

MESSAGE FROM THE PRESIDENT

It was a jolly holly Christmas and the club ended the year on a very merry note! As a part of the ongoing festive season we launched several donation drives that were a roaring success. I am truly thankful to each member for their contribution in each drive. We collaborated with several associations to ensure we reach the right people. I am happy to share that we did that successfully and we plan to keep the donation drive going for some time to come create maximum impact! Thank you to everyone for their continued support.

Wishing everyone a Happy, Healthy and Progressive New Year!

DONATION DRIVE AT ASTHA FOUNDATION

In our ongoing commitment to making a positive impact on the lives of those in need, we are delighted to announce the donation of six wheelchairs, special tables and one specially designed tri-cycle to the kids at Astha Foundation. These gifts are not just mobility aids; they represent our dedication to fostering a more inclusive and supportive community.

The wheelchairs and tri-cycle were carefully selected to meet the specific needs of each child, ensuring not only mobility but also comfort and safety.

The Astha Foundation has been doing incredible work in empowering children with unique abilities. The joy and excitement we witnessed during the handover were truly infectious, and we are grateful for the opportunity to make a difference in the lives of these remarkable children.

CHRISTMAS TOY DONATION DRIVE

In the spirit of giving and sharing joy, we are thrilled to announce our recent donation of toys and games to several incredible foundations including; **Saksham Foundation, Spread a Smile Foundation, Naya Prayas Foundation, Hamaari Pathshala**. The holiday season is a time for generosity and compassion, and what better way to celebrate than by bringing smiles to the faces of children who need it the most. Our club members came together with enthusiasm and a shared commitment to make a positive impact on the lives of young ones associated with these foundations. A special thank you to Rtn. Gaurav Ghai, for sponsoring the puzzles and books that helped us reach over 1500 children.

The joy and excitement radiated by the children during the donation were truly heartening. It is our firm belief that every child deserves the magic of Christmas, and through this initiative, we aimed to create moments of happiness that will be cherished for a lifetime.

CHRISTMAS PARTY

Our Family Christmas party was the Club event for the month hosted on 24th December. The event was filled with laughter, smiles, and the spirit of togetherness. It was a special day where the kids had an absolute blast thanks to the activities at CLUB KHOSLA. (Thanks Raghav and Rashi!)

The celebration featured a variety of festive activities, including games, singing, dancing and even a visit from Santa Claus himself, who brought along gifts and good tidings for each child - Needless to say our Treasurer was a massive hit with the kids.
