'Mavericks Musings' are embarking into the new Rotary Year 2025-26 with added vigour and are accepting new challenges in the path of spreading the Spirit of the Rotary Service and the Independence Day of India. The new Rotary year for Mavericks has taken off with a bang of executing service project 'BRIGHTER HORIZONS' in the first month and kicking off another but unconventional project for the Rotary world i.e. one year long PEP UP - WELL BEING i.e. Mental Health project thanks to the initiative and involvement of committed Mavericks. Of course, the flag ship 'Aalambana', Rose Primary Learning Centre (RPLC) and other thematic projects too have taken off with a message 'Unite for Good' !

As we celebrate India's Independence Day, we honor the 'spirit of freedom' and 'service above self' that defines our nation's history resonating values and direction shown by our country's founding fathers.

While reminding ourselves about Rotary's service spirit as the beacon of unity which inspires us to

work together towards a better future. On this special day, let's reflect on the impact of Maverick's service initiatives, from giving a ray of hope from Aalambana platform to 100+ children, to financially supporting few meritorious students' higher education and providing healthcare to hundreds of children right from neonatal to intellectually challenged children. Hopefully, 'vision for all' & '250 light for 25,000 lives' projects will be a reality in the new Rotary Year.

As we commemorate our nation's independence, let's also acknowledge the selfless service of Rotarians who have made a difference in their communities.

Their efforts are invested to improve the lives of those around them thus fostering a sense of community and social responsibility.

Let's continue to embody the spirit of dedication & commitment by RCHM in working together to build a brighter future for all.

I am confident that the new leadership team of Rotary Club of Hyderabad Maverick led by the new President Rtn Dr Suresh Babu will carry forward the significant legacy of the past five years.

# 6th Installation Ceremony

The Rotary Club of Hyderabad Mavericks hosted the 6th Installation Ceremony for the RY 2025 - 26 on the 7th of July at Hyderabad Golf Club, facilitating a seamless transition of the leadership, reaffirming commitment to the Rotary core values of service, fellowship and community impact.

The vibrant fellowship session gave a kickstart and enlivened the Rotarian spirit of celebration among the gathered Mavericks & guests.

The formal proceedings began with the call to order by Rtn Vanasri (the outgoing President), followed by the cere-

monial lighting of the lamp by the Chief Guest Rtn Dr S.V Ram Prasad, the District Governor, and the Guest of Honour Rtn

Raja Krishna, AG, Rtn Dr Suresh Babu (Incoming President), Rtn Vanasri, Rtn Laxminarayana (outgoing Secretary) and Rtn Madhavi (Incoming Secretary) in the presence of enthusiastic gathering.

Rtn Mrs Vanasri addressed the gathering with the heart-felt reflections of the successfully completed Rotary year, highlighting the projects and events. It was followed by the presentation on the year-long events/celebrations/fellowship meets/projects, by the outgoing Secretary Rtn D. Lakshminarayana. Service Projects Director Rtn Ajay Kumar gave an online presentation of the CSR, GG and other projects, executed during 2024-25.

New President Rtn Dr Suresh Babu was installed by formal collaring and handing over the Rotary gavel by the outgoing President Smt P. Vanasri. It was then followed by administering of the oath and handing over of the Charter and collar by the DG, followed by the handover to the new Secretary Rtn Mrs Madhavi Nalluri. Pinning of the Board of Directors was the next activity, administered by Governor Dr SV RamPrasad.

The Club has recognised the significant contribution by a few Directors with symbolic mementos of gratitude &

appreciation.

In his acceptance speech, President Rtn Dr Suresh Babu presented his vision for the year, aligned with the Rotary International theme "United for good", his focus for the year includes impactful service initiatives and the maximum member-engagement.

Guest of Honour Rtn Raja Krishna's touching words encouraged the fellow Rotarians to make a difference.

Chief Guest Rtn Dr S V RamPrasad delivered an inspiring key note address, emphasising Rotary's pivotal role in Polio eradication and also to encourage women members into the system driving for more collective impact.

The ceremony concluded with a heartfelt Vote of Thanks by the Charter President Rtn D. Amarnath, who incidentally received contributions by fellow Mavericks to our Flagship project "Aalambana".
