MEMBERSHIP IN MOTION: STRENGTHENING ROTARY THROUGH GROWTH, INCLUSION, AND LEADERSHIP

August holds strategic importance in the Rotary calendar as it focuses on membership growth and new club development. A strong and expanding membership is the backbone of our organization, and broadening our reach ensures that our service to the community remains impactful and sustainable. Our district has set clear and ambitious objectives—retaining existing members, prioritizing the inclusion of women and young professionals, and establishing new clubs, including satellite, cause-based, and passport clubs. Rotaractors and young leaders are being actively encouraged to transition into Rotary, and former Rotarians are being approached to re-engage with the organization. These goals are achievable, but only through collective effort and shared commitment.

In line with this vision, the District Membership Seminar was successfully conducted on 31 August 2025 in Burdwan. The seminar served as a valuable platform for learning, collaboration, and building meaningful connections. Through such initiatives, we continued to reinforce the strength of our district and work toward a more promising future through Rotary. Unite for Good!

We warmly welcome our new members and provide them with meaningful opportunities to serve and take on leadership roles. Every Rotarian brings unique skills and perspectives that add value to our collective mission. To nurture a supportive and inclusive environment, I urge each of you to take an active role in attracting, guiding, and mentoring new members.

Long Live Rotary
Long Live Rotary International District 3240
Dr Kameswar Elangbam, DG # 3240 RY 2025-26

ROTARY INTERNATIONAL PRESIDENT'S MESSAGE

August is Membership Month, but our commitment to growth and connection extends year-round. When we focus on growing Rotary, we enhance our ability to serve, lead, and create lasting change.

Membership growth transcends numbers—it means opening doors. It means inviting more people ready to contribute their time, talents, and dedication to a cause greater than themselves. When we welcome new members, we bring fresh ideas and new energy. We expand our impact, strengthen our clubs, and ensure Rotary continues to evolve with the changing world.

Significant flexibility now exists in fashioning nontraditional club models. I am inspired when I see these innovative clubs thrive by offering new and prospective members more ways to connect and serve.

In Korea, the growth of satellite clubs has created opportunities for nearly 1,000 new members to find their place in Rotary. In Romania, close collaboration between Rotarians, Rotaractors, and Interactors has built a pipeline of future leaders. In India, some Rotarians gather around shared interests—whether professional development or passion for service—and those connections deepen their commitment and joy in being part of Rotary. Cause-based clubs have thrived in regions as diverse as Southeast Asia, Africa, and Europe.

A common thread emerges: where clubs are growing, membership is a priority and willingness to try new approaches exists. Rotary is not limited to one structure or tradition. We are a global network of people of action, meaning there is room for many kinds of clubs, many ways to serve, and many paths into our organization.

This spirit of innovation also guides our efforts to reach new communities. In places where no Rotary club has existed—or where a club once existed and faded—Rotarians are finding ways to grow Rotary. They are identifying areas of potential and building clubs that reflect the character and needs of their communities. Every member plays a part in this journey. Whether you introduce a friend to your club, support a new meeting format, reconnect with program alumni, or simply share your Rotary story, you are helping our organization grow stronger and more vibrant.

No one owns a Rotary club. It is a gift we pass to the next generation. When we nurture that gift and invite others to share in it, we ensure Rotary continues as a force for good.

Let us prioritize membership growth—not just in August but every month of the year. Together, through friendship, creativity, and shared purpose, we will grow Rotary and Unite for Good.

Francesco Arezzo
President,
Rotary International – 2025-26

ROTARY INTERNATIONAL ANNOUNCEMENT

Gates Foundation boost for Polio

“Rotary was the first to envision a world without polio - and today, we have the tools and knowledge to make that vision a reality”. ... Bill Gates, Chair of the Gates Foundation

Rotary and the Gates Foundation are renewing their longstanding partnership to end polio, announcing a joint commitment of up to \$450 million (£332 million) to support the global polio eradication effort at the annual Rotary International Convention. “While historic progress has been made toward defeating polio – 90% of the world’s population is free from the wild poliovirus - we’re facing significant challenges from competing financial priorities to fragile health systems,” said **Rotary International PolioPlus Committee Chair Mike McGovern**. Furthermore, the detection of polio in places like Papua New Guinea that were previously polio free demonstrates that polio anywhere is a threat everywhere.

“The extension of our fundraising partnership with the Gates Foundation allows us to reach children around the world with lifesaving vaccines, keeping every child and community safe from this preventable disease.”

Rotary will continue to raise \$50 million per year (£37 million), with every dollar to be matched with two additional dollars from the Gates Foundation.

New Rotary Peace Centre in India

“Peace is the foundation for safety, prosperity, and sustainable development in our societies”

Rotary International has established a new Rotary Peace Centre in India. The partnership with Symbiosis International University to establish The Rotary Peace Centre at Symbiosis International University in Pune was announced in June. Located at Symbiosis’ scenic 400-acre Lavale campus in Pune, Maharashtra, the

Rotary International has established a new Rotary Peace Centre in India. The partnership with Symbiosis International University to establish The Rotary Peace Centre at Symbiosis International University in Pune was announced in June. Located at Symbiosis’ scenic 400-acre Lavale campus in Pune, Maharashtra, the centre will offer a one-year professional certificate fellowship programme designed to train peace and development professionals from across the Asia region in peace studies, conflict transformation, and sustainable development.

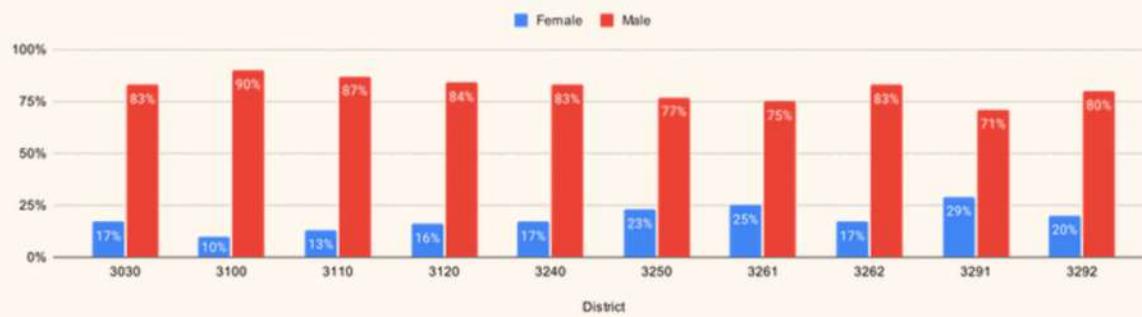

Realising a vision that has been years in the making, the new peace centre will equip community leaders with advanced knowledge and skills in peacebuilding that focus on pivotal issues pertinent to Asia. These include land and identity disputes, climate change, food insecurity, refugee integration, and community development.

The fellowship will include academic studies, field visits, and seminars and workshops, as well as a unique peace and development project each student will implement in their home or host community to create sustainable change. Upon completion of the curriculum, Rotary Peace Fellows will be awarded a postgraduate diploma in peace and development studies by the university.

District Governor's Monthly Newsletter

What is Rotary District and Zone in International Level?

Rotary International has 524 districts and 34 zones worldwide. These districts are geographical areas that group Rotary Clubs to facilitate local administration. District 3240 is belongs to zone 6 and there are 10 districts in zone 6. Each district is led by a Governor and a team of officers.

**Gender wise status of various districts of zone 6****What members get opportunities from Rotary?**

The members of Rotary Clubs are known as Rotarians. As a large and diverse organization, Rotary provides individuals with the power to help those in need. There are countless opportunities to make a difference to those less fortunate than ourselves. Rotarians get significant benefits, opportunities for professional and personal growth, opportunities to serve community for global impact. Members also gain access to networking opportunities, develop leadership skills, and contribute to meaningful service projects. The organization fosters friendships, promotes ethical conduct, and provides a platform for continuing education and cultural exchange.

Why Membership is important in rotary?

We should not count members only as number. It is heart and life blood of the organization. We can not imagine life of the rotary without members. More members mean more heads and creative minds to make better decision and more funds and hands for service opportunities.

What is My Rotary?

My Rotary is the members-only section of the Rotary International website. It provides a platform for Rotary members to manage their involvement, access resources, and connect with other members. It's essentially a personalized hub for all things Rotary, tailored to individual members and their roles within the organization. Rotary International encourages all members to register in My Rotary account.

YAARANA – MEMBERSHIP SEMINAR AT BURDWAN

The Rotary Club of Burdwan proudly hosted the very first District Event of the RID 3240, for the RI Year 2025-26, the District Membership Seminar 2025, themed "YARANA", on 31st August. The seminar brought together Rotarians from across District 3240 to share ideas, exchange experiences, and strengthen the bonds of fellowship that define Rotary.

LEAD 25 – AIM HIGH: *Rotary India Leadership Conclave 2025*

LEAD 25 is a first-of-its-kind Pan-India leadership conclave, bringing together over 13,000 Rotarians, Rotaractors, and guests from Rotary Zones 4, 5, 6, and 7, spanning India, Sri Lanka, Nepal, Bhutan, and the Maldives. The theme "AIM HIGH" underscores the event's ambition: to encourage leadership excellence, fellowship, and a renewed sense of purpose across the Rotary community. Pre-Lead 25 (an exclusive evening event for College of Governors and AKS members) took place on 22 August 2025, at Hotel Feathers, Manappakkam, Chennai. TRF (The Rotary Foundation) meeting & celebrations were done on that program.

The Rotary India Leadership Conclave was held on 23–24 August 2025, at the Chennai Trade Centre, Nandambakkam, Chennai. The conclave was graced by distinguished guests: Rtn. Francesco Arezzo, Rotary International President 2025–26, Thiru Udhayanidhi Stalin, Deputy Chief Minister of Tamil Nadu, Thiru Anbil Mahesh Poyyamozhi, Minister for School Education, Tamil Nadu, Convener: Rtn AKS Er Muruganandam M (MMM), Rotary International Director, 2025–27; Co-Convener: Rtn AKS Flt Lt K P Nagesh, Rotary International Director, 2025–27. A robust team of PDGs, Rtns, and host District Governors collaborated across committees handling programming, hospitality, logistics, media, and more.

EDITORIAL

Greetings, fellow Rotarians,

August is a critical month in the Rotary year 2025–26. The formalities of July are behind us, and the initial pace of the year has begun to settle. This is the moment to pause briefly, assess direction, and ensure that our energy is being applied with clarity rather than urgency.

As editor of the Governor's Monthly Letter, my objective is to keep this platform purposeful. The GML is designed to connect the District Governor with clubs across Rotary International District 3240, while also serving as a space for shared learning and informed action. At this stage of the year, clarity matters more than speed.

By August, clubs are actively discussing projects, partnerships, and priorities. However, activity alone does not guarantee impact. This month calls for thoughtful selection. Fewer, well-planned initiatives executed consistently will always outperform scattered effort. The clubs highlighted in this edition demonstrate the value of focus, preparation, and realistic planning.

District 3240 spans the North Eastern states and parts of West Bengal, bringing together varied social realities and operational challenges. Each club operates within its own constraints and opportunities. Effective service in this district depends on understanding local context, aligning ambition with capacity, and planning accordingly.

The Governor's Monthly Letter becomes most valuable when clubs contribute openly. Sharing planning approaches, early learnings, and preparatory work helps others refine their own direction. I encourage clubs to document not just outcomes, but the thinking and structure behind their initiatives. This strengthens collective capability across the district.

August is about preparation, not pressure. The clarity established now will determine how effectively clubs commit in September and execute in the months that follow. This is the time to align teams, confirm priorities, and build a realistic foundation for sustained service.

I'm also delighted to share that the July edition of GML received an overwhelmingly positive response. This recognition is truly worth celebrating. Thank you for your continued support and encouragement.

Warm Regards,
Yours in Rotary
Rtn. Rajesh Surana
