Club President's Message

Dear Friends,

It gives me immense pleasure and feel honored to take on the mantle of the Rotary Club of Mumbai Ghatkopar. This has been a legacy since 1985. The club has been doing amazing projects across sectors like medical, educational, vocational, skill development and many more. With strong projects like Monthly medical camp, Dialysis center, de-addiction projects the baton has only become stronger. I now look to all your support to make a mark in and around Ghatkopar, creating awareness on the presence of Rotary, showcase to your friends and relatives the good that has been done in the world. Public image is definitely important and for a club like ours it's more like a show of how we have assisted and been assisted in our endeavors to existing private and government establishments.

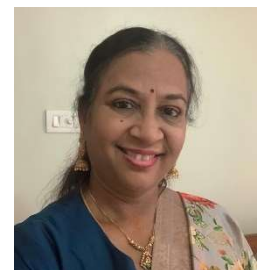

Fellowship is the essence of rotary. We invite people from Ghatkopar to come together, network, have fun, enjoy being a Ghatkoparite and in turn help to make it a better place. I also request each and every one of you, including NGOs, elected representatives and social organisations to come together to make Ghatkopar a stronger and resilient place to live and love.

Looking forward to all your support in my rotary presidential year.

Inner-wheel Club President's N. Bhanumathy Rao message.

The motto of our club is to extend a helping hand with empathy and compassion to the needy and distressed people of the society around us. To achieve this, we continue our ongoing projects and take up the need-based ones. For this we solicit the cooperation of like-minded people and associations. Our club is always happy to be a partner of RCMG in some of their projects and extends our best wishes in all their service-oriented endeavors.

Jai Hind!

Rtr Diya – Prez Rotaract Club of Mumbai Ghatkopar Message

As the President of RCMG, I am thrilled to present our vision for the year ahead: "Ignite Your Euphoria" and "Unite with Harmony: Fostering Diversity, Embracing Compassion."

Our club has always been dedicated to making a positive impact in our community. This year, we strive to celebrate the passion and joy that comes from serving others, igniting the ultimate state of happiness - euphoria. Inspired by my name, "ignite" embodies our belief that social work's true essence lies in finding what ignites the fire within us. By discovering that spark, we become unstoppable, spreading enthusiasm like wildfire and creating a ripple effect of positive change.

In conjunction with our primary theme, "Unite with Harmony" focuses on promoting collaboration and understanding among diverse personalities. We aspire to build a world where differences are celebrated, and common values bind us together. Embracing compassion, we aim to create an inclusive environment where empathy and respect flourish.

This year's vision encourages us to step out of our comfort zones, dream bigger, and take bold actions to transform lives. Together, we can create an unforgettable year filled with impactful projects and initiatives that bring joy and positive change to our community and beyond.

I invite each of you to join us in this journey towards a brighter, harmonious future. Let us unite in diversity, embracing compassion and empathy, as we work together to make a lasting difference in the lives of those around us. Together, we can leave a legacy of positive change, making our community a better place for generations to come. Thank you for being part of this incredible mission. Let's make this year truly remarkable!
