President Speaks...

Dear Fellow Rotarians, Partners and Friends,

As we come to an end of November, we are reminded of Rotary's unwavering commitment to "Doing Good in the World." The month is a celebration of our shared mission to uplift communities, support the vulnerable, and create sustainable change through service and compassion.

As the first day of the month dawned, we were informed about a massive fire that had erupted in the Bhangarwadi slums, in nearby locality. In keeping with the tradition of Rotarians, as the People of Action, our Club members swung into action to serve the victims. Assessing the immediate need, within our control, we took up Annapoorna project to serve food for the affected community. This service continued for 3 consecutive days. Our local members also helped in coordinating with the Fire Brigade helping them in providing access to his own buildings fire-fighting water supply, aiding the initial containment of fire.

November has been an extraordinary month for our club, marked by a series of impactful projects. This month, your club completed 15 projects benefitting over 1300 beneficiaries. Our Club's flagship initiatives of RISE (RCMSEP Initiative to Support Education) and RAW (RCMSEP for Animal Welfare) have continued uninterrupted, to serve the underprivileged mankind and suffering animals.

We celebrated Childrens Day on 14th November with a Ventriloquist show by an eminent artist. Our members realised that nothing can be better, than bringing smiles of the faces of the young kids. This has further strengthened our resolve to continue our service, with even greater vigour and passion.

Having formed 2 Interact Clubs & Rotaract Club, we joined hands with them in successful supporting & organising of projects aimed at enhancing skills on important topics such as Self-defence & First-Aid.

These projects are a testament to what we can achieve when we unite under the shared values of Rotary. Your dedication, energy, and generosity have brought hope and happiness to countless lives this month.

As we look ahead, let us continue this momentum, ensuring that our service reaches even more corners of society. Together, we can create a ripple effect of change, touching lives in ways that truly matter.

Thank you for your hard work and commitment. Let us keep striving to make the world a better place—one initiative at a time.

Yours in Rotary Service

Rtn. Jotinder Singh Ahluwalia.

ALL RELIGIONS SUPPORT ORGAN DONATION -Rtn LAL GOEL

Mumbai, November 21, 2024 – In an inspiring address at the Rotary Club of Mumbai Sher-E-Punjab, Rtn Lal Goel, Founder and Charter President of the Rotary Club of Organ Donation International and Chairman of the Organ Donation India Foundation and GYAN, underscored the universal endorsement of Organ Donation across all major religions.

The event, hosted at the Sher-E-Punjab Gymkhana in Mumbai, opened with a warm welcome by Club President Rtn Jotinder Singh Ahluwalia, followed by an introduction from Secretary Rtn Manoj Sinha.

In his keynote address, Rtn Lal Goel delved into the spiritual and humanitarian ethos of Organ Donation, citing teachings from various faiths. Drawing from the *Guru Granth Sahib, he referenced Guru Nanak Dev Ji's profound words:

"Where self exists, there is no God. Where God exists, there is no self." "The true servants of God are those who serve Him through helping others."

He explained how these teachings exemplify the Sikh Faith's support for Organ Donation as a selfless act of service.

Rtn Lal Goel expanded his discourse by highlighting the shared support for Organ Donation across Hinduism, Islam, and Christianity, showcasing an extraordinary interfaith consensus on this life-saving practice.

"The need for organ donation awareness has never been more urgent," Rtn Lal Goel emphasised, proposing the establishment of a Rotary Fund for Organ Transplantation in line with the Polio End Fund to help bridge the gap in access to life-saving procedures.

The session included an engaging interactive segment, with attendees enthusiastically participating and Rtn Lal Goel addressing various questions in detail.

The event saw the presence of several prominent Rotary Club members, including Rtn Naresh Khatri, Treasurer, Rtn Minishaa Oberoi, President-Elect & Rtn Dinesh Gupta, Charter Member of the Rotary Club of Organ Donation International amongst others.

Rtn Lal Goel presented the Rotary Club Flag to President Rtn Jotinder Singh Ahluwalia. Rtn Lal Goel commended the Members of the Rotary Club of Mumbai Sher-E-Punjab for their exceptional contributions to society and expressed gratitude for providing the platform to advocate such a noble cause.
