OCTOBER 2024

District Governor: Rtn. Chetan Desai

Club Secretary: Rtn. Manoj Kumar Sinha

Club President: Rtn. Jotinder Singh Ahluwalia

Club Treasurer: Rtn. Naresh Khatri

President Speaks...

Dear Fellow Rotarians, Partners and Friends,

As we move through October, we reflect on the significance of this month in Rotary's calendar: **Economic and Community Development Month**. This theme resonates deeply with our club's ongoing mission to create sustainable opportunities and improve lives across our communities. October serves as a reminder of Rotary's commitment to fostering economic self sufficiency and empowering individuals, especially those in underserved areas, to become change-makers in their own lives.

This month, our club has undertaken notable projects that highlight our dedication to these values. Multiple **Annapoorna** projects were organised to serve free food packets to the migrant workers community living on JVLR streets. We successfully organised a Free **Breast Screening & Eye Checkup** Camp, reaching out to hundreds of needy persons in our community. This initiative was a crucial step towards promoting early detection and supporting women's health. By ensuring access to preventive healthcare, we work not only to protect lives of the needy and underprivileged community, but also to encourage well being that empowers families and communities alike.

In keeping with spirit of Diwali, we turned our attention to a special cause close to our hearts: spreading joy and comfort to children facing serious illnesses. In collaboration with SRCC Hospital District team, our team celebrated Diwali with young patients suffering from cancer and heart disease. For these children and their families, this gesture brought moments of happiness and a reminder of the unwavering support they have within our community. Moments like these bring to life Rotary's values of compassion and service, reinforcing the meaningful impact we can achieve together.

As the festival of lights approaches, I extend warm **Diwali wishes** to each of you, our dedicated members, partners, and all our supporters. May this season bring light, joy and prosperity into your lives and renew our shared spirit of selfless service. Let's continue to work together with hope and determination, reaching out to those in need, uplifting our communities and spreading light wherever we go.

Thank you for your unwavering commitment, and wishing you all wonderful and prosperous Diwali!

Yours in Rotary Service

Rtn. Jotinder Singh Ahluwalia.

Breast Cancer Screening Camp at Kalpataru Society

Breast Cancer is the most common cancer in India. It accounts for 28.2 percent of all female cancers. Its early detection is the only way to improve survival rates. The Breast Cancer Screening Camp was put along with Eye Check Up Camp. This was done in partnership with Chingari Shakti Foundation. RCMSEP will try and help individuals identified with abnormalities by providing timely treatment.
