ROTARY CLUB OF DELHI SOUTHEND

Ration Support provided to flood effected community in Delhi by Rotary Club of Delhi Southend

Dear Southenders,

We kindly request your collaboration in this endeavor to provide relief to the flood-affected individuals in our community. The two organizations we have decided to support are "FRIENDICOS" and "STREE ROSHNI TRUST". Both organizations have been working tirelessly to provide aid to those affected by the floods and are in desperate need of assistance.

If you would like to contribute, please drop off your donations at the Rotary Southend Charitable. Alternatively, you can also make a monetary donation directly to the above foundations. We understand that times are challenging for everyone, but even the smallest contribution can make a significant difference in someone's life.

Thank you for your consideration and support.
