About

ROTARY CLUB OF SONIPAT MIDTOWN

Largest Service Organisation in the World, Rotary is 119 years old. Our Club under the name of Rotary Club of Sonipat Midtown came into existence in June 1979 and was chartered on 23rd October, 1979 by the then District Governor Rtn. Prem Bhalla and DG Rtn. Harish Malhotra of the combined Rotary District 3010 (now 3011 & 3012) with the initial membership of 22 Rotarians, of course, most of them, Rotaractors. The RI Theme was 'LET SERVICE LIGHT THE WAY'. PDG Late Rtn. S.P. Sachdeva took the initiative and finally gave birth to our Club with the spiritual man, Late Rtn. Karam Singh Bansal as President. As envisaged in our constitution, we have to meet twice/four times a month. At present, Saturday was considered exceptionally good day for our Meetings.

We have the glimpses of multi-dimensional personalities over the year as our Club viz. Governor of Haryana, Sh. H.M.S. Burney, Former Prime Minister, Late Sh. I.K. Gujral, Sh. Karan Singh, Ms. Kiran Bedi, I.P.S. and Late Sh. Romesh Bhandari, Sh. Vinod Dua & Sh. Pawan Duggal (TV Artist) and many other VIPs have paid their visit to our Club. So much so, Past Rotary International President, Rtn. Rajinder K. Saboo has visited our Club.

Our Club also formed three new Rotary Clubs in our District viz. Rotary Club of Ganaur, Rotary Club of Sonipat Uptown & Rotary Club of Kundli. We firmly believe in qualitative growth. We have at present running strength of 106 Rotarians. We have sponsored College based Rotaract GVMITM College, Rotaract Ashoka University & Rotaract Sonipat Midtown and Two school based Interact at Droan Vidya Peeth School, Sonipat & GSSS (Girls) at Rajpur Ganaur. We have formed RVCs in our adopted villages, Shahzadpur, Shahjahanpur, Mohan Nagar, Rajiv Nagar and Sapara Basti near Murthal (Sonipat). Our Club has done commendable Service in these villages.

Our Club Senior Members PP Rtn. R.K. Kumra & PP Rtn. Ashok Sharma published books – 'ABC of Rotary' & 'Sonipat-Marching Ahead' respectively. In our Club in 2019, launched Health Card and installed defibrillator in District for Public utility.

Our Traditional projects are: Beautification of the Town, Blood Donation Camp, Ecology & Tree Plantation, and Vocational Service Award to deserving citizens of the Town, Health Checkup Camp in RVCs where we provide free/concessional medicines to the most needy and down trodden people. Our Club organised Body Health Care Camp. We give equal importance to religion by organising religious meetings.

We are doing projects under empowerment of women in GSSS, Rajpur, Fazilpur and Jakholi. And many more Global Grant Projects completed in Sonipat & also gave the Full Body Bus to Rotary Blood Bank, Okhla, Delhi. We have our own Community Hall at Atlas Road, near Ram Mandir which is being used for our meetings and we also gave the same for the public use for poor families use. We have done varied projects under Global Grants and had given a bus to Blood Bank, Okhla, Delhi.

That the Rotary Community Centre is well-equipped with the Solar Energy System (Grid Related) and it was installed in June 2018. FIVE Avenues of Service

At Rotary, we embrace the metaphor of Rotary as a TREE, where our commitment to service takes root and flourishes through the

FIVE Avenues of Service. Just as a strong tree stands tall with a solid foundation, these avenues serve as the FOUNDATION OF AN ACTIVE CLUB. Together, we branch out to serve our local communities and extend our reach internationally, leaving a lasting impact through our dedication, compassion, and unwavering spirit. Let us continue to nurture this TREE of service and make the world a better place, one project at a time. Together, we can create a forest of positive change and inspire others to join us on this fulfilling journey of making a difference.

Rotary

is about the thousands of people who want to do something good for their community.
We help them do it.

Magic of Rotary

The Magic of Rotary can have its greatest impact when Rotary members and community leaders come together to solve problems and transform lives. That magic starts with you, and now is the time to put it into action.

You have the power to bring about positive change, both in your club and in your community. When we move into the future united in a common purpose, there's no limit to what we can achieve.

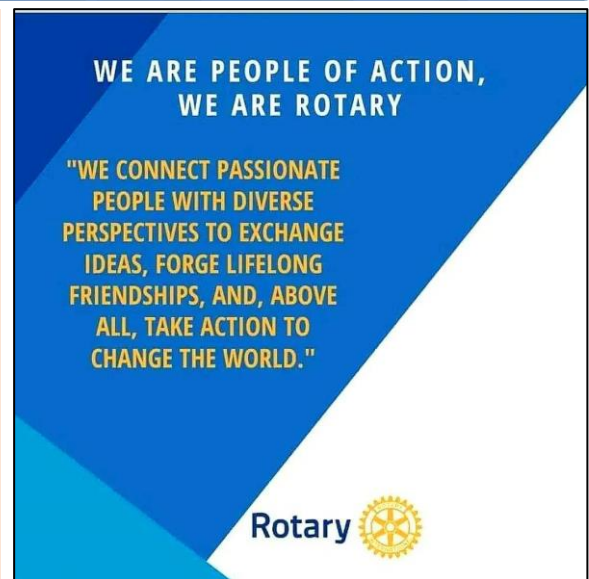

"LOVE IS THE MAGIC OF ROTARY. TO BE WITH ALL OF YOU, MY MAGICAL TEAM OF ROTARIANS IS TO FALL IN LOVE. I LOVE YOU ALL, FOR TOGETHER AS WE SERVE THOSE IN NEED TOGETHER IS TO LOVE..."

WE Connecting

When women pull pure water from the well, the wheel moves and We Connect. When a Rotarian wearing a Lapel Pin attends public meetings, We Connect. When people recognize you in a crowd as Rotarian, We Connect. When community recognizes the Rotary Projects, We Connect. When Rotarians gather for a humanitarian cause, We Connect. When a newborn gets two drops of Polio Vaccine, We Connect. When new Members are added in a club, We Connect. When any Rotarian meets worldwide, We Connect. The Rotary Wheel's 24 teeth – can be seen and club prepares and is willing to engage with other clubs and doing good in the world, We Connect. The solid band in Blue and Gold which support the teeth, the strength which is needed to transit the power – then We Connect. It had segments which represents the seven Avenues of Service & Hope in the World - We Connect. The power and the energy which is created, when people of like-minded are connected to releasing the strength through 'Service Above Self' - We Connect by connecting and together we can and we will inspire the world.

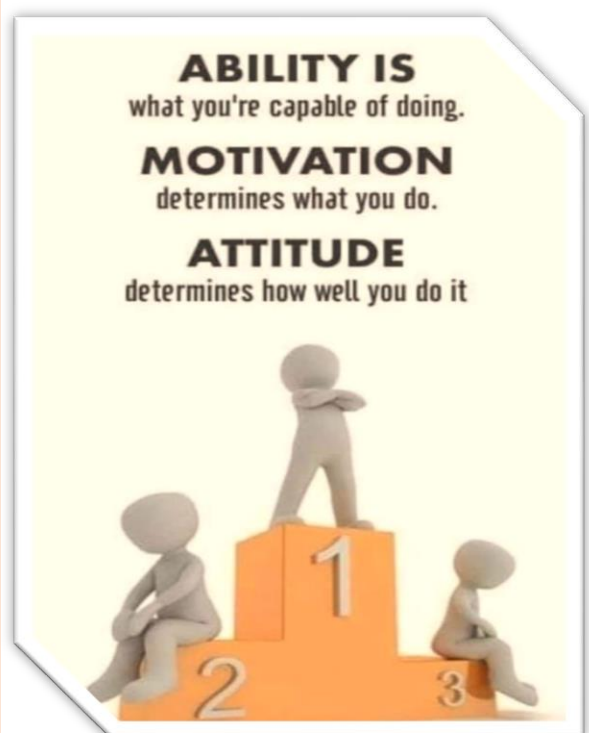

All the different places, Rotary allows to connect with one another in deep and meaningful way. Across the differences it connects. It connects us with our communication and professional opportunities and the people who need the help. All of us in Rotary together who however we are, whatever we are, from what languages we speak or tradition we follow. We all are connected to one another, part of our community and members not only of the Club but also this global community to which we belong.

The connection is what lies in the heart of Rotary. It is why we stay. Please join the journey as Rotary connects the world. Together we see a world where people unite and take action to create lasting change across the world in our communities, in ourselves. We hope because we know that we are stronger together then we could be ever be alone. Take action because you are not dreamers but doers. We will work to create lasting change that will endure long after communities and perhaps most important of them all, we work to create a change in ourselves, one rightly said, "If you want to build a boat, don't begin by collecting woods, cutting board or assessing tasks." Each of us come to Rotary because we had a longing to have an impact. ➔

If you have a passion to be creative and we want a beautiful world then we should be prepared to fold our sleeves and dirty our hands. Do not worry how others think of you because it is you who has to write your destiny. Always enjoy your creation because it is the very creation that will open the doors to the new possibilities. Have fun in Rotary and be positive with the smile on your face.

I am deeply honored and humbled to take up the responsibility as the President of the Cancer Foundation. This is a cause close to my heart, and I am committed to continuing the incredible work done by the foundation to support cancer patients, raise awareness, and drive initiatives that make a real difference.

With the support of the amazing Rotarians and our community, I look forward to leading efforts that provide resources, hope, and care to those affected by cancer. Together, we can strengthen the fight against cancer and offer light to those on their healing journey.

Thank you for your trust and support as we embark on this important mission!

जब बचपन था, तो जवानी
एक ड्रीम था.
जब जवान हुए, तो बचपन
एक ज़माना था.
जब घर में रहते थे, आज़ादी
अच्छी लगती थी...आज
आज़ादी है, फिर भी घर जाने
की जल्दी रहती है.
कभी होटल में जाना पिज़्ज़ा,
बर्गर खाना पसंद था.
आज घर पर आना और
माँ के हाथ का खाना पसंद है.
स्कूल में जिनके साथ झगड़ते थे,
आज उनको ही इंटरनेट पे
तलाशते है.
खुशी किसमे होती है, ये पता
अब चला है.
बचपन क्या था, इसका एहसास
अब हुआ है...काश बदल सकते
हम ज़िंदगी के कुछ साल...काश
जी सकते हम, ज़िंदगी फिर एक बार...
