MESSAGE FROM THE PRESIDENT

Dear Rotarians,

As we conclude the fourth month of our Rotary year, I am filled with pride and gratitude for the dedication and spirit our members have shown. October was a month of impactful service, cultural celebration, and deep community connections. Our focus on involving the younger generation in these initiatives has further reinforced our commitment to fostering a legacy of service and compassion.

We began the month with a unique presentation, Ramayan by Vedant Binani, where Vedant, the son of one of our members, brought the ancient tale to life. The energy in the room was palpable, especially among our young members who were inspired by the timeless values of courage and devotion. It was a reminder of how our cultural roots continue to guide and enrich our community.

The Diwali Gala Night was a testament to the joy of togetherness. With music, dance, and vibrant decor, the night was an opportunity for members and their families to connect and celebrate. It was a beautiful expression of unity, a reflection of the bonds that make our Rotary family so strong.

Our commitment to service was highlighted through our collaboration with Lakshyam Foundation, where we contributed a new porta cabin to expand educational and vocational spaces for children. Additionally, our donations of clothing, toys, and support for facility improvements made an immediate, positive impact on these young lives. Witnessing their joy and excitement was truly inspiring.

The Langar Seva on Dussehra was another profound moment of service. Serving over 1,500 meals, our members and their families—including the children—embodied the spirit of giving. This act of kindness reminded us of the power of community and compassion.

To close the month, we partnered with Ayudhaan Ki Paathshala, donating an LED TV to enhance their e-learning resources. The children's beaming smiles and heartfelt songs of thanks spoke volumes about the value of this gift. Providing festive items and diyas further ensured that every child could celebrate Diwali with the light and joy it symbolizes.

These projects have had a tangible impact on the communities we serve and have been enriched by your unwavering support and participation. As we move forward, I encourage each of you to continue being an active part of this journey. Your involvement is the heartbeat of our club, driving us to achieve greater heights in service and fellowship.

Thank you for your commitment and the energy you bring. Let us carry this momentum into the coming months, continuing to make a difference, one project at a time.

With sincere appreciation,

SOUTHEND NEXT X LAKSHYAM FOUNDATION

The Rotary Club of Delhi Southend Next has significantly contributed to Lakshyam's mission of uplifting vulnerable communities. While we participate in one major event each month, we remain dedicated to community work throughout the month. We are proud to share our recent donation of a new porta cabin to expand their space for educational and vocational programs. This addition will provide a comfortable and safe environment for both learning and community activities.

In addition to the porta cabin, Southend Next also contributed to Lakshyam through clothing and toy donations for the children, and by supporting essential repairs to enhance their center's facilities. It's inspiring to see the difference these improvements are already making for the children and families who rely on Lakshyam.

Our heartfelt thanks to everyone involved for making this possible. Together, we're building brighter, more supportive communities!
