## MESSAGE FROM THE PRESIDENT

Dear Friends,

As we close the chapter on 2024, we celebrate an incredible December filled with impactful community service and shared joy. Together, we have demonstrated what the spirit of Rotary truly means—making a difference in the lives of others while strengthening our bonds as a club.

Our Solar Smiles Initiative illuminated not just the resident wing of the Earth Savivors Foundation but also the lives of those who now benefit from clean, sustainable energy. This project is a shining example of how our actions ripple beyond today, creating lasting change.

Through our Cervical Cancer Vaccination Drive, we stood together for the health and safety of 200 young girls, reaffirming our commitment to safeguarding the future of our communities. The smiles and gratitude we witnessed remind us why we serve.

The festive cheer of our Christmas Brunch brought members and families closer, fostering camaraderie in a joyful, magical setting. And during our Club Assembly, the exchange of ideas and feedback proved once again that our collective vision is our greatest strength.

As we step into 2025, let us carry forward the momentum of these moments. Together, we will continue to inspire, serve, and impact lives in meaningful ways. Thank you for your dedication, passion, and belief in what we can achieve as one Rotary family.

Wishing you and your loved ones a joyous New Year filled with hope and possibilities!

Yours in service,

Suhel Goel  
President

## SOUTHEND NEXT ILLUMINATES LIVES WITH SOLAR SMILES INITIATIVE

On December 7th, Rotary Club proudly hosted the 'Solar Smiles' event at the Earth Savivors Foundation. Rotary Club of Delhi Southend Next made a heartfelt pledge to solarize the resident wing of the Earth Savivors Foundation. By harnessing solar energy, this initiative aims to reduce dependency on conventional power sources, fostering environmental stewardship while ensuring a reliable energy supply for the residents.

In addition to the solarization pledge, the club extended its support by donating essential resources, including wheelchairs, ration supplies, and other necessities. These contributions are set to bring immediate relief and enhance the quality of life for the residents. The event was filled with moments of joy and connection, highlighting the shared commitment to making a difference.

## ROTARY CLUB OF DELHI SOUTHEND NEXT HOSTS CERVICAL CANCER VACCINATION DRIVE AT NEW ERA PUBLIC SCHOOL

On December 19th, the Rotary Club of Delhi Southend Next organized a cervical cancer vaccination drive for 200 girls, reaffirming its dedication to promoting health and wellness in the community. This vital initiative aims to protect young girls from cervical cancer and raise awareness about the importance of early prevention.

We extend our heartfelt gratitude to all the members who generously donated to make this drive possible. Your contributions have not only safeguarded the health of these young girls but also strengthened our collective commitment to building a healthier society.
