Rotary club of Dombivli.

Dear fellow Rotarians,

As I look back on 2020, I reflect on how our lives have changed. The global Covid-19 Pandemic brought pain and loss of many of us. But we have made it to the end of this difficult year, not on our own but by reaching out to one another, as we always do in Rotary. With each passing year, I became prouder of our organization. Rotary didn't stop, despite the pandemic. We removed obstacles, found new ways to connect and embraced new approaches to service,,such as virtual projects.

Vocational Service ask us to empower others by using our unique skills and expertise to address community needs and help others discover new professional Opportunities and interest .Our Rotary club of Dombivli has taken as lead host in Rotary Service week celebration in Youth activity. So be ready in live mode.

Lakshya Interact Conference. The idea of doing a big programme for Interactors was the dream of our President Rtn Sanjeev Tambe, as he began his relation with Rotary was in his school days as he joined as an Interactor in his school. It all began in 2019, before even he took up the office as President. He made sure DG Dr Sandeep Kadam gave him the permission and announced our programme in his list of District Projects. Best results are not achieved without efforts and with the Covid Pandemic our challenges were growing everyday. Earlier the Interact Conference was planned in August 2020 in a big Auditorium, were atleast 1000 interactors would be able to attend the programme. Our date came & went but we couldn't do anything as every thing was under lockdown and there was no sign of schools opening in next few months. Keeping in mind the safety of all, decision was taken to do the Conference Online Only. Our next Challenge was the Interact clubs of the schools had not started functioning with schools trying to cope with the new challenge of online classes. We had to wait till school starts thinking to start the interact activities. With starting of Unlocks, Rotary Clubs started with their Interact Activites. Times started turning better for us and finally 30th January 2021 was decided as the day when we will be executing our Lakshya Interact Conference. Rtn Ulka Savla was going to be the Convener with Rtn Radhika Shirali as the Co Convener for the event. A Committee was formed along with Rtn Rasika Modak, first Lady Deeplaxmi and President Sanjeev and we started organising online meetings for it. Our team started increasing as we started finalising the work loads. First Lady Deeplaxmi and Rtn Rasika

Modak helped finalise the Name Lakshya – Interact Conference and topics for the day. Past Rotaractor Illyas Salmani, Miss Mrudulata Shirali, Master Samay Tambe, Rtn Monalee Ghongate took charge of all the online designing of flyers and teaser. Rtn Ravindra Khanolkar, Rtn Chetan Gaikwad and Mr Manish Chauhan took charge of the technical team, making sure the programme is carried out smoothly. Rtn Chetan Gaikwad arranged for the Zoom meeting link, with a live telecast on You tube. Our young Energitic Rotaractors were our strong support throughout the planning process. Aboli, Shreya, Chitra, Icchha, Naveen, Akanksha, Shruti coordinated with all Rotary Presidents of the District. They made sure all the presidents and Moderators filled the Google form prepared, complied all the data together, and made sure all their queries were solved immediately. A continuous follow up with them till the final acknowledge with them was carried out by our rotaractors. Rtr Naveen searched and selected the audio visual clips to be shown on the day after every speakers talk. DG Dr Sandeep Kadam graced the occasions as the Chief Guest and PDG Dr Ulhas Kolhatkar and DGND Rtn Milind Kulkarni graced the program as Guest of Honour for the Inauguration and the Valedictory function respectively. Encyclopaedia of Rotary PDG Dr Ulhas Kolhatkar was our first guest speaker too, he spoke on “Rotary Structure, Visions and Targets, Leadership and Goal Settings”. Our Second speaker was Rtn Satish Bhojane and he explained on “Avenue wise types of Projects, PR for the projects, Blogs, Website Management and Internationa reporting”. Our third speaker was Rtn Girish Ghate and he guided us on the topic “ Exchange Programmes – Short term & Long term, and Scholarships and Awards by Rotary International for Interactors and Interact Clubs”. Our fourth speaker was Rtn Resham Thanekar and she explained her topic “Interact International Events and International Reporting” in a simple and easy way. Each of these speakers are full of information in their respective topics, it was a treat to hear these knowledgeable speakers. Our DG Dr Sandeep Kadam announced for a competition for the interact clubs, to prepare a presentation of the activities they do and the winning team gets a chance to present it at the DISCON happening on 16th and 17th April 2021.

मेरी कोई भी सखी बुढी नही हुई
सच्चाई में ढली है ।
सब अब भी मनचली है ।
कृपा है सब पे रब की
पर्वत से सब खड़ी है ।

ना दर्द कोई दिल में
छा जाए वो महफिल में
वो सब के काम आए
जो भी हो मुश्किल में

ना ही कोई है घमंडी,
ना ही पैसे का गुरुर
यारों के काम आये,
बस ये ही एक सुरुर ।

एक दुसरे पे जान ये
छिडकती है सब की सब
मिलते ही ये कहेंगी
फिर अब मिलेंगे कब

कोई पी रही है ग्रीन टी
कोई बन गई है साधिका
पर सब जी रहे है
मस्ती में उड रही है ।

बालों में डाय सबके
हाय हिल्स में सब मटके
लाली ये दोस्ती की
पर चेहरे पे छाई सबकी

बच्चे है बराबर के
और सब की सयानें है ।
पर शाहरुख से रणबीर तक
ये अब भी सबकी दिवानी है ।

हे प्रभु मेरा खुदा तु
इन सबको स्वस्थ रखना ।
जितनी थी कभी पहले
इन्हे और मस्त रखना
इन्हे और मस्त रखना ।
मेरी कोई भी सखी बुढी नही हुई ।
