## MESSAGE FROM THE PRESIDENT

Dear Rotary Family,

As we conclude the second month of our Rotary year and step into the third, I want to take a moment to reflect on the remarkable progress we have made together in uplifting our community and fostering the spirit of service that defines our club.

Our journey so far has been marked by a deep commitment to "Building an Equal Tomorrow," and I am immensely proud of the strides we have taken in this direction. In August, we had the privilege of visiting the newly inaugurated Parliament building, a visit that was not only educational but also deeply inspiring. It reminded us of the importance of understanding the systems that govern us and reinforced our role in advocating for peace, good governance, and civic engagement.

Our dedication to community upliftment has been evident in our actions. Through our donation drive for Ayudhaan Ki Paathshala, we contributed much-needed books and stationery to support the education of children from underserved communities. Ayudhaan's story, as a 19-year-old leading this noble cause, is a powerful testament to the impact of service at any age, and we are honored to support his efforts to brighten the future of these young minds. Additionally, our collaboration with the Peepul Foundation at the SDMC School was another highlight, where our club members generously donated toys and books, creating a joyous and nurturing environment for the children.

These initiatives reflect our unwavering commitment to supporting the underprivileged and providing them with the resources they need to thrive. As we move into the third month, I encourage all of us to continue this momentum. Our collective efforts have shown that together, we can make a profound difference in our community. Let us remain steadfast in our mission to provide meaningful support, engage in impactful service projects, and uphold the values that Rotary stands for.

Thank you for your dedication, enthusiasm, and the spirit of service that you bring to every initiative. I look forward to our continued journey together as we strive to build a more inclusive and equitable future for all.

Yours in Rotary,

## PARLIAMENT VISIT

On August 14, 2024, a delegation of Rotary Club members had the unique opportunity to visit the newly inaugurated Parliament building. This visit was not just a tour of the architectural marvel but also a chance to engage in meaningful discussions about the legislative process and the role of civic organizations in shaping the future. The visit was a reminder of the Rotary Club Southend Next's commitment to understanding and supporting the structures that govern our nation. It also reinforced our role in promoting peace, good governance, and service above self.

As we reflect on this visit, we are inspired to deepen our involvement in civic activities and look forward to future opportunities where we can make a positive impact.
