# Rotary's Month of Water, Sanitation and Hygiene

March is dedicated to Water, Sanitation, and Hygiene (WASH) in Rotary's global theme, emphasizing the importance of clean water, proper sanitation, and hygiene education for healthier communities. Access to safe water and sanitation is a basic human right, yet millions worldwide still struggle with inadequate facilities, leading to health crises, particularly among children. Rotary International has been at the forefront of WASH initiatives, implementing sustainable projects to provide clean drinking water, build sanitation facilities, and promote hygiene awareness. These efforts not only

improve health but also enhance education, as children, especially girls, can attend school without disruption due to waterborne diseases or lack of proper sanitation. Our Rotary Club Amritsar Midtown reaffirms its commitment to this cause. Through past and upcoming projects, we strive to support clean water

access in schools, distribute hygiene kits, and raise awareness about handwashing and proper sanitation practices. Small changes can make a big impact, and together, we can work towards a healthier and more dignified future for all. Let's take action this March and contribute to a world where safe water, sanitation, and hygiene are a reality for everyone!
