President Speaks...

Dear Fellow Rotarians,

The month of September, is internationally devoted to the theme of 'Basic Education and Literacy' in Rotary. It is heartening to see the active role played by our club, in aligning with this theme and addressing the critical needs of education in our community. Rotary International's goals of supporting basic education aligns perfectly with our ongoing efforts, and I am proud to share the highlights of this past month.

Our club successfully completed 12 projects this month, impacting the lives of over 1300 beneficiaries across various communities. 7 of these projects were dedicated specifically to '**Basic Education and Literacy**'.

Our 'SMART GIRL' 2 day workshops conducted at 2 schools, was a bumper hit, with 68 schoolgirls undergoing a transformative program, covering 7 life changing sessions concerning the lives of adolescent girls. We also continued our support to Zila Parishad schools by donating 140 sets of text books to school students in adivasi tribal belt of Vikramgad. We also participated with RC Garden City, for the Bag-your-Desk project, which provides essential supplies and comfortable seating to young students, enhancing their ability to learn effectively.

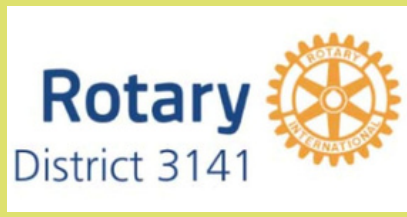

Furthermore, our club invested over 160 man hours in ensuring the successful implementation of these projects, reflecting the dedication and hard work of our members. With total expenses amounting to Rs. 2.7 lakhs, we are proud to say that these resources have been put to excellent use in uplifting individuals and communities through projects related to annapoorna & community economic development, besides education.

President Speaks...

In addition to these efforts, we celebrated Teachers' Day by recognising the exceptional educators at Guru Nanak English High School. Their commitment to shaping the minds of future generations is invaluable, and our dedication to supporting the broader education ecosystem.

As we reflect on this month's achievements, I want to express my gratitude to every member of the RCMSEP. Your passion, hard work, and generosity have made all of this possible. Let us continue to strive towards creating a more empowered society and may God continue to shower his blessings, so that we continue our journey along this noble path with unending commitment.
