ROTARY CLUB OF DELHI SOUTHEND

Dear Southender's, We wanted to share an incredible experience which is nothing short of a God sent blessing. Our President, Rtn Siddharth, Sehgal received a random call from a visitor from Florida. She introduced herself as Dr Archana. She wanted to support an able institution and through some sources she learnt about your clubs skill centre and was intrigued by its work. After understanding about the project she expressed her desire to visit the skill centre and experience it firsthand. On the 24th of May, Dr. Archana, accompanied by her friend Dr. Manjul, visited the skill centre. They were warmly welcomed by President Rtn. Siddharth Sehgal and PP Rtn Amit Chaudhary, who took them on a tour of the facility. During their visit, they had detailed discussions about the progress and accomplishments of the centre so far. What happened next was truly remarkable. Dr. Archana and Dr. Manjul were deeply moved by the work being done at the skill centre. They recognized the value and impact of the centre's efforts and decided to make a generous contribution. On the spot, they donated Rs 1.00 Lakh each thereby enriching the skill centre by Rs. 2.00 lacs. Furthermore, they pledged to continue supporting the centre and mobilizing more resources for the benefit of the children. This act of kindness and generosity has left us all inspired and filled with gratitude. It serves as a reminder of the power of compassion and the impact we can make when we come together for a noble cause.

Dear Southenders, We are thrilled to announce that our club has joined the "Rotary Plastic Warriors" drive. Plastic is everywhere in our lives, from the moment we are born to the medical tools that save lives. It is crucial that we dispose of plastic properly. In collaboration with IPCA, an NGO, we are implementing the "Rotary Plastic Warriors" project to collect plastic waste from different locations in Delhi NCR. Southend plans to install a total of 5 plastic collection bins at Skill Development centres, schools in Saket, marketplaces etc. These bins will encourage people to deposit their plastic waste. To ensure efficient collection, Rotary Plastic Warriors vehicle will transport the plastic to a recycling unit.

I want to express my gratitude to R'Ann Manmit Chaudhry for helping a deserving student yet again by paying his college fees . Deeply obliged!!! The yearly fee is about ₹ 51,820. Thankyou soo much Manmit.
May Waheguruji continue to bless you with the best of the best.
