FROM THE EDITOR'S DESK

*Rtn Vibha Gupta, Joint Editor
& Chairman Membership*

Dear Rotary family,

It has been an enriching experience to bring out this edition of Samvet Swar. This mammoth responsibility fell upon me since our editor-in-Chief PP Rtn Harshwardhan ji is recovering from an eye procedure. I wish him a speedy recovery. I feel I came a step closer to understanding the Rotary phenomenon and actually can feel the depth of the maxims like **'Rotary Unite'** and **'We Connect'**. Rotarians are people of action. Yes the club does promote fellowship but even that is an excise in knowing each other, communicating positively and plan projects. This is the only way to give in miniscule to the society and to the community when we draw so much from it each day. To enhance my knowledge of Rotary, I hit the internet and the most inspiring line that struck me there is **"We Solve Problems; No challenge is too big for us."**

This I understand is the spirit of Rotary. To take up challenges and then to challenge them with love and grit.

I wish the newly installed team all the best for a fruitful year 2019-20.
