

MESSAGE FROM THE PRESIDENT

Dear Southend Nexters,

We Marched on March...more like a stampede! the month was full of excitement starting with a Games Night hosted at Rtn Kaustubh Prasad's house. It was night of mad laughter and excitement as all members were at their competitive best! Our community event saw a decent turn out with a visiting Rotarian from Dubai. The highlight of the month of course was the Family Trip to Jim Corbett. Let's just say JIMNAGAR JAMBOREE was star studded in every way! We all came back with stronger bonds and everlasting memories! With the onset of April - this is the month of Action and our Annual Fundraiser. I look forward to every member stepping up and contributing for the cause. Let make this an impact and do our bit! It's time for ACTION!

GAMES NIGHT

On March 1st, our Club hosted an exhilarating Games Night event, and what a fantastic turnout it was! Members from all corners of our community came together for an evening filled with laughter, friendly competition, and, most importantly, fellowship. What truly made the event special was witnessing the bonds of friendship strengthen as members collaborated, cheered each other on, and shared in the joy of camaraderie. It was heartwarming to see new connections being forged and existing friendships deepening amidst the spirit of friendly competition. As the evening unfolded, it became evident that this Games Night wasn't just about winning or losing—it was about coming together as a community, building relationships, and creating lasting memories.

ASCENSION SEVA

We are thrilled to share the heartwarming success of our recent community event hosted at Ascension Seva, an NGO dedicated to multifaceted social causes including women empowerment, animal welfare, and child education. The event, held on 16th March, was a testament to Rotary Club of Delhi Southend Next's unwavering commitment to uplifting our community. As part of our initiative, Rotary Club of Delhi Southend Next proudly donated a state-of-the-art LED TV to facilitate seamless virtual learning experiences to enhance e-learning opportunities for underprivileged children. Their smiles and gratitude were truly priceless, reaffirming the impact of our collective efforts in making a positive difference in their lives.

MEMORABLE FAMILY TRIP TO THE JUNGLE

From March 27th to March 29th, members of our Rotary Southend Next Club embarked on a journey filled with adventure, camaraderie, and unforgettable memories. Nestled amidst the serene landscapes of Jim Corbett, our members had the opportunity to reconnect with nature and each other in a truly remarkable setting. The trip was marked by moments of pure joy and relaxation, as we immersed ourselves in the splendour of the great outdoors. The highlight of the trip was the treasure-hunt for the whole family and JIM NAGAR JAMBOREE that unleashed the member's wild side at night! It was a riot on the dance floor and we wouldn't want it any other way! The 2 days was a perfect get away for all ! It was fabulous to see the next nexters also bond with each other in the pool, playing football or chilling together for Movie Night. Needless to say , the trip was a huge success and has only brought us closer as a Southend Next Family!

MEMORABLE JIM CORBETT TRIP EXPEDITION

As the sun set over the horizon, we gathered around the bonfire, sharing stories and laughter under the starlit sky. It was a moment of pure magic, as we celebrated the bonds of friendship and fellowship that unite us as members of Southend Next Club. We extend our heartfelt gratitude to all members who joined us on this memorable journey. Your enthusiasm and spirit of adventure were truly infectious, making this expedition a resounding success.

As we return home with cherished memories and renewed spirits, let us carry forth the lessons learned from our time in the wilderness – to appreciate the beauty of nature, cherish the company of loved ones, and embrace the spirit of adventure in all our endeavors.

Here's to many more adventures together!
