

# ROTARY CLUB OF DELHI SOUTHEND

## EVENTS DONE IN OCTOBER 2023-24

## The international exchange and meeting between the Rotary Club of Delhi Southend and the Ramla Rotary Club of Israel

It was truly remarkable! The act of exchanging Rotary flags is a powerful symbol of friendship and collaboration between Rotary clubs worldwide. Our club was thrilled to have the opportunity to meet President Rtn Zina Isakov, Director International Avenue Rtn Zipora Meir, PP Rtn Shimon Gonen, Representative from the district International Service Avenue Rtn Prof Yigal Komem, and Rtn Dr. Arnon Gat from the Ramla Rotary Club of Israel. Their presence at the meeting further strengthened our international Rotary relationship. We were even offered the opportunity to become twin clubs with the Ramla Rotary Club of Israel. These interactions are incredibly important in promoting goodwill, service, and understanding among individuals from diverse cultures and backgrounds. Rotary clubs play a pivotal role in fostering peace and carrying out humanitarian efforts on a global scale.

## Mata Ki Chowki

A Big Thank you to Rtn Shubh Passi family for their warmth & generosity for hosting a blessed Mata Ki Chowki on 20<sup>th</sup> Oct 2023 at her residence. Over 90 members attended the event.

A very heart touching project was done by our Club on 27th Oct 23 at the Yog Dhyam Foundation (YDF). This foundation provides care and support to underprivileged Children suffering from Type 1 Diabetes. It is Capital intensive due to the holistic approach wherein every aspect is codependent - the Nutrition with the medication and the diabetic education. Due to their outstanding work YDF is the only NGO that has been selected as a member of League of Diabetes which is a UK based International foundation. Our Club gave a cheque of Rs. 1,25000/- to the foundation to cover the annual expenses of 2 children suffering from diabetes. The programme put up by the foundation members and the talks by the Doctors were very inspirational. We thank R'Ann Bindia Chhabra, Taruna & Mehreen for their warm hospitality!
