VOLUME - 61

ISSUE - I

16th July 2024

Message from DG Chetan Desai :

Dear Vibrant President and Club Members,

As your District Governor, I'm thrilled to embark on this Rotary year together, fueled by the inspiring theme - **The Magic of Rotary**. This theme isn't just a slogan; it's a call to action to ignite the magic within each of us and create a lasting impact on our communities.

My vision for this year is to build on this magic and make our clubs truly **Vibrant**. Vibrant clubs are those where members are **engaged, enthusiastic, and empowered** to make a difference.

Rotary District 3141 boasts a rich tapestry of service projects - from **Vibrant Anganwadis** nurturing young minds to **Breast Cancer Detection** empowering women. We champion **CSR initiatives, sustainable tribal welfare**, and transform lives through **"disability to ability"** programs. We care for the **elderly** with compassion, and bring hope with **pediatric heart surgeries** and **eye surgeries**.

Let's not forget the importance of mental well-being - **mental health** initiatives are crucial. **Neonatal projects, water projects, railway projects**, and the fight against **anemia and thalassemia** - each project holds the potential to transform lives. **Samavesh**, our national integration project in Kashmir, reminds us of our duty to integrate Kashmiri people with main stream of India.

The magic lies in YOU! Your participation and dedication breathe life into these projects. I urge you to **embrace these opportunities** - attend club meetings, participate in service projects, and share your ideas. Together, we can weave a vibrant tapestry of service that leaves a lasting impact.

Let's ignite the magic, build vibrant clubs, and create vibrant communities!

With Rotarian Spirit,
Chetan Desai

Message From President :

I congratulate IPP Hitesh Ganatra, for completing successful year full of Projects & fellowship.

It's my proud privilege to become the first-lady President of this prestigious club, which has a long legacy of 60 years. Beauty of this club is, every member has sense of belonging & are united for common goal of giving back to the society.

Our club projects are Big, Bolder & ongoing with lasting change. Our Vocational Learning Scholarship (VLS) project is a true example of this. It is ongoing for 12 years, designed according to

community need & has engagement of maximum club members. Meetings & family evening are life line for our club.

Our club will be continuing ongoing projects & we will add projects which will become ongoing & will have lasting change. We are planning for adding Paediatric heart surgeries, Anganwadi Health Improvement Program, adaption of school & study centre. PRID Ashok Mahajan is major support of our club. All club members & my husband Rtn. Sudhir Joshi is my pillar of strength. For me, this year will be enjoyable learning process.

I am sure, our **Vibrant** club members will work together to Create **The Magic Of Rotary**.

- Seema Joshi

Message From Chief Guest RI Director Raju Subramanian

Dear Rotarians and Friends,

As we step into a new Rotary year, we are reminded of the power of collective action and the impact of our shared goals. The theme for this year, "The Magic of Rotary" resonates deeply as we continue to navigate challenges and seek opportunities to make a positive difference. Each Rotarian's dedication and service contribute significantly to this mission

and transformation to countless lives.

Your club has a distinguished history of impactful projects and community service. From providing clean water and sanitation to supporting education and promoting peace, your efforts embody the Rotary motto of "Service Above Self."

To the incoming President, board members, and all newly installed officers, I extend my heartfelt congratulations. Your leadership will guide the club through the coming year, fostering innovation,

inclusivity, and engagement. I am confident that under your stewardship, the Rotary Club of Bangalore South West will continue to flourish and achieve even greater heights.

To the outgoing President and officers, I express my deepest gratitude for your service and dedication. Your contributions have laid a solid foundation for your successors to build upon. Your efforts have not only strengthened your club but also enhanced the Rotary movement as a whole.

As we embark on this new journey together, let us remember the core values that unite us: fellowship, integrity, diversity, service, and leadership. These principles will guide us as we strive to make our communities, and the world, a better place.

I wish you all a successful and fulfilling Rotary year. Let us continue to work together, inspire each other, and create lasting change.

- T N Subramanian
Rotary International Director 2023-25

RI President Stephanie Urchick :

Stephanie Urchick is a member of the Rotary Club of McMurray, Pennsylvania, USA. She will serve RI as president in 2024-25. She has been an RI director and Rotary Foundation trustee. She has served RI in numerous capacities, including as training leader, regional Rotary Foundation coordinator, and RI president's representative. In addition, Stephanie was a representative and member-at-large to three sessions of the Council on Legislation.

Stephanie has also served as chair of the Rotary Strategic Planning Committee and The Rotary Foundation's Centennial Celebration Committee, as well as a member of various Rotary committees, including the Election Review Committee and Operational Review Committee.

A Rotary member since 1991, Stephanie has participated in a variety of international service projects, including National Immunization Days in India and Nigeria. In Vietnam, she worked with clubs to help build a primary school and traveled to the Dominican Republic to install water filters. A student of several Slavic languages, she has mentored new Rotary members in Ukraine and coordinated a Rotary Foundation grant for a mammography equipment and a biopsy unit for a hospital in Poland. In its commemorative book, the Rotary Club of Krakow, Poland, noted Stephanie as a key figure for helping the re-birth of Rotary in post-Communist Poland.

Currently, Stephanie is helping to partner clubs and districts in the U.S. with Rotary clubs in Albania, Kosovo, and Ukraine for humanitarian and educational services.

Stephanie's professional background is in the higher education, consulting, and entertainment industries. She received her doctorate degree in Leadership Studies from Indiana University of Pennsylvania and has been recognized and awarded by The Rotary Foundation and numerous community and international organizations.

Timeline of Women in Rotary :

1) 1950 An enactment to delete the word "male" from the Standard Rotary Club Constitution is proposed by a Rotary club in India (Ahmedabad) for the Council on Legislation meeting at the 1950 Rotary Convention.

2) 1964 The Council on Legislation agenda contains an enactment proposed by a Rotary club in Ceylon (now Sri Lanka) to permit the admission of women into Rotary clubs. Delegates vote that it be withdrawn. Two other proposals to allow women to be eligible for honorary membership are also withdrawn.

3) 1972 As more women begin reaching higher positions in their professions, more clubs begin lobbying for female members. A U.S. Rotary club proposes admitting women into Rotary at the 1972 Council on Legislation.

4) 1977 Three separate proposals to admit women into membership are submitted to the Council on Legislation for consideration at the 1977 Rotary Convention. A Brazilian club makes a different proposal to admit women as honorary members. The Rotary Club of Duarte, California, USA, admits women as members in violation of the RI Constitution and Standard Rotary Club Constitution. Because of this violation, the club's membership in Rotary International is terminated in March 1978. (The club was reinstated in September 1986.)

5) 1980 The RI Board of Directors and Rotary clubs in India, Sweden, Switzerland, and the United States propose an enactment to remove from the RI and club constitutions and bylaws all references to members as "male persons."

6) 1983 - 86 In a lawsuit filed by the Duarte club, the California Superior Court in 1983 rules in favor of Rotary International, upholding gender-based qualification for membership in California Rotary clubs. In 1986, the California Court of Appeals reverses the lower court's decision, preventing the enforcement of the provision in California. The California Supreme Court refuses to hear the case, and it is appealed to the U.S. Supreme Court.

7) 1987 On 4 May, the U.S. Supreme Court rules that Rotary clubs may not exclude women from membership on the basis of gender. Rotary issues a policy statement that any Rotary club in the United States can admit qualified women into membership. The Rotary Club of Marin Sunrise, California (formerly Larkspur Landing), is chartered on 28 May. It becomes the first club after the U.S.

Supreme Court ruling to have women as charter members. Sylvia Whitlock, of the Rotary Club of Duarte, California, becomes the first female Rotary club president.

8) 1988 In November, the RI Board of Directors issues a policy statement recognizing the right of Rotary clubs in Canada to admit female members based on a Canadian law similar to that upheld by the U.S. Supreme Court.

9) 1989 At its first meeting after the 1987 U.S. Supreme Court decision, the Council on Legislation votes to eliminate the requirement in the RI Constitution that membership in Rotary clubs be limited to men. Women are welcomed into Rotary clubs around the world.

10) 1990 As of June, there are about 20,200 female Rotarians worldwide. The Rotarian runs a feature on women in Rotary.

11) 1995 In July, eight women become district governors, the first elected to this role: Mimi Altman, Gilda Chirafisi, Janet W. Holland, Reba F. Lovrien, Virginia B. Nordby, Donna J. Rapp, Anne Robertson, and Olive P. Scott.

12) 1998 India's first female District Governor, Madhura Chatrapathy (Bengaluru) takes over

13) 2005 Carolyn E. Jones (Anchorage, Alaska) begins her term as the first woman appointed as trustee of The Rotary Foundation.

14) 2008 Catherine Noyer-Riveau (Paris, France) begins her term as the first woman elected to the RI Board of Directors.

15) 2012 Elizabeth S. Demaray (Michigan, USA) begins her term as RI treasurer, the first woman to serve in this position.

16) 2013 First female Governor of our district (then 3140) Lata Subraidu begins her term.

17) 2013 Anne L. Matthews (South Carolina, USA) begins her term as the first woman to serve as RI vice president.

18) 2019 Brenda Marie Cressey (Maine, USA but served as DG of a district in California) begins her term as the first woman to serve as vice-chair of The Rotary Foundation. In April-June 2019 she serves as chair of the Foundation, the first woman appointed to this role.

19) 2022 Jennifer Jones (Ontario, Canada) begins her term as the first female president of Rotary International.

20) 2024 Stephanie Urchick (Pennsylvania, USA) begins her term as the second female president of Rotary International.

21) 2024 Seema Joshi begins her term as the first female President of RC of Mulund.

Message from IPP Hitesh Ganatra :

It is a matter of great pride and Honor for me to have served as president of this prestigious club in the Diamond Jubilee year 23-24. I would like to thank all the members for their wholehearted cooperation. I am particularly happy that we could complete so many projects because of the active participation of all members.

We started the year with Tree plantation on 23 rd July. On 29 th July we arranged a Grand program in Kalidas Auditorium, where we felicitated Smt. Rajashree Birla and Sister B K Shivani. The hall was packed with everyone waiting to get a glimpse of Sister Shivani and listen to her.

In August our club Hosted The Presidents Meet "Anubhandh". This again was very much appreciated by all those who attended the meet. Then for the third consecutive year we did our medical project at Bhojay in Gujrat, where we sponsored all the surgeries done in that hospital for one full month at a cost of 5 lakh Rupees.

Our club also took part in the district quiz competition.

Our Star Project of VLS started with the interviews in September 23. In total we selected 103 students for scholarship. This is in addition to the students who are already enrolled.

Rypen was done at Madhuram Charitable Trust Ashram Shala a residential school for Adivasi children. Noted speaker J B Kabra spoke to the Kids and enlightened them about leadership and career options.

Rotary Rojgaarmela was organized where many job seekers attended and were delighted to get satisfactory jobs.

For the Residents of Mulund we organized the 'Rotary Cricket League'. Nearly 22 societies from all over Mulund participated.

As a community project we have provided 8 K V Solar power plant to N Y R Dode Vidyalaya, Mulund (E), which will help them to reduce their electricity bills.

The Mulund Bhushan Awards was a great success. Our Chief Guest was Lokpal of India Justice Ajay Khanwilkar, and the Award was given to Shri Harakhchand Savla, founder trustee of Jeevan Jyot Cancer Relief Trust.

In addition to all this we did many fellowship activities like Club picnic, Ladies evening, Movie screenings, Dandiya evening, Republic and Independence day celebrations at Our Deaf and Mute school, and many other such activities.

Once again I thank all the club members for their cooperation and active support throughout the year.

- Hitesh Ganatra

ROTARY MULUND BHUSHAN AWARD

The second edition of Rotary Mulund Bhushan Award at Smridhdi Hall on 9th Jun. 2024 was a grand success with worthy recipients of the awards and a towering personality as the Chief Guest in Chairperson Lokpal – Justice Ajay Khanwilkar. It was also the celebration of the Diamond Jubilee of our Club.

The RMB award recipient Harakchand Savla was introduced by PP Ashwin Malde. This truly noble soul received the Rotary Mulund Bhushan Award from the Chief Guest, Justice Ajay Khanwilkar, amidst resounding applause from the audience.

Shri. Harakchand Savla, Founder and Trustee Jeevan Jyot Cancer Relief Trust comes from humble beginnings. The ideals of selfless service were ingrained in him from a young age, exemplified by his decision to walk to school to save bus fare and contribute to his friend & tuition fees. His renowned free food services for the families of cancer patients gained widespread recognition, highlighted by Shri. Amitabh Bachchan on an episode of KBC. In his address he said, his works also include medical attention for injured animals and birds, funeral services for abandoned bodies, free treatment at old age home and many others.

The Rotary Mulund Youth Icon award recipient, Keval Kakka, is the epitome of grit, perseverance and adventure. He was introduced by PP Dollar Shah. Where others fear to tread, Keval created records. Keval has not only scaled Mount Everest but seven peaks

above 8000 meters. He received the award at the hands of our chief sponsor, Rtn. Hanskumar Shah. In his response, he expressed heartfelt gratitude to his parents and Shri Chandrakant Gogri for their unwavering moral and financial support throughout his adventurous career, despite the considerable skepticism that surrounded his endeavors.

The Chief Guest, Chairperson Lokpal – Justice Ajay Khanwilkar was introduced by Rtn. Nitin Kabbin and felicitated by PRID Ashok Mahajan. Justice Khanwilkar is still strongly rooted in Mulund and studied here till his graduation. In his address, Justice Khanwilkar nostalgically reminisced about the charming Mulund of the 1970s and early 80s, vividly recalling his memories from that era. On the office of the Lokpal, he commented on the genesis of his office which was first mooted in 1963 and also mentioned the UN had a mandate that all member countries should have an ombudsman. The event also gave Justice Khanwilkar the joyous opportunity to reconnect with his old neighbors, as well as his school and college friends.

The entire program was anchored superbly by PP Nirmal Ganatra and PP Deepak Shah. The chief sponsor for the program was Rtn. Hanskumar Shah. PP Sudhir Joshi gave brief on the activities of our Club and the VLS project. Vote of thanks was delivered by Secretary and PE Seema Joshi.

Solar Roof Top Project

Rotary Club of Mulund has provided 8 KW Rooftop On-Grid PV Solar Power Plant at Mrs Nalini Yashwant Rao Dode Vidyalaya, Mulund East, Mumbai with funding under District RID 3141 Grant No. DG 2448495.

It was inaugurated on 15 May 2024 at the hands of District Governor Rtn. Arun Bhargava. The funding structure for project funding of USD 5500 under the District Grant

demonstrates a collaborative effort, combining district support of USD 2000, accumulated spendable earnings of USD 1500 of the endowment fund of RCM founding member late Ramnikbhai Z Shah and club member matching contributions of USD 2000. This reflects the Rotary Club's commitment to community service and environmental conservation.

Rotary International's recognition of environmental protection as a crucial area of focus underscores the importance of projects like this one. By reducing operational costs and providing educational resources on sustainable practices, the project will have a lasting impact on the community. It will not only save the beneficiary institution around Rs 1.2 Lakhs per year and around Rs.32 Lakhs over 27 years of PV Solar Panel performance warranty period, but would also serve as an educational tool for students, fostering environmental awareness and responsibility.

Grid-tied PV Solar Power systems are known for their negligible O & M costs and simplicity, making them an ideal choice for schools and educational institutions. They can significantly reduce electricity bills and utilize vacant roof space efficiently without the need for additional land or transmission lines. Moreover, they contribute to reducing transmission and distribution losses as power consumption and generation are collocated.

The Rotary Club of Mulund's dedication to environmental projects is evident in their various initiatives, which aim to strengthen conservation efforts and promote ecological sustainability. Such projects not only benefit the immediate community but also contribute to global efforts to combat environmental challenges like air and water pollution, depletion of natural resources, and global warming.

Overall, the solar power plant project at Dode Vidyalaya is a step towards a greener future, embodying the Rotary Club's mission to create positive change and inspire the next generation.

The project was conducted on 22nd June 2024.

Editorial :

Dear Fellow Rotarians,

As we usher in July, it is once again time for the changing of the guards. Each year, we welcome a new team to lead our club, and with this transition comes a renewed sense of anticipation and excitement. This is the essence of Rotary : the promise of new beginnings, fresh ideas, and boundless hope.

The incoming team brings a wealth of enthusiasm, a desire to excel, and a commitment to achieving even greater goals. Each member contributes unique perspectives, fostering growth and innovation within our club. It is this annual infusion of energy and vision that has sustained Rotary through the years.

This period is not just about looking forward; it is also an

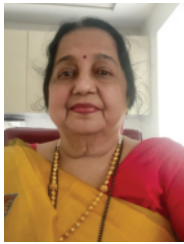

opportunity to reflect on the year gone by. We evaluate our achievements, celebrate our successes, and identify areas for improvement. It is a time for introspection, a moment to acknowledge our hard work and resolve to do even better in the coming year.

The club bulletin plays a crucial role in keeping everyone informed and engaged. My goal is to capture the breadth of our activities and share them with you, despite the occasional space constraints. I encourage all members to contribute articles, insights, and tidbits of information that you believe will interest and benefit our community.

Together, let's make this a year of continued growth, learning, and service.

Sincerely
- Dr. Rajesh Agarwal

Woman's role in social work :

Sarve Bhavantu Sukhinaha, Sarve Santu Niramayaha, Sarve Bhadrani Pashyant, Ma kashchit, Dukha Bhagbhavet.

Aum shanti, aum shanti, aum shanti.

Invest in women education and accelerate progress.

International women's day march 8th is celebrated to honour the social, economic, and cultural achievement of women in all areas of life.

Ahilyabai Holkar : One of the finest female rulers spread the message of dharma and promoted industrialisation in the 18th century. After the death of her husband and father in law, she ruled Malwa in a wise and sagacious manner. With her polite attitude and humble nature, she fought for women rights throughout her life. She made them pillars of the family and the community.

Women came into social work to overcome life's most difficult challenges namely poverty, discrimination, abuse and addiction.

Savitribai Phule : Today we are qualified with higher education, which is because of Savitribai Phule. Her whole life, she fought for women education.

Born in a dalit family, she got married at the early age of 9 years, to Jyotiba Phule. Both had a Adbhut Jeevan Yatra. A schedule caste girl learning and becoming a teacher and teaching girls was unheard of in those days. People used to throw rotten tomatoes on her and abuse her for this teaching work. She adopted a widow and her child and educated him to be a doctor. During the plague she treated hundreds of people.

Sudha Murthy : A mechanical engineer, was the only girl student in the faculty. For her philanthropy did not mean only charity or donations, it is compassion for the mankind. Sudha ji joined her husband's infosys and did CSR for many years. She has given her help in many natural calamities, done construction of schools, and toilets for girls. Donated for libraries and laboratories. Worked in leprosy colonies, with street children and in old age homes and so on. Her motto is **Bahujan Hitay, Bahujan Sukhay.**

Sindhu Tai Sakpal : was an indian social worker. She nurtured over 1500 orphaned children which was like a grand family to her. Honoured with more than 700 awards for her work, compassion empathy, altruism and social concern.

Padma Shri Dr. Sindhutai Sapkal (**maai**) founded an organisation called Bahu Uddeshya Mandal.

We have hundreds of women doing social work with corporate social responsibilities...Rajshree birla, Nita ambani, Awati piramal and many women are doing great work.

Universities have proper degrees in post graduation in the field of social work for women and girls are willingly opting for this subject.

We can overcome problems like, gender disparities in education, violence against women, dowry harassment, healthcare disparities, political under representation, cyber security, on line harassment, human trafficking and so on.

The world needs more kindness and compassion, vision and action and we together can change the world.
