# *President Speaks...*

## **Dear RCMSEP Members,**

Month of August assumes a special significance for our RCMSEP. While Rotary Clubs around the world focus on membership in Rotary, it also happens to be our Birthday month. It was on 21st August 2023, that our Club got chartered. Congratulations on our first Birthday.

As we rejoice, it is also time to look back and thank all the members, who made the year worth celebrating. Efforts made by our IPP Rtn. Jasjeet Bhatia to rear our baby club and ensuring that it grows and takes wings can't be forgotten.

August is also the month when our dear nation achieved independence . It was on 15th August that we broke the shackles of slavery, dependence, oppression and subordination. Today, we stand tall, marching towards becoming the 3rd largest economy and achieving our cherished dream, where the world looks upon us as VISHWA GURU. Our club chose to share this day with the young students of R.C. Maruti School, to nurture the spirit of National Integration, amongst the students. We ended the month with 41 members, inching closer to our annual target of 50% membership growth target, in our 2nd month of the Vibrant year.

This month we completed multiple projects aligned with the theme of Annapoorna , promoting Basic Education & Literacy, Blood Donation, Disability to Ability, Serving the needy community etc.We also celebrated Rakshabandhan with the disabled members of the Cheshire Home.

I heartily thank all our members, partners for their active role in all the events,making it a successful month. May God Almighty, give us all the courage to continue with the spirit of 'Service Beyond Self'.

**Warm Regards**
