MESSAGE FROM THE PRESIDENT

Dear Rotarians,

The month of August was dedicated to our Past President Rtn. Pankaj Verma, whose leadership and dedication have been a guiding force for our club. This special recognition was a heartfelt tribute to his contributions, as we continued our journey of service, fellowship, and growth.

On 8th August, our visit to Astha gave us the opportunity to support much-needed infrastructure development at the center. The improvements now enable children with different abilities to access the facility more freely, and the happiness we witnessed on their faces was the true reward for our collective effort.

On 25th August, we reached another milestone by installing the Interact Club at New Era Public School. This initiative is not just about forming a club, but about sowing the seeds of leadership and service among young minds. By guiding and mentoring these students, we are nurturing the future of Rotary, ensuring that the spirit of service continues to shine brightly for generations to come.

The highlight of the month was our grand Club Installation Ceremony on 29th August at the Shangri-La Eros Hotel. With our Chief Guest District Governor Rtn. Ravinder Gugnani gracing the occasion, the evening was both inspiring and celebratory. What made it even more memorable was the camaraderie and fellowship displayed by our members—especially through their vibrant band performance, which symbolized the harmony and togetherness of our Rotary family. August truly embodied service, youth empowerment, and fellowship, and I look forward to carrying this spirit into the months ahead.

Yours in Rotary,

Rtn Raghav Lekhi

As part of our commitment to community service, we supported infrastructure development at the center, making the facility more accessible and inclusive. These improvements will help the children move around with greater ease and comfort, enabling them to learn, play, and grow in a better environment.

The visit was a heartwarming experience for our members, as the joy and smiles of the children reflected the true impact of our efforts. This project reaffirmed our belief that small steps in service can bring about meaningful change in society.
