MESSAGE FROM THE PRESIDENT

Dear Rotarians,

As we begin this Rotary year, I'm filled with gratitude and pride seeing the spirit of service and fellowship already shining through our early initiatives.

We started the month with blessings at the Vasant Vihar Gurdwara, where our members and families came together for Langar Seva, serving over 400 people. Our commitment to donate an Eye Slit Machine to the Gurdwara is another step toward impactful community service.

The Member Integration Party on 26th July was a wonderful celebration of togetherness. The Masquerade Affair theme brought energy and fun, and it was heartening to see new and old members connect so effortlessly.

But what truly touched my heart was how we celebrated our members' birthdays—by feeding 50 underprivileged children for each one. With your support, 750 children were fed in July alone. This is the essence of Rotary—turning every occasion into an opportunity to serve.

Let's carry this momentum forward with even greater passion. Together, we can make this year truly remarkable.

Yours in Rotary,

*President 2025-26
