MESSAGE FROM THE PRESIDENT

Dear Rotarians,

November has been a remarkable month of compassion, action, and impact for the Rotary Club of Delhi Southend Next. Together, we embodied the spirit of “Service Above Self” through meaningful events that addressed critical issues and inspired our community.

We kicked off with the vibrant participation of our Interact Club at the District Interact Clubs Fair, where our young champions showcased their dedication to service and leadership. Their enthusiasm is a testament to the bright future of Rotary.

Mid-month, our “Fashion for a Cause” event spotlighted the importance of cervical cancer vaccination. Through elegance and philanthropy, we not only raised awareness but also strengthened conversations around women’s health. A heartfelt thanks to everyone who made the evening unforgettable.

Additionally, we hosted impactful sessions aimed at creating a healthier community. The Eye Awareness Program for underprivileged children emphasized vision care, while the enlightening talk on Wellness Amidst Pollution equipped participants with practical health tips for these challenging times. These events reiterated Rotary's commitment to empowering lives through knowledge and preventive care.

I extend my deepest gratitude to all members and volunteers for your tireless efforts in making these initiatives successful. Together, we are making a real difference and embodying the vision of “Building an Equal Tomorrow.” Let us carry forward this momentum and continue our journey of service with renewed enthusiasm.

Yours in Rotary,
