

## MESSAGE FROM THE PRESIDENT

Dear Southend Nexters,

In the shortest and busiest month, we've achieved so much! We kicked off with a cozy movie night, followed by a successful joint fundraiser with our parent club, resulting in a generous donation of close to INR 6 Lakh. Adding to our community achievements, we installed a wins station at the MCD school. Our digital club assembly was a success, and our forums buzzed with activity, including a fulfilling spiritual event and a victorious cricket match against RCRN. February has truly been fabulous for RCDSN! For now we keep Marching on...

## LOVE ! LAUGH ! SHOP! JOINT FUNDRAISER WITH SOUTHEND

We are delighted to share the heartwarming success of our recent joint fundraiser organized by the Rotary Club of Delhi Southend & Southend Next. This event was dedicated to supporting children with T1 Diabetes, a cause close to our hearts. Through the collective efforts of our members, we not only raised awareness but also extended our support by donating a significant amount to the Yog Dhyan Foundation. The funds raised and donated will be utilized to enhance the quality of life for children with T1 Diabetes and contribute to ongoing research and support programs. We also as a long term commitment will continue the sponsorship we started last year. We express our heartfelt gratitude to everyone who participated, donated, and supported this initiative.

## MOVIE NIGHT

We're excited to share a recent event that brought our members together for a night of camaraderie and entertainment. Drumroll, please... our movie night featuring the film **FIGHTER** was an absolute hit! The movie night provided the perfect opportunity for members to relax, unwind, and share some laughs together. Everyone now knows the importance of 'Jai Hind'. The evening was filled with laughter and a sense of community that transcends our usual meetings. It's moments like these that strengthen the bonds among our members and make our Rotary Club a close-knit family.

## MIND MANAGEMENT MEDITATION

In the fast-paced world we live in, it is essential to find moments of stillness and clarity. With this in mind, our parent club; Rotary Club of Delhi Southend organized a mindfulness meditation event, providing a unique opportunity for members to explore the transformative power of meditation and mind management techniques. The session guided participants through various mindfulness exercises, breathing techniques, and strategies to enhance mental clarity and resilience led by Chandra Pulamarasetti and Rtn Surinder Ghai.

## RCDSN VS RCRN CRICKET MATCH

Arhan Kapur (son of Rtn. Akshay Kapur) and Rtn. Kush Gandhi made a significant contribution to the win with their performances. Special shout out to Rtn Love Gandhi for his 'stand out' performance umpiring the match! Congratulations to all the team members on their well-deserved triumph!
