JULY 2024

PROGRAM OF THE MONTH: MEGA HEALTH AWARENESS PROGRAM

FROM SECRETARY'S DESK

Rtn. Goutam Mandal

*The foundation upon
which Rotary is built is
friendship; on no less
firm foundation could it
have stood.*

Paul P. Harris

Rotary Club of Calcutta Amory, as it say, is just “old wine in a new bottle”. Our club is comparatively new, but our members are very experienced and have already served in various club and district posts.

We believe that we can do small things with great love. Our purpose is to spread the message of giving back to society in whichever way possible.

This year, we planned to work with our RCC on various projects, especially in the areas of health, literacy, and environment. Adhering to the theme for this year, Magic of Rotary, we have planned to spread the magic through our work and dedication to mankind.

PROJECTS FOR THE MONTH

HEALTH CHECK-UP CAMP

July 1st, is the first day of the Rotary Calendar Year 2024-25, and is also celebrated as Doctor's Day.

What better way to mark both occasions by organizing a unique event - a Health Check-up Camp combined with a celebration to honor the doctors, the lifeline of our society.

Calcutta Metro City and Calcutta Amory jointly organized the camp with laboratory partner Agilus>>> at Mahamilan Math, Dunlop.

MEGA HEALTH AWARENESS PROGRAM

The 'Mega Health Awareness program' is not just a project, but a significant initiative of our club Calcutta Amory, as we all strive towards a Healthy Society.

As the saying goes, 'A Healthy Nation is a Wise Nation.' It's not just a duty but a responsibility that we are empowered, as members of our society, to fulfill and ensure our society's good health.

Our eminent speakers:

Rtn. Dr. Ramendu Homchaudhury - DG 2025-26

Rtn. Dr. Dhritiman Moitra - Secretary 2024-25 of RC Calcutta Charnock City

Dr Satadru Biswas - Consultant Oncologist, Apollo Multi-speciality Hospital

It was an honor to have Rtn. Tapas Bhattacharya, DG 2026-27, as well, in spite of his busy schedule. Hearing Tapas da speak on the latest Polio Initiatives is always a privilege.

Having such a panel of doctors on one platform is an honor.

Our district officials were present:

Rtn. Arkoprovo Ghose

AG, Zone 3

Rtn. Dr. Arabinda Ray

Chairman, Thalassemia awareness & prevention

Rtn. Shubhojit Roy

Advisor

Thalassemia awareness & prevention

It was a great gathering and a very interactive session as well and beautifully curated and hosted by Rtn. Sujata Chatterjee.
