

# Classification List

This Classification list is general in nature and could be used in most medium size Rotary Clubs.

To customize it for your club simply remove the classifications that are not available in your area and add those that are not shown on this list. It is suggested that you use a Chamber of Commerce business list or the headings in your local yellow page phone directory to help modify this list to fit your available classifications.

Reformat and show your member's name after their classification and the classifications left without a name are the ones you need to start filling.
