Of the things we think, say or do

- First** → Is it the **TRUTH**?
- Second** → Is it **FAIR** to all concerned?
- Third** → Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Fourth** → Will it be **BENEFICIAL** to all concerned?

In the **1940s**, when **Herbert J. Taylor** was an **international director of Rotary**, he offered the Four Way Test to the organization, and it was adopted by **Rotary for its internal and promotional use**. Never changed, the twenty-four-word test remains today a central part of the permanent **Rotary structure** throughout the world, and is held as the standard by which all behavior should be measured. The test has been promoted around the world and is used in myriad forms to encourage personal and business ethical practices. **Herbet J. Taylor** gave **Rotary International** the right to use the test in the **1940s**. **Herb** transferred the copright to Rotary International when he served as **R.I president** in 1954-55, during the oragnization's golden anniversary .
