

MESSAGE FROM THE PRESIDENT

Dear SouthendNexters!

As we close the first quarter of the year, I'm humbled and happy about what we have achieved so far and excited about what lies ahead! We started the month strong with the Installation and G.O.V. where formalised our vision and goals for the year! Motivation seemed to be at all time high as seen in the Forum lead activities this month! We're all set to launch our first Digital Fundraiser and a series of collection drives to support the communities this month! Looking forward to making the festive season brighter for those who need it most! Let's create Hope and make Dreams come true!
