President Speaks...

Dear Fellow Rotarians,

With the dawn of the New Year 2025, it was time for Rotary Club of Mumbai Sher-E-Punjab (RCMSEP), to reinforce its commitment to serve the cause of humanity with even greater vigour and spirit of selfless service. January is an important month, where our nation celebrated its 76th Republic Day - a symbol of our nation's unity and democratic values. Besides completing multiple projects to serve the needy communities, our Club organised multiple separate events to mark this important day. These projects are also aligned with the mission of Rotary District 3141 on promoting National Integration and the RI focus area of "Promoting Peace & Conflict prevention". Initiatives were planned, to create awareness and sending out a strong & visible message to reinforce the spirit of nationalism, harmony and inclusivity in our community.

To instil patriotism and creativity among young minds, we organized a Colouring Competition for primary school students, to encourage self-expression and national pride.

The HARMONY Peace March along with young Interactors & Rotaractors, followed by impactful skits on peace promotion and national integration, was a powerful demonstration of unity, spreading the message of peace within our families, cities and our nation at large.

KESARIYA – A Beauty Pageant at Maruti School celebrated diversity and self-confidence among students, reinforcing the importance of inclusion and self-expression in shaping a progressive society. The theme of the project was 'To promote Beauty of the mind & the soul to serve the nation'.

Events were blessed and graced with the presence of distinguished guests including the local MLA, renowned judges from the Fashion & Acting field & dignitaries from our District. This helped in creating larger visibility and bolder impact of the initiatives, besides adding glitter to the events.

Through these initiatives, we have taken small, but significant strides toward fostering - Diversity, Equity, and Inclusion (DEI), the core values of Rotary International.

I extend my sincere gratitude to all members, volunteers, and partners who contributed to making these projects a grand success. Together, let us remain committed to meeting the goals of our great nation and the communities we serve, striving for a more united, peaceful, and inclusive society.

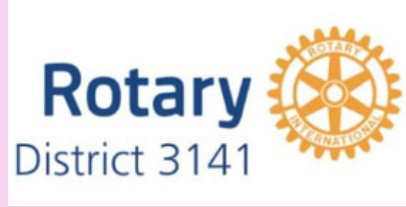

Yours in Rotary Service,
Jotinder Singh Ahluwalia
