The Magical Evening with RIPE Stephanie Urchick & RID Raju Subhramanian

Stephanie Urchick, RI President 2024-25

Rotary International President-elect Stephanie Urchick announced that the 2024-25 presidential theme is The Magic of Rotary and called on members to recognize and amplify the organization's power to save lives.

“Don't misunderstand me – we are not going to end polio or bring peace to the world by waving a wand and saying some funny words,” Urchick told incoming district governors at the Rotary International Assembly on 8 January. “It's up to you. You create the magic with every project completed, every dollar donated, and every new member.”

Urchick, a member of the Rotary Club of McMurray, Pennsylvania, USA, said she saw the magic of Rotary on display when she was helping install water filters in the Dominican Republic. Two boys were watching as dirty water entered the filter, then ran out clean at the other end.

“One of the boys grabbed my sleeve and said, ‘Show me the magic again,’” she said. “Obviously, the water filter wasn't magic. We worked hard to transport those filters, install them, and work with community leaders in the area to maintain them. But those boys knew that easy access to clean water would change their lives. Knowing that I played a small part in that certainly changed my life.”

DG Dinesh Mehta's Message

Dear Awesome President Swati Yeri and members of the Rotary Club of Thane Central
Greetings to all of you.

As we approach the end of another remarkable and Excellent Rotary Year , we prepare to welcome new leadership and embrace fresh opportunities to serve. Rotary's strength lies in its ability to adapt, evolve and inspire through the commitment of its members.

July 1st 2024 marks the advent of a new Rotary year - the Awesome Year.

It was legendary American President Abraham Lincoln who said " If you give me six hours to chop down a tree, I will spend the first four hours sharpening the axe " This is what Rotary Learning Facilitates for all of us. It prepares us for the Leadership role we are about to take on in the new Rotary Year. Lets begin the year with renewed energy and dedication. We now have goals and plans in place and it is now time to execute them to perfection.

Friends, Only if there is Magic in Rotary, will you find it awesome to be a Rotarian and only through Awesome service will there be Magic in Rotary

I urge you, therefore to develop an Awesome Mindset for yourself to create the Magic in Rotary

The District has designed an awesome 31 Ready Made Projects , which every Club is free to choose from
These are:

1. The Eight MEGA Projects
2. The First Lady led COLS CPR Project
3. TB MUKT RID 3142 , An initiative of GOI
4. The unique 12 Amrit Mahotsav Challenges
5. The Mega Mental Health, unique, initiative
6. The Eight JDS led Events
7. The Annapurna Project that commences 1st July 2024

In addition , in our drive to create Magic in Rotary , we should strive to ensure that every Rotarian donates atleast \$ 75 to the Rotary Foundation and enthruses atleast one new member to ask to be invited to join Rotary. The Key is not the Will to Win, ... everybody has that. To be a Winner, you must Plan to win, prepare to win and expect to win and to remember that Success is not final, Failure is not fatal but it is the courage to continue that counts. I truly believe that nothing of major significance is achieved by doing small acts of kindness. It is through impactful projects that make a substantial and visible difference to the life of the community that Rotary will truly gain respect.

As President, learn to embrace the journey, trust the process and believe in your abilities. Dream Big, work hard and surround yourself with good people.

Always remember that the only impossible journey is the one you never began and that what you do has far greater impact than what you say. Jyoti joins me in wishing you and the members of the Rotary Club Thane Central - a truly AWESOME Year!

-Awesome DG Dinesh Mehta

Outgoing President Speaks

Dear Members,

As the Excellent Rotary Year 2023-2024 comes to a close, I want to express my heartfelt gratitude to all Board Members and fellow Rotarians. After the sad loss of our beloved Piyalee, I appreciate the trust you placed in me by granting me the leadership of the club once again. Together, we have ensured that we achieved most, if not all, of our goals and pledges.

Thank you for your unwavering support and dedication,
Rtn. Madhavi Dole
Club President 23-24

Outgoing Secretary Speaks

Dear Friends,

Firstly, I would like to thank all fellow Rotarians, including President Madhavi and our club leaders, for giving me the opportunity to serve as Secretary of the Rotary Club of Thane Central.

I was delighted when President Piyalee approached me to take on this role for the year. We began the year with great enthusiasm and excitement, embarking on numerous projects. However, as we all know, everything came to a sudden halt due to a disastrous event.

Despite this setback, life must go on, and our work cannot stop, as many lives depend on our service and assistance. I sincerely appreciate the participation of all fellow Rotarians who were involved in various projects throughout the year, making our journey more fruitful and helping us achieve significant targets.

I congratulate the club leaders and officers of the year 2024-25, who will continue to make our club more vibrant, passionate, and aligned with our themes.

Thank you,
Rtn. Swati Nimbalkar
Club Secretary 23-24

Incoming President Speaks

I am very happy and proud to take over as the President of Rotary Club of Thane Central. But I will definitely mention that I have a lot of pressure on my mind too. Over the past thirty years, our club has achieved the reputation of being one of the best clubs in our Rotary region by reaching various heights. It is the result of the hard work done by all the past and former presidents and the whole hearted support given by the club members from time to time. It is the pressure of whether I can work with the same intensity. First of all I would like to thank all our members for putting so much faith in me and encouraging me to take up this role as President. This is the 31st year of Rotary Club of Thane Central. With my hard work and with your support and blessings I wish to make this year a very successful and honorable one in the club hierarchy. We have planned various programs under the motto of Rotary International this year Magic of Rotary and I know that you support it and I am sure that you all will give it to me.

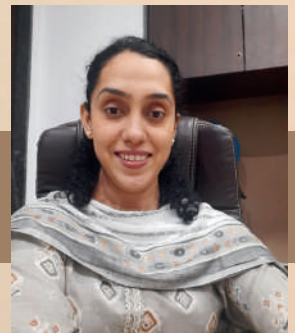

Our district governor Rotarian Dinesh Mehta has declared this year as an Awesome year. So let's do Awesome projects to spread the Magic of Rotary I in our community our vocation and profession. We have undertaken, some of the projects like Annapurna, Blood donation camps, vocational training courses like tailoring, nursing, beautician and other technical courses are also planned. A project has been planned to involve women from remote areas such as Jawhar, Wada, Mokhada, etc. because women in the villages are provided with the least opportunities.

I believe that every woman should be independent and should become self-reliant.

Also, We are going to publish a club bulletin every month which will keep members, other clubs and community around us updated with the work we are doing.
thank you.

The Magic of Rotary - From the Editor's Desk

The magic of Rotary lies in its ability to unite people from diverse backgrounds to make a positive impact on the world.
