवलोक में स्वयं के लिए कौन नहीं जीता? परंतु, जो परोपकार के लिए जीता है, वही जीना सच्चा जीना है।

आपके निष्कर्ष एक हों या एक जैसे हों, आपके दिल एक हों- या एक जैसे हों ताकि "हर कोई" समाज में एक ही विशेष बुराई/बीमारी को समान तीव्रता से महसूस करे। यह सामान्य अनुभव हो सकता है कि सभी लोग एक ही समस्या को उस 'तीव्रता' में महसूस नहीं करते जैसा कि हम एक व्यक्ति के रूप में महसूस कर सकते हैं। इसके कारण उस समस्या को हल करने के लिए 'सामूहिक' प्रयासों की कमी हो सकती है। अपने दिमाग को एक जैसा-एक समान सोचने दें। ये सभी कारक आपकी संगठन-शक्ति को प्रभावशाली बनाएंगे। आईए, हम सभी मिलकर एक साथ दुनिया के विकास और प्रतिव्यक्ति की खुशहाली के लिए कदम बढ़ाएँ।

Updates From Our RYE Student Yash Desai From Brazil, RI Dist 4420

I went to an island near Santos with 2 other exchange students Sophie and Amelia. Collected some rocks there and some seashells. Didn't bring any home though. I also went to the Sao Paulo downtown walk with Rotex where we mostly just walked for 4 hours or something. But it was really fun because then we had a small picnic thing at the end. Still going to the gym every Monday, Tuesday and Wednesday so it's all going well. Oh and I went to a wedding here so that was my first Catholic wedding I've ever been to.

Congratulations

PDG Rtn. Subhash Kulkarni

Hearty Congratulations and best wishes to PDG Subhash Kulkarni for being appointed as the Plan Lead for Zone 4, to develop a three year rolling goal plan for all Districts and clubs and guide the teams in the strategic vertical of Public Image and Communications. This is a three year assignment for 2023-26 period.

Rotary's Helping Hand: Micro-Credit Program

Rotary members are passionate about providing sustainable solutions to poverty. We create opportunities to help individuals and communities thrive financially and socially

Nearly 800 million people live on less than \$1.90 a day which indicates that 1 in every 9 people in the world — do not have enough to eat, about 60% of the world's hungry people are women and girls. Through micro-credit loans, occupational training, and partnering with local communities, Rotary helps provide sustainable solutions to poverty around the world.

This project is about “helping those who are trying to help themselves.” It addresses and responds to the entrepreneurial spirit of individuals who need a helping hand. Rotary's goal is to attract motivated, focused people who are willing to work hard to uplift their life and that of their families. The Rotary Micro-Credit Program offers these key features: It is for smaller amounts, it focuses on creating new sources of income, and it is personalized and customized to the opportunity at hand. Our motivation is to provide opportunity – not charity – for people who wish to start or expand an income generating business venture by offering seed money in the form of a loan.

Rotary Clubs must do proper due diligence before selecting a beneficiary for this Micro-Credit program.

The following checks would help in identifying a proper candidate

- Does the Applicant show commitment, dedication, and perseverance?
- Does the business venture have a reasonable chance to succeed?
- Is there enough cash flow for the loan to be repaid?

Once the Micro-Credit loan is granted, each beneficiary must be assigned Rotary members to serve as Mentors. The Rotarians working as Mentors for a particular beneficiary shall frequently talk to them, assess their progress, and offer advice or support as and when required.

Our Micro-Credit program is not just about money, it is about unlocking human dreams. Rotary seeks to employ financial capital to unleash human potential. Through this program Rotary attempts to break the cycle of poverty for women and girl child by empowering them through various financial literacy courses, foster skill development and provide proper business training, and promote sustainable farming through imparting skills required to improve soil fertility, control soil erosion, and market their produce resulting in increased crop yields and profits.

Once the money is repaid, you can choose to recycle the loan to support another entrepreneur. Rotary encourages Clubs to adopt Micro-Credit programs and support the less privileged people around you to work their way out of poverty, feed their families, send their children to school, reduce their vulnerability to economic stress, can have improved living conditions and a dignified life.

Role of R.C.C. in Community Economic Development

The month of October is designated as 'Economic and Community Development Month' in the Rotary calendar. This is a time when Rotary clubs focus on creating sustainable solutions for the economic betterment of their communities. This annual observance emphasizes the importance of economic development as a key driver of positive change. In this article, let us delve into the concept of community economic development, explore the various ways Rotary clubs can make a meaningful impact.

CED - A Holistic Approach

Community economic development (CED) is a multifaceted approach aimed at improving the economic well-being and quality of life of a community's residents. It goes beyond just creating jobs; it involves addressing underlying issues like poverty, access to education, healthcare, and infrastructure development. CED recognizes that economic growth should be inclusive and sustainable, benefiting all segments.

Rotary's Role in CED

Rotary clubs play a pivotal role in community economic development by initiating and supporting projects that address various aspects of economic well-being. Here are some ideas for Rotarians to consider:

Skills Development: Organize vocational training programs to enhance the employability of community members. This could range from IT skills to agricultural techniques.

Infrastructure Projects: Collaborate with local authorities to improve infrastructure, such as sanitation facilities, and clean water access, which are essential for economic growth.

Support for Small Businesses: Offer mentoring and financial support to small businesses, helping them thrive and create jobs.

Financial Literacy Workshops: Conduct workshops on financial management and entrepreneurship to empower individuals with the knowledge to make informed economic decisions.

Promoting Digital Inclusion: Support initiatives that provide access to digital technology, enabling individuals to access online resources and markets.

RCCs a vehicle for community development

Our District has been in the forefront in promoting RCCs in a big way. In the last Rotary year, we had over 100 new RCCs opened. Clubs can activate these newly

opened RCCs for their projects. The District RCC team's help can be sought for these activities.

Some of the activities that has happened in relation to community development in the first quarter of this Rotary year are as below:

- *An Entrepreneurship Development Awareness Seminar was organised on 19th August where our DG was the Chief Guest.*
- *'Know your RCC' talk organised by Bhandup Club on 5th September 2023. This was addressed by Rtn Manish Gyani, the Coordinator: RCCRID 3141.*

Some of the projects reportedly done for RCC were:

- *Borivili Club through their Devlapada RCC distributed 500 note books to needy students.*
- *Ghatkopar Club through Amrut Nagar RCC also distributed note books.*
- *Mumbai Juhu Club at Oshiwara RCC distributed wheat flour to an old age home, orphanage and poor and underprivileged people costing Rs.2.42 lakhs. Mumbai Juhu Club through their RCC in Goregaon distributed cookies to school children.*
- *At Amrut Nagar RCC monthly grocery needs of a family whose head is suffering from cancer was supplied.*

The details of the new RCCs formed during the first quarter of the year are as under:

Name of Club	Name of RCC
RC Film City, Goregaon	Vakola Bridge
RC Film City, Goregaon	Kurla 165
RC Film City, Goregaon	Kurla 166
Chandivali	Chandivali
Powai	Powai Star Foundation
Powai	Aarey Unit 31

Conclusion

Community Economic and Development Month is a time to reflect on the profound impact that economic well-being has on communities. Our clubs can play an instrumental role in promoting inclusive and sustainable economic development. Through skills development, infrastructure improvement, and other initiatives, Rotarians can work together to uplift their communities, making a tangible difference in the lives of those they serve. Together, we can build a world where economic prosperity is accessible to all.

Together lets celebrate the History of the geographical areas of our Incredible District 3141!

Let us continue the journey with well known **Ganesh Idol Immersion**

The Significance of Ganesh Immersion

On Thursday, 28th September 2023 the streets of Maharashtra were turned into a mega congregation of people, dance, music, and color. It's a day of long processions filled with pomp and splendour when the Ganesh idols are taken to the sea and immersed in the waters.

The arrival of our loved ones to our home makes us beam with joy, and their departure leaves us teary-eyed. Devotees, who bring home an idol of Lord Ganesha (on the eve of Ganesh Chaturthi), endure similar sentiments on his arrival and departure. Ganpati Bappa is not just the God who arrives but a member of the family, who visits his people annually, stays for a few days at their homes and then leaves for his heavenly abode. The farewell ceremony of Lord Ganesha or any other deity is called Visarjan.

Significance of Celebrating this festival

Ganesha is the lord of all the good qualities in us. So when we worship him, all the good qualities blossom in us. He is also the Lord of knowledge and wisdom. Knowledge dawns only when we become aware of our Self. When there is inertia, there is no knowledge, no wisdom, nor is there any liveliness (Chaitanya) or progress in life.

It is also believed that Lord Ganesha was born on the fourth day of the bright half of the Bhadrapada month.

That is why on the day of Ganesh Chaturthi the idol is installed and worshipped for 10 days. On the day of Anant Chaturdashi, the idol of Lord Ganesha is immersed in a river or a pond, seeking his blessings.

Mythological Stories behind Ganpati Visarjan

According to Puranas, a sage named Maharishi Ved Vyas once needed help to write the epic Mahabharata. He turned to Lord Ganesha for assistance, and Lord Ganesha agreed but with an unusual condition: "I won't stop writing once I begin. If the writing stops, I'll stop too." Ved Vyas accepted this condition, and with closed eyes, he started narrating the Mahabharata. Lord Ganesha faithfully transcribed it without pause.

After 10 days of continuous work, Ved Vyas noticed that Lord Ganesha's body temperature had shot up due to the intense effort. To cool him down, Ved Vyas advised him to take a dip in water. And that's how the tradition of Ganpati immersion began.

Moreover, It is also believed that Ganpati Visarjan also symbolizes Lord Ganesha's journey back to Mount Kailasha where his parents, Lord Shiva & Lord Parvati reside. The Visarjan celebrates Lord Ganesha's journey from 'Aakar' to 'Nirakar'. This is the only festival where people pay reverence to the spiritual as well as physical form of the almighty.

Why is Visarjan carried out and why shouldn't one use the same idol for the puja next year??

The visarjan ritual symbolises the cycle of birth and death. It celebrates the reality of life that revolves around these do facts. Moreover, the visarjan epitomises the concept of destruction, because nothing is permanent, and that change is the only constant. Therefore, the tradition of visarjan is a reminder that everyone who is born on this planet or that exists shall perish one day.

Moreover, the reason why the idols are immersed in a water body also has a profound meaning. The ocean or the water body represents the infinite (God), and the idol is the soul seeking salvation. The immortal soul leaves behind its mortal body to unite with the absolute by surrendering itself.

Thus, the tradition of visarjan reminds everyone that everything they possess is temporary and that they shall have to do away with it sooner or later.

मुंबईचा इतिहास भाग ४

(ब्रिटीशांचा काळ सन १६६१ ते १८००)

मुंबईचा खरा विकास कोणी केला असेल तर तो इंग्रजांनी केला. मागील लेखात आपण पोर्तुगीज व इंग्रज यांच्या दृष्टीकोनातील फरक समजून घेतला आहे. मुंबईची सात बेटे व त्याला लागून असलेला साष्टी तालुका म्हणजे आताचा बृहन्मुंबईचा प्रदेश १३४ वर्षे पोर्तुगीजांच्या ताब्यात होता. परंतु त्यांनी मुंबईचा बंदर

म्हणून विकास केला नाही. त्यांनी फक्त चर्चिस बांधली. परंतु इंग्रजांना मुंबई हे उत्कृष्ट सुरक्षित बंदर होऊ शकते याची कल्पना होती. सन १६५२ पासून त्यांचे तसे प्रयत्न चालू होते. इंग्रजांनी मुंबईची बेटे पोर्तुगीजांकडून विकत घेण्याचाही प्रयत्न केला परंतु तो यशस्वी झाला नाही, असो.

परंतु सन १६६१ मध्ये पोर्तुगालचा राजा ४था जॉन याची मुलगी कॅथरीन ब्रॅगान्झा हीचे लग्न इंग्लंडचा राजा चार्ल्स २ रा ह्याच्याशी ठरले त्यावेळी इंग्रज व पोर्तुगीज यांच्यामध्ये हुंडा म्हणून पोर्तुगालच्या राजाने इंग्लंडच्या राजाला काय द्यावयाचे याच्या वाटघाटी होऊन भारतातील मुंबईची बेटे, मोरोक्को मधील टॅन्जीएर बंदरात व्यापारा विषयीच्या सवलती व तीन लाख पौंड पोर्तुगीजांनी इंग्रजांना घावेत असे ठरले व त्याबदल्यात इंग्रजांनी पोर्तुगीजांना डचांविरुद्धच्या लढाईत मदत करावी असा रीतसर लेखी करार झाल्यानंतर २३ जून १६६१ मध्ये लग्न पार पडले. सन १६६८ मधे चार्ल्स २ रा याने मुंबईची बेटे ब्रिटिश ईस्ट इंडिया कंपनीला वार्षिक १० पौंड भाड्याने दिली. परंतु या भाड्याचे सिक्युरिटी डिपॉझिट म्हणून इंग्लंडच्या राजाला पन्नास हजार पौंड ६% व्याजाने ईस्ट इंडिया कंपनीने द्यावेत असा करार होऊन २८ मार्च १६६८ रोजी मुंबईची बेटे ईस्ट कंपनीच्या ताब्यात येतात. पोर्तुगालचा राजा याच्याशी १६६१ साली झालेल्या कराराप्रमाणे मुंबईची बेटे इंग्रजांना मिळायला हवीत परंतु स्थानिक पोर्तुगीज अधिकारी सन १६६६ पर्यंत फक्त मुंबई बेटाचाच ताब इंग्रजांना देतात. परळ, माहीम, वरळी व माझगाव या बेटांचा ताबा पोर्तुगीज आपल्याकडेच ठेवतात, परंतु १६६७ मध्ये हम्प्रे कूक वरील या चार बेटे बळजबरीने पोर्तुगीजांकडून आपल्या ताब्यात घेतो.

मुंबईचा विकास - मुंबईचा विकास आणि तो विकास कसा करायचा?

याचा आराखडा तयार करणाऱ्या व्यक्तीचे नांव आहे मुंबईचा दुसरा गव्हर्नर जिराल्ड ऑजिए याने केलेल्या कामाचा थोडक्यात आढावा घेऊ.

- मुंबईला लागू होणारे पोर्तुगीज कायदे रद्द करून ब्रिटिश कायदे लागू केले.
- जमीन मोजणी, जमीनीची मालकी, जमीनीचा सारा याची नव्याने आखणी केली. Aungier's Convention 1672 म्हणून या सुधारणांची इतिहासात नोंदल्या आहेत.
- ऑजिएने मूळ मुंबई बेटांच्या समूहात नसलेली मोठा कुलाबा व छोटा कुलाबा (ओल्ड वुमन्स आयलंड) ही दोन बेटे सन १६७४ मध्ये कोळी लोकांकडून नगद पैसे मोजून विकत घेतली. त्यामुळे मुंबई हा सात बेटांचा समूह तयार तयार झाला. १) मुंबई २) माझगाव ३) परळ ४) माहीम ५) वरळी ६) छोटा कुलाबा व ७) मोठा कुलाबा (कृपया नकाशा पहावा) यापैकी मुंबई हे सर्वात मोठे व मुख्य बेट. आजचा फोर्ट, बॅलार्ड पिअर हा भाग त्यात येतो.
- ऑजिएने जहाजांसाठी पक्का धक्का बांधला, टाकसाळीची (मिंट) स्थापना केली. पोलिस व्यवस्थेची व न्यायदानाची व्यवस्था केली. आज मुंबईल आपण ज्या व्यवस्था किंवा सिसटीम्स अनुभवतो आहोत त्याचा पाया जिराल्ड ऑजिएने ने घातला ५) या सर्व गोष्टींमुळे व्यापार वाढू लागला. याशिवाय त्याने व्यापार वृद्धीसाठी व्यापाऱ्यांना सवलती दिल्या, मालाच्या सुरक्षेची खात्री दिली. सर्वात महत्वाचे म्हणजे मुंबईत येणाऱ्या प्रत्येकाला आपापला धर्म व धार्मिक कृत्ये करण्याची मुभा दिली. या धार्मिक सहिष्णुतेचा परिणाम असा आहे की मुंबई हे जगातील एकमेव असे शहर आहे की जेथे हिंदू, ज्यू, सुन्नी मुस्लीम, बोहरी, कॅथलिक ख्रिश्चन, प्रोटेस्टेंट ख्रिश्चन, जपानी बौद्धपंथ, थेरवादी बौद्ध, जैन धर्मातील सर्व पंथ अशी सर्व धर्म व पंथांची मंदिरे/ प्रार्थना स्थळे मुंबईल आहेत. त्यामुळे सुरत व दिव येथून गुजराथी बनिया, पारशी व्यापारी, दाऊदी बोहरा, ज्यू असे सर्व धर्माचे व्यापारी व वाडिया सारखे जहाज बांधणारे कुशल कारागीर मुंबईत झाले, मुंबई कॉस्मॉपॉलिटन होण्यामागे धार्मिक सहिष्णुता हे महत्वाचे कारण

आहे. इंग्रजांनी पोर्तुगीजांसारखा धार्मिक कडवेपणा कधीच दाखविला नाही. त्यांचा सर्व भर व्यापार वाढवून आपली तिजोरी भरणे यावर होता.

वरील धोरणांमुळे मुंबईची वस्ती वाढू लागली. सन १६६१ मध्ये मुंबईची लोकसंख्या फक्त १० हजार होती ती सन १६७५ पर्यंत साठ हजार झाली. त्यामुळे जागेचा प्रश्न निर्माण झाला. याशिवाय बेटांच्या मधील उथळ भागात समुद्राच्या भरतीचे पाणी शिरत असल्याने रोगराई वाढत होती. यावरचा उपाय म्हणून दोन बेटांमधील जागा बंधारा घालून बंद करणे व समुद्राच्या भरतीचे पाणी आत घुसण्यास अटकाव करणे अशी योजना आकाराला आली. या योजनेचा जनक जिराल्ड ऑजिएच असला तरी त्याची कार्यवाही पुढील गव्हर्नरांनी केली. कारण ऑजिए ३० जून १६७७ साली मरण पावला व ही योजना राबविण्याची जबाबदारी होती तो इंजिनिएर कर्नल हर्मन बेक याचे जाने १६७७ मध्ये निधन झाल्याने ही योजना लगेच अंमलात येऊ शकली नाही. सन १६८० ते सन १७०० ही २० वर्षे राजकीय अस्थिरतेची होती, या काळात मुस्लीम, डच व पोर्तुगीज यांनी मुंबईच्या बेटांवर हल्ले केले. सन १७०८ मध्ये गव्हर्नर विल्यम आयलबी याच्या कार्यकाळात ईस्ट इंडिया कंपनी सायन-धारावी व धारावी-माहीम असा बांध घालण्याचा निर्णय घेते व सन १७११ मध्ये हे बांध घालण्याचे काम पूर्ण होते. या बांधाच्यामुळे परळ व माहीम ही दोन बेटे जोडली जातात. सन १६९५ ते सन १७०० या काळात मुंबई बेट व माझगाव बेट यांच्या मधील उमरखाडी ही बांध घालून बंद केली जाते. आजचा डोंगरीनजीकचा रामचंद्र भट्ट मार्ग व सरदार विठ्ठलभाई पटेल रोड याच बांधावरून जाणारे रस्ते आहेत. त्याचप्रमाणे माझगाव व परळ या दोन बेटातील खाडीसुद्धा याच सुमारास बांध घालून बंद करून बुजवली गेली. कॉटन ग्रीनकडे जाणारा दत्ताराम लाड मार्ग आणि त्याच्या डाव्या-उजव्या बाजूच्या जागेतून पूर्वी समुद्राचे पाणी आत येत असावे. माहीम व वरळी बेट जोडणारा बांध म्हणजेच आजचा वीर सावरकर मार्ग किंवा कॅडल रोड, सन १७१४-१५ पर्यंत पाच खाड्यांपैकी चार खाड्या म्हणजे १) उमरखाडी २) माझगाव-परळ मधील खाडी, ३) सायन- धारावी-माहीम म्हणजे परळ-माहीम मधील खाडी ४) माहीम- वरळी मधील खाडी बांध घालून बंद करण्यात आल्या परंतु जोपर्यंत मुंबई- वरळी मधील खाडी बंद होत नाही तोपर्यंत मुंबईमधील दलदल व पाणथळपणा कमी होणार नसतो परंतु ही खाडी खोल व लांबीला जास्त असल्याने या खाडीला बांध घालणे हे एक त्याकाळातील तंतज्ञान लक्षात घेता एक आव्हान होते.

वरळीच्या बांधाची अद्भूत कथा-ही अद्भूत कथा सांगण्याआधी आज हा बांध कुठे आहे ते पाहू हा बांध म्हणजे हिरा-पन्नाच्या

सिग्नलपासून नेहरू प्लॅनेटोरियम पर्यंतचा रस्ता म्हणजे हा बांध आहे. पूर्वी याला हॉर्नबी व्हेलार्ड स्ट्रीट म्हटले जात असे. असो.

११ एप्रिल १७२० मध्ये ईस्ट इंडिया कंपनीचा इंजिनिएर कॅप्टन बेट्स गव्हर्नर चार्ल्स बूनला वरळी बांध घालण्याचा प्रस्ताव देतो. कॅप्टन बेट्सच्या प्रस्तावाप्रमाणे या बांधाला रुपये लाखभर खर्च येणार असतो व हे काम ९ महिन्यात म्हणजे सन १७२१ पर्यंत हे काम पूर्ण होणार असते परंतु हे प्रत्यक्षात हे काम सन १७२८ पर्यंत जेमतेम पूर्ण होते व त्यावर रु.३,२०,०००/- रुपये खर्च होतात. या सर्व प्रकारामुळे कॅप्टन बेट्सची भयंकर नालस्ती होते आणि त्याला बांध घालण्याचे श्रेय सुद्धा मिळत नाही. ते श्रेय मिळते १७७७ ते १७८४ या काळात गव्हर्नर असलेल्या विल्यम हॉर्नबीला. कारण सन १७२८ ते १७७७ पर्यंत दरवर्षी या बांधावर दुरुस्तीसाठी बराच खर्च होत असतो. हे दुरुस्तीचे काम ईस्ट इंडिया कंपनीत नोकरीवर असलेला जुना जाणता कारागीर (इंजिनिएर?) रामजी शिवजी प्रभू हा करत असतो, दुरुस्ती करणे हे काम सुद्धा मोठे जिकीरीचे असते कारण समुद्राच्या लाटांच्या तडाख्याने काम टिकत नसते, अशावेळी रामजी प्रभूच्या स्वप्नात महालक्ष्मी येते आणि सांगते की, "मी माझ्या बहिर्णीसह सागराच्या तळाशी आहोत. तू आम्हांला बाहेर काढ तरच हा बांध पूर्ण होईल, रामजी प्रभू ही गोष्ट गव्हर्नरला सांगतो व मूर्तीचा शोध घेण्याची परवानगी मागतो. गव्हर्नर हॉर्नबीचा असल्या भाकड कथांवर विश्वास नसतो परंतु या स्वप्नाप्रमाणे खर्च काही घडलं तर बांधावर होणारा खर्च तरी थांबेल असा व्यापारी विचार करून मूर्तीचा शोध घेण्याची परवानगी देतो आणि आश्चर्य म्हणजे खरोखरच महालक्ष्मी, महासरस्वती व महाकाली अशा तीन मूर्त्या सापडतात. रामजी प्रभू या मूर्त्यांच्या स्थापनेसाठी हॉर्नबीकडे जागा देण्याची विनंती करतो. हॉर्नबी आनंदाने जागा देतो, ती जागा म्हणजे आजचे महालक्ष्मीचे मंदिर. त्यानंतर वरळीचा बांध कोणताही अडथळा न येता पूर्ण होतो. तात्पुरत्या दिलेल्या जागेवरच रामजी प्रभू मंदिर बांधतो. त्यामुळेच बांधाला-हॉर्नबी व्हेलार्ड हे नांव पडते. व्हेलार्ड म्हणजे

पोर्तुगीज भाषेत बांध किंवा फेन्सिंग असो, या दंतकथेबद्दल संशय घेतला जातो. परंतु मूर्ती मिळाल्य ही वस्तुस्थिती आहे. रामजी प्रभू हा इंग्रजांचा इतका विश्वासपात्र नोकर होता की, त्याला इराणच्या अब्बास बंदराच्या बांधकामावर देखरेख करण्यासाठी ४ वर्षे इराणला पाठविले होते. यावरून रामजी प्रभूच्या हुशारीची कल्पना येते, वरळीचा बांध पूर्ण झाल्याने मुंबईतील दलदलीच्या जागेत मुंबईतील टेकड्या फोडून भराव टाकला गेला. त्यामुळे वस्तीसाठी हजारो एकर जमीन उपलब्ध झाली. याच जमिनीवर रेसकोर्स, वल्लभभाई पटेल, स्टेडियम महालक्ष्मी रेल्वे स्टेशन, सात रस्ता, वगैरे गोष्टी आहेत. यावरून खरोखरच महालक्ष्मी मुंबईवर प्रसन्न झाली असे म्हणता येईल असो.

याच हॉर्नबीच्या काळात " सन १७७९ साली पुण्याजवळील 'वडगांव' येथे १ ले मराठा-इंग्रज युद्ध झाले. त्यात महदाजी शिंदे व तुकोजी होळकर यांनी इंग्रजांचा दणकून पराभव केला. त्यावेळी गव्हर्नर जनरल वॉरन हॅस्टिंगने मुंबईचा गव्हर्नर हॉर्नबी याला पराभव का झाला? व तुम्ही मराठ्यांना तोफा का विकल्या? याबद्दल जाब विचारला. या प्रश्नांना हॉर्नबीने ने उत्तर दिले आहे ते भारतीय व विशेषतः मराठ्यांची मान उंचावणारे आहे. हॉर्नबी म्हणतो.

"आम्ही शिवाजीच्या काळापासून मराठ्यांना तोफा व बंदुका विकत आलो आहोत. आम्ही नाही म्हटले तर ते पोर्तुगीजांकडून व आता फ्रेंचांकडूनही ते तोफा विकत घेतात. मग आम्ही नाही का म्हणावे?

आम्ही शक्यतो भंगारात काढायला झालेली शस्त्रास्त्रे विकतो. (नको असलेली शस्त्रास्त्रे विकणे हा पाश्चिमात्यांचा धंदा किती जुन्या काळापासून चालू होता याची यावरून कल्पना येईल) परंतु मराठे इतके बुद्धिमान आहेत की, ते ही हत्यारे स्वतःचे डोके वापरून अद्ययावत अवस्थेत आणतात. वडगांवच्या लढाईत अशाच तोफा-बंदुका वापरून त्यांनी आमचा पराभव केला. तेव्हां रामजी शिवजी प्रभूयाची हुशारी हा काही अपवाद नव्हता. योग्य व प्रोत्साहित करणारे वातावरण मिळाल्यास भारतीय उत्तम काम करू शकत होते हे लक्षात येईल.

तसे म्हटले तर मुंबईच्या प्रत्येक प्रसिद्ध बिल्डिंगला इतिहास आहे. उदा. व्ही.टी. रेल्वे स्टेशन, गेट वे ऑफ इंडिया, पहिली कापड गिरणी, माहीम कॉजवे, त्याची एक वेगळी लेखमाला होऊ शकते. असो.

मुंबई व बृहन्मुंबई या भागाचा जुना इतिहास जो सर्वसामान्यपणे ज्ञान नसतो तो उलगडून दाखविण्याचा मी प्रयत्न केला. तो तुम्हाला आवडला असे समजून मी हा विषय संपवितो.

न उदास हो मेरे हमसफर !

उदास होना, निराश होना, हतोत्साहित होना या ना-उम्मीद हो जाना मनुष्य का स्वाभाविक गुण है और आश्चर्य देखिए! नित्यप्रति वह स्वयं इनसे लड़ता रहता है। परिस्थितियों से लड़ते-लड़ते जब मनुष्य जब अपना धीरज खोने लगता है तो स्वभावतः उसके अंदर ये गुण जाग्रत होने लगते हैं। हम शीघ्र परिणाम की चाह रखते हैं। पलभर की देरी हमें शंका से भर देती है। यह सारी क्रियाएँ सिर्फ और सिर्फ धैर्य की कमी के कारण उत्पन्न होती हैं। इसी को ध्यान में रख हमारे पुरूखों ने लिखा होगा, "धैर्य का फल मीठा होता है"।

मन को चंचल कहा गया है। गीता में कहा गया है, "चंचल ही मनः कष्ण" अर्थात् चित्त का स्वाभाविक गुण ही प्रतिपल भटकना है। मन की यही चंचलता हमें धैर्य से दूर करती है-शास्त्रों ने शायद इसीलिए प्रथमतः मन को वश में करने के लिए कहा है। जिसने भी मन रूपी घोड़े की लगाम कस कर पकड़ ली-समझ लो वैतरणी पार कर गया। "मन रे! तू काहें न धीर धरे"-सभी इंद्रियों में मन को ही सर्वाधिक चंचल और तीव्रगामी माना गया है।

मस्तमौला-अपनी ही धुन में रमा-एक जगह पर ठहरने का नाम ही नहीं लेता-यह मन। संयम से मन को नियंत्रित किया जा सकता है। संयम को विभिन्न प्रकारों में विभक्त किया गया है और हर भेद किसी न किसी रूप में मन को ही नियंत्रित करता दिखता है। योग-व्यायाम, खेल-कूद आदि क्रियाएँ कहीं न कहीं मन को संतुलित करने के लिए ही शुरू की गयी होंगी-ऐसा मेरा मत है।

**"यक्ताहारविहारस्य युक्तचेष्टस्य कर्मसु ।
युक्तस्वप्नावबोधस्य योगो भवति दुःखहा" ॥**

संयम में सौंदर्य है-संयम में निरंतरता है-संयम में प्रवाह है-गति है-संयम में विकास है। प्रकृति को ही ले लीजिए-सर्वत्र संयम ही दिखेगा। नदी की सुंदरता उसके किनारों में है और किनारों के कारण ही नदी में गति है-गहराई है-गंभीरता है। किनारों के साथ नदी का यही संयम उसे सागर से जोड़ता है। जहाँ संयम नहीं-वहाँ उदासी है-वहीं निराशा अपना डेरा डालती है। संयम तो आशा को जन्म देता है और आशावान व्यक्ति निराश नहीं होता-उदास नहीं होता-हतोत्साह नहीं होता।

हिंदी के प्रसिद्ध लेखक व कवि श्री रामधारी सिंह 'दिनकर' की ये पंक्तियाँ मनषु को स्फूर्तिवान हो आगे बढ़ने के लिए आज भी

ललकारती दिखती हैं,

"दिशा दीप्त हो उठी प्राप्तकर
पुण्य--प्रकाश तुम्हारा,
लिखा जा चुका अनल-अक्षरों
में इतिहास तुम्हारा ।
जिस मिट्टी ने लहू पिया,
वह फूल खिलायेगी ही,
अम्बर पर घन बन छायेगा
ही उच्छ्वास तुम्हारा ।

और अधिक ले जाँच, देवता इतना क्रूर नहीं है।
थककर बैठ गये क्या भाई! मंजिल दूर नहीं है।"

या हरिवंशराय 'बच्चन' की ये पंक्तियाँ

'शक्तियाँ गति की तुझे,
सब ओर से घेरे हुए हैं,
स्थान से अपने तुझे,
टलना पड़ेगा ही मुसाफिर,
सांस चलती है तुझे,
चलना पड़ेगा ही मुसाफिर'

भी हमें कुछ कर गुजरने के लिए ही ललकार रही हैं।

सुंदर विचारों से भरे व्यक्ति कभी उदास नहीं होते-कभी निराश नहीं होते। "नर हो, न निराश करो मन को", मैथिली शरण गुप्त जी की यह पंक्ति भी मनुष्य को निराश नहीं होने का ही संदेश देती है। हर उद्भव का कोई न कोई कारण होता है और हमारे सुख-दुःख या हमारी खुशियों का राज भी उसी में छुपा होता है-पर, आज आधुनिकता में हम उसे भूल गए हैं। लक्ष्य की अस्पष्टता ही हमारी निराशा का कारण है। यदि हम धैर्य पूर्वक अपने जीवन के बारे में विचार करें तो निश्चित जानिए मार्ग प्रशस्त हो जाएगा। संयम के आते ही संशय मिट जाएगा-उदासी मिट जाएगी-चहुँ ओर उल्लास ही उल्लास दिखेगा। "ये सफर बहुत है कठिन मगर, न उदास हो मेरे हमसफर"-सदैव ही स्फूर्तिवान हो सकारात्मक विचारों के साथ अपने जीवन को आगे बढ़ाएँ-निराशा पास नहीं आ पाएगी।

Landmark Project of Rotary Club of Borivali

RAJENDRA KINARIWALA MEMORIAL ROTARY BORIVLI EDUCATION CENTRE

GYAN PRAKASH FREE COACHING CLASSES

Year 2014-15 saw rise of "GYAN PRAKASH" an initiative to provide "FREE COACHING" TO STUDENTS whose parents belonged to economically backward strata of society. The thought kindled in mind of **RTN. HARISH CHANDARANA**, who observed that std. X th is the milestone in a student's life from where career options opens & from where the students starts realizing their dreams. The privileged students can pursue degree in any course as there is no monetary constraint. The story is different for underprivileged children. The monetary constraint can barely meet basic needs of family where child's education is put on a low cadre in their budgeting. Hence the thought of "Gyan Prakash". Rtn. Harish started tapping the needy by visiting Schools & explaining principals, the thought & how Rotary would be able to support these children to achieve desired results. Very ably supported by PP Rajul Pathak (Pres. RC Borivli : 2014-15) & Preeti Abhani (Pres. IWC Borivli : 2014-15), "GYAN PRAKASH" was launched.

Rtn. Viren Jethwa, an educationist, designed the program as per the SSC Board curriculum in Maths, Science & English at two centers, to start with. This initiative saw a change in the results of the students rise by 5-7%. The principals, teachers, parents observed the benefit as this extra coaching provided supplemental teaching support to teachers as well.

During 2020-22, when whole world had to come to a standstill due to outburst of COVID, Gyan Prakash members put their best efforts & started providing online coaching.

In 2022-23 in loving memory of PP Late Rajendra Kinariwala, the "Rajendra Kinariwala Memorial Rotary Borivli Education Centre", Rajendra Nagar, Borivali East was started.

As of date there are total ELEVEN centers wherein 650 students are taking benefit under this project and since inception about 4,000+ students are benefitted by the project of "GYAN PRAKASH FREE COACHING CLASSES" which shaped the future of these students.
