EMPOWERING COMMUNITIES, BUILDING FUTURES

October, recognized as Community Economic Development Month, once again underscored Rotary's steadfast resolve to uplift communities through sustainable progress and empowerment. Rotary's approach to economic development emphasizes building capacity—by generating livelihoods, strengthening skills, and encouraging entrepreneurship that leads to long-term self-reliance. Throughout District 3240, clubs implemented impactful initiatives that supported local businesses, promoted vocational education, and encouraged community participation, enabling individuals to unlock their abilities and actively contribute to inclusive growth.

The month also stood as a testament to Rotary's collective strength and unity in service. On 24 October, we observed World Polio Day, renewing our commitment to Rotary's historic and ongoing mission to eradicate polio worldwide. This observance reaffirmed our belief that determined global collaboration can overcome even the most persistent challenges.

As the festive season drew to a close, these moments of celebration and reflection reinforced the values of togetherness, shared purpose, and service above self. They captured the essence of Rotary—where resilience prevails, partnerships thrive, and meaningful impact is achieved through cooperation.

On behalf of Rotary International District 3240, I convey my sincere appreciation to every Rotarian for your dedication, compassion, and tireless service. Your continued efforts are paving the way for stronger, self-sustaining communities and a more peaceful world. United in purpose, we move forward—together, we end polio now.

Long Live Rotary
Long Live Rotary International District 3240
Dr Kameswar Elangbam, DG # 3240 RY 2025-26

ROTARY INTERNATIONAL PRESIDENT'S MESSAGE

October is Rotary's Community Economic Development Month, a time to highlight our efforts to help communities build thriving, sustainable futures. This month's observance aligns directly with the Rotary core value of leadership.

Leadership means empowering people to guide their own progress. This is precisely what Rotary's economic development projects aim to achieve.

Consider a recent initiative in southern India where Rotary members empowered women of the Adivasi tribal groups through sewing training to earn a living and regain social inclusion. Historically, widows and abandoned women in this region lose social standing and face social exclusion or blame for their circumstances. Opportunities for self-support or training are minimal.

This year, the Rotary Club of Windsor Roseland, Ontario, partnered with clubs in Districts 3203 and 3234 in India—and with the Indian organization Sevalaya Trust—to provide sewing machines and training to 80 Adivasi women. They learned to stitch saree blouses, kurta tunics, and salwar suits, enabling them to support themselves and their families. Each woman received a certificate upon completing the program, and the sewing machine provider offered free long-term maintenance. The project delivered vital income and dignity to women ostracized by society after widowhood.

This story exemplifies Rotary leadership in action: local people guiding solutions that address their community needs. Our role is not to deliver charity or impose external models, but to foster self-reliance by investing in leadership, skills, and sustainable enterprise.

This October, I invite Rotary members worldwide to reflect on economic leadership in their communities. Who is stepping forward to lead local economic initiatives? Where is untapped talent that could benefit from training or mentorship? How can your club catalyze opportunity through partnerships with local businesses, vocational schools, or savings groups? Leadership is not always visible. Sometimes it means listening, collaborating, and amplifying the voices of others. This approach lies at the heart of Rotary's philosophy and our lasting impact on economic development.

By building capacity—through microcredit groups, vocational training workshops, or entrepreneurship programs—we enable communities to lead their own transformation. When people take ownership of their progress, change becomes sustainable.

Let us lead with good intention and provide support with heart. By nurturing local leadership, we create opportunities that ripple through communities, empowering individuals, families, and societies.

Together, we can support economies that work for everyone and implement community development projects that endure.

Francesco Arezzo
President,
Rotary International – 2025-26

ELIMINATING CERVICAL CANCER: ROTARY'S NEXT HEALTH MISSION

Few diseases highlight health inequality more sharply than cervical cancer. Globally, one woman dies every 90 seconds – 346,000 annually – with 94% of deaths occurring in low- and middle-income countries. Yet cervical cancer is among the most preventable and curable cancers.

In Great Britain, HPV vaccination and cervical screening are free through the NHS, but uptake remains uneven. Screening attendance in England is just over 69%, leaving nearly one in three women untested. Post-pandemic, participation has fallen further, especially among younger women. HPV vaccination, offered to children aged 12–13, is widely available but not yet at levels sufficient to eliminate the disease.

Cervical cancer is caused by persistent infection with high-risk HPV strains. While most infections clear naturally, some progress to precancerous changes that, untreated, develop into cancer over 15–20 years. Vaccination provides lifelong immunity, and screening detects abnormalities early, but barriers such as stigma, misinformation, and fear remain.

Dr John Philip, retired cancer surgeon and member of the Rotary Club of Newbury, draws parallels with Rotary's polio campaign: "Prejudice and misinformation were barriers to polio vaccinations, but our tenacity helped achieve an almost polio-free world. We can apply the same determination to eradicate cervical cancer."

Rotary has already supported over 125 Global Grants worth \$11 million across 40 countries. In Great Britain and Ireland, clubs are uniquely positioned to raise awareness, challenge myths, and guide communities to NHS vaccination and screening programs. By partnering with schools and health providers, Rotarians can boost HPV vaccination, encourage screening, and share reliable information.

As Dr Philip concludes: "Cervical cancer should not be a death sentence. With Rotary's reach worldwide, eliminating this disease is a realistic and achievable goal."

UNITE FOR GOOD: THE POWER OF ROTARY SERVICE

Rotary's unifying themes show how local service adds up to global impact. By pooling passion, expertise, and lived experience, Rotarians strengthen projects, spark new initiatives, and learn together. This collaborative approach reflects Rotary's Action Plan priorities: increasing impact, expanding reach, enhancing engagement, and building adaptability.

Rotary service connects local action with global frameworks — the five Avenues of Service, Foundation Areas of Focus, the UN Sustainable Development Goals, and the Eight Pillars of Positive Peace. In 2022, Rotary added Positive Peace to three Avenues of Service, recognizing that every project — from literacy to clean water — helps create conditions where peace can flourish.

Three unifying themes guide Rotary's service:

- Health & Wellbeing
- Future Generations
- Rebuilding Lives & Communities

At the heart of Rotary is service, transforming lives and leaving a lasting legacy. Individually, projects bring hope and stability; collectively, they demonstrate Rotary's global relevance.

Rotary International President Francesco Arezzo (2025/26) calls on members to Unite for Good, describing the vision as "extraordinary in its simplicity, gravity and impact." He emphasizes unity across time and space, building on the work of past members and preparing for future generations.

This unity is most visible in Rotary's commitment to a polio-free world. The Global Polio Eradication Initiative shows what is possible when vision, perseverance, and partnership combine. That same spirit of collaboration is needed to confront today's challenges — from climate change to child poverty and mental health.

The message is clear: Rotary service is strongest together. By sharing time, talents, and skills, and aligning projects within unifying themes, Rotarians demonstrate relevance everywhere. Together, we create hope, build peace, and change lives — today and for generations to come.

KNOW YOUR ASSISTANT GOVERNOR

Shoyeta Chatterjee Agarwal - AG - Zone 8

After completing her 10th Standard from Darjeeling, Shoyeta Chatterjee Agarwal moved to Bangalore for further studies where after her MBA, She got pulled into the corporate world for 10 years. She worked for multinational companies primarily in project management and quality six sigma. Her last role was in Reuters Pvt limited as a six sigma black belt personnel and was responsible for carrying out projects that focused on resolving issues that affected the company globally and mentoring local based projects. She moved back to Darjeeling in 2014 and started a homestay with 4 rooms, which is now a 14 room property. She joined Rotary in 2021 and She is the first lady Rotarian of RC Darjeeling. She has served the club as joint secretary (2022-23), President (2023-24) and now has the honor of serving as Assistant Governor for Zone 8. She is married to Darjeeling based business man, Manish Agarwal

Dr. Himachal Das - AG - Zone 4

Rtn. Dr. Himachal Das passed MBBS from NRS Medical College, Kolkata, DTM&H from School of Tropical Medicine, Kolkata and MD (PULMONARY MEDICINE) from SCB Medical College, Cuttack. He served as a Chest Physician in Malda Medical College for fourteen years. After resigning from Govt. Service, he is engaged in private practice. He was awarded as one of the BEST CHEST PHYSICIAN of India by TIMES NOW.

He married Lion Dr. Sampa Raychaudhuri, Gynaecologist. He is blessed with two daughters, Dr. Udisa Das and Dr. Aayushi Das.

Rt. Dr. Himachal Das joined Rotary Club of Mango City Malda on 18 th June 2017. He was selected as a President of the Club in RY 2022-23, He was awarded as a BEST PRESIDENT in Zone VI for his contribution and leadership. He served as Club Service Project Chair in RY 2024-25.

He is a benefactor member and member of both, Paul Harris' Society and Pulse Polio Society. Now he is serving as Assistant Governor of Zone IV in RY 2025-26.

SERVICE ABOVE SELF IN ACTION: ROTARY SUPPORTS FLOOD-AFFECTED COMMUNITIES

In response to severe floods and heavy rainfall across North India, Rotary clubs demonstrated focused and well-coordinated service to support affected communities. The **Rotary Club of Durgapur Central** extended timely financial assistance to partner clubs in Punjab and Himachal Pradesh, ensuring swift delivery of relief where it was most needed.

In Punjab, support was channelled through the Rotary Club of Jalandhar Greater to distribute essential winter garments to schoolchildren from flood-affected families. The distribution on 18 October 2025 addressed an urgent seasonal need and provided children with warmth and dignity during a difficult period.

This collaborative effort continued in Himachal Pradesh, where the Rotary Club of Dharamshala Central and Rotary Club of Durgapur Central jointly carried out a relief initiative on 31 October 2025 for rain and flood victims in Kangra District, Himachal Pradesh. The service activity was held at Sidhbari Baghni, Dharamshala, in the presence of President Rtn. Nikita Verma and Secretary Rtn. Shailender Mehta. Rotary Club of Durgapur Central extended financial assistance through Rotary Club of Dharamshala Central to support affected families. The joint effort beautifully reflected Rotary's spirit of "Service Above Self," proving that unity and compassion transcend distance.

FINANCIAL LITERACY SEMINAR EMPOWERS YOUTH IN AGARTALA

The Rotary Club of Agartala City hosted a Financial Literacy Seminar called “Neeti & Nivesh – Money Matters: Learn to Make It Work for You.” The idea was simple: help students and young professionals understand money better so they can make smarter choices in real life.

The session covered everyday money topics like saving the right way, spending with control, and building habits that actually last. The panel brought solid, practical experience to the room. Speakers included Mr. Gaurav Jalan, Chartered Accountant and Designated Partner at BAS & Co. LLP; Mr. Shinjan Bose, Chief Manager, State Bank of India, Agartala Branch; Rtn. Subiman Dutta, former Chief Manager and State Head, SBI Mutual Fund; and Rtn. Sayan Basu, Retail Banker, SBI. The discussion was guided by Rtn. Sibaprasad Ghose.

More than 127 participants from different institutions across Agartala took part. The conversation touched on budgeting, taxes, needs versus wants, borrowing responsibly, and managing daily expenses. Participants also picked up hands-on tips they could use right away.

The takeaway was clear: earning money matters, but knowing how to handle it matters more.

ROTARY AMPLIFIES THE CALL TO END POLIO IN AGARTALA

To mark World Polio Day, the **Rotary Club of Agartala City** rolled out a strong, visible public awareness campaign to keep the focus on a polio-free world.

The initiative began with media outreach, as articles on Rotary's role in the global fight against polio appeared in leading newspapers and online platforms on 24 October. With support from the Department of Higher Education, a polio awareness message was also read during morning assemblies across schools in Tripura, reaching students directly.

To take the message to the wider public, "End Polio Now" videos were screened up to 30 times daily on LED displays at key locations including MBB Airport, North Gate, and Ujjayanta Palace. A mega rally with over 150 participants followed, covering Rabindra Bhawan, Orient Chowmuhani, Jackson Gate, and Ujjayanta Palace.

The day concluded with a public address and candle-lighting ceremony at Ujjayanta Palace, backed by a prominent "End Polio Now" display. Rotary representatives also spoke on local TV talk shows, and extensive media coverage the next day helped extend the message even further.

Together, these efforts reinforced Rotary's long-standing commitment to polio eradication and community awareness.

ROTARY CLUB OF GUWAHATI LUIT: SERVICE HIGHLIGHTS | OCTOBER 2025

The Rotary Club of Guwahati Luit carried out a series of impactful community service projects in October 2025, focusing on nutrition, healthcare, education, women empowerment, and public health awareness. The month opened with Annadan–Mahadan, a community meal service at Kali Mandir, Bishnupur, where over 150 people were served freshly prepared food, reinforcing Rotary's spirit of care and compassion. Under the Zero Blindness Initiative, free cataract surgeries were conducted at KGMT Hospital, bringing restored vision to six patients during the month and 16 beneficiaries over the year. Preventive healthcare remained a priority with the Free Cervical Vaccination Programme. An HPV vaccination camp was held for 26 students of Kamakhya Government L.P. School, supported by an awareness session for parents on cervical cancer and the importance of early vaccination. In the field of education, the club inaugurated a Happy School at Prasanna Vidyapeeth, Guwahati. The school was upgraded with functional toilets, handwashing stations, safe drinking water, classroom artwork, play equipment, and mid-day meal plates to improve attendance and reduce dropouts. The club also advanced Women Empowerment through a vocational sewing training programme at the Rotaract Luit Skill Centre. Nineteen beneficiaries completed training and received certificates, enabling sustainable livelihood opportunities. The month concluded with a Polio Awareness Programme and Rally in collaboration with the Interact Club of Bengali High School, spreading awareness through student participation, rallies, and community engagement. Together, these initiatives reflect Rotary Club of Guwahati Luit's consistent commitment to service, dignity, and community development.

UNITED FOR A POLIO-FREE FUTURE: ROTARY CLUBS OF DURGAPUR RALLY TOGETHER

To mark World Polio Day, five Rotary Clubs of Durgapur came together to send one clear message to the community: the fight against polio is not over. The joint awareness rally was organised on the morning of 24 October 2025 by the Rotary Club of Durgapur, Rotary Club of Durgapur Central, Rotary Club of Durgapur Elite, Rotary Club of Durgapur Aero City, and Rotary Club of Durgapur Smart City, under Rotary International District 3240, Zone 2. The rally began at Bhagat Singh More and moved through busy city roads before concluding at the City Centre Bus Stand. Around 60 Rotarians from all five clubs participated, led by their respective Presidents.

Time: 6:00 AM to 7:00 PM

On 24 October, World Polio Day, all Rotary Clubs of Guwahati came together to organise an "End Polio Now" awareness programme at Shraddhanjali Kanan. The event reminded the public that while polio has been wiped out from almost every country, it still exists in Afghanistan and Pakistan, making continued awareness and vaccination critical. The programme also highlighted Rotary's central role in driving this global effort. India reported its last polio case in 2011 in Kolkata. However, the risk remains, with cases still reported in neighbouring Pakistan and Afghanistan.

World Polio Day also marks the birth anniversary of Dr. Jonas Salk, who led the development of the first polio vaccine.

The programme saw participation from Rotary Club of Guwahati, RC Gauhati South, RC Gauhati West, RC Guwahati Metro, RC Guwahati Luit, RC Guwahati City, RC Guwahati Smart City, and RC Guwahati Icons. Rotarians and morning walkers attended the gathering, which was addressed by Rtn. Prabhat Kedia, Past District Governor of Rotary International District 3240, reinforcing the message that the final fight against polio must not slow down.

ROTARY CLUB OF ASANSOL GREATER REINFORCES THE CALL TO END POLIO

वर्ल्ड पोलियो डे पर पोलि
जागरूकता को लेकर
निकाली गई रैली

2 hours ago: 9 restaurants added

The Rotary Club of Asansol Greater observed World Polio Day on 24 October 2025 by actively participating in a Polio Awareness Rally organised jointly with four Rotary clubs of Zone-1, Asansol, under Rotary International District 3240 .

The rally began at Rabindra Bhaban on G.T. Road, with Rotarians marching together carrying “End Polio Now” banners and placards, spreading awareness among the public about Rotary’s long-standing mission to eradicate polio worldwide. President Rtn. Sachindra Nath Roy led the participation along with club members, joined by AG-1 Rtn. Chandan Mukherjee and members of Rotary Club of Asansol Green City, Rotary Club of Asansol, and Rotary Club of Asansol Royal Bengal.

The programme highlighted Rotary's pivotal role in the global polio eradication drive and reaffirmed the shared belief that persistent effort, commitment, and public participation can eliminate the disease completely. The rally received wide coverage from both electronic and print media, helping amplify the message further.

Through this collective effort, Rotary Club of Asansol Greater once again demonstrated its dedication to the vision of a polio-free world and the enduring spirit of Service Above Self.

ROTARY TAKES THE POLIO MESSAGE TO THE STREETS WITH GREEN BUS CAMPAIGN

POLIO STILL EXISTS; IT'S TOTALLY PREVENTABLE

The Rotary Club of Guwahati Luit launched an innovative public awareness initiative by taking the End Polio Now message directly to the city's streets through electronic buses. As part of the campaign, polio awareness messages were displayed on nearly 100 e-buses across Guwahati, repeated up to 100 times daily over a period of 15 days, turning everyday commutes into moments of public health awareness .

This creative use of digital public transport ensured wide visibility and continuous engagement with commuters, reinforcing the importance of polio eradication and sustained vaccination efforts. The initiative highlighted Rotary's ability to adapt modern platforms for social messaging while keeping the focus on one of its most critical global missions.

The campaign was led by Public Image Chair Rtn. Raajeev Thaakur, whose vision and commitment helped translate Rotary's message into a highly visible, city-wide movement. Through this effort, Rotary once again demonstrated how innovation and service can come together to amplify impact and reach the wider community.

ROTARY CLUB OF DIMAPUR MOBILISES YOUTH FOR WORLD POLIO DAY

To mark World Polio Day on 24 October, the Rotary Club of Dimapur organised a Polio Awareness Rally as part of Rotary's global End Polio Now campaign. The rally saw enthusiastic participation from nearly 500 students representing various schools across Dimapur, highlighting strong community involvement and a shared sense of responsibility toward public health.

The programme was organised under the chairmanship of Rtn. R. S. Panesar, whose leadership

ensured smooth coordination and wide participation. The rally was flagged off by PDG Rtn. Chandu Agrawal, who appreciated the club's continued efforts in polio eradication and encouraged young participants to actively support this global mission.

Students marched with banners and placards carrying clear messages on immunisation and health awareness. To boost morale and engagement, the club distributed T-shirts and refreshments, creating an atmosphere of energy and unity.

ROTARY CLUB OF SILIGURI MARKS WORLD POLIO DAY WITH CITYWIDE AWARENESS DRIVE

The Rotary Club of Siliguri observed World Polio Day on 24 October 2025 with strong commitment to Rotary's global End Polio Now mission. Club members gathered at the newly developed Yoga Park before proceeding to a focused awareness outreach across key healthcare institutions in the city. The team visited Nivedita Hospital, Manipal Hospital, and Pam Pearl Hospital, carrying placards and engaging directly with hospital staff and management.

Through conversations and visual messaging, Rotarians highlighted the importance of sustained vigilance, vaccination, and public awareness to achieve a polio-free world. The interaction with healthcare professionals reinforced shared responsibility in safeguarding community health.

The observance reflected Rotary Club of Siliguri's continued dedication to polio eradication and its belief that consistent awareness and collaboration remain essential until the goal is fully achieved.

ROTARY CLUBS OF ZONE IV RALLY TOGETHER FOR WORLD POLIO DAY IN MALDA

On World Polio Day, 24 October 2025, the Rotary Club of Mango City Malda joined hands with fellow Rotary clubs to participate in an End Polio Now Rally, reinforcing Rotary's commitment to a polio-free world. The rally began at IMA Bhawan at 4:00 PM and drew participation from clubs across Rotary International District 3240, Zone IV.

The collective effort included Rotary Club of Gour Banga Malda, Rotary Club of Malda, Rotary Club of Malda Central, Rotary Club of Silk City Malda, and Pachimbanga Bigyan Mancha Malda.

Led by AG Zone IV Rtn. Dr. Himachal Das, Rotarians marched together to spread awareness on polio eradication, engaging the public and amplifying the message that sustained vigilance and community participation remain vital to finish the fight.

MEGA BIKE RALLY DRIVES THE END POLIO MESSAGE ACROSS BOLPUR

On World Polio Day, 24 October, the Rotary Club of Bolpur Rangamati organised a Mega Bike End Polio Now Rally in association with the Rotary Club of Bolpur Santiniketan and the Rotary Club of Tagoreland, under Zone II of Rotary International District 3240.

The rally began at Bolpur Stadium Ground, covered key areas across the town, and concluded at the same venue. Two colourful tableaux accompanied the bike rally, sharing clear messages on the importance of polio immunisation, Rotary's global role in polio eradication, and the shared goal of a polio-free world. Around 20 Rotarians from the three clubs took part, engaging residents and passersby throughout the route.

The event was graced by DGE (2025–26) Rtn. Dr. Asim Kanti Adhikary, PDG (RID 3291) Rtn. Anshuman Bandopadhyay, and AG Zone II Rtn. Sudipta Acharya, whose presence added encouragement and visibility to the campaign.

The rally stood out as a high-energy public awareness effort, reflecting strong inter-club teamwork and Rotary's continued commitment to keeping the End Polio Now message moving forward.

ROTARY CLUB OF DULIAJAN OBSERVES WORLD POLIO DAY WITH STUDENT-LED AWARENESS DRIVES

The Rotary Club of Duliajan observed World Polio Day on 24 October 2025 with focused awareness initiatives aimed at students and the wider community, reinforcing Rotary's global End Polio Now mission.

A polio awareness rally was organised at Tingrai Chariali Higher Secondary School, where students, teachers, and Rotarians participated actively, carrying the message of polio eradication across the locality. Club President Rtn. Indira Hazarika addressed the gathering, highlighting Rotary's sustained global efforts to eliminate polio. The programme was coordinated by AG Zone XIV

Rtn. Sunil Borgohain and concluded with a collective pledge to keep the world polio-free. In addition, a Polio Awareness Talk was conducted at Bhadoi Model English Higher Secondary School on the same day. Assistant Governor Rtn. Sunil Borgohain delivered an informative session on the importance of complete immunisation and ensuring that every child receives the polio vaccine.

Through these initiatives, Rotary Club of Duliajan reaffirmed its commitment to awareness, prevention, and community engagement in the final push to end polio.

ROTARY CLUB OF KARIMGANJ LEADS POLIO AWARENESS RALLY ON WORLD POLIO DAY

The Rotary Club of Karimganj observed World Polio Day on 24 October 2025 by organising a Polio Awareness Rally aimed at reinforcing the importance of vaccination and Rotary's global End Polio Now mission.

The rally commenced at Karimganj Civil Hospital at 8:00 AM and moved through key areas of the town, taking the message of polio eradication directly to the community. The programme was organised in collaboration with the Rotary Club of Borderland, Inner Wheel Club of Karimganj, NRHM, and the nursing staff of Karimganj Civil Hospital.

Rotarians, Inner Wheel members, doctors, nurses, and healthcare workers participated actively, carrying banners and placards with clear awareness messages. The joint presence of medical professionals and service organisations strengthened the credibility and reach of the campaign. The rally received an encouraging public response along with positive media coverage.

Through this collective effort, Rotary Club of Karimganj reaffirmed its commitment to protecting every child through vaccination and keeping public attention firmly focused on the final push toward a polio-free world.

ROTARY CLUB SILIGURI 'UMEED' USES ART TO SPREAD THE END POLIO MESSAGE

Rotary Club Siliguri 'Umeed' Inspires Awareness on World Polio Day
On the occasion of World Polio Day, Rotary Club Siliguri 'Umeed' organized a painting competition based on the theme "End Polio Now." The objective of the event was to inspire awareness among children about polio prevention and its global eradication efforts.

One step today can change an era — a polio-free India is our shared responsibility!

On the occasion of World Polio Day, the Rotary Club Siliguri Umeed organised a painting competition themed "End Polio Now," using creativity as a powerful way to build awareness among children about polio prevention and eradication.

The event highlighted Rotary International's long-standing fight against polio, which has helped eliminate 99.9% of cases worldwide, leaving the disease confined to just two countries. Through their colourful artwork, young participants shared a simple but strong message: two drops of the polio vaccine can secure a healthy childhood and a safer future. A large number of enthusiastic children took part, expressing a shared dream of a polio-free India through their paintings.

The programme was attended by Club President Rtn. Sanjeev Thakur, Secretary Rtn. Sanjay Gupta, and Sergeant-at-Arms Rtn. Gautam Roy, along with RCC Samarpan Chairperson Mrs. Vinita Rai, Secretary Mrs. Sangeeta Pradhan, and other members who actively supported the initiative. Renowned artist Ms. Kaumolika Sutradhar served as the judge for the competition and was honoured with a special memento in appreciation of her contribution. Guest of Honour Mr. Jamuna Pandey was also felicitated for his continued work in social welfare.

ROTARY CLUB OF KARIMGANJ LEADS WORLD POLIO DAY AWARENESS RALLY

On 24 October 2025, the Rotary Club of Karimganj, in association with the Rotary Club of Borderland, Inner Wheel Club of Karimganj, NRHM, and the nursing staff of Karimganj Civil Hospital, organised a Polio Awareness Rally to mark World Polio Day.

The rally commenced at Karimganj Civil Hospital at 8:00 AM and moved through key areas of the town, spreading awareness on the importance of polio vaccination and Rotary's ongoing efforts to achieve a polio-free world. Rotarians, Inner Wheel members, doctors, nurses, and healthcare workers participated actively, carrying banners and placards with clear and impactful messages.

The programme drew strong public attention and received encouraging media coverage, helping extend the reach of the End Polio Now message across the community. The joint effort highlighted effective collaboration between service organisations and healthcare professionals in promoting public health awareness.

EDITORIAL

Greetings, fellow Rotarians,

October represents a defining phase in the Rotary year 2025–26. With leadership teams fully settled and early initiatives underway, this is the month where clubs must ensure that vision, planning, and execution are aligned. The quality of alignment achieved now will largely determine the effectiveness of our work in the months ahead.

As editor of the Governor's Monthly Letter, my focus is to ensure that this publication serves a clear purpose. The GML is not intended to be a ceremonial bulletin. It is a practical communication channel that connects the District Governor with clubs across Rotary International District 3240, supporting informed decision-making and shared learning.

By October, clubs have moved beyond orientation and initial planning. Project frameworks are in place, teams are assigned, and timelines are active. This is the stage where structure matters. Clear roles, realistic targets, and disciplined follow-through distinguish effective clubs from busy ones. The initiatives featured in this edition reflect clubs that are translating intent into organized action.

The value of this newsletter lies in shared insight. When clubs communicate not only what they do but how they do it, others benefit. I encourage clubs to contribute project updates, planning approaches, and lessons learned. The GML should function as a reference point for clubs seeking clarity, inspiration, and practical guidance.

October is the right moment to pause briefly, assess direction, and make course corrections where required. Strong outcomes later in the year depend on clarity and discipline established now.

Warm Regards,
Yours in Rotary
Rtn. Rajesh Surana

QUIZ ZONE

October is a month to reconnect with Rotary values, ideas, and impact.

Test your knowledge and take part.

Send your answers to gml.rid3240@magnus.school along with your name, home club, phone number, and email ID.

Correct entries stand a chance to win a surprise gift.

Q1. What does Rotary's motto "Service Above Self" primarily emphasize?

Q2. Which Rotary program focuses on promoting understanding and peace through higher education and cultural exchange?

Q3. What is the minimum tenure for a Rotary club president?

Q4. Name one way Rotaract and Interact clubs strengthen Rotary's long-term impact.

Q5. Why is community need assessment considered critical before launching a service project?

FUN ZONE

A little humor and perspective to keep minds open and conversations flowing.

- "The best way to have a good idea is to have lots of ideas." 😊
- "Common sense is not so common." 🤦
- "Learning never exhausts the mind, only the excuses do." 😊
- "If you want different results, try a different approach." 😊
- "Listening carefully often saves a lot of explaining later." 😊
- "Curiosity is the beginning of improvement." 😊
- "Mistakes are proof that you are trying." 😊
- "Experience teaches slowly, but thoroughly." 😊
- "Progress usually starts with one good question." 😊
