August is the month where we Rotarians try our best to induct new members, hence we have devoted some pages for the readers to join Rotary.

FOUR-WAY TEST

The Four-Way Test was created in 1932 by who later became the President. The test has been translated into more than 100 languages and is followed by Rotarians in their business and professional lives and is used by organizations and individuals throughout the world. The has never ceased to be relevant and is a simple checklist for ethical behavior.

The Four-Way Test

of the Things We Think, Say, and Do.

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Can be used profitably in checking your relations with others. It is suggested that first you memorize the **FOUR-WAY TEST** and then formulate the habit of checking your thoughts, words and deeds with it.

The **FOUR-WAY TEST** is now being used successfully around the world in business, government and schools as an effective measuring stick of ethics. It is a guide to **RIGHT** thinking. If memorized and constantly applied to relations with others, it will make a definite contribution towards more effective and friendlier relationships with others.

Since to a large degree our thoughts determine our actions, character and destiny, you naturally will be interested in using this simple method of directing your thoughts in the right direction.

The experience of others has shown that if you get into the habit of checking your thoughts, words and deeds against the **FOUR-WAY TEST** it will definitely help you become happier and more successful throughout your life.

1ST AUGUST 2024

ROTARY INTERNATIONAL PRESIDENT 2024-25 RTN STEPHANIE URCHICK

Rotary is at its best when we foster a sense of inclusion and belonging in our clubs. In fact, I would go so far as to say that belonging is The Magic of Rotary itself.

With a focus on inclusivity and belonging, it is easier to be united in a common purpose. When we are committed to one another and focused on our goals, we are most effective.

Rotary's Action Plan can help. The Action Plan comes with tools you can use to collect feedback, assess your club's strengths and weaknesses and address challenges.

The world is changing, and our clubs can't afford to stand still. But the changes we make need to be consistent and strategic — building on one another toward a greater vision. The Action Plan can help you

work toward that vision and create effective change within your club. Following the Action Plan and addressing suggestions from the community will go a long way to fostering the sense of belonging we want all Rotary members to feel in their clubs.

That's why expanding our commitment to diversity, equity, and inclusion is so important. Committing ourselves to each other's well-being is the first step to expanding our reach, allowing us to spread Positive Peace in these troubled times.

Peacebuilding is one of our top priorities, and one of the most effective ways we can build peace is with our Rotary Peace Fellowships, through which peace and development professionals learn how to prevent and end conflict.

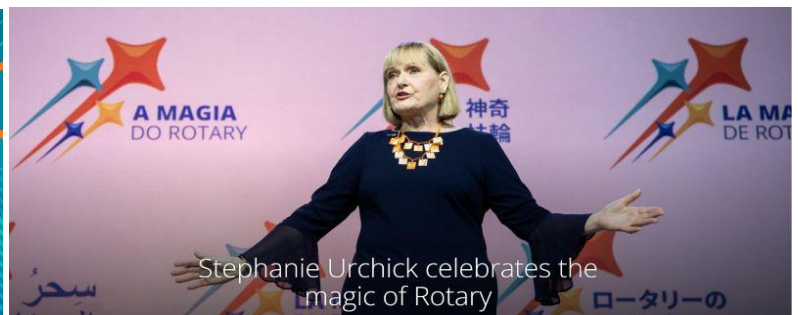

We offer the fellowships through our Rotary Peace Centers at leading universities around the globe, where more than 1,800 Rotary Peace Fellows have graduated. And thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next peace center at Bahçeşehir University in Istanbul.

Opening another peace center is a monumental achievement, and it is my great honor to invite you to celebrate at next year's Rotary Presidential Peace Conference at the Istanbul center. The three-day conference 20-22 February will highlight the many ways our family of Rotary advances peacebuilding. Registration for the conference is officially open. I hope to see you there.

The 2025 Rotary Presidential Peace Conference has great potential for our peacebuilding efforts — but only if we have your support.

The truth is, we're not going to bring peace to the world, end polio, or grow membership by waving a wand and saying some funny words. It's up to you. You create the magic with every project completed, every dollar donated, and every new member inducted.

I love my Rotary family and I know you do too. That's why I know that together, we can make every club and district simply irresistible. This year, let us change the world by embracing *The Magic of Rotary*.

MESSAGE FROM RID 3060 DISTRICT GOVERNOR RTN TUSHAR SHAH

Message Tushar Shah

District Governor

let's spread The Magic of
Rotary together. Let's
lead by example,
inspiring others to follow.

Warm Rotary Greetings!

The Magic of Rotary is igniting with renewed enthusiasm and optimism. Our clubs are embracing impactful and meaningful Service Projects, working tirelessly to expand Rotary, strengthening our Rotary Foundation, and fostering innovation while engaging our members. This revitalized spirit is a testament to our collective commitment to making a tangible difference in our communities and beyond.

As we advance the Rotary Action Plan, our aim is to amplify our reach by showcasing Rotary's significant contributions to society and the rich opportunities it provides for fellowship, connection, and personal growth. The Rotary Foundation has consistently achieved remarkable milestones, from eradicating Polio to empowering farmers in Rajasthan. This year, our initiatives to enhance soil quality and boost water access, enabling farmers to cultivate multiple crops annually, will surely attract non-Rotarians who share our vision and compassion, driving sustained and robust membership growth. These efforts exemplify Rotary's dedication to sustainable development and community empowerment.

Engaging our members is crucial to our success. We must thoughtfully design club activities and projects that add genuine value and inspire active participation. Activities that resonate with our members' interests and passions will strengthen their connection to Rotary and motivate them to contribute their skills and time. By fostering a sense of belonging and purpose, we can enhance member satisfaction and retention.

As Mahatma Gandhi wisely said, "Be the change you wish to see in the world." We all desire cleanliness in our cities, towns, and societies, yet we often hesitate to take action. I urge our club to adopt a street or location and commit to its upkeep under Project "सुविधि". This initiative will not only improve our local environment but also demonstrate Rotary's commitment to leading by example.

Let's unite to grow Rotary and make it irresistible. Our collective efforts can create a ripple effect, inspiring others to join us in our mission to serve and uplift communities.

Thank you, and let's spread The Magic of Rotary together. Let's lead by example, inspiring others to follow.

District Governor Tushar Shah Leads 3060 !

1 July 2024

The 1st of July, 2024 was a red letter day for RI District 3060, as District Governor 24-25 Rtn Tushar Shah and President Niddhi Pachhigar of RC Surat Tapi got installed in a glittering ceremony, which saw a huge gathering of dignitaries, Rotarians, family and friends from all over the district. The heavy rains, the traffic jams, potholes and metro work proved no deterrent to the vast number of Rotarians who attended the event.

The installing officer of the evening was PRID A S Venkatesh. The big and lengthy event was well planned and executed to perfection through the evening ending in a fellowship dinner. DG Tushar Shah and First Lady Nehal Shah, along with President Niddhi Pachhigar and all members of RC Surat Tapi were the best of hosts and left no stones unturned to make this event a success.

"Engagement with Rotary is more important to just attendance in Rotary. A member who does projects or a member who donates his time but cannot attend meetings regularly is as important as the members who

attends meeting but is not so inclined to service. The new provisions by RI may have lead to relaxation in meetings, or bulletin frequency etc, but at the same time it has empowered clubs to decide what works best for them. Let's change age old trends and have the courage to change. Youngsters want more hands on, interactive Rotary rather than boring meetings." Said chief guest and installing officer PRID A S Venkatesh in a very truthful and assertive speech.

PRID Venkatesh advised the leaders of 24-25 "Look upon your post as an opportunity. You are here to make a difference! What you do with your year decides your success. At the end of the year the greatest award you can receive should come from yourself, as that will be the most truthful assessment". "Leadership lessons can be learned from a simple tea bag - the quality of the beverage is determined by the tea inside the bag, not by the label - the real flavour comes through only when the teabag gets into hot water - the string is the thing that keeps you in your place and the tea bag needs to go into the dustbin when it has done its job. Be like a tea bag and become successful leaders who know their own value."

District Governor Tushar Shah, the hero of the evening got installed as the leader of RID 3060, taking over the reigns from IPDG Nihar Dave, by the hands of PRID Venkatesh. DG Tushar, a committed and dedicated Rotarian, has worked hard to reach this milestone and his introduction highlighted his journey as a Rotarian and leader. In his eloquent speech he said "It's an overwhelming experience to lead the reputed RID 3060.

MESSAGE FROM PRESIDENT 2024-25 - RTN MANOJ SHAH

RESPECTED ROTARIANS AND FRIENDS

It is indeed a very great honour for me to serve as the 7th President of the Rotary Club of Chikhli River Front.

I would like to start off by reminiscing about our club's services which has become a topic of appreciation from all over. About its incredible achievement, about its various community projects. I would like to congratulate IPP Rtn Mehul Patel and Team Saarthi for completing 950+ service projects.

We started our permanent service project with Aksharyaan – Free Hearse Service which is service the community since past five years and then we never stopped. We had undertaken other permanent projects like Watering plants and trees, Manav Jyot- Wall of Humanity,

I have learnt so much, thanks to our past presidents, during district conferences and from the visiting delegates from RID 3060 for which I feel proud to be a Rotarian.

My emphasis would be to work hard to launch new projects for our club to serve the community and motivate youngsters to serve the community especially the Multispeciality Hospital Project at Alipore and our new project of Rotary Eye Hospital taking over. Our sincere thanks to the members of Alipore Social Welfare Trust and Rotary Charitable Trust Chikhli.

Our club has been built on a strong leadership foundation, and I am fortunate to have a membership that is fully committed to the Rotary ideal of Service Above Self, and continues to go the extra mile in building the club, and carrying out the many worthwhile projects that we undertake for the benefit of our community. As we increase our presence in the community it will help us in increasing our membership. We will do so in a way that continues to foster the incredible fellowship we have in this club. To increase our presence and increase membership.

I must commend all the charter members especially the Presidents Rtn Swetal Desai, Rtn Hassan Mayet, Rtn Naresh Patel, Rtn Hitesh Patel and IPP Rtn Mehul Patel who had a **vision** of creating a vibrant club that would act and has acted by Rotary's standards of contributing positively to the society, and ultimately '*do good in the world.*' It's a proud day for me, it really is - this is a great Rotary Club and I follow in the footsteps of my Past Presidents who have laid the strong foundation of our lovely club. I intend to do my best and would like to thank IPP Rtn Mehul Patel and those before him for their hard work and the encouragement that they have shown to me - it's appreciated. To be fair, everyone has been encouraging which is perhaps a message in itself – watch out!

I am a Rotarian because I genuinely care about the welfare of people and the community and I see the need and opportunity to make a positive difference. In going down this road, I am fortunate enough to have a strong team of individuals with me. This in my opinion, is one of the main reasons we have a very strong club, a dynamic club and one that has transcended borders to be one of the best in District 3060. Won't you join me in making it even better?

Lastly, I would also like to congratulate each of the new Board members. Our fellow club members have shown their confidence in you and me by electing us to our respective positions, and I look forward to serving with you. I have already seen the energy, enthusiasm, and commitment that you bring to the Board.

"Our compassion and our ability to open our hearts to those in need combined with our commitment to share our time, talent, and treasures with those who are less fortunate is what causes ordinary Rotarians such as ourselves to do the extraordinary things that we do. It's what makes Rotary so magical."

Thank you very much! With best wishes and love

WHAT IS ROTARY?

Rotary is a global network of 1.4 million neighbours, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

WHAT WE DO

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 46,000+ clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies
- Protect the environment

OUR MISSION

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

VISION STATEMENT

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

DIVERSITY, EQUITY, AND INCLUSION

As a global network that strives to build a world where people unite and take action to create lasting change, Rotary values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, colour, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

YOUR TIME, ENERGY, AND A PASSION TO IMPROVE YOUR WORLD ARE ALL YOU NEED TO GET INVOLVED WITH ROTARY.

Become one of Rotary's people of action or explore the many opportunities we have for anyone — whatever your age or interest — who wants to improve lives in communities near and far. Connect with a local Rotary club to find out how you can get involved.
