SOUTHEND NEXT (2024-25)

MESSAGE FROM THE PRESIDENT

Dear Southend Nexters,

The Rotary Club of Delhi Southend Next has kicked off the year with a big bang! Our first month has been marked by vibrant and impactful events, well received and appreciated by all. Guided by our theme, "Building an Equal Tomorrow," we have focused on addressing community needs, fostering inclusion, and enhancing member engagement. From providing educational resources to underprivileged children to organizing health camps and cultural events, our initiatives are already creating ripples of positive change. The enthusiastic participation of our members has been inspiring, and their dedication to our cause is evident in every project we undertake.

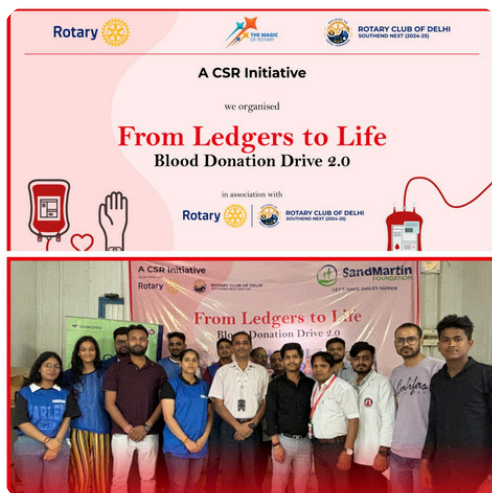

However, the journey has just begun, and the success of our vision depends on the active participation of all members. We urge every Rotarian to embrace the spirit of "Service Above Self" and join us in our mission. Together, we can continue to innovate community projects, build strategic partnerships, and expand our fundraising efforts. We need your support to keep the momentum going. Your involvement is crucial in driving our initiatives forward and ensuring their sustainability. Let us work hand in hand to create a more equitable and inclusive community.

As we look ahead, let's remember that the magic of Rotary lies in our collective efforts. Together, we can build an equal tomorrow, today.

Thank you.

TOY'S & BOOKS COLLECTION DRIVE FOR PEEPUL

The Rotary Club of Delhi Southend Next continues its commitment to community service by donating books and toys to Peepul Exemplary School. This generous contribution, made by our dedicated club members, aims to enrich the learning environment and bring joy to the students. Peepul Exemplary School, known for its excellence in education, serves children from diverse backgrounds. The donated books will help expand the school's library, offering students access to a wide range of reading materials that will support their academic growth and inspire a love for learning. Meanwhile, the toys will provide much-needed recreational resources, promoting social skills and creativity among the children. We extend our heartfelt thanks to all the Rotary Club members who generously contributed to this cause.
