Paul Harris worked as a newspaper reporter, a business teacher, cowboy, and travelled extensively in the U.S.A. and Europe selling marble and granite. In 1896, he went to Chicago to practice law.

One evening, after dinner, as Paul and his friend strolled through the neighbourhood, he was introduced to various tradesmen in their stores. MESSAGE FROM RI PRESIDENT

As we begin a new year of service, let us not forget the importance of every one of Rotary's members. You have been handed the reins of club and district leadership at an historic moment. Rotary has a chance to capture the world's attention and realize possibilities beyond our expectations. But we must build on the work that has come before us if we are to reach our goals, such as defeating polio and empowering girls and women. Rotary offers people of action a chance to connect and find belonging, and this fellowship gives us hope that we can create lasting change. But in the wake of the COVID-19 pandemic, more people than ever feel hopeless. Many have lost people close to them. Social networks have been uprooted and divisions have grown wider as opportunities for connection have been lost. To make matters worse, in many parts of the world, asking for help — especially in the realm of mental health — is considered a weakness. But nothing could be further from the truth. It is brave to be vulnerable and to admit you don't have all the answers. Reaching out for help is courageous — and continuing on a path towards wellness is even more so. Join me in making Rotary a source of strength for all of those who feel they have lost hope, within and beyond our membership. Let this be the year we Create Hope in the World, and let Rotary be known as an organization that takes care, not only of its members but of the people we serve as well. It is within your power to help bring peace and soothe those afflicted by conflict, both in their communities and in themselves. Remember that your work can and will Create Hope in the World.

Warmest Regards,

Gordon R. McNally

President

Rotary International 2023-24

MESSAGE FROM RI DIRECTOR

At the very outset let me extend my good wishes to all the Rotarians of D-3012. Dist. Directory is being the most important document in Rotary & very useful tool for communication. I must compliment you for your such initiative to publish this important tool. RY 2023 – 24 is marked as one the important period in the history of Rotary as most of the transformative changes would take shape after many years of exhaustive study on challenging aspects of Rotary. Our RI President (2023 – 24), Gordon McInally while releasing the theme “Create hope in the World” for his year, have expressed with great optimism the relevance of our organization to create hope in this world with our humanitarian services. I am sure you will come out with high quality publication in terms of its contents & aesthetic. Having gone through the same assignment, I understood the seriousness & sincerity required to make the unique document.

I wish a great success of this Dist. Directory which I am sure will have a longer shelf life due to it's rich contents.

Thanks with regards,

Yours-in-Rotary,

Anirudha Roy Chowdhury

MESSAGE FROM DISTRICT GOVERNOR 2024-25

My heartiest congratulations to you for taking up leadership of “Rotary Club of Ghaziabad Heritage “ and looking forward to a memorable Rotary Year ahead. The club guided by experienced senior Rotarians and ably supported by energetic youngsters, I am sure the year under your leadership will also achieve all the goals which are already set by you and your team. I hope, this “sky rocking year” will be remembered in the history of the Rotary club of Ghaziabad Heritage . The Rotary theme “Create Hope in the World” is a powerful reminder of the impact Rotary can have on communities and individuals around the globe. As a President of a prestigious club , Here are some ways you can help create hope in the world: 1. Engage in community service: Get involved in local service projects that address critical needs in your community, such as supporting education, healthcare, or environmental sustainability. 2. Support international projects: Collaborate with other Rotary clubs to fund and implement projects that bring hope to disadvantaged communities worldwide. This could include providing clean water, improving sanitation, or promoting economic development. 3. Foster peace and conflict resolution: Participate in peacebuilding initiatives that promote understanding, tolerance, and conflict resolution, both locally and globally. 4. Empower youth: Mentor and support young people through programs like Rotaract, Interact, or Rotary Youth Exchange, helping them develop leadership skills and become agents of positive change. 5. Fundraise for The Rotary Foundation: Contribute to the Rotary Foundation, which supports global grants, scholarships, and humanitarian projects that create hope and improve lives worldwide. Remember, creating hope is not just about financial support; it’s also about building relationships, raising awareness, and advocating for positive change. Together, we can make a meaningful difference in the world. Mukta joins me in wishing you, your team and members of Rotary club of Ghaziabad Heritage one more successful year in Rotary.

MESSAGE FROM FIRST LADY OF THE CLUB

Dear Fellow Rotarians Rotary Greetings

Communication is both expressive and receptive, and is vital to every relationship in life. The strength of our relationship with members is proportional to the extent we communicate our thoughts, ideas with each other. That is what that makes strong clubs with committed members.

I am sure that this club directory is not going to be just a piece of information but a way to stay in touch with other. A small message now and then, a birthday or anniversary wishes, routine hello, a right message at the right time can salvage crises and motivate people to work towards active participation to achieve peace through service.

Truly said, communication works but for those who work at it. Stay Connected.

Warm Regards

Anne Namrata Goel
