Nation Builder Award Ceremony

The Rotary Club of Kalyan City organized a significant event on 1st September 2024, at the Kalyan Mahila Mandal Hall, Kalyan. The program included the Nation Builder Award (NBA) ceremony, a Student Felicitation Program, and the New Member Induction. The event was graced by the presence of District Governor (DG) Dinesh Mehta as Chief Guest, Assistant Governor Jagdish Mhatre, and Chief Coordinator Kirty Vadalkar, along with the Principals and Headmasters (HM) from over 30 schools.

Nation Builder Award Ceremony: The day commenced with the Nation Builder Award, an initiative under the Rotary India Literacy Mission (RILM), aimed at recognizing and celebrating the exceptional contributions of teachers. A total of 31 teachers were honored with the Nation Builder Award. The project was chaired by Purva Kulkarni and coordinated by Jayshree Solanki. DG Dinesh Mehta, in his address, expressed profound respect for the educators, sharing motivational stories that highlighted the critical role teachers play in shaping the future of the nation.

Past President (PP) Yakub Bhetasiwala provided the purpose of the day, explaining the structure of the Nation Builder Award as a key program under the RILM and highlighting the importance of the Student Felicitation. He also mentioned the significance of inducting new members, emphasizing how their contributions would be crucial for the club's activities. President Hycenth Bhetasiwala gave a brief overview of the projects undertaken by the Rotary Club of Kalyan City over the past two months. She assured the audience of the club's continued support for the youth, schools, and teachers in the community.

DG Dinesh Mehta, during his address, shared inspirational stories tailored to both teachers and students, reinforcing the values of education, dedication, and service. His speech was well-received and left a lasting impact on the attendees.

Vote of Thanks and Conclusion: The event concluded with a vote of thanks and secretarial announcements by Secretary and President-Elect Nikhil Parmar. He expressed gratitude to all the dignitaries, members, and participants for their active involvement in making the event a success. Specially to the registration and food team lead by Mayur Popat.

Event Success: With over 200 participants, including teachers, students, Rotary members, and dignitaries, the event was a resounding success. The seamless coordination and execution of the program were evident, thanks to the efforts of the project chairs, coordinators, and volunteers. The meeting was officially adjourned at 12:30 PM, followed by a lunch that provided an opportunity for fellowship and networking among the attendees.

Student Felicitation Program

The focus shifted to the students, where 63 top-ranking students from various schools in Kalyan were felicitated. This segment of the event was chaired by Tanuja Kanthe, with coordination by Jayshree Solanki. The program was designed to encourage and recognize academic excellence among students, fostering a sense of pride and motivation. Dr Rupesh Gaiwad, Anushka Raja, Savita Kulkarni, Sushma Patel, Ramchandra Mandhane, Archana Mandhane and Annet Bhavya played important role in

coordination and announcement. The District Governor, in his speech, emphasized the importance of academic achievements and encouraged the students to continue striving for excellence.

New Member Induction

The Rotary Club of Kalyan City organized a significant event on 1st September 2024, The event also included the induction of 4 new members i.e. CA S P Jain, Vishal Jain, Ranjit Purohit and Malan Ambavane into the Rotary Club of Kalyan City. This induction was led by Membership Chair Kashyap Raja and Membership Development Coordinator Madan Shanklesha. The newly inducted members were warmly welcomed into the Rotary family, with the hope that they would contribute positively to the club's ongoing and future projects.

Educational App Coupon Distribution

Ideal Educational App Coupon Distribution Initiative by Rotary Club of Kalyan City at Muhammadiya English School, Kalyan on 19th September. In an effort to support students as they prepare for their crucial 10th standard exams, the Rotary Club of Kalyan City, launched a special initiative aimed at enhancing the learning experience. This initiative, which aligns with the club's commitment to educational empowerment, involved the distribution of app coupons to students. These coupons grant access to innovative educational apps designed to make learning more accessible, interactive, and enjoyable. The ceremony began with a warm welcome to all attendees, followed by an introduction to the purpose and significance of the project. The second batch of app coupons by our club was then ceremoniously released and distributed to the students. The coupons provide access to a suite of educational apps specifically designed to aid in the preparation for 10th standard exams. These apps offer a variety of interactive resources, including video tutorials, quizzes, and practice tests, which align with the students' curriculum. The Educational App Distribution Initiative by the Rotary Club of Kalyan City is a testament to the club's unwavering commitment to supporting the educational needs of the community. By leveraging technology to make learning more accessible and enjoyable, the club has set a precedent for how community organizations can contribute to the academic success of students.

'Exercise in Innovative Thinking' Workshop at Nehru Science Centre

On 24th September 2024, the Rotary Club of Kalyan City hosted a highly engaging and educational workshop titled 'Exercise in Innovative Thinking' at the prestigious Nehru Science Centre in Mumbai. The workshop, aimed at inspiring young minds, saw the active participation of 20 students from the Interact Club of Narendra English School, coordinated by their dedicated Advisor, Rtn Kashyap Raja, along with teachers from the school & Project Chairman Dr. Rupesh Gaikwad. The Second Batch of 'Exercise in Innovative Thinking' workshop was a resounding success, inspiring the next generation of innovators and thinkers. The Rotary Club of Kalyan City remains committed to providing such valuable educational experiences and looks forward to organizing more such initiatives in the future.

International Service Project

It was a pleasure to attend the meeting of the Rotary Club of Queenstown, Singapore on 1-Sep-2024 alongside President Hycenth Bhetasiwala of the Rotary Club of Kalyan City, RID 3142. We had the honor of exchanging flags with President Farouk Merchant of RC Queenstown, Singapore and interacting with Fellow Rotarians. During our visit, we shared the impactful community service projects undertaken by Rotary Club of Kalyan City and clubs in Rotary District 3142 and we look forward to collaborating on future initiatives with Rotary Club of Queenstown Singapore. (DPIC Yakub Bhetasiwala)

International Service Project

A sincere thank you to President Vikna Rajah, PP George Abraham, and PP Vincent for your warm hospitality during our visit to the Rotary Club of Raffles City Singapore on 3rd September 2024 at the Singapore Sports Club. It was a pleasure for both President Hycenth Bhetasiwala (Rotary Club of Kalyan City, RID 3142) and me to interact with fellow Rotarians and form new friendships. I had the honor to speak and give a presentation during the visit, sharing updates on the joint projects we successfully completed in 2018. I also proposed new initiatives, where the Rotary Club of Kalyan City looks forward to collaborating with the Rotary Club of Raffles City Singapore. Our focus is on supporting underprivileged children around Kalyan, particularly in areas of vocational skills, health, hygiene, and child care. We are grateful for the opportunity to collaborate on these important causes and hope to make a meaningful contribution toward the betterment of society! (DPIC Yakub Bhetasiwala)

RYPEN - Rotary Youth Program of Enrichment

Rotary Club of Kalyan City, in its continuous efforts to empower and enrich the youth, successfully organized a RYPEN session on September 19th, 2024, at the Muhammadiya English School, Kalyan. Subject: "Be a Responsible" The theme of the session focused on encouraging students to take responsibility in various aspects of life. The topics emphasized during the session were:

Responsible for Self?? Responsible for Parents?? Responsible for Family?? Responsible for School?? Responsible for Society?? Responsible for Our Culture?? Responsible for Religion?? Responsible for Our Country

Each section aimed to inspire the students to understand their roles in shaping their future and making a positive impact on society.

Speaker : PP Rtn. Jignesh Dave Renowned for his dedication to youth development, PP Rtn. Jignesh Dave delivered his 368th RYPEN session as the speaker. His vast experience and profound connection with young minds made this program an enriching and insightful experience for all participants. Through interactive discussions and relatable examples, he motivated the students to adopt responsibility in their everyday lives.

Student Participation: Number of Students: 225+ The program saw an overwhelming turnout of more than 225 enthusiastic boy students from the Muhammadiya English School. These young boys actively participated in the session, engaged in discussions, and showed a keen interest in the topics presented. Oath of Responsibility : A highlight of this RYPEN session was when all 225 students stood up to take an oath, pledging to become responsible individuals in every section of society. This ceremonial commitment symbolized their willingness to take charge of their actions and make a meaningful contribution to their families, communities, and nation.

Leadership & Organization : This impactful project was carried out under the leadership of President Hycenth Bhetasiwala with Rtn. Sushma Patil, Rtn. Archana Mandhane, PP Yakub Bhetasiwala and Ann Geeta Dave Each team member played a significant role in ensuring the success of the event. From planning to execution, the dedication of the leadership team was evident in the seamless flow of the program.

Ideal Educational App Coupon Distribution at Narendra Convent Highschool

In an effort to support students as they prepare for their crucial 10th standard exams, the Rotary Club of Kalyan City, under the leadership of District Governor Dinesh Mehta, launched a special initiative aimed at enhancing the learning experience. This initiative, which aligns with the club's commitment to educational empowerment, involved the distribution of app coupons to students. These coupons grant access to innovative educational apps designed to make learning more accessible, interactive, and enjoyable.

The coupons provide access to a suite of educational apps specifically designed to aid in the preparation for 10th standard exams. These apps offer a variety of interactive resources, including video tutorials, quizzes, and practice tests, which align with the students' curriculum. Impact: The response from the students was overwhelmingly positive. The students, who often face significant pressure during this critical phase of their academic journey, expressed their gratitude for this thoughtful gesture. The introduction of these educational apps is expected to greatly enhance their understanding of difficult subjects, thereby boosting their

confidence and overall performance. Teachers and parents also appreciated the initiative, recognizing the potential of these digital tools to supplement traditional learning methods and provide students with a more rounded educational experience.

Awesome District Onam Celebration

The seamless flow of the event, from the heartfelt lighting of the lamp, to the mesmerizing cultural programs like the Chendamalam, Kaikottikali, and the enthralling Kalaripayattu, made the entire experience truly unforgettable. Each performance was beautifully orchestrated and demonstrated the rich heritage of Onam, leaving everyone in awe. The thoughtful and engaging content throughout the event, especially the Onam Story and Malayalam songs, truly resonated with the spirit of unity and festivity. The dedication to detail was evident in every segment, culminating in a grand celebration. Moreover, the Onam Sadya was a culinary delight! The delicious, traditional feast was the perfect way to conclude the day, leaving us all with satisfied hearts and appetites. A special thanks to all the members of our club and family members for attending in such large numbers and it was a pleasure to be a part of such a vibrant celebration.

TRF Seminar

Honored to be part of the TRF Seminar of District 3142, where myself and Yakub Bhetasiwala were recognized for our contributions to The Rotary Foundation (TRF) and our commitment for the year ahead! A special moment as TRF Trustee Chair Mark Maloney alongside Trustee Dr. Bharat Pandya and Dist Governor Dinesh Mehta personally presented the award. Grateful for the recognition and inspired to continue making a difference!

- Hycenth Bhetasiwala (President)

RYLA

Heartfelt congratulations to Omkaar Shinde and RC Kalyan City for participating in spectacular District RYLA! Zara Hatke which was full of energy, teamwork, and flawless execution. Thanks to Kashyap Raja and mother of Omkar, Ashwini Shinde for whole hearted support.

ROTARY CLUB OF KALYAN CITY

"Paatradaan"

The Rotary Club of Kalyan City undertook a remarkable and impactful initiative on 25 September by conducting the "Paatradaan" project at the Navjeevan Centre for Rag pickers children in Kalyan . This project was designed to address a crucial and often overlooked need within these institutions—the provision of utensils. Members of the Rotary Club, along with volunteers, gathered at the Navjeevan Centre to distribute the utensils. The event was met with gratitude from the management , who expressed their appreciation for the thoughtful contribution. The success of this initiative was made possible through the unwavering support and sponsorship of Club Secretary Nikhil Parmar, whose dedication ensured that this project would not be a one-time event but would continue on a monthly basis. This ongoing commitment will extend the benefits of the "Paatradaan" project to other needy institutions in Kalyan and surrounding areas.

Good Touch vs Bad Touch Seminar and Workshop

Rotary Club Of Kalyan City and The Muhammadiya English School in Kalyan recently hosted a Good Touch vs Bad Touch seminar and workshop, led by renowned trainer Geeta Dave. The event aimed at educating students on the critical aspects of safe and unsafe physical contact. Through interactive sessions and videos, students gained essential knowledge on recognizing and responding to inappropriate behavior. The seminar addressed the growing concerns around harassment cases, particularly involving girls, emphasizing the importance of awareness and personal safety. Special thanks were extended to the school's teachers, management, and staff for their support in organizing this vital event. The initiative demonstrated the school's commitment to creating a safe and informed environment for its students. Special thanks to Geeta Dave for her insightful and impactful presentation during the Good Touch vs Bad Touch seminar at Muhammdiya English School, supported by Rtn Jignesh Dave. The event also saw the active participation of Hycenth Bhetasiwala, Rtn Sushma Patel, Rtn Yakub Bhetasiwala, and Rtn Archana Mandhane, whose contributions helped make the workshop a success. Their collective efforts ensured that students received valuable education on this crucial topic, fostering a safer and more informed environment for all.

RYPEN Session on "Clean Air for Blue Skies"

On Monday, 30th Sep 2024, the Rotary Club of Kalyan City successfully organized a RYPEN (Rotary Youth Program of Enrichment) session on the important theme of "Clean Air for Blue Skies" at St. Jude's High School, Kalyan East. The event aimed to educate students about the importance of clean air and the impact of air pollution on the environment and public health. The program was held with the cooperation of the school's Principal, Father Dominic Savio, Science Teacher Sarita and the dedicated teaching staff. Opening of the Session The session was opened by PP Rtn. Yakub Bhetasiwala, who took the opportunity to introduce Rotary International to the students. He spoke about Rotary's global mission of service and highlighted Rotary's successful contribution to eradicating Polio, an inspiring example of how collective efforts can lead to significant societal benefits. Yakub emphasized that Rotary's focus on improving community health and welfare aligns well with the theme of clean air.

Interactive Session by Guest Speaker Rupali Shaiwale The key part of the program was an engaging and interactive session led by environmental expert Rupali Shaiwale from Paryavaran Dakshata Mandal. Rupali interacted with the students to make them aware of the importance of clean air, explaining the adverse effects of air pollution on human health and the ecosystem. She highlighted simple, effective methods that everyone can practice to contribute to cleaner air, such as reducing vehicle emissions, using public transport, and limiting the use of fossil fuels. To further deepen the students' understanding, Rupali organized a demonstration in collaboration with the Maharashtra Pollution Control Board (MPCB). A mobile calibration van was brought to the school, giving the students a rare, hands-on experience. MPCB Mobile Calibration Van Experience Students were thrilled to witness and learn about the Mobile Calibration Van used by MPCB for air quality monitoring and calibration. This van is equipped with PM10 and PM2.5 analyzers certified by leading international bodies such as EPA, TUV, and MCERTS. These analyzers are part of a Continuous Ambient Air Quality Monitoring System (CAAQMS) that measures particulate matter in

Impact of the Project The "Clean Air for Blue Skies" session successfully raised awareness among the students about the critical issue of air pollution and equipped them with practical knowledge about air quality monitoring. The live demonstration of the MPCB mobile calibration van added a hands-on dimension to the event, making it an unforgettable experience for the students and teachers alike. This RYPEN session is a part of Rotary's broader mission to foster environmental responsibility among the younger generation and empower them to take action for a cleaner and healthier future. The students learned that the van uses advanced online monitoring instruments to measure other air quality parameters like sulfur dioxide (SO₂), nitrogen oxides (NO_x), suspended particulate matter (SPM), and carbon monoxide (CO). In addition to air quality data, the van is also equipped to collect meteorological data, including temperature, humidity, wind speed, and wind direction, giving the students insight into how weather conditions affect air quality. The students, along with their teachers, had the opportunity to visit inside the van, observe the sophisticated instruments in action, and gain valuable knowledge about the methods used to monitor air quality. The experience sparked curiosity and interest among the students, making the learning process highly interactive and impactful.

Conclusion and Acknowledgments The session concluded with Rotary Club President, Hycenth Bhetasiwala, thanking the guest speaker Rupali Shaiwale for her invaluable contribution to the event. She also extended his gratitude to Principal Father Dominic Savio, teacher Sarita, the teaching staff, and all the students for their enthusiastic participation in this vital learning experience. President Hycenth further assured the school that Rotary Club of Kalyan City would continue to collaborate with the school and Paryavaran Dakshata Mandal to enrich the students' knowledge on important environmental issues. She expressed Rotary's commitment to making a positive impact in the lives of young people by providing educational programs and practical experiences like this.
