

Installation Edition

Rotary International President Rtn. Shekhar Mehta

I wish each of you and your families a great Rotary New Year! Together, let us make it the best year of our lives, by making it a year to grow more and do more. Let this be a year of changemakers, and let us begin with our membership

That is precisely why the Each One, Bring One initiative is so important. During this year, I urge you to dream of new ways in which Rotary can expand its reach into your community and therefore the world. If each member introduces one person to Rotary, our membership can increase to 1.3 million by July 2022. So, let's just do it! Imagine the change we, as Rotary members, can make when there are so many more of us! More people to care for others, more people to Serve to Change Lives. Think of the impact we can have through grow more, do more. More members will enable us to embark on bigger and bolder service projects. And each of us can also continue to serve in our own personal ways, responding to needs in our communities.

The beauty of Rotary is that service means different things to different people around the world. One element, however, that we can incorporate into all of our service initiatives is empowering girls. Unfortunately, even in this day and age, girls and young women face disproportionate challenges all over the world. We have the power to lead the charge for gender equality. Empowering girls and young women to have greater access to education, better health care, more employment, and equality in all walks of life should be embedded in every Rotary project we launch. Girls are future leaders, so we must ensure that we help them shape their future.

The biggest gift we are given is the power to touch a life, to change, to make a difference in the circle of life. If we can reach out with our hand, heart, and soul, the magic will start to happen as the wheel begins to roll. Let's turn the wheel together so all humanity thrives, we have the power and the magic to serve to change lives.

These are challenging times, and I complement each of your efforts in grappling with COVID-19. No challenge is too big for Rotarians. The bigger the challenge, the more passionate the Rotarian. Look at what we can do when we take on a colossal challenge such as eradicating polio. Look at the millions of lives we improve by strengthening access to water, sanitation, and hygiene. Look at what we do every year to promote peace in places where it seems unimaginable. Our basic education and literacy programs have nation building impact. This year, let us challenge ourselves to do more such projects and programs that have national reach and impact. This year, let us serve to change lives.

**Message from District Governor 2021- 22
Rotary International Dist. 3190
Rtn. Rtn. Fazal Mahmood**

Hearty Congratulations to you and your team of Club officers on assuming office to 'Serve to change Lives'. We wish you and all your members a glorious Rotary year 2021-22. I am sure all of us are delighted to be on the anvil of yet another Rotary Year of service to humanity together with strengthened fellowship & friendship. Each & every one of you is a Changemaker - and this is your platform. Remember always what R I President Rtn. Shekar Mehta emphasises; "it is not the magnitude of what we do that matters, it is the attitude with which we serve that matters".

It is with this commitment that Rotary International has served humanity for the last 116 years & has thus far impacted millions of lives globally. I am sure you have all your Club plans & programmes firmed up to ensure another meaningful & a purposeful Rotary year. In this process, please engage all your members, their respective spouses and in fact, their entire family to partake in the activities of the Club throughout the year to augment fellowship among the families. Empower your team & every member to embark on projects & programmes that will make a difference to the society as we Expand our Reach, increase our Impact, Enhance Participation Engagement and Increase our Ability to Adapt. After A lot of deliberation our District team has come up with various plans & goals, we seek to achieve this year. These goals can be achieved only through your active participation to make them happen. 'HOSA BELAKU' - is a special project so dear to me. Under Hosa Belaku my dream is to implement projects encompassing all the 7 focus areas of Rotary with special emphasis on girl empowerment to help the underprivileged belonging to the rundown neighborhood in Namma Bengaluru. Let us join hands & work together in our goal to change lives of these underprivileged neighbors in the course of next 365 days, qualitatively. Each & every day of this year should be a day we dedicate to be the Changemakers in the lives of our fellow human beings. Once this year is through, we should be able to look back with pride & say "Yes, I am indeed a Changemaker Rotarian and I made this dream come true." 'SAHAYOGA' is yet another programme that encourages your Rotary Club to partner with another Bangalore based Rotary Club to tie up with an outside Bangalore based Rotary Club to extend your helping hand to serve the local community. This I am sure yields enormous Rotary dividend to everybody's satisfaction. Dear Changemaker, collaborate with your partners in service, NGO's, CSR partners to increase the bandwidth of your offering to serve the community. As Changemaker our priority in the Rotary year 2021-22 is to Serve to Change Lives by Engaging with our fellow Rotarians, their families, communities we serve, the stake holder we work with and see to that we Empower all of them and then work in Collaboration to Celebrate Rotary. Wishing you & all your members once again, a wonderful Rotary Year to "Serve to Change Lives"

Yours in Rotary Service, Rtn. Fazal Mahmood & First Lady Rtn. Sabiha Fazal District Governor 2021-22 | Rotary International District 3190

**Rotary Club President Rtn. Subir Kumar Dhar**

Dear Fellow Rotarians,
The world is passing through difficult COVID19 times and we still do not have a visibility of how the coming days will unfold. In these tough times, the community, be it the students, small businesses, or the workmen, all are undergoing severe difficulties.

The Rotarians, Rotractors and Interactors have stood shoulder to shoulder with the community to support them to rebuild their lives.

Tough times are great teachers, and every organization and every individual is realizing that things are not the same as they used to be. We Rotarians have also learnt to cope with challenges, and are geared up to adopt new ways and means to contribute to society.

While the means of online communications, driven by technology, had always been there - but we at Rotary had never used it to the full potential. Today, there is a positive change - clubs are collaborating across the world, and exchanging ideas and opinions on a vast range of topics - be it culture, healthcare, education, nature etc. Club members are forming sister clubs, forging joint projects and attending each other's weekly meetings across the oceans. This is really amazing !

But, one thing has not changed a bit. That is, the sense of purpose to do good for society! I wish, on behalf of all our members, great days ahead!

**Rotary Club Secretary Rtn. Geetanjali Dhar**

Dear Fellow Rotarians,
It's been a Pleasure to have served as the Charter Secretary with 43 Projects we have opened Opportunities, now it's time that we all serve to change lives and shall also be the Change makers. One such change is to come out with a Monthly bulletin Connections

that will surely connect each one to the world of Rotary better & about our club to the world better Looking forward for all your support & participation for a wonderful 2021 - 22

Rtn. Mithun Prakash Prabhu ~ #EloquenceOfLife

Photography came to Mithun as a Natural gift, his Dad used to be a Hobby Photographer and he was fascinated since his childhood to take it up one day, but life was running in a fast lane always until a point where he felt it was like Right Walking into what he was created to do, it suited his personality his vision to showcase to the world what a normal Human eye misses to see in everyday life be it Nature, Culture, Life, Still objects and so on. He was amazed to see what a Camera Lens can see and make Wonders to let the world experience through his Photographs. They say Photographs are Still, Lifeless, but I disagree, ifs our duty to Freeze a Moment, an Experience, and make it a Lifetime Memory for you to "Relive" every day & Cherish all of it.

He has several awards and accomplishments to his credit. Namely, Winner of 65+ National/International Photography Awards & nearly 1900+ Acceptances by the National/International Photography Salons accredited by FIP, FIAP, cMoL, PSA, among others. He has also been conferred with various Photography Distinctions – India – AFIP & EFIP, International - AFIAP, Canada - cMoL, Bangladesh - A.APS & G.APS, USA – PPSA & QPSA, Romania - HON.CPE title for his accomplishment in the field of Photography. Moreover, he has contributed to multiple photography exhibitions including hosting his own Solo Photography Exhibitions, where the proceeds towards his images have been given for a noble cause.

Anyone needing Prints of any of these lovely pictures kindly contact Mithun Prabhu +91 9886625662

PROJECT : EACH ONE EDUCATE ONE

Our Approach

We undertake the following steps:

- Source information on the vulnerable children from Rotarians
- Validate the information, identify deserving candidates by Rotary e-Club of e-Connect.
- Get details for verification, recommendation from schools
- Amount disbursed to the schools or families, through bank transfers
- Identify a teacher in the school as a mentor, who will provide a quarterly performance of the child, and will be shared with the donor.

Goal of the Project

Continuing Education of children under financial distress due to Covid Crisis

Objectives of The Project

To ensure that school students from across India are able to continue with their formal education – in light of the economic hardships faced by the vulnerable families in current Covid crisis

PROJECT: REACH TO READ

We at Rotary E Club of E -Connect along with IT Nature Trust are raising funds for our project Reach To Read, which is about creating libraries in the remotely located government schools. The students in these areas don't get exposure to other reading materials apart from their academic subjects. We plan to create libraries where the schools don't have any library in the first phase with a kit of 200 books and then gradually taking care of the schools where they have a library yet need more books to cater to the students.

Kindly support our cause by donating and sharing our fundraiser. This is an opportunity to give back to the community by way of supporting the setting up of school libraries. Any Rs.10,000 (or multiples of) to set up a library and make a positive impact, an aluminum plaque (400mm X 300 mm) bearing the sponsor's name will be prominently displayed at the library. Please note, you can contribute any amount too and every amount is a big amount to reach our goal. It helps to harness the power of the crowd and word of mouth when people share the campaign with their networks. So we request you to please share the campaign, Thank you !

PROJECT: GREEN ZONE IN PRIDE VATIKA

With the environment being the new area of focus, Rotary E-Connect plans to create Micro-Diversity Parks in the next three years at multiple locations. The first one that will be created is on the outskirts of Bangalore, Butterfly Park.

The Park will be created on a half-acre land and the work of planting of host and nectar plant will start once the good monsoon starts around 1st week of June 2021. The MOU was signed on 7th May 2021 with our Club President Rtn Subir Kumar Dhar signing on behalf of our Club and Mr. Madhusudan, President of Pride Vatika Residents association.

This is an ongoing project. The fencing work is done and a total of 317 pits are prepared. Mr. Prashant Kumar, a supporter of Rotary E-connect coordinated with the forest nursery to get saplings of Honge, Tamarind, Jamun, and many other trees, which will be planted in a phased manner.

BLOOD DONATION CAMP

Blood is the river of life that flows in our bodies and importance of blood donation cannot be emphasized enough. India's blood requirement is about six million units per year, yet the blood banks are able to collect only about three million units per year.

This is a step from the Rotarians towards blood donations and saving lives.

Wellbeing Notes

BY RTN JONAKI THOMAS

- Self Care is NOT selfish.
- When you are mindful of your needs you are better able to support the people, you care about.
- Be smart and employ simple ways to manage your stress.
- Walk. Paint. Write. Exercise. Meditate. And DO reach out for help if you need it.
- No one can give what they don't have themselves.
- So have a healthy relationship with your OWN self to share healthy connection with everyone around you.
