ROTARY SOUTHEND NEWSLETTER DECEMBER 2020

Happy New Year

2021

R.I. President's Message

December 2020

As I look back on 2020, I reflect on how our lives have changed. The global COVID-19 pandemic brought pain and loss to many of us. And for almost all of us, our daily lives, family time, and work also changed this year. But we've made it to the end of this difficult year, not on our own but by reaching out to one another, as we always do in Rotary. With each passing year, I become prouder of our organization.

I will choose to remember 2020 as a year of great change and strength for us; Rotary didn't stop, despite the pandemic. We removed obstacles, found new ways to connect, and embraced new approaches to service, such as online projects and virtual fundraising. I have invited two

Rotarians to share their stories about how Rotary grew stronger this year.

When the pandemic shut everything down, our emerging e-club was already providing digital service, including internationally. Fourteen U.S. women and I, members of multiple Rotary clubs, were using WhatsApp to mentor women entrepreneurs in rural Costa Rica, helping them to grow their ecotourism business, RETUS Tours [the subject of the magazine's May cover story, "Nature & Nurture"]. The project has grown, with 30 Rotarians now providing consulting and help with the RETUS website and social media. Most importantly, we continue building relationships and empowering these women to transform their own lives, and we are doing it online. I've even helped one of the women, Rosa, prepare a presentation in English for an online international conference. While our engagement with the Costa Rican women still requires some hands-on activity, the most transformative impacts haven't had to be in person.

— Liza Larson, Rotary E-Club Engage and Rotary Club of Plano East, Texas

I was president of my club when COVID-19 hit, and many members didn't yet have Zoom. Only 10 of our 53 members participated in the first Zoom meeting during the pandemic. I thought that reaching out and getting guest speakers from around the world to engage our members would help. Many Rotary leaders, a Rotary Peace Fellow, and even RI President Holger Knaack visited virtually and spoke to our club. Meeting attendance improved, while we reduced running costs by cutting out meals. Some members who worked outside our city and had missed our meetings even rejoined us. Registering our online meetings on My Rotary enhanced contacts with clubs across the world, and the joint meeting addressed by Holger attracted more than 300 visitors. We also raised more funds as members and visitors contributed to our projects. To continue being flexible for all, we are now offering hybrid meetings. For me, 2020 has been the best year in Rotary as I've made many new friends.

— Blessing Michael, Rotary Club of Port Harcourt North, Nigeria

These stories should give us all reasons to be optimistic about Rotary in the year ahead. We are not just surviving; we are gaining strength. We are discovering how resilient our organization truly is. We are seeing for ourselves how Rotary Opens Opportunities — even during pandemics — to grow, connect, and engage our members and the communities we serve.

From our home in Ratzeburg to yours, Susanne and I would like to bid you and your family the warmest of season's greetings. We can't wait to see the good things that 2021 will bring.

Thought for the Month

Truth is a Big Force

- Truth can be your guide and support system
- Failure is bitter only when not preceded by hard work
- We can change the truth only by accepting it
- For a short period, it might seem that untruth is working, but in the end only truth and truthful people win.

Always be truthful in your conduct. Do not give in to the temptation to lie to get ahead in life. Let truth guide you and be your support system.

When faced with taking a decision, truth will help decide what to do, that is, take the truthful path.

When you fall, truth will be your support system. You will have the satisfaction that you put in your truthful efforts. The failure will not hurt as much.

Monthly Team Leader- December PP Rtn. Sumant Chadha

Dear Southend Rotarians, R'Ann's & Lords

December is a month when we bid adieu to the year and provides a bridge to leap into the future! It also is associated with Santa Claus, Xmas and spirit of joy and happiness. Therefore, selection of the theme for Team Dahlia was an easy pick – "Spreading Warmth and Cheer".

Cooking is one of the great gifts one can give to those you love. There was no better way to begin the month than have a special session of cook along with Payal Sanon – a superchef and an ex Anne. Payal, with great dexterity and passion demonstrated two great dishes – the legendary Sandwich Loaf and Date cake with Coffee Toffee Sauce – with meticulously explained recipes. Even the SouthendGenNext joined the session in large numbers. The moderator for the evening was none other than Anne. Sonia Arjun – who conducted this complex show with aplomb.

Moving ahead – we invoked the Divine Grace and had fabulous live – virtual- Darshan of the Arti from the Darbar of Mata Vashno Devi. The evening had also fabulous bhajans from the melodious voice of Singer Sanjay Jha. The programme was beautifully weaved by Anne. Ruchi Ahuja, with her repertoire of Shlokas to keep the tempo going. Before the event Anne. Sudha Gandhi, with the President and the First Lady visited the temple for Chhuni chadao and we also distributed Prasad, sponsored by some of our Rotarians, to all the members.

Next, Rtn. PP Sumant Chadha and the Mantri for the month, engaged, for the benefit of all our members, their friends and family, in a Fireside Chat with our very own legal luminary, Rtn. Ranjit Kumar, on an extremely important topic – "Significance of Wills and Succession Planning". The event was very successful

with lot of queries of our members being addressed by our learned speaker.

Meanwhile, the Annes had a special treat with a session

on "Plating and table setting for intimate get togethers" by expert Neha Jaipuria, exquisitely moderated by Club Secretary Rtn. Shubhra Chopra.

Christmas added warmth and cheer, when we distributed 150 plus specially embossed winter jackets to all the students of our skill development center- partly sponsored by Rt. Shiv Gandhi and Anne. Sudha. We continued to involve all our families in a Xmas tree decoration event – which also saw an overwhelming participation. Of course the highlight was the distribution of Xmas goodies – stocking with beautifully embroidered ornaments – sponsored by IPP Rtn. Hemant Bhasin, along with yummy chocolates – sponsored by our club President.

The finale of the month was the new year eve event with Live singing with Singer Aditya Jassi of the band The Unplugged. The evening was great fun with retro songs bring in 2021 with joy and hope for all of us.

PP Rtn. Sumant Chadha

INTERACT CLUB – Air Force Bal Bharati School

DECEMBER 2020 – REPORT

INTRODUCTION

Unprecedented, as this year has been, the coming together of Interact Club 2020 was far from the ordinary. Started as late as November 2020 with no formal inauguration, appointment of the core members, channelization of responsibilities, the emergence of the Club has not been without its challenges.

Nevertheless, from the very day of its formation, every member has shown unparalleled camaraderie and dedication towards upholding the Interact Club's sense of duty and honour and has worked ardently to keep the Interact Club of Air Force Bal Bharati School functioning as a single unit.

TALENT SHOW

The Interact Club of Air Force Bal Bharati School organised a **Christmas Talent Show** for students of classes 6 – 12 from 17 December 2020 to 25 December 2020.
