The Downtowner

Club President's Desk

Rtn Shantaram Shet, Club President 2024-25

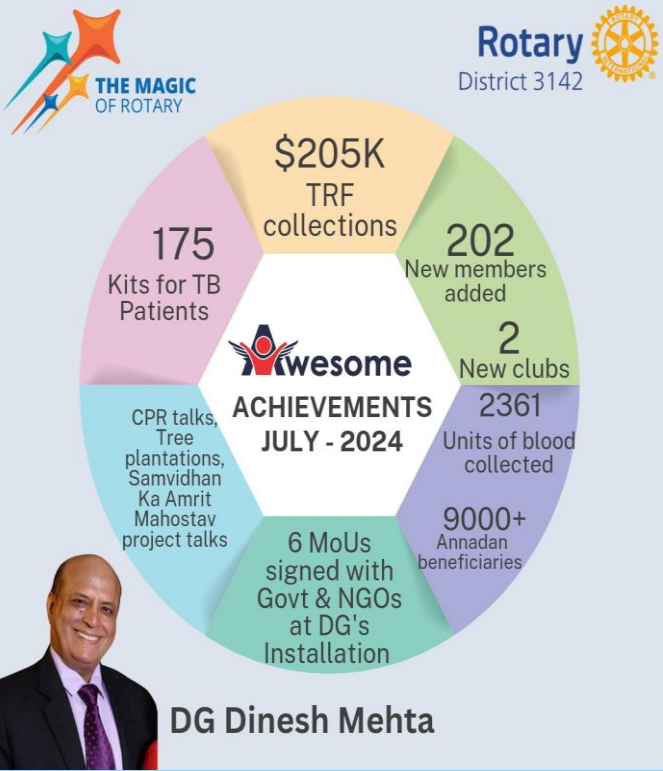

Dear Downtowners!!!
Awesome Pranam to All!!!

Greetings for the festive season!!! Hope everyone is well.

In the last edition of the Downtowner, I had talked about making our club vibrant and one of the top clubs in the district. A club is as good as its members. Why is India a top cricketing nation, it's because of cricketers like Sunil Gavaskar, Kapil Dev, Mahendra Singh Dhoni, Rohit Sharma, Virat Kohli etc. The point that I am making is that members are the key component of any Rotary club. Fellowship, Membership, TRF and PR/PI are the pillars of Rotary. Ensure that you attend all weekly meetings, Ann ke Sath Ana meetings, family nights, Project meetings etc. Introduce your friends and family to Rotary and help increase membership of the club. We are a service organisation. Ensure that you contribute towards TRF and the projects taken up by the club. You should be the brand ambassador of the club.

I would like to appeal to the BOD and members to participate wholeheartedly towards the club activities, may it be project planning and execution, events planning and execution and overall management of the club. My commitment to all is that I will keep the flag of our club flying high. KARNA HAI TOH KARNA HAI!!!! I need the support, guidance and volunteering by you all.

Cheers...
Rtn Shantaram Shet

The Rotary Foundation

Building a Better World, One Contribution at a Time

Huge congratulations to our top 5 TRF contributing clubs in July!

Your generosity is making a real difference in the world.

**RC Thane Downtown | RC Dombivli East
RC Amarnath North | RC Thane Hills
RC Thane North**

District 3142 has achieved an AWESOME feat with a staggering US\$205,000 in TRF contributions for July 2024!

This incredible accomplishment reflects the heart and dedication of our Rotarians.

#Rotary #TRF #District3142 #MakingADifference

New Major Donors Honored with the "TRF Badge of Gratitude"

We applaud our new Major Donors for their dedication to the Rotary Foundation.

The DownTowner

Past Presidents Reflections on Basic Education & Literacy at Rotary. PP Rtn. Shirish Khanwalkar.

In the field of Education, Rotary's goal is to strengthen the capacities of communities to support the basic education and literacy, reduce gender disparity in education and increase adult literacy. Rotary supports education for all children and literacy for children and adults.

Rotary tries to achieve this goal by taking following actions:

- # Mentoring students - Rotary connects the mentors in various fields with students and guides them to choose the right career considering their aptitudes.
- # School4freedom - Rotary uses this strategy to educate the students and adults to fight for their rights and get rid of modern slavery like debt bondage.
- # Coaching teachers - Rotary joins hands with many NGOs to coach the teachers so that their teaching methods are improved and ultimately result in better learning experience for the students.
- # Educating refugees - Rotary has taken initiative, in places like Nigeria, to rebuild schools and reconcile students in war affected areas, so that their education is continued.
- # Rotary Scholarships - The Rotary Foundation supports education thru scholarships, donations and service projects around the world.
- # Adult Literacy - Rotary members fight adult illiteracy by working with local advocates to offer community literacy programmes.
- # Teacher training - Rotary members share their knowledge and experience with educators and other professionals who work with vulnerable populations.

Rotary India, under its programme, **Rotary India Literacy Mission (RILM)**, aims to impart functional literacy to non-literate adults (15+ age) across India towards increasing national literacy rate beyond 90%.

RILM uses two-fold strategy for achieving this goal:

- ❑ DIKSHA - each one teach one (EOTO) and
- ❑ VIDYA - Each one teach many (EOTM).

RILM has also designed a comprehensive programme called **TEACH**.

- T** - Teacher support
- E** - E learning
- A** - Adult literacy
- C** - Child development
- H** - Happy schools

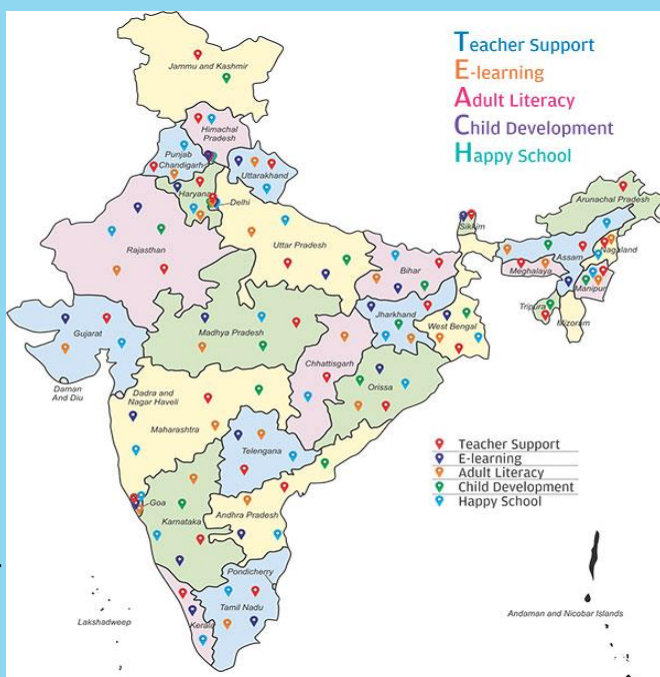

BASIC EDUCATION AND LITERACY

Each of these programmes has a specific focus and is interlinked to achieve a common goal of bringing total literacy and improving the learning outcomes of primary education.

The Rotary Club of Thane DownTown has contributed immensely, in the last few years, by constructing class rooms, dormitories for school children, providing computer infrastructure in schools and conducting teaching programmes for parents of school children, etc. Our **latest CSR Grant Project of Setting up STEM (Science, Technology, Engineering, Mathematics) based innovation hubs** within schools and community center's for economically challenged children, in semi-rural areas of India is another such initiative to achieve this Mission.

Geographical Reach of TEACH in India.

Club Meetings

Club Meeting, 3rd Aug 2024 – The 1st Club Meeting for the month of August was conducted on Saturday, 3rd August, 2024. Our esteemed Speaker Dr Tanvi Dingankar a Psychologist, spoke on the Topic “Forgetting To Remember”. Dr Tanvi discussed about the various memory issues faced by people in general and provided tips that can be followed to help improve our memory as we age, which was very informative and helpful to all the participants/attendees.

Board of Directors Meeting, 4th Aug 2024 – The BOD Meeting was conducted on Sun, 4th Aug 2024 at Awesome Membership Director, PP Rtn Rajesh Mittal’s residence.

The DownTowner

Club Meetings

Club Meeting, 10th Aug 2024

The Speaker **Dr. Chandrashekar Chawan (PhD/FSLs/FAAO)** spoke on the topic **“Glamour in eyes”**. He talked about general eye conditions as well as advance Technologies. He also spoke on Gold and Diamond eye jewellery as well as shared his experiences with Bollywood films, actors, and actresses and lastly, he covered his innovative, but important services of facial aesthetics to make our life, beautiful and fulfilling.

Our **Club meeting** on **17th Aug 2024** featured **Mrs. Shyamala Chandrasan, Certified Pranic Healer & Trainer**. Our distinguished speaker delivered an insightful talk on the topic **“Spiritual Wellbeing,”**

She spoke on how energy permeates around us. Also how **Pranic Healing** can enhance our overall well-being, home, relationships & productivity. She also spoke about aura's and energy chakras and their importance for leading a better & balanced life.

All the participants/attendees also experienced a blissful yet powerful Twin Heart Meditation⁶ technique guided by the speaker.

Collaborations

Our Club has partnered with the Rotaract Club of Thane Downtown for Project **Circle of Love** ❤️ 6.0, Phase 1, to make a meaningful impact in the lives of transgender individuals.

As part of this initiative, we have donated essential kits valued at ₹1,000 each, with each kit including a saree, a raincoat, and groceries.

Thanks to the generous contributions of our club members, we have been able to support 10 beneficiaries.

DownTown Times – A Glimpse into Club Happening's

15th Aug Independence Day Celebration at Yashodhan School

On the event of Independence day flag hoisting and prize distribution for Std 10th Students was conducted at Yashodhan School. We thank PP Rtn Prakash Rao and Rtn Pranav Bhosekar for sponsoring the Prizes for these students.

The session on "Powering Change: Regulations for Electrifying Transportation" delved into strategies to tailor bus services for niche tourism segments, ensuring personalized travel experiences. Moderated by Bhaumik Gowande, Associate Researcher at ICCT, the panel featured industry leaders like Prof. Shivanand Swamy (CEPT), Ashok Agarwal (Sun Mobility), Prof. Ashish Verma (IISc), and Ravi Gadepalli (The World Bank). The discussion highlighted how effective regulations and innovative approaches can elevate customer satisfaction, promote sustainable tourism, and advance electrification in the transportation sector. The International Council on Clean Transportation (ICCT) India served as the Sector Knowledge Partner for this session. #Prawaas 4.0 #passengermobility #smartsustainable #bengaluru
