## FROM PRESIDENT'S DESK

A very Happy New Year to each one of you! May this year bring health, happiness, and prosperity to all.

As we step into a new year, we also celebrate a great beginning—RCMM had the privilege of hosting District Vibrant ROTAL, marking our return to this grand event after a gap of 3 to 4 years. It is a moment of pride for our club to provide a platform for Rotarians across the district to showcase their incredible talents. The joy and enthusiasm among the participants were truly visible, making the event a grand success. A heartfelt congratulations to all the participants from our club—your passion and commitment to performing year after year is truly inspiring.

This month has been relatively low-key in terms of projects, except for one initiative that truly made a difference. We successfully distributed blankets to 1,300 Adivasi tribal children to help them battle the cold. This project came together unexpectedly, and thanks to the generous contributions from our RCMM members, we were able to make it happen. Your support and kindness are deeply appreciated.

Additionally, we had a fantastic outdoor club meeting, which was a refreshing change and well received by our members.

Overall, it has been a fulfilling month filled with service, camaraderie, and celebration. Looking forward to another exciting month ahead with more impactful projects and fellowship opportunities!

**Enjoy Rotary and Enrich Life.**

### VIBRANT ROTAL 2024-25

ROTAL is one event where all the members of Rotary Family look forward. This gives an opportunity to everyone to exhibit their talents. ROTAL is a competition of singing and dancing!! RCMM and ROTAL go hand in hand! RCMM proudly hosted Vibrant ROTAL 2024-25, bringing together energy, enthusiasm, and impactful initiatives. Hosting an event like ROTAL is not the work of single person; as it turns out, it is proof of the dedication, love, contribution, efforts, support and unity of all the members from RC Mumbai Mahim.

Event was spread over in elimination and final rounds on the 5<sup>th</sup> January, 25<sup>th</sup> January 2025 and was held at Veer Savarkar Smarak Sabhagruh, Shivaji Park. Transparent process of evaluation, with prior information on the performance weightage parameters and instant flashing of the score card after an event ensured that the evaluation was fair and professional. Special attention was given to participants promoted to Finals, to bring out their best by organizing for them special rehearsal session. The eminent judges enthralled the audience by themselves rendering a number and providing their valuable feedback and concluding remarks.

Participation mattered more than rankings at Vibrant ROTAL 2024-25, which saw an overwhelming response—120 singing and 30 dance entries! With 20 Rotary clubs as Bronze co-hosts and RC Mumbai Ghatkopar West as Gold co-host, the event was a true celebration of talent and camaraderie.

The atmosphere was electric, with every contestant encouraged and every club cheering, clapping, and whistling in support. Prize distribution was graced by DG Chetan Desai, DGN, and other district dignitaries, who patiently waited as ecstatic winners danced with joy before accepting their trophies. To honor participation, non-winners were also felicitated with medals, ensuring everyone felt valued.

RCMM proudly adds another feather to its cap, as participants—including DG—praised the flawless execution of this unforgettable event!

### BLANKET DISTRIBUTION – SPREAD WARMTH

District 3141 initiated a blanket distribution drive to help protect residents in tribal villages from the harsh winter. Rotary Club of Mumbai Mahim (RCMM), Rotary Club of National Park, and Rotary Club of Wada joined hands to organize this impactful project in the villages of Gargaon and Kalambhe. The event was a heartwarming success, bringing much-needed warmth to the community.

Chief Guest was Past District Governor Harjit Singh Talwar. With the efforts of all involved, 535 beneficiaries, including 150 students, received blankets during the event. In total, RCMM contributed 1,300 blankets toward this initiative.

Special thanks to those who ensured smooth execution—right from identifying genuine beneficiaries to event management. The smiles on the recipients' faces were a testament to the success of the project. Heartfelt gratitude to all the visible and invisible hands that made this initiative possible.

Together, we continue to create a positive impact in our communities!

### TWO DAYS WORKSHOP 'ATTENTION AMPLIFIES' BY ROTARACTORS

In an innovative approach to student empowerment, the Rotaract Club of Ramnarain Ruia College orchestrated a transformative two-day workshop that redefined learning strategies for young minds. The "Attention Amplified" workshop emerged from a collaboration between the Rotaract Club of Ramnarain Ruia College and the Interact Club of Dadar Vidya Mandir, with the constant support of the Rotary Club of Mumbai Mahim. Targeting 11th-standard students, the program promised—and delivered—an extraordinary educational experience.

The first day transformed learning into an exhilarating adventure. Students discovered the magic of memory and attention through dynamic games like "Dog and the Bone" and "Head Shoulder Knee Grab". These seemingly simple activities unveiled profound insights into cognitive functioning, proving that learning can be both enjoyable and enlightening. The second day elevated the workshop with sophisticated study methodologies. Students were introduced to advanced learning techniques such as, Chunking Methods, SQ3R method, Mind Mapping and many more.

The workshop's impact resonated deeply with participants. This could be seen in the way the participants were actively participating in all the activities and even coming forward and giving their own examples for each tactic. The school's principal and teacher coordinator were visibly moved by the workshop's comprehensive approach, praising the Rotaract team's dedication to student development.

As the legendary educator Benjamin Franklin once said, "Tell me, and I forget. Teach me, and I remember. Involve me, and I learn." The Attention Amplified workshop embodied this timeless wisdom, proving that true education transcends traditional classroom boundaries.

**"Attention is the bridge between curiosity and achievement."**

Heartiest congratulations to the exceptionally skilled **Rtn. Dr. Nilesh Satbhai** for successfully performing a bilateral hand transplant for Prakash Shelar. Five years ago, Prakash lost all four limbs due to an electric shock but refused to give up on life. In October 2021, with Dr. Nilesh's expertise and dedication, Prakash underwent this life-changing surgery at Gleneagles Hospital, Mumbai, made possible by a selfless organ donation from a family in Surat, coordinated by Donate Life.

Recently, Prakash celebrated Makar Sankranti at a Kite Festival in Surat, organized by Donate Life, where he flew kites and drove a three-wheeled vehicle using his transplanted hands—an inspiring testament to the incredible power of organ donation. **Rtn.
