Cervical Cancer and Health Awareness Program

The Rotary Club of Kalyan City, in association with GPlus Heart Hospital, conducted a Cervical Cancer Awareness Program at Saint Jude High School, Kalyan, on December 4, 2024, at 11:00 AM. This initiative aimed to educate young girls and women on cervical cancer, its prevention, and overall health and hygiene practices.

Expert Sessions : The GPlus Heart Hospital team led an informative session on cervical cancer, addressing its causes, prevention, and the importance of regular health check-ups. They actively engaged with the audience, clearing doubts and dispelling myths related to cervical health and hygiene.

Rupali Thakur conducted a session on Urinary Tract Infections (UTIs), focusing on their causes, preventive measures, and long-term health implications. This was followed by an interactive discussion moderated by Madhuri, ensuring clarity and addressing individual concerns.

Participation : The program witnessed an overwhelming response with over 450 girls and female teaching and non-teaching staff participating enthusiastically. The interactive nature of the sessions ensured active engagement from the audience, creating an impactful learning environment.

Support from the School The success of this program was greatly facilitated by the dedicated efforts of Fr. Dominic, Ms. Deborah, Ms. Shirley, and Zone Coordinator Ms. Neeta Arthur. Their collaboration with the school and parish team was instrumental in organizing this event seamlessly.

Rotary Club Representation From the Rotary Club of Kalyan City, President Hycenth Bhetasiwala and Kashyap Raja represented the club and contributed to the program's organization and execution. They emphasized the Rotary Club's commitment to promoting health and well-being in the community, particularly for women and young girls.

The Cervical Cancer Awareness Program at Saint Jude High School successfully achieved its objective of raising awareness about cervical cancer and other critical health issues among young girls and women. It empowered the participants with knowledge to take preventive measures and prioritize their health. The Rotary Club of Kalyan City extends heartfelt gratitude to Vijay Rathod, GPlus Heart Hospital and the school's team for their support and cooperation. Together, such initiatives contribute significantly to building a healthier, well-informed community.

Sanitary Napkin Vending Machine Project

The vending machine installation was successfully executed with the support of Treasurer Rtn. Purva Kulkarni. The event began with a warm welcome by the school's Principal, Mrs. Bhavna Madan, who greeted the Rotary team with roses and a felicitation ceremony. The machine was demonstrated to the students and staff, ensuring they understood its operation and benefits. Machine Sponsored by : Yakub Bhetasiwala, Project Chair : Purva Kulkarni, Project Coordinator : Nikhil Parmar
