MESSAGE FROM THE PRESIDENT

Dear Fellow Rotarians,

January has been a month of service, unity, and spiritual reflection, strengthening our commitment to “Service Above Self.” Our Blanket Donation Drive and Hugs of Warmth at Aarohan brought comfort to the underprivileged, reinforcing our mission to spread kindness and uplift communities. The Family Sports Day & Republic Day Celebrations fostered camaraderie, patriotism, and joy among our members and their families.

A special moment this month was our Spiritual Forum event at Ayodhya, where we sought the blessings of Lord Ram. This visit reminded us of the values of dharma, selfless service, and righteous leadership, which guide our Rotary journey. As we move forward, let us continue to uphold these principles, expanding our impact and working towards an equal and compassionate tomorrow.

Thank you for your unwavering support in making this vision a reality.

Yours in Rotary,

Suhel Goel

President, Rotary Club of Delhi Southend Next

HUGS OF WARMTH AT AAROHAN

On January 11, the Rotary Club of Delhi Southend Next organized the Hugs of Warmth event at Aarohan NGO, bringing smiles and comfort to underprivileged children. As part of our ongoing commitment to community service, we donated blankets, stationery kits, and school bags to support the kids in their education and well-being.

Adding to the warmth of the day, our young Rotarians actively participated, interacting with the children. The event was a beautiful reminder that even small acts of kindness can make a big difference. Seeing the joy on the children's faces reinforced our mission to serve and uplift the community. We extend our heartfelt gratitude to all members and volunteers who contributed to making this initiative a success. Together, we continue to spread warmth and hope!

SOUTHEND NEXT SPREADS WARMTH WITH BLANKET DONATION DRIVE

In December, the Southend Next organized a heartwarming Blanket Donation Drive ensuring comfort for those in need during the winter season. With the generous support of our members and well-wishers, we distributed warm blankets to elderly residents and underprivileged individuals, bringing smiles to their faces. At The Jaiswal Old Age Home, which shelters the homeless and abandoned elderly, our initiative provided much-needed warmth and care. Similarly, at Earth Saviours Foundation, the blankets symbolized love, reminding the residents that they are not alone. This drive reinforced our commitment to "Service Above Self", demonstrating the power of collective kindness. We extend our heartfelt gratitude to all contributors for making this initiative a success.

AYODHYA TRIP - SPIRITUAL FORUM

From January 18 to 19, our esteemed Rotary Club members participated in a Spiritual Forum event, embarking on a soul-enriching journey to the sacred Ram Mandir in Ayodhya. The visit was a profound experience, fostering a sense of devotion, unity, and cultural heritage among the participants.

During the pilgrimage, members engaged in spiritual discourses, prayers, and cultural interactions, deepening their connection to the timeless values of Lord Ram. The visit also provided an opportunity for reflection, inner peace, and strengthening the bond of fellowship within our Rotary community.

Such initiatives reaffirm our commitment to not just service but also personal and spiritual growth, aligning with the core values of Rotary – fellowship, integrity, and service above self.
