MESSAGE FROM THE PRESIDENT

Dear Fellow Rotarians,

February has been an extraordinary month, reflecting the essence of Rotary—service, fellowship, and impact. We revisited Action for Autism, gaining deeper insights into their incredible work and reaffirming our commitment to inclusion. Our Cervical Cancer Vaccination Drive was a resounding success, with over 150 young girls vaccinated, taking a significant step in preventive healthcare.

Fellowship was at the heart of our Rotary Girls' Galantine Night, where our women Rotarians bonded over laughter, music, and meaningful conversations. We also came together for the India vs. Pakistan Cricket Screening, celebrating the sport's spirit while strengthening our bonds as a club.

Each of these events reinforced our values of Service Above Self, Integrity, and Leadership. Through our collective efforts, we are making a tangible difference in the community while fostering friendships and shared experiences. Let's carry this momentum forward, embracing opportunities to serve and grow together.

Thank you for your dedication and enthusiasm—together, we continue to build an equal tomorrow!

Yours in Rotary,

Suhel Goel

SOUTHEND NEXT'S CERVICAL CANCER VACCINATION DRIVE!

On February 19th, We successfully organized a Cervical Cancer Vaccination Drive, demonstrating our commitment to women's health and well-being. Through this initiative, we were able to vaccinate over 150 girls, taking a crucial step in preventing cervical cancer and ensuring a healthier future for young women. The drive was met with overwhelming support from parents, healthcare professionals, and volunteers who played a key role in making this initiative a success. We extend our heartfelt gratitude to everyone who contributed to this noble cause. By prioritizing prevention, we are empowering the next generation with better health and awareness. Together, we continue to make a difference!

REVISIT TO ACTION FOR AUTISM – A DAY OF LEARNING & IMPACT

On February 28th, members of the Rotary Club of Delhi Southend Next had the privilege of visiting Action for Autism, an NGO dedicated to empowering individuals with autism. This insightful visit provided an opportunity to engage in meaningful discussions with the organization's team and gain a deeper understanding of their impactful work.

The NGO briefed our members on how Rotary's contributions are being effectively utilized across various projects, including education, therapy, and support programs for individuals with autism and their families. Seeing the positive change firsthand was truly inspiring and reinforced our commitment to supporting such noble initiatives.

We extend our gratitude to Action for Autism for their incredible work and for allowing us to be a part of their journey. Together, we continue to make a difference!
